Dear Sir:

At the Annual Meeting of the Boy Scouts Association you were elected a member of the Provincial Executive and I trust you will allow your name to stand.

It is not expected that out of town members will be able to attend all meetings but as members of the Executive they will receive copies of minutes, financial statements etc., from this office and will be able to keep their local Organizations informed as to any actions taken by the Provincial Executive.

Yours sincerely,

W. A. Speed,
Field Commissioner.

WAS/F

P.S. The enclosed is a financial statement for the month of April which also includes a summary of expenditures to date for the current year from January 1st. For the four months period some expenditures are over one third of the budget, notably in postage and printing. This, however, will adjust itself as many items of stationery have been bought for the year and postage is very light during the summer months.

W.A.S.
