The Law Courts,
Halifax, N. S.,
February 8, 1963.

Dear Donald,

My commission as a member of the Board of
Governors expires on April 30, 1963.

The conditions which led me to tender my
resignation two years ago - which you refused to accept
in the hope that they would disappear - have remained,
and still remain, operative.

As a matter of principle I do not wish to
hold any office to which I cannot give proper attention.
Accordingly I write simply to say that I do not wish to be
recommended for re-appointment.

With thanks for your kindly attitude in the
matter, I am,

Yours truly,

Mr. Donald McInnes, Q.C.,
35 Bedford Row,
Halifax, N. S.
