Dear Mr. Raddall:

On behalf of the Queens County Historical Society, I would like to thank you for the generous donation you have made to the Queens County Museum Endowment Fund.

You have been such a wonderful supporter of this Fund throughout the years. Because of the great interest and historical knowledge you have of our County, you realize the importance of a fund such as this that will be used for the preservation of our heritage.

Merry Christmas and a healthy and Happy New Year.

Sincerely,

Linda Rafuse
Treasurer
Queens County Historical Society
