

WITH THE COMPLIMENTS OF

# ROTORUA'S VOLCANIC WUNDERFLITES

Passengers aboard the "Golden Queen" Cessna 207 of Rotorua's Volcanic Wunderflites enjoying the thrill of flying the craters of Mt Tarawera. An eruption on June 10, 1886, split the summit into five separate craters.

I HEREBY CERTIFY THAT

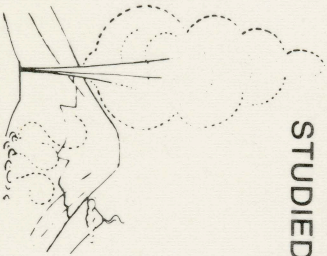

**27 MAY 1977**

IS NOW A QUALIFIED "AERIAL VULCANOLOGIST" HAVING  
STUDIED FROM THE AIR THE VOLCANOES OF  
ROTORUA, NEW ZEALAND.

Signed: Capt.....

*P. J. Rushton*
