

DALHOUSIE LAW SCHOOL SOCIETY
FORREST BUILDING
HALIFAX, N. S.

February 13, 1950.

Dr. V. C. MacDonald,
Dean of the Faculty of Law,
Dalhousie University,
Halifax, Nova Scotia.

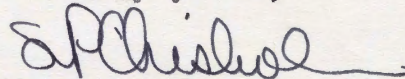

Dear Dean MacDonald:

May we extend our heartiest congratulations to you on your appointment to the Bench of the Supreme Court of Nova Scotia. We feel, as students of the law, that your appointment was one both well deserved and of the utmost wisdom.

Our only regret is in the fact that a great professor and intellectual inspiration has been lost to us as Dean of our School. However we are encouraged in the knowledge that the same wisdom to which we have been exposed as students will now be handed down as judicial decision and so available to us as such.

May we repeat our congratulations and, in closing, wish you many years of great success and happiness as a Canadian jurist.

Sincerely yours,

S. P. Chisholm,
President, Dalhousie Law Society.
