Mr. Thomas H. Raddall,
44 Park St.,
Liverpool, N.S.

Dear Mr. Raddall:

The Reference Division of the McPherson Library, University of Victoria, is compiling a biographical dictionary provisionally entitled, "Creative Canada: A Biographical Dictionary of Twentieth Century Canadians in Literature and the Arts", which will be kept current with regular supplements. The entries are concise, factual biographies of contributors to all phases of the arts in Canada, including the performing arts. A distinguished board of consultant advisers has helped us select the entrants for volume one which will be in the printer's hands this year. Before it goes to press we would like the information for each entry to be verified by the biographee himself. For your convenience we are enclosing a questionnaire indicating the type of information required to complete your entry. We would be grateful for your co-operation in supplying any missing data and in making any corrections or additions that may be necessary to bring your entry up-to-date. To show you what a page of the finished volume will look like we attach a sample of uncorrected proof.

We would be grateful if you would return your completed questionnaire in the enclosed, self-addressed envelope within two weeks of receipt if at all possible. If we do not hear from you before the volume goes to press we shall assume that the information on the questionnaire is correct and complete as written.

Yours truly,

Jennifer Clark
