Dear Mr. Raddall,

On behalf of the  
Gosham Chapter I. O. O. E., I wish  
to thank you for your generous con-  
tribution of books to our Recreation  
Room.

That fruit of our work has been  
rather a disappointment to me. I  
had hoped that we could get quite  
a systematic organization along those  
lines, but the gentleman who was  
very much interested, and seemed to  
think he had practical ideas, was  
ill, and, on leaving the Hospital in  
Halifax was sent home to Ontario.

Courteously our book case has re-  
mained practically empty, until your  
donation of last week. - I am sure  
the books will have added interest  
for the boys when they are told that  
they are stories that you have enjoyed.

So - to repeat - thank you  
for so generously remembering us.

Sincerely -  
Eleanor Millard, Dept.

P.S. May I add a personal word -  
Thank you for the spirit which you  
brought out in the last paper of  
Paper Sunday - The paragraph ending  
in *Invidia!* *Invidia!* rages along side  
Neil Coward's *Swail to England* in  
"Cavalcade" - and may be one of

the things I shall remember. The  
Spirit of England, which we hope will  
never die. E. M.
