Dear Mr. Raddall:

I hope this gets to you. I remember reading in "Keeping Posted" that you live somewhere in eastern Canada--in Nova Scotia, it seems to me. At any rate:

Not long ago, in one of the appendices at the back of a volume of O'Brien's "Best", I came across the title of a book of short stories which you had had published. Would it be possible for you to let me know the price and publisher? I'd like to secure a copy.

Your Post stories are enjoyed a good deal in this neck of the woods.

Sincerely yours,

C. S. Taylor
