

PROVINCE OF NOVA SCOTIA

MINISTER OF INDUSTRY  
AND PUBLICITY

Halifax, N. S.  
April 15th, 1942.

Dear Mr. Raddall:

When Harry Madden, M. L. A., was in to see me a few days ago, I mentioned your name to him in connection with several articles which appeared recently, one in MacLean's and one in Collier's, and told him that I proposed to call in and see you the first time I was in the vicinity of Liverpool. He told me that he believed you would be in Halifax on Monday of next week and I asked him if he would suggest to you that you drop in and see me while in the City.

In the event that he has forgotten to do so, may I ask you now if you would be kind enough to call upon me. There are several matters of mutual interest which I should like to discuss and I would be happy to see you at any time on Monday that is convenient to you.

Yours very truly,

*Harold Kennedy*  
Minister.
