Administrative history / Biographical sketch

Note

Fay Cohen taught in Dalhousie University's School for Resource and Environmental Studies from her initial appointment as an honorary research associate in fisheries and community development in 1981, until her retirement in 2009 as Professor of Environmental Studies. She was educated in anthropology and law, receiving her BA and MEd at Harvard University and her PhD from the University of Minnesota and her enduring research interests focused on indigenous peoples and natural resource issues.

Custodial history

Records were donated by Fay Cohen in accession 2021-047.

Scope and content

Fonds contains materials created and collected by Fay Cohen in the course of her scholarship about indigenous peoples and natural resource issues.
