Nova Scotia.

Dear Mr. Raddall,-

You may not know much about the writer but any of the oldtimers around Milton could give you a lot of information about him. I am sure your mother-in-law will remember me.

The enclosed sheet from this morning's Globe and Mail was read with a great deal of interest. Mr. Arthur Gagnon of St. Stephen, New Brunswick, was telling me a few days ago how much he enjoyed reading your book. I have placed an order for one and am looking forward to the pleasure of reading it and I shall also prize it as an addition to my library. I was talking with Colonel Fred Ford this morning and he is also securing a copy.

Yours faithfully,

*R.W.E. Burnaby*
