Dear Sir!

Permit me, in  
bad English to thank  
you for your songs as for  
your essay on my  
musical work. Both  
has given me much  
pleasure. I also congrat-  
ulate you to your repu-  
tation in America as  
teacher and composer and  
beg you kindly to receive  
from me and my wife our  
best compliments.

Yours faithfully,  
Edvard Grieg.
