

Dear Elisabeth -

It was so nice talking to you. I am sorry I had to call collect. If I'd of had some quarters left I would have been happy to hear from you. I've called you a couple of times.

I lived in Arizona for 6 months & then by circumstances I ended up here in Sacramento.

I didn't get to Santa Barbara. My parents sent the money to the airline and everything was ready to go except me! I got out to the planes & the dogs were even in the back seat and I just couldn't do it. The plane was so small I'd of died of a heart attack.

No amount of any liquor or sedatives would have

got me on it. I sure would
have liked seeing you.

Would you do me a favor?
When I was in Fevrene last year
I got a postcard of the Pute
them. They made statues of it.
I want to get three really
nice ones. Do you know the
name of any shop I could write?
I'm been trying but can't find
one.

I'll send you a photocopy of
the one I mean.

Let's keep in touch. You are
really a ~~good~~ friend.

Love,
Mimi

Dear Elisabeth -

So sorry I haven't written sooner.
Enclosed is the money I owe you.
Sorry it took me so long. Thanks
so much. I'm calling Sears today
+ telling them to get in touch with
you so they can deliver the belt. Thanks
a lot for lending it to me. I
really appreciate it. I bought a
new one from Sears + it should
arrive within the next couple of weeks.

I am really happy. We are
getting married in three months.
Bob wanted to meet you before
we left but we just took off
as fast as possible. Too many
bad memories in S. B.

How are the coppers? Give
them my love. Also Norton.
I really appreciate your friendship.

We live in a town called
Brownsville, its right on the Mexican
border. I don't know how long we'll
be here.

When are you going to Switzerland
again?

Please write. I'd love to hear
from you. Thanks again for
everything.

We'll be in S.B. August
20 - 23. We'll you be there?
Hope so.

New puppy (silver bundle) arriving in
Houston this month!

Love
Mimi
