Dear Mr. Raddall;

I am writing for information on the story
Christmas at Sable Island. The class and I have enjoyed it
very much. I was hoping you could send me some information,
your photograph, autograph and ~~note~~ maybe some copies
of other stories you wrote. I am in grade 6 at Delron school.
So Christmas at Sable Island true? How big are the ponies? Did
you ever ride one? My cousin Joan Manthorne, Liverpool, told me
where you lived. Maybe you know her. I would appreciate it
if you could send it as soon as possible. Inside you will
find a self addressed ~~envelope~~ envelope with a 5¢ stamp. Thank
for your cooperation.

Thank you
Yours truly,
Billy Warner.
