Dear Mr. Raddall:

Thank you very much for the pictures and sketch of the fishing boat. I am in the middle of the illustrations and they are a very great help. It is important to me to be as accurate as I can in the detail and you have assisted me no end. I think, by the way that you are a good photographer! The prints are excellent.

I am sorry that you had to go back a second time but sub-zero weather could play hob with a camera shutter.

Let me assure you again that I deeply appreciate your first letter about the Sarka drawings and these last efforts in my behalf!

With best wishes I am,

Most sincerely,

Courtney Allen
