QUARANTINE STATION

Pres^t McKenzie, Chatham Nov 2nd 1917
Sir.

Yours of 31st Ult to hand

Yes I am an old Dakonsonian.

I was there at the opening 62-3.

I heard Hon Geo Howe deliver a speech that I never forgot to this day.

I had been attending the Preliminary at Truro for about 5 years and followed the Staff to Halifax in the fall of 1862 I spoke to W^r McMechan of tickets but I find they are almost all Harvard tickets but I have picked out some that will interest you viz Mathematical class Prof McCulloch also Logic Prof Ross Truro 1860-1 also Nat Phil same date also certifs from Ross McCulloch Lyell Classics Johnson &c you will see I also send you in seperate cover

Something that I value much more highly viz a note book of lectures on Logic by Prof Ross 1860-1 containing autograph signatures of many who attended the class and which you will recognize, gaections remarks by Mr Robt Smith Prof Smiths some of Steviacke Pine Hill Gerrish St &c. If I come across anything else I will let you know

Yours truly

J Bayler
