

Memo on Harry Reed Croker.

This man resided in the year 1900 at 77 Hargwyne Street, Brixton. From about the year 1911 and onward to the present time he has resided at 81 Redman Road, Stepney, E. 1, 55 Redman Road, Stepney, E. 1, and for the past twenty-five years he has resided steadily at 8 Redman Street or Road, Stepney, E. 1, London, England. I do not know where he resided from 1900 to 1911 but because he was employed as a porter in the Post Office at Brixton from about 1909, I presume he resided in Brixton area.
