Mr Dinoviddy

Sr — My health is so precarious that it has prevented me waiting on you. as I proposed the Lady who was so good as to take me & bring me home could not go this week. She begd I would write to you. to ask the Day - you were to Lecture on the owery & to be so good - as to Let her know - by Marks on the Lectures which you think would be most useful & improving to us Ladies - as we suppose. There are many too high - for us to understand - the astronomy we shall attend all — I am Sr

your Humble Servt
