Dear Mr. Raddall:

A question has arisen in our offices about the pronunciation of your name. Would you be so kind as to give us an indication of your pronunciation of your last name? In particular, we would like to know whether the stress falls on the first or last syllable and whether the letter a is pronounced like the vowel of all or Al. An indication on this sheet will be sufficient for our purposes.

Thank you in advance for your help.

Sincerely,

Brian M. Sietsema
