Dear Colonel Balcom:

I enclose Dalhousie University's official receipt for the \$300 given to the University to close out the Benevolent Fund of the World War I #7 Stationary Hospital Unit.

May I say how much I appreciated your visit the other afternoon together with your colleagues, Messrs. Dickson and Steeves. This is another indication of the friendly relationship that you have maintained with Dalhousie University extending over a period of sixty years.

Again, thank you very much indeed.

Yours sincerely,

Henry D. Hicks
