Comrade Thomas H. Raddall,
President Queens County Branch #38,
Canadian Legion, B. E. S. L.

Dear Comrade Raddall:

The members of our Legion wish to avail themselves of this opportunity to extend to you, our President, hearty congratulations on the high honors which have recently been conferred on you. To be honored as the outstanding author of fiction in Canada for 1943, is something of which you have every reason to be proud.

The ready acceptance by the public of your two latest books, "His Majesty's Yankees" and "The Pied Piper of Dipper Creek", are ample evidence of your literary ability, and we all predict a great future for you in your chosen profession.

The recognition by The Governor General of Canada, the late Lord Tweedsmuir, of your earlier writings, must have been a great satisfaction to you, as it was to your comrades and fellow citizens.

We sincerely trust that you and your family will long be spared and enjoy the best of health, and we shall all look forward with great anticipation to greater successes, which you so richly deserve.

Signed on behalf of the members of
Queens County Branch #38, Canadian Legion, B. E. S. L.

L. E. Curtis Vice-Pres.
