

MESSAGE FROM THE PRIME MINISTER

MESSAGE DU PREMIER MINISTRE

Dear Mrs. Elizabeth Mann Borgese:

Few people have the opportunity of choosing the country in which they would like to live. In general, it is in the country of our parents that we are born and spend our lives.

Your decision to undertake the long and complex process for obtaining your Canadian citizenship is a clear indication of your attachment to this country and your sincere desire to begin a new life here. Your efforts have culminated in today's ceremony, in which you have become a Canadian citizen with all the rights, privileges and duties that entails.

On behalf of your fellow citizens, I wish to offer you my warmest congratulations. May your satisfaction in living in Canada be as great as our pleasure in welcoming you here.
