Dear Ms. Borgese,

Thank you for your letter of 30th October, 1978 which I have just received due to reasons I cannot understand. One of these reasons why your letter has taken so long in reaching me is that you had addressed it to my former address in Arusha, Tanzania. For your information, I left that address way back in June, 1978 and I am now the Tanzania Ambassador to the United Nations at Geneva where you should address all your communications to me.

Regarding the contents of your letter, it is obvious that everything has now been overtaken by events in that the Yaounde Conference has in fact already been held. Therefore, since it is not necessary for me to do anything concerning the contents of your letter, the only thing I can ask from you is the proceedings of that Conference. Would you be kind enough to send me a copy of the proceedings as soon as they are ready?

With best wishes,

Yours sincerely,

W.K. CHAGULA
