Dear Tom:

Attached is the text of the Raddall prize that we would like to establish at Acadia University. It has been developed with Jim Perkin and Bill Parker. It is intended to replace the T. H. Raddall Prize for literature which we have offered to high school students in western Nova Scotia. In recent years, interest has fallen off and the quality of the essays has declined to the point where the judging committee, which Jim Perkin chaired, recommended that we find a replacement for the prize.

I would be grateful if you would discuss this with your father to ensure that what we are doing has his support.

Regards,

Yours sincerely,
