Yevanich Doklad.

Sir

This is in reply to yours of the 26th ult. and the exhibits therein referred to:

1. Exhibit "B" Pt. I. does contain in my opinion a true and accurate summary of Exhibit "A" and furnished a good head-note to the said Exhibit "A" in so far as it relates to the case presented in certain paragraphs of the said Exhibit "A."

2. Exhibit "B" does not contain in my opinion a full and complete summary of the matter alleged in Exhibit "A" and so precludes the author of Exhibit "A" from maintaining an action against the author of Exhibit "B" for Plagiarism.

3. The facts set out forth in Exhibit "B" can be traced directly to their source of origin and I am of opinion that such source of origin is Exhibit "A".

4. The reason wherefor the R. I. article was circulated by H. M. Bureau of Information among H. M. Troop is that the said B. of I. was by the author of Exhibit "A" caused to a realization of the

of materiality & truth of the matters alleged
in the said Exhibit "A" and wished to urge
the importance of the message in the said
Exhibit set forth upon these ^{defenders and} supporters of
N.M.'s perjury, Crown indignity to the end
that the said ^{defenders and} supporters may be made proof
against the insidious poison of the Yankee
Gas that daily rolls unheeded across and
defenseless provided.

I express the above opinion solemnly
and in the name of the Perpendicular
Pope, fully realizing that His Perpendicularity
is a worthy man, — ~~yes~~ an upright
man — a man resolved to drive from
the midst of his flock the Navigational
Devil — a lying rascal.

Do Svedania,

Leviniah T. J.
