- . Mainmast  
 Overall Height 125' 10"
- . Foremast  
 Overall Height 102' 6"
- . Helm  
 (Copy on ability of oldtimers at the wheel, danger of helmsman  
 being pooped by icy sea, how he steered first by wind, next  
 by compass, etc.)
- . After Cabin

 (Detail)

NOTE: I realize this list is by no means complete. It will take your own suggestions or Capt. Coggins' to finish it. In cases of such of the signs as "pinrail" there will be more than one. All signs but caution signs (following) will be lettered in blue on high-gloss white, and attached to the location they describe by small-link brass chain.

ADDITIONAL SIGNS

(1) WHARF

Tent-signs to display two 16 x 20 color photos apiece.  
Recommendation: six signs. (See blueprint attached).

(2) WHARF

Sign near gangway with copy on story of two Bluenoses.  
Copy will be down for approval this week.

(3) WHARF

Separate sign, to be posted near gangway, with enlargement  
of standard sail -- plan and key.

(4) DECK

Also, we suggest the following to be lettered in Black or Red on  
white. Please approve or adjust.

- (a) Sorry! Because of regulations, we cannot invite you to  
inspect the ship below decks. (one sign)
- (b) No Climbing! (one sign - several dupes for shrouds)
- (c) Do Not Touch! (one sign - several dupes for placement  
near sensitive deck detail, machinery, etc.)
- (d) Watch Your Step! (one sign - several dupes for gangways, etc.)
- (e) No Admittance! (one sign - several dupes for open hatches)
- (f) SORRY! (one sign - couple of dupes - for stringing at foot  
of gangway during off hours)
- (g) A sign detailing schedule of ship's public visiting hours.
- (h) Please! No Smoking! (one sign - a dozen dupes)
- (i) Please Do Not Drop Refuse Overboard (one sign - couple of dupes)
