PHAROS

...at the mouth of the harbour, majestically, there stood the PHAROS, towering its lofty head above the city of Alexandria, a beacon of warning and succor to the merchants and scientists, men of letters, scholars and statesmen who braved the wrath of the wind and the waters in search of life.

May this PHAROS be a symbolic beacon of our College by the Sea. Let the light of Dalhousie guide you wherever you may sail on the Sea of Life.

DALHOUSIE UNIVERSITY
HALIFAX, N.S.

PRESIDENT AND VICE-CHANCELLOR

March 21, 1966

To the Class of 1966:

It is my pleasure to greet the Class of 1966, thanks to the invitation of the Editor of *Pharos*.

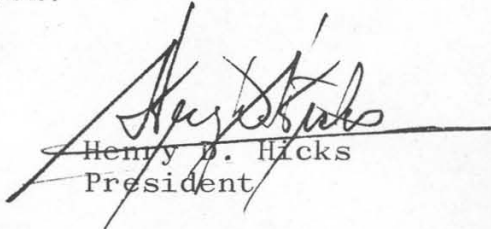

Last year I felt obliged to apologize for the crowding on the campus which all of you have put up with so patiently throughout your years at Dalhousie. Now, although the situation is no better, if not worse, we are beginning to see signs of some alleviation of our difficulties as the new Law and Medical buildings rise along University Avenue. You will be interested to know that plans are on the drawing boards for a Student Union building and for residence extensions for both men and women. Also, committees are doing the preliminary work for a number of academic structures to house a new library, and classroom and laboratories for the physical and social sciences and the humanities.

But this is not much comfort to you who are departing except that you will be able to tell of the hardships of your days at Dalhousie to the following generations!

I am sorry that the size of Dalhousie's population now makes it impossible for the President to meet personally more than a representative group of you. But I want to say that I am greatly impressed with the abilities and attitudes of those young men and women with whom I have had the privilege of working in the past three years I have been in this office.

As a consequence, because of this knowledge, I am not nearly as worried as are some about the future of our country and indeed of the world.

Good-bye for now. Please come back and pay us a visit some day. We will be glad to see you.

Henry D. Hicks
President

When the history of any great institution is recorded, its pages are filled with the stories of many great men whose contribution shaped its destiny. One man, the recently inaugurated President, Dr. Henry D. Hicks, whose life span parallels the entire resurrection of this institution has left an indelible mark in its annals.

Born in Bridgetown, N.S., March 5, 1915, Dr. Hicks later attended Mount Allison University until 1936 where he graduated with a B.A., first class honours in Chemistry. In 1937, he graduated from Dalhousie University with a B.Sc. He then attended Oxford University, where in 1939 he received a B.A. (Jurisprudence) and in the following year received a B.C.L. He was admitted to the Nova Scotia Bar Association in 1941.

As a premier, Dr. Hicks, tried his hand at construction with the Angus L. MacDonald Bridge.

His time as a practicing lawyer was interrupted by the Second World War when he served in the Royal Canadian Artillery as a Captain, Technical Staff Officer, Radar, in the European Campaign. He commenced his practice of law in Bridgetown on being discharged from the R.C.A. in 1946.

During Dr. Hicks student career he distinguished himself particularly in Track at Mount Allison and in rowing at Oxford University where he was the war time president of the Oxford University Boat Club.

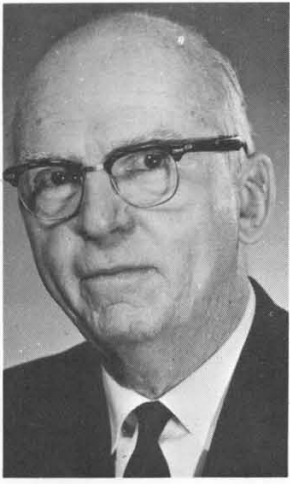

From 1945 to 1956 he was the member of the Nova Scotia Legislature for Annapolis County and from 1956 to 1960 the member for Annapolis East. During these years he was chairman of many commissions, the most important being Chairman of the Nova Scotia Liquor Commission in 1955. He reached the peak of his legislative ability when in September 1954 until November 1956, he was the Premier of Nova Scotia.

In the fall of 1960, Dr. Hicks was appointed Dean of Arts and Science at Dalhousie University. In the following year he was appointed Vice President. 1963 was the beginning of a new era for Dalhousie University with the inauguration of Dr. Hicks as President of this institution.

Progress is the order of the day. His devoted energies have been successfully channeled; consequently Dalhousie has surged forward both in the world of academic and physical expansion. Surely this leader of the university community will continue to further the student's ambitions for a progressive and challenging future at Dalhousie.

Students' Council

PRESIDENT'S MESSAGE

Student government at Dalhousie went through a period of much needed expansion in activities and budget in the academic year 1964-65. This year has been one of consolidation and hopefully the permanent establishment of a responsible attitude by Student Government leaders and organizations. Perhaps the most significant development has been the creation of true co-operation between the Council of Students, and the Administration and the Senate of the University.

All participants in the many student organizations and societies are to be congratulated for their contribution to extracurricular activities at Dal this year and may I take this opportunity to personally thank each and every one of you for a job well done.

Dalhousie is about to embark on a period of unprecedented expansion in both physical plan and student population. Student Government will have to keep pace with this expansion and I am sure we all wish the student leaders in years to come the very best of luck in meeting this challenge.

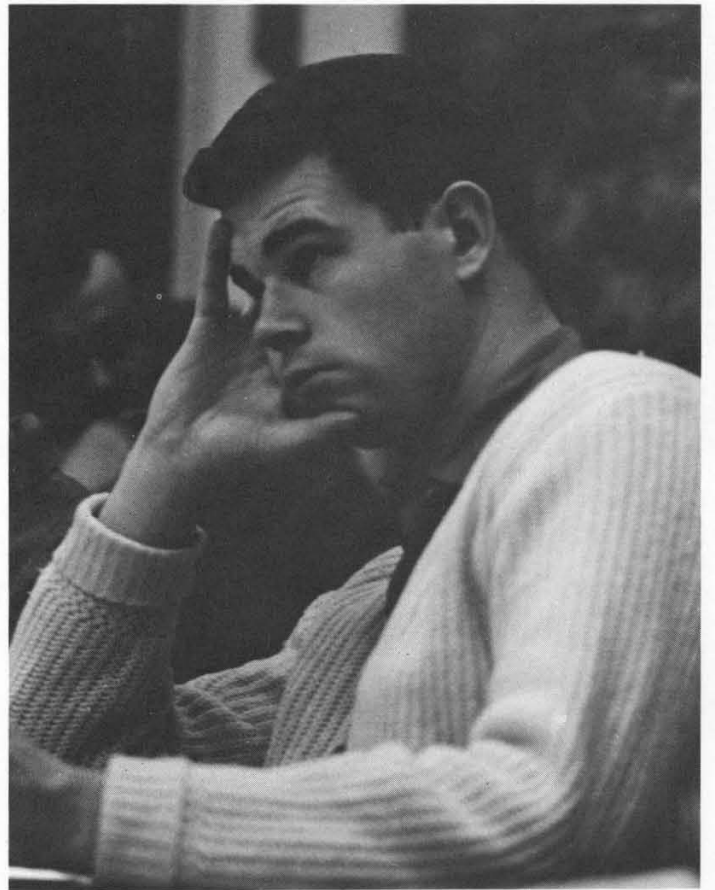

Robbie Shaw, Liz Campbell, John Young

JOE MacDONALD (at large)

BILL MacDONALD (Grad. Studies)

CARL HOLM (at large)

JOHN YOUNG (Treasurer)

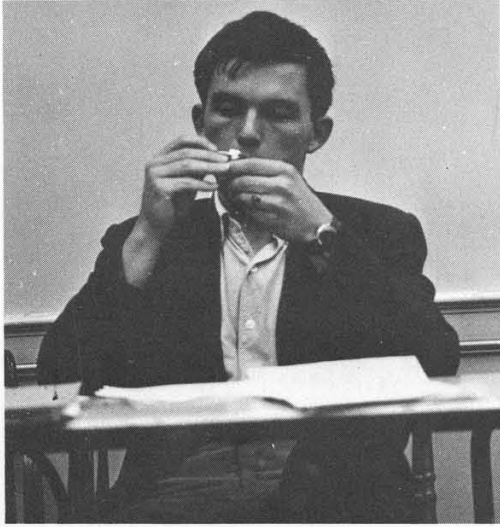

JOHN MacKEIGAN (Medicine)
DAVE SEAMAN (Medicine)

The '65-66 Student Council inclined their efforts more towards the solidification and strengthening rather than the stretching of their responsibilities. The result was seen in the increased growth of harmony between the council and faculty, essential for the proper disposal of their respective duties.

This harmony was also apparent in connection with the relations between the Council and the Student Body. Interested students were kept informed through the Gazette and the Council minutes.

ERIC HILLIS (Education)

JOHN ROONEY (Dentistry)

This year the students of Dalhousie witnessed the initiation of the Treasury Board System under the able leadership of John Young and his assistants Robert Creighton and Steven Ash.

Also to help with the administration of the Council work a permanent secretary was hired along with a student acting as comptroller.

Thanks to the efforts of this new financial body, the final income statement of the Council activities appeared in the black, the first time in many years.

JOSYLN WILLIAMS (CUS Rep.)

JOHN GRAHAM (Comptroller)

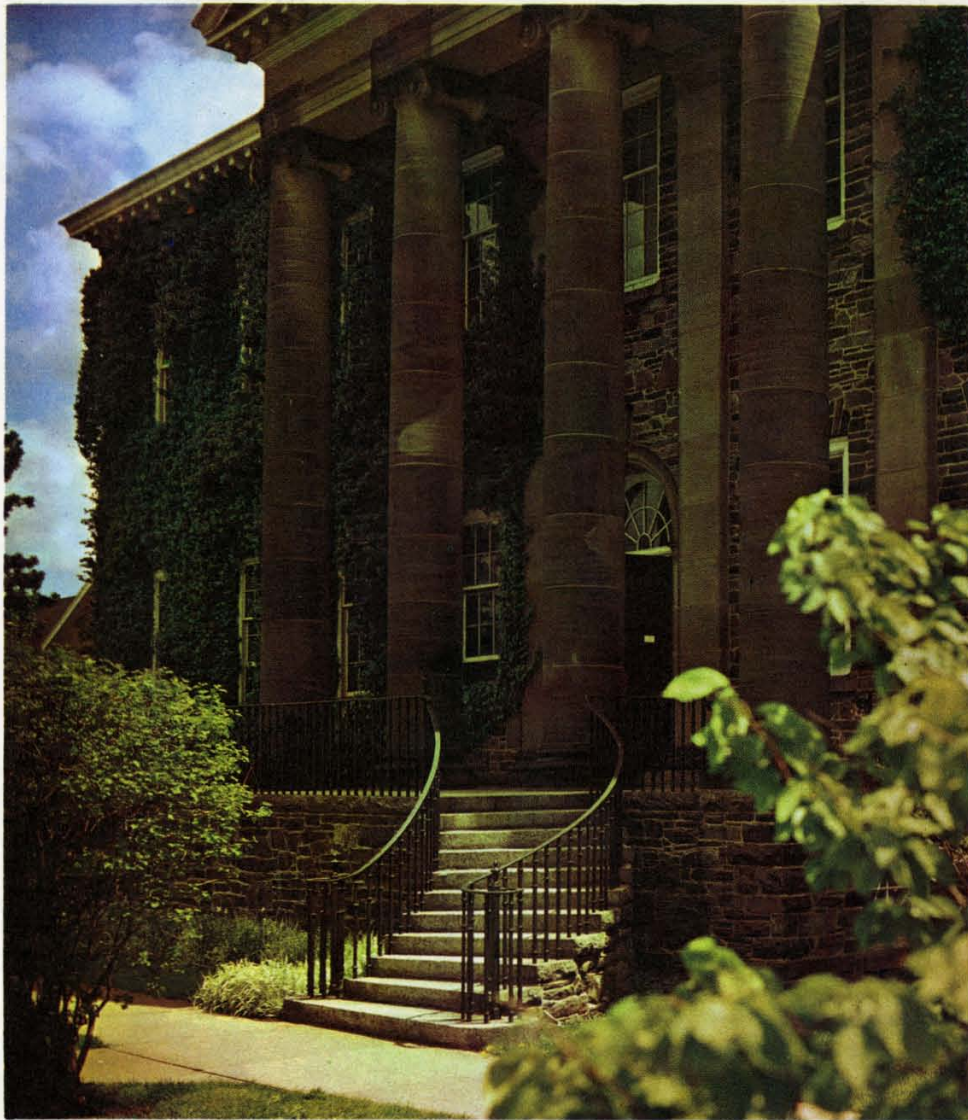

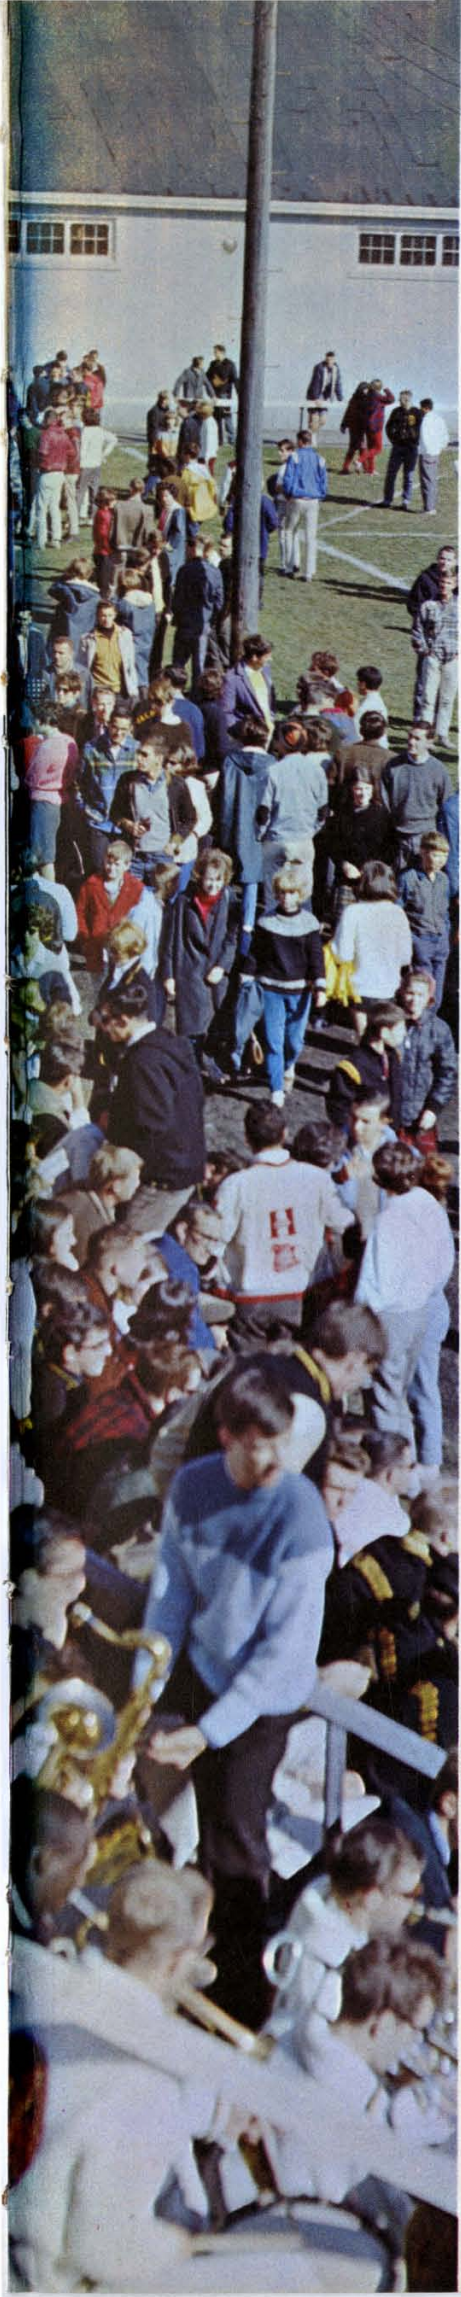

CAMPUS LIFE

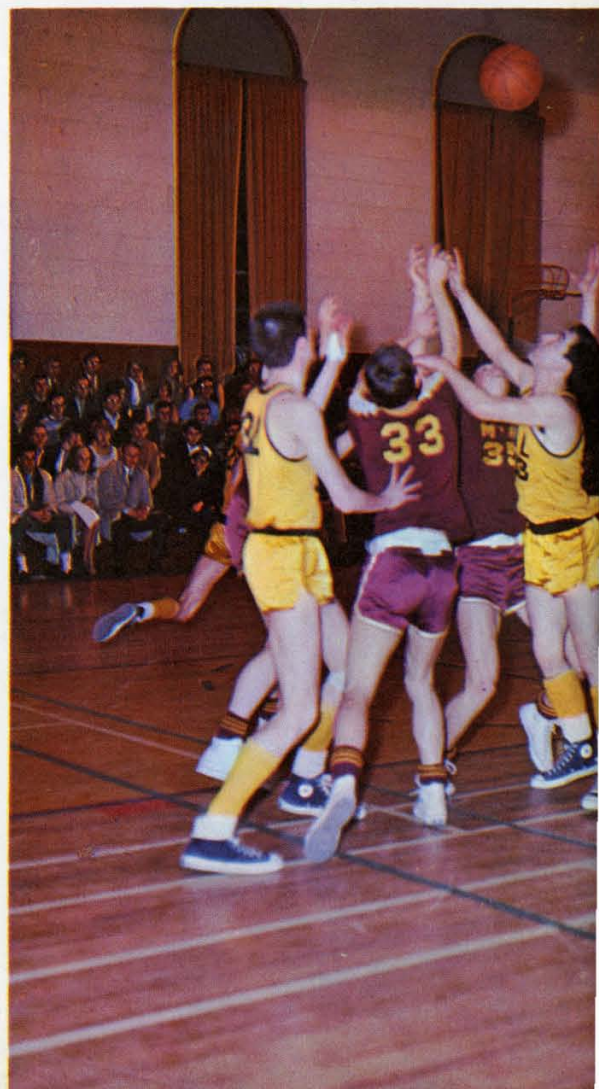

The events occurring during a college year at Dalhousie University are very colourful, and the staff of the Yearbook and the Photography Department determined that students and friends relive those events with the happiness and aspirations that only full colour allows. The following eight pages recount the beauty and splendor of the year, 1965-'66.

WINTER CARNIVAL is one of the most colourful events on campus during the year. The people depicted here are only a few of those that make up this spectacle. The sports – basketball and curling, the fun – broomball and tobogganing, the entertainment and social affairs all make the winter more enjoyable and picturesque.

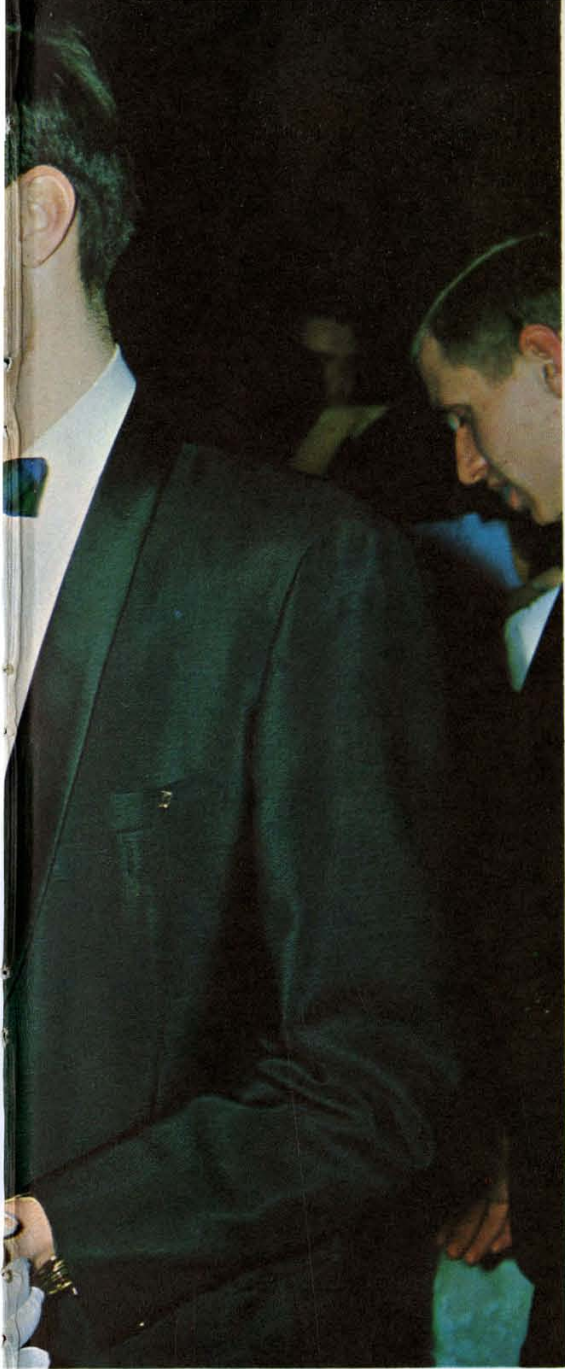

The magnificence of the Imperial Japanese Court was recreated on the stage of the Neptune Theatre when the Dalhousie Glee and Dramatics Society presented the Mikado by Gilbert and Sullivan. The dazzling costumes borrowed from the Stratford Shakespearian Company and the skillful artistry of both the prop designer and the make-up crew made this production the most eye-catching event of the year.

The campus activities of the college year close at the Student Council Ball; the presentation of the awards, the crowning of the campus queen, Ann Rungus, and the introduction of the new students' council. All that remains is one month of tedious work before the climax of the year . . . examination, and for some graduation.

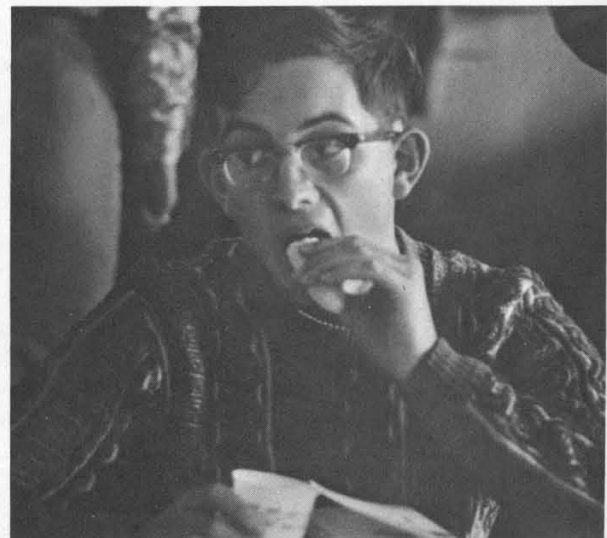

Graduation . . . the final and memorable step before the student bids farewell to the hard work, good friends, and good times of university life; and goes out into the world prepared to fulfill his goals and aspirations. To many it also means parting with fond memories of the city which harbours our university . . . the sights, the sounds, and the people of Halifax, Nova Scotia.

With gusto

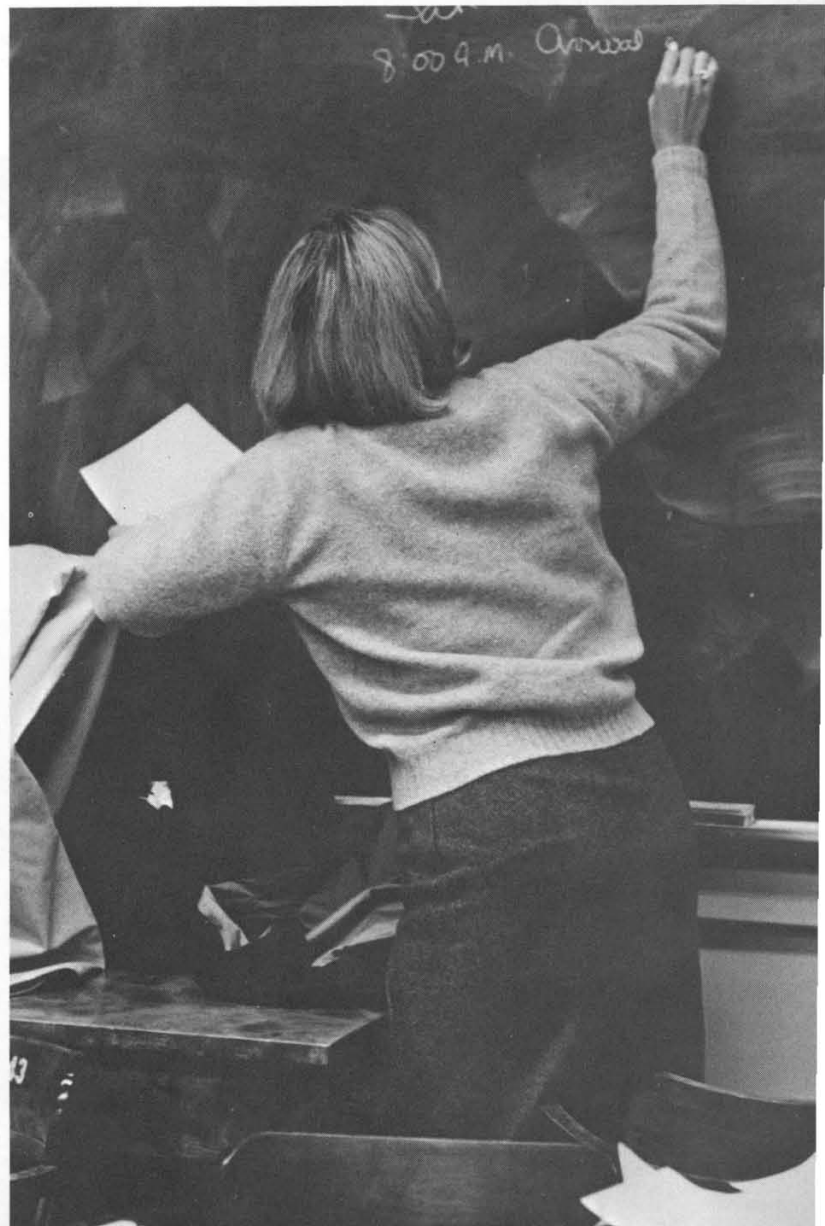

...to our college by
the sea. From all
parts of the nation
they flew in, they
roared in to par-
take of the lively
Life of our own

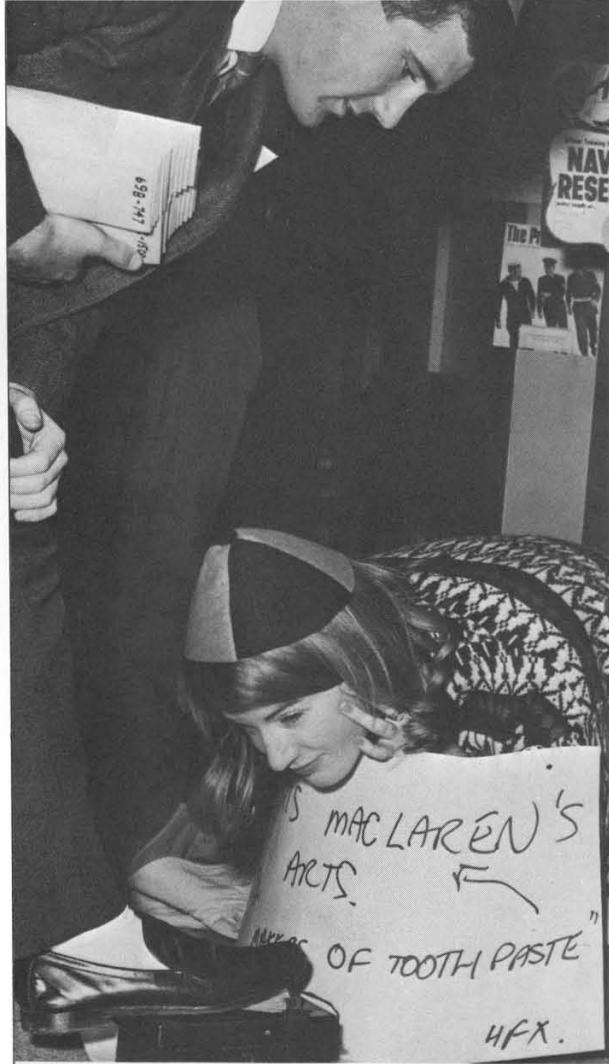

they came...

Dalhousie University. With expectations of the unique character of college life, the new students flocked to registration; With knowledge of past years, former students looked forward to their return.

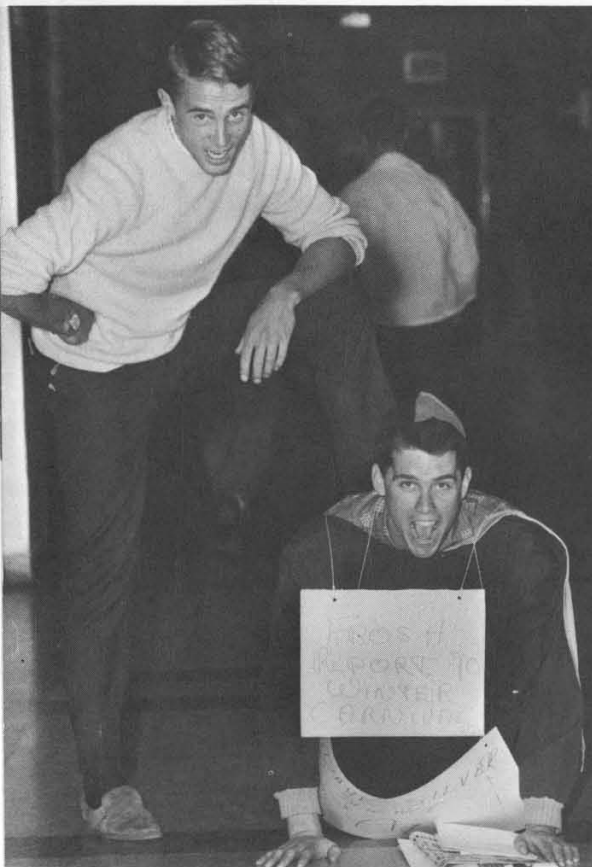

Dalhousie University is situated in the South end of Halifax, overlooking the North-west Arm. Its prominent clock-tower beckons the students to the ivy-

covered stone buildings which are spread over an area of approximately one square mile.

But the first few days of university life offer other attractions. Following what seems to be a wide-spread university tradition, the Sophomore students take

great pains to ensure that the Freshmen will feel well orientated into university life by the end of their first week on campus.

Subservience is the first and most important lesson a Freshman must learn.

Following the ordeal of registration and the waiting which it involves, the new student is suddenly transferred from the ordered registration line to the loud and confusing room full of domineering Sophomores.

This is where the fun begins. The new students are conducted around the campus by appraising upperclassmen, they receive words of welcome from professors of various faculties and are generally quite impressed with their first week at university.

This year, the orientation program included the Cystic Fibrosis Societies Shinarama Campaign. It was decided that the Shinarama was the best way for universities to show their respective communities that the University not only wants to be in the Community, but wants to be a part of it.

A parade to City Hall and a Theatre Party were two of the highlights of the daytime program while the night life was concentrated mainly around the various fraternities and entertainment such as the "Villagers," a Freshman Banquet and a "sock hop."

MURDER

We've got the style
 We've got the pep
 We've got the team
 That's really hep.
 SOLID...MURDER...
 Strictly on the beam
 Dal-hou-sie
 That's our team.

GLORY FOR DALHOUSIE

Come sons of old Dalhousie, cheer your husky team,
 Rouse out a welcome to your men of steel and steam;
 They win the victory and to-night the birds will scream:

"This is Dalhousie Day."

CHORUS:

Glory, Glory, for Dalhousie
 Glory, Glory for Dalhousie
 Glory, Glory for Dalhousie
 This is Dalhousie Day.

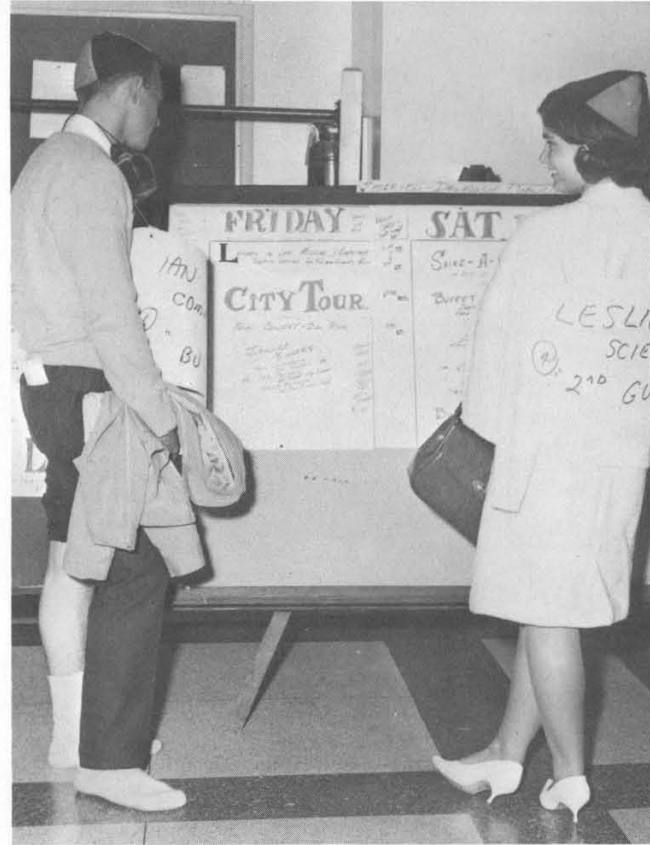

The enthusiasm of the students, old and new was heightened as the traditional Dalhousie songs and cheers were revived and learned eagerly. It helped to ease the tension and everyone soon became fast friends. As one Freshette remarked: "I've never had so many

friends in my life - or so much fun." With the Sophomore boys trying to hustle the Freshettes and the Freshmen trying to get a word or two in as well, the Freshettes are well taken care of during Orientation - a fact which no Freshette will deny.

TEAM

The team was in a huddle
 The captain bowed his head
 Everything was silent
 And this is what he said:
 We've got the T-E-A-M,
 It's on the B-E-A-M,
 We've got the team
 That's on the beam
 That's really hep to the jive.
 So come on Dalhousie
 Let's skin 'em alive!

LET'S GO BLACK AND GOLD

Let's go Black and Gold
 (clap, clap. . . .clap, clap, clap)
 Let's go Black and Gold
 (clap, clap. . . .clap, clap, clap)
 Black and Gold (clap, clap, clap)
 Go, Go, Go (clap, clap, clap)
 Ti.ger!

Although the initial impression of university is one of "wine, women and song," the ensuing weeks changes that opinion and the students realize that there is an academic side to college life. With a forewarning by the upperclassmen that their Freshman Year

will be the most challenging of their time at university, the Freshmen end the week of fun with solemn promises to work diligently. . .

The crowning of pretty Miss Betty MacLeod as Freshette Queen brought the week to a perfect end.

In the interval between Orientation and **Fall Festival**

Oscar Hackett as Caesar

This year, with the co-operation of the Dalhousie Glee and Dramatics Society, the Drama Workshop, a branch of Dalhousie's English Department, presented, in Canada's election year one of the most

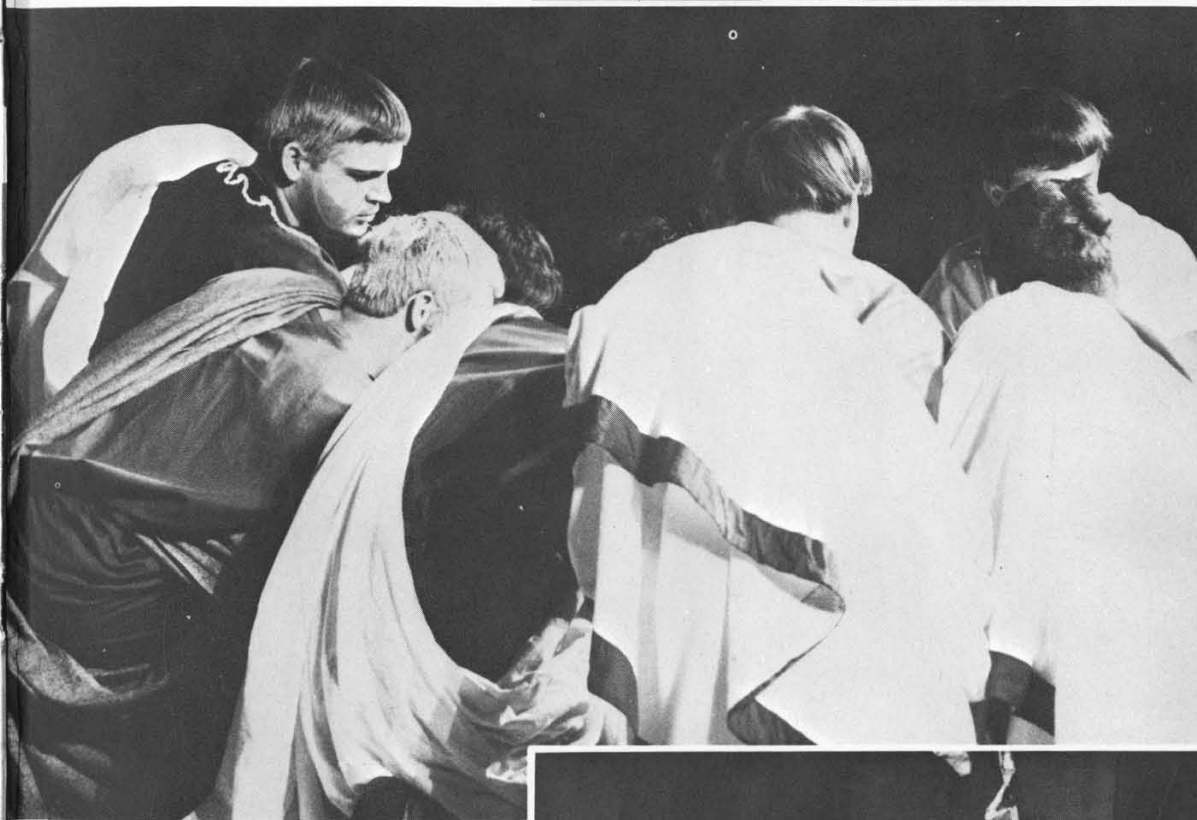

thoughtful political studies ever written. JULIUS CAESAR was directed, acted and managed by Workshop staff and students who participated in the Drama programme.

Julius
Caesar (cont.)

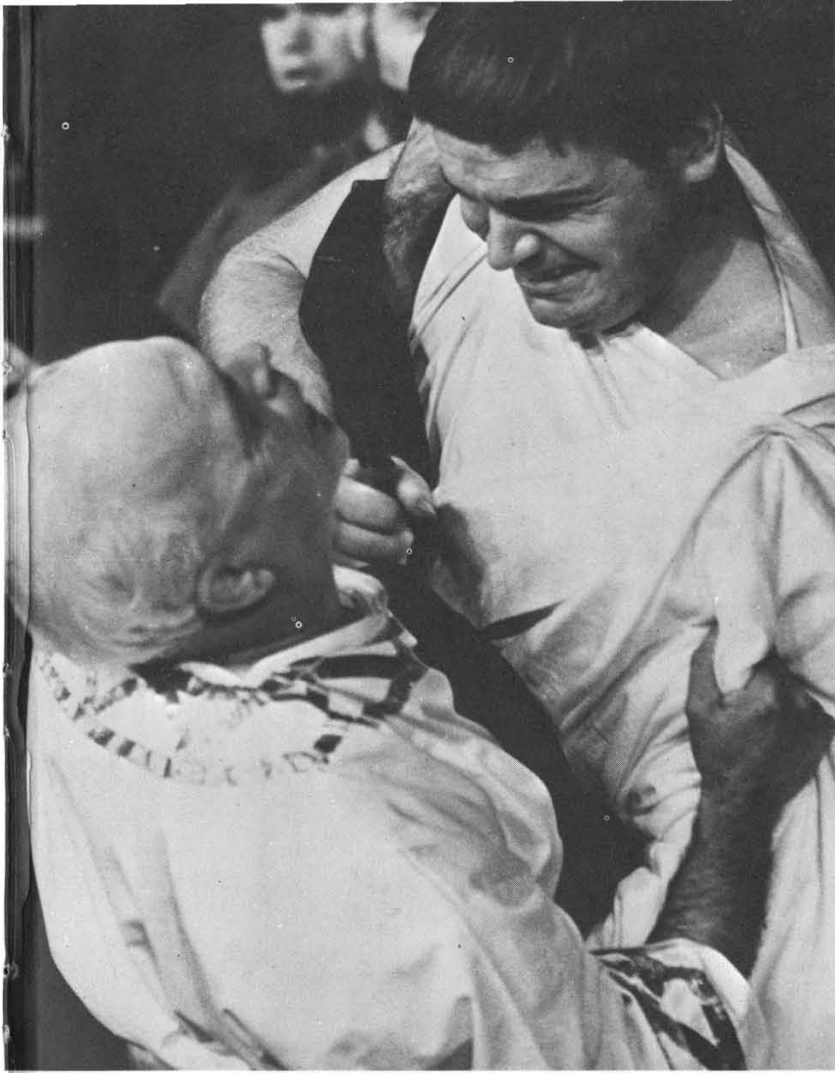

Julius Caesar
(cont.)

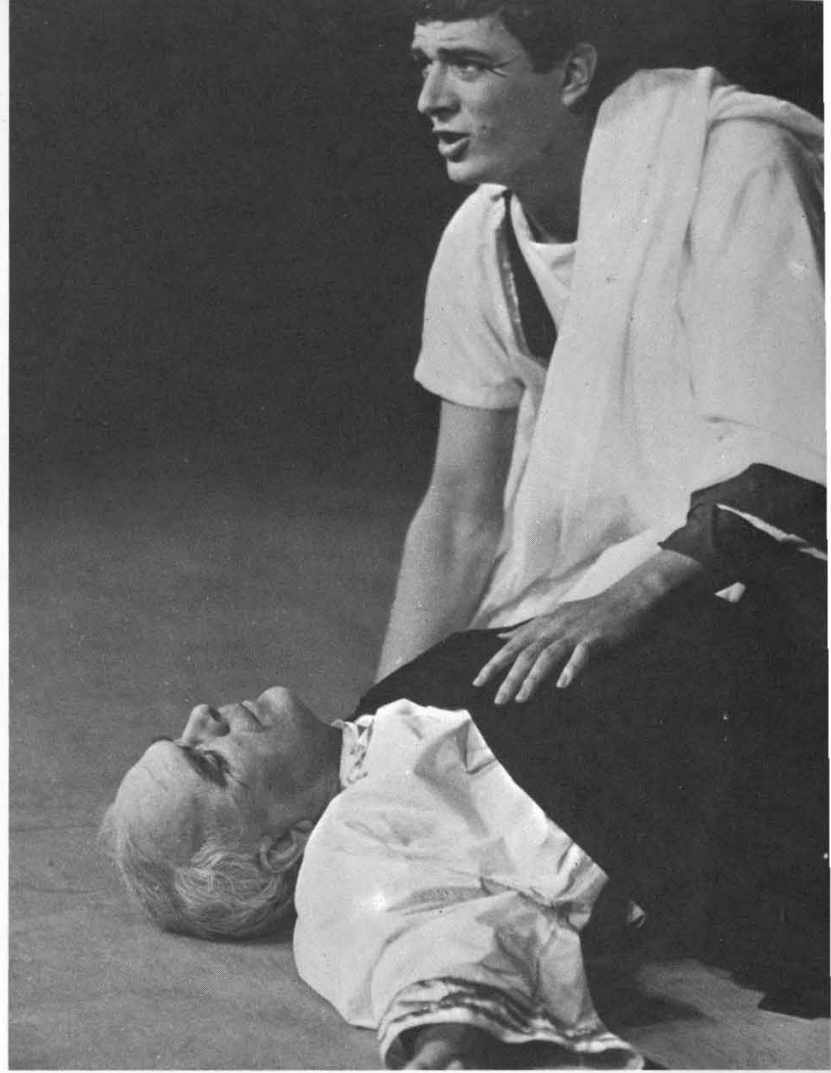

Julius Caesar
(cont.)

"And you too Brutus"

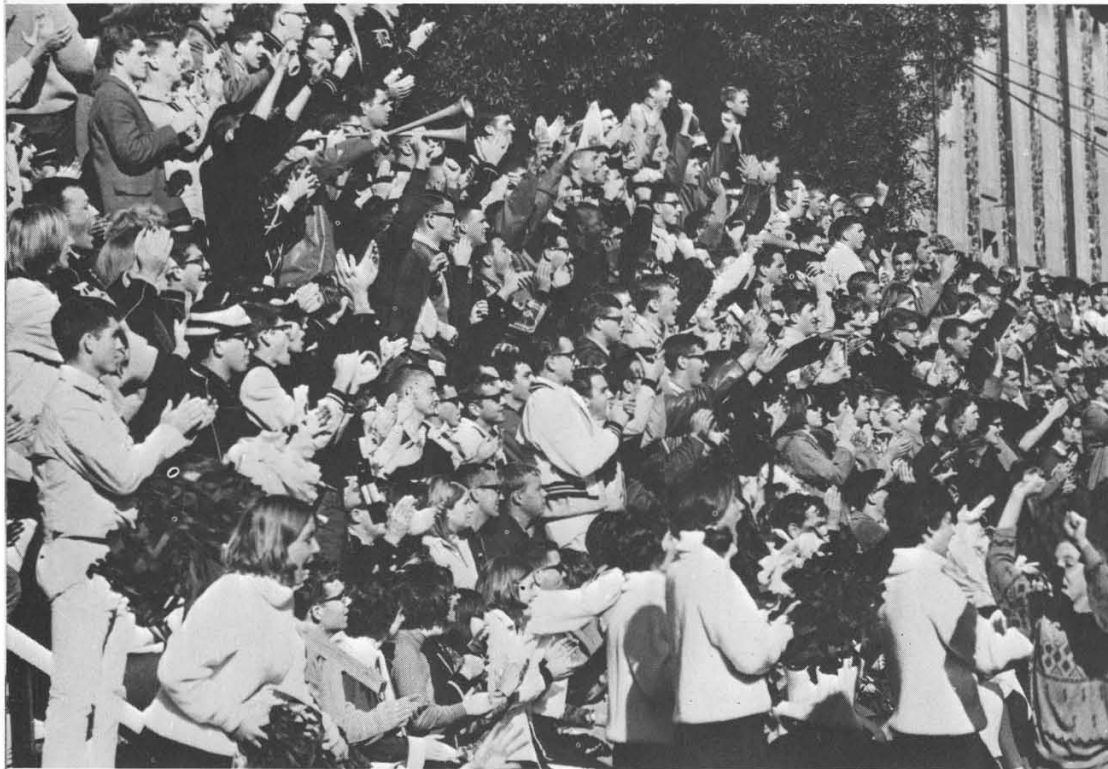

O Mighty Caesar

"CUS is US" – that was the slogan of the instigators of National Student Day held on October 27. Organized to promote the education of students in the problems and aims of university, they aroused interest by asking

questions such as: "Are you satisfied with your university? What is this Crisis everyone is talking about?" And they invited the students to attend a Teach-In on Higher Education to discover the answers for themselves.

October proved to be a busy month on the Dalhousie campus. Students enthusiastically supported the Dalhousie Tigers, despite the elements. Between football games there were political speakers, Student Council meetings, and a lecture by Prof. S. John, University of Sussex on Samuel Beckett.

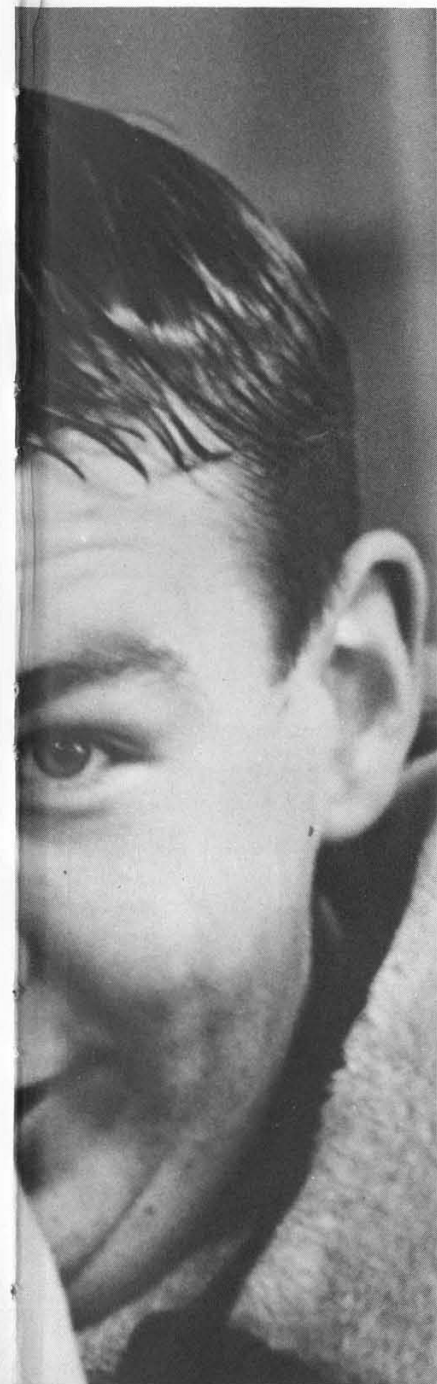

Treasure Van with curios from all over the world opened on October 25. Students from overseas were present in National costumes and

a varied programme of dances and songs kept customers entertained.

On October 27, I.S.A. (International Students' Association) presented an International Film evening. It included an interesting array of films from Israel, South Africa, Canada, Australia, Sweden, New Zealand, and the Netherlands.

Maybe there will be more time for working next month!

Above is a picture of one lone Freshman. It is his first time away from home and he is wondering who is going to clean his room. (Actually, he need not fear for the Dalhousie Men's Residence supplies maid-service). The twinkle in his eye, visible even through his sun-glasses, is a result of his victorious entry into the swinging college life. Armed only with a pipe, a guitar, several copies of Playboy, an Ontario license plate, a tennis racket, a Dalhousie sweatshirt, a couple of borrowed signs — and a few books, he took the campus by storm. And so he sits in his glory, a smug look on his face, defying any rules of convention.

Obviously, this picture was taken during his first few hours at the university, before he was accosted by professors and upper-

classmen alike. Little does he realize that within a short time he will be bowing to new masters who aren't as understanding as those at home. Shining shoes, carrying books, getting dates, running errands

As if classes aren't enough work, he will be "requested" to join the Pep Cats Band, the Pre-Med Society, AIESEC, Delta Gamma, the Dalhousie Gazette Staff, the Winter Carnival Committee, the Commerce Society, the Psychology Club, D.A.A.C., D.G.A.C., Politics, W.U.S.C., the Arts Society, the Science Society, the Glee and Dramatics Society, the Pharos Yearbook Staff, etc., etc.

Alas, poor Freshman, how soon you will realize that a student's life is not everything you dreamed it would be.

Activities are not all confined to the campus. In the upper left-hand corner is a group of keen biology students on a field trip.

The pictures in the middle of the page depict a few typical football season shots showing Dalhousie's vice-president of the Students' Council, Liz Campbell on the left while the Pep Cats, the student band play on for the glory of Dalhousie.

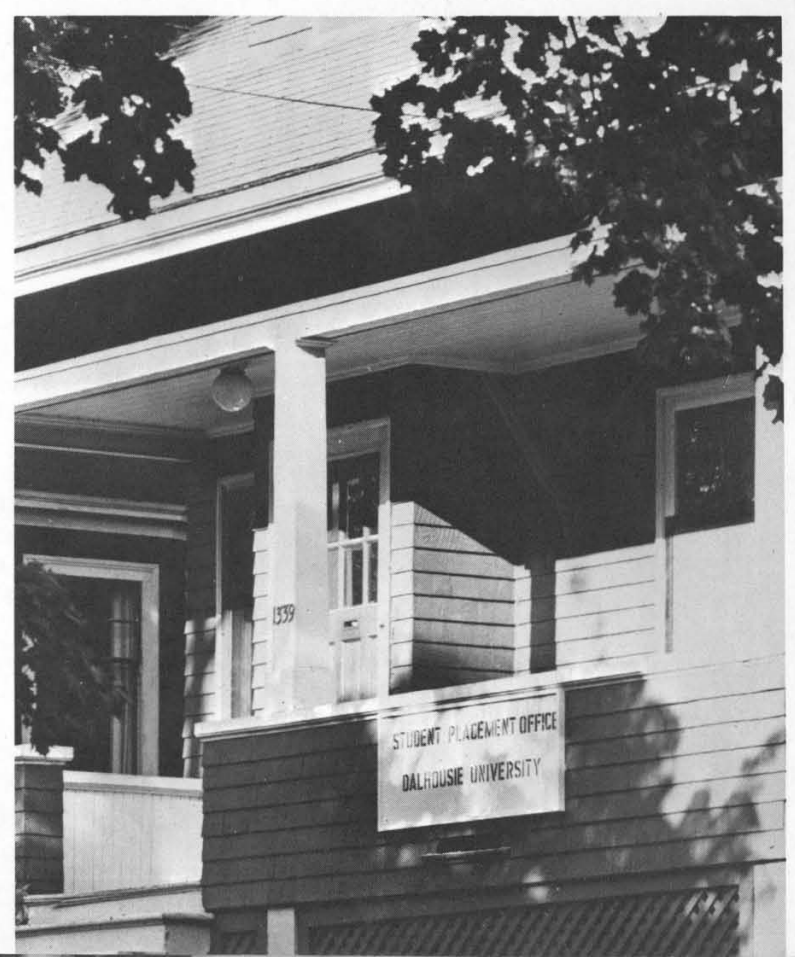

In the library, the atmosphere is one of study, as seen in the lower

left-hand corner but frequent breaks seem to be the trend and the canteen is always good for a few laughs.

On the opposite page, a group of students can be seen at Point Pleasant Park (a favorite place - day or night).

Engineering students are a common sight in the Autumn as they survey the campus. For those who do not think they are busy enough already, the Student Placement Office is willing to offer their services.

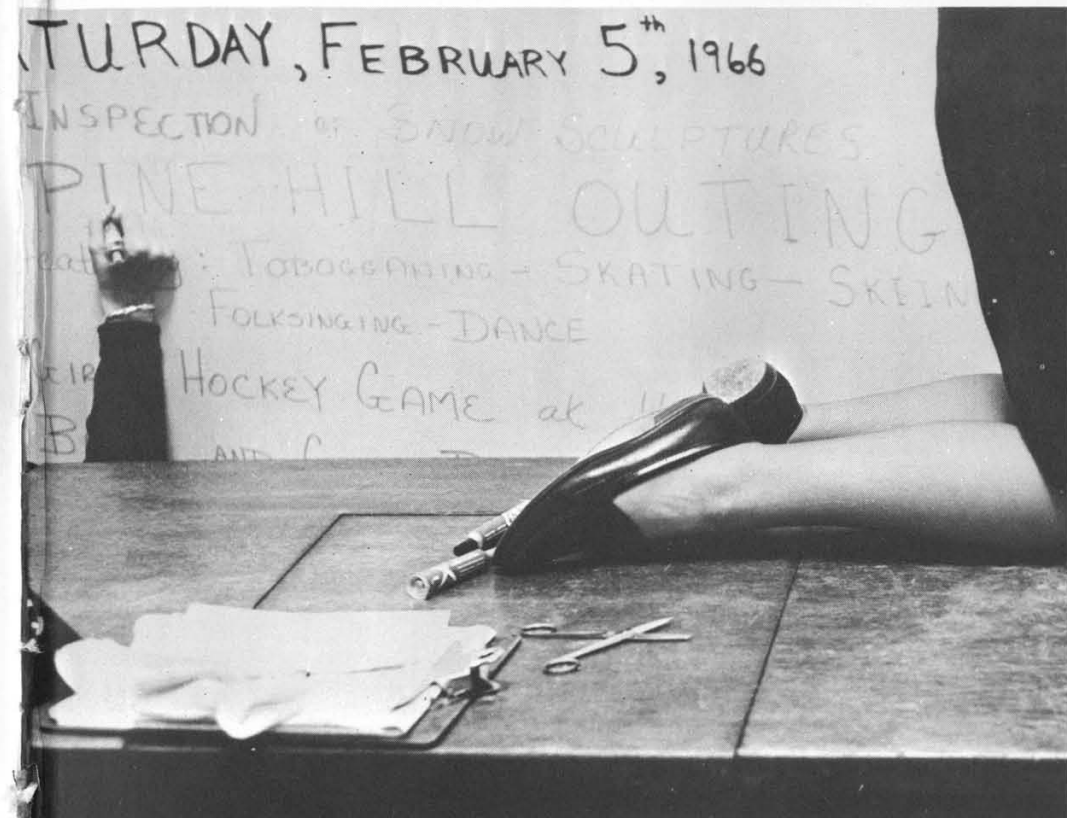

WINTER CARNIVAL - 1966

MIKE NIHIL-CHAIRMAN

PROGRAM

- Thursday, Feb. 3 – Official opening of Winter Carnival
– Ice Frolic in the rink featuring Miss Judy Tatton, competitor in the 1965 World Championships.
– Broomball game – Dal. Profs v.s. Dal. girls
- Friday, Feb. 4 – Tug-o-war – toboggan races – car rally – log chopping contest
– Girls' hockey at S.M.U.
– Hawaiian Holiday – Dance at Nova Scotian Hotel. 2 ballrooms, one with a "Go Go" band, the other a "waltz" band
- Saturday, Feb. 3 – Inspection of snow sculptures
– Pine Hill outing featuring tobogganing, skating, skiing, folksinging, dance and refreshments
– Black and Gold Review
- Sunday – The Brothers Four at the Capitol Theater

Months of planning went into the carnival

This year the Black and Gold Review was revived as a part of the Winter Carnival activities. Various societies on campus, fraternities, residences and interested students enter different acts in the review exhibiting skills in everything from skits to kick lines. This popular show

was discontinued several years ago due to the misconduct of some of the students. With a good revival in '66, it is expected that the show will go on in future years with much enthusiasm and support on the part of the student body.

MIKADO

presented by the Dalhousie Glee and Dramatics Society

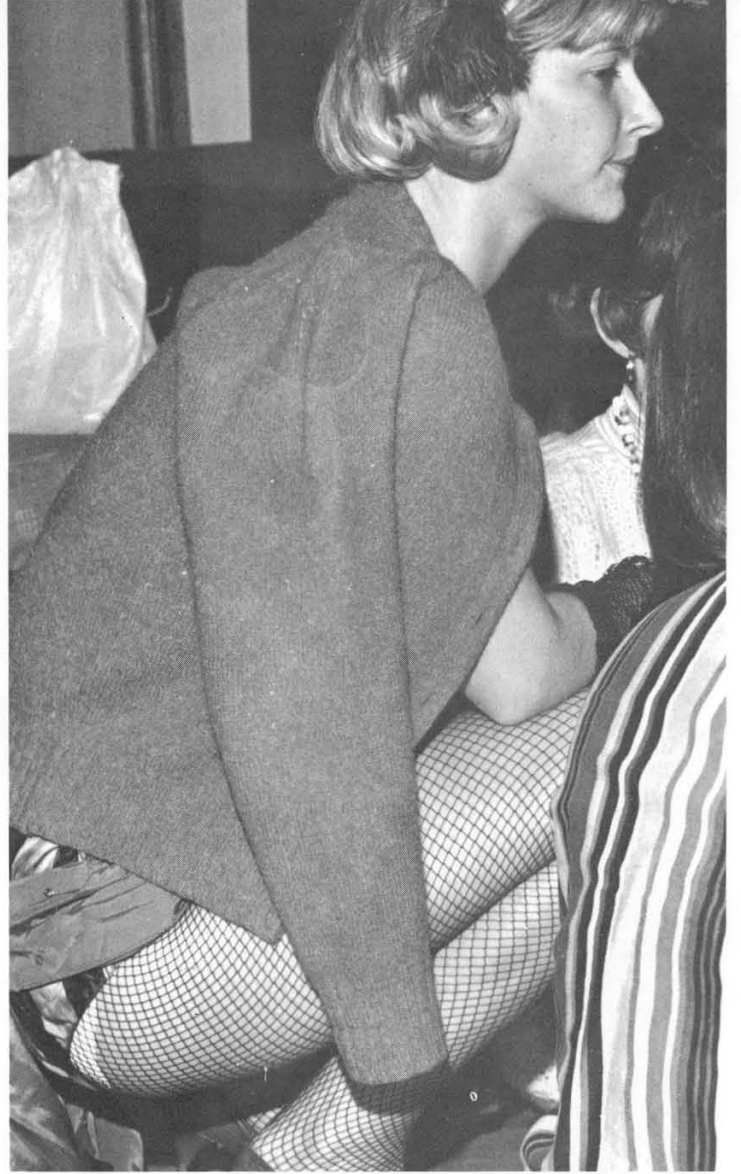

Excerpts from "Mikado" recorded on CBC

The D.G.D.S. presentation of the MIKADO, a satire on Western culture, was directed by Genevieve Archibald and produced by Peter Robson and George Munroe. The basic plot involved the eternal quadrangle. Nanki-Poo (Hammy McClymont) the Mikado's son tried to marry Yum Yum (Rita Leitch) whom Koko, the Lord High Chancellor (Henry Endres) also wishes to marry. Through the wiles of the witch Katisha (Nancy White), Nanki-Poo is successful while Koko marries Katisha in the end.

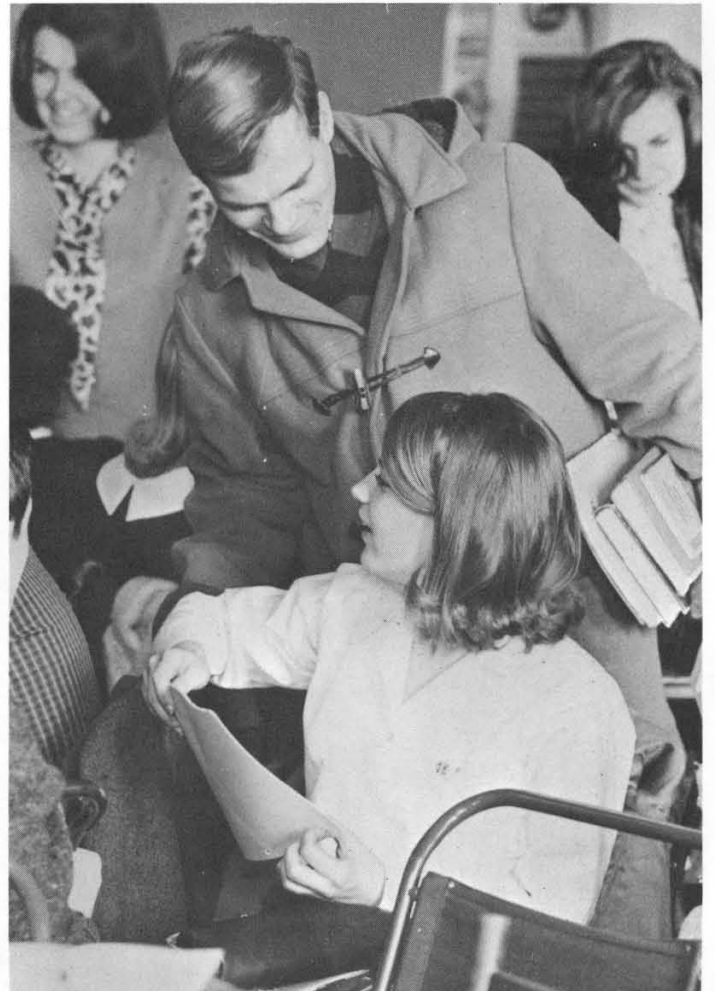

Students at Dalhousie, contrary to popular belief, do not spend all their time in the library. Every Saturday evening the ten fraternities on campus provide room for parties as well as the Men's Residence. On Friday nights the societies on campus sponsor dances in the gymnasium.

These parties are only subordinate to the many private parties held by students during the year. All in all, the students of Dalhousie have done an excellent job of combining work and play while maintaining a high standard in both.

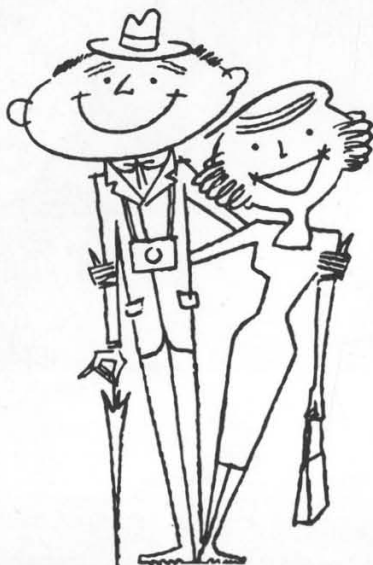

Sadie Hawkins Week Sponsored by Delta Gamma

Dalhousie boys being auctioneered by Student Council Vice-president, Liz Campbell

Every year Delta Gamma, the women's organization on campus, sponsors "Sadie Hawkins" week. This is a week full of fun in which the girls ask the boys for dates instead of vice versa.

Included in the program are a contest for the most original date and an auction sale of boys.

Student Council Elections

Successful presidential officers Crawford and Young receive congratulations from admirers Sandy Lesyk and Susan Croucher

ELECTION RESULTS

President	John Young
Vice-President	Peter Crawford
Law	Hayman
Nursing	Shanks
Health Professions	Stern
Commerce	McKillop
Engineering	Soper
Dentistry	Murray
Medicine	Tan
Arts	Gavsie, Hunter, Thomas
Science	Alexander, Finley

Elections come and elections go but the dynasty goes on forever.

This year's elections came close to duplicating last year's abortive affair when nominations had to be extended a week to find a second slate of candidates to oppose the "popular choice," John Young and Peter Crawford.

Peter Robson and Jim Parr's names billed themselves

anti-establishment candidates to "make the Dalhousie students aware of the machine which for the past few years has seemingly decided all the posts on Council well in advance of the elections."

The elections in general were dull with only 47.9% of the students voting. Young and Crawford secured the top posts with stunning scores.

French Canada Week

Speaker Claude Ryan

French Canada Week got underway February 21 in the Dalhousie Men's Residence Library with an exposition of French Canadian art and literature. The opening address was delivered by Gilles Lamontague, Mayor of Quebec City.

Following his address, Mr. Andre Laberge, Secretary General of Laval University, spoke briefly.

Professor Michael Brunet, professor at the University of Montreal and author of several books was the second speaker of the French Canada week program.

Claude Ryan, editor of Quebec's newspaper, *LeDevoir*, told an overflowing audience that the Canada of the future will be a Republic with a Parliamentary system "closer" to the American Congressional form.

Ryan, a recognized moderate, of the "Quiet Revolution" in Quebec, spent most of his time outlining a formula that would make confederation a working agreement.

Pierre LaPorte came to Dalhousie bearing the image of the New Quebec. Urbane and convincing he preached the doctrine of special status for Quebec.

"IN WHITE AMERICA" was successfully produced and directed by Professor L.H. Lawrence. This modern play dealt with the life history of Negroes in North America during the

past three hundred years.

Below is a backstage scene of card players passing time in a typical Dalhousie manner.

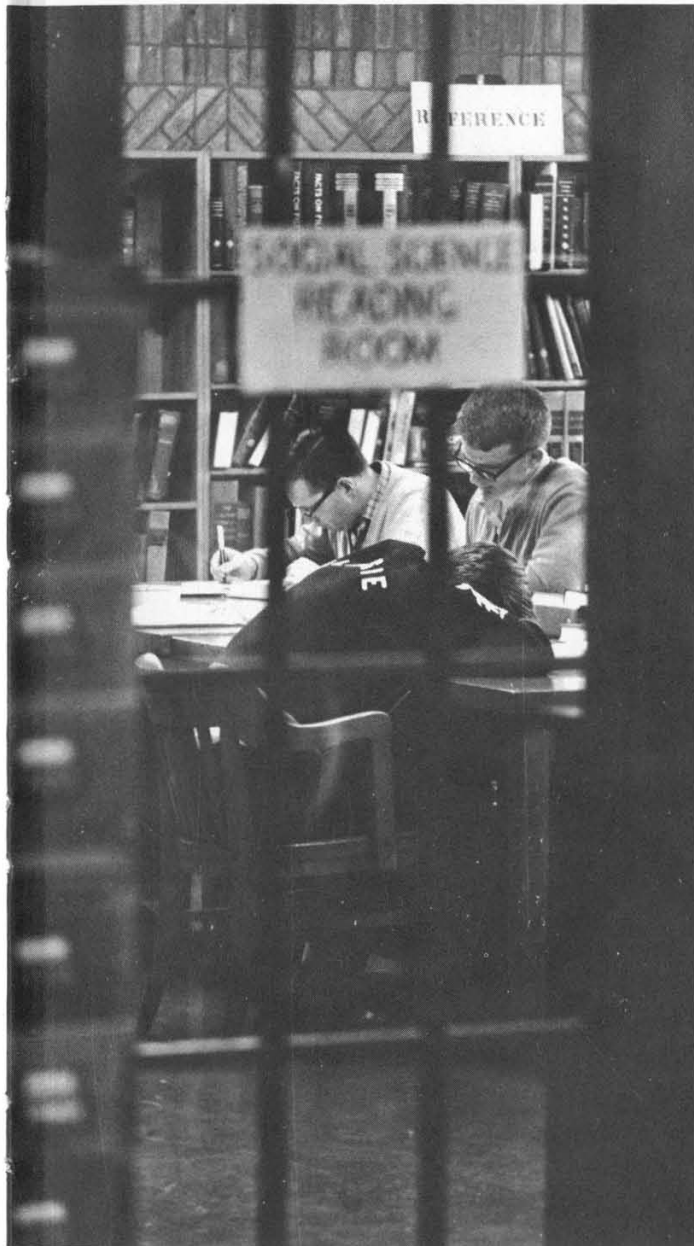

Typical Saturday night at the fraternity

The Brothers of Tau Epsilon Phi

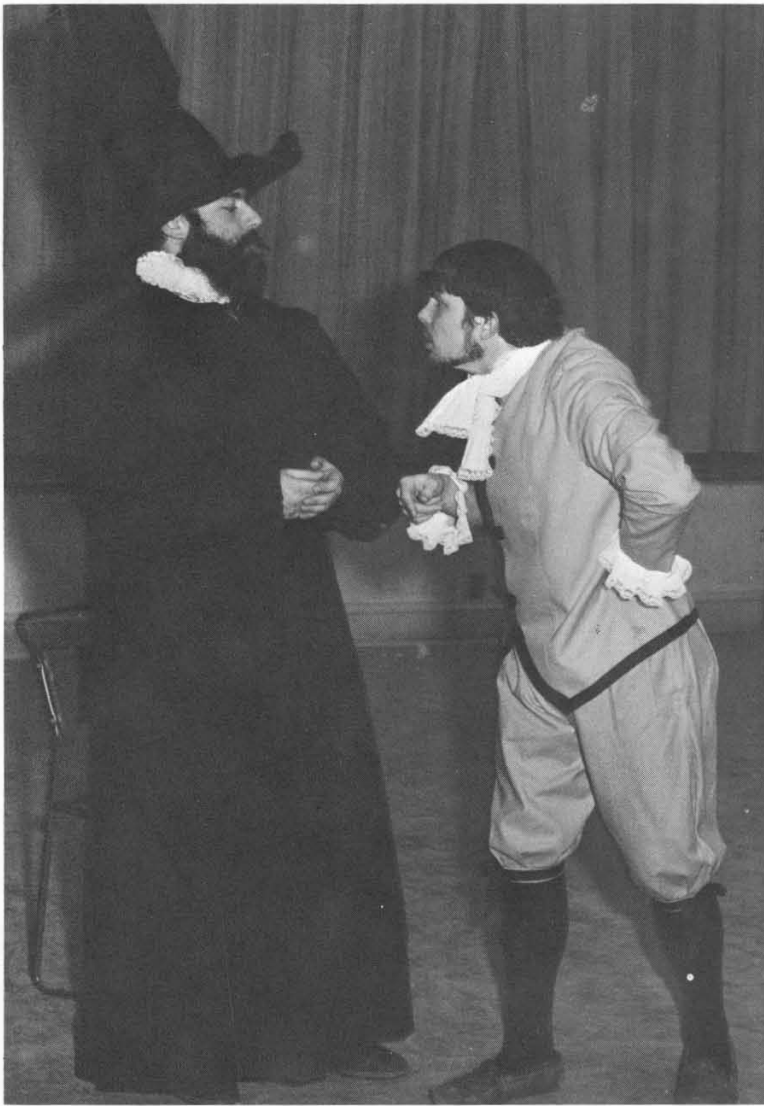

A hazy attempt to study on Monday morning

Girls of Pi Beta Phi Fraternity performing skits during rushing season

"LE MEDICIN MALGRE LUI" by Moliere was directed by Mrs. M. Jones and was produced by Mrs. H.F. Aitkens. Presented by the undergraduate students of French, this farce was a resounding success.

CHEKOV'S "AN ANNIVERSARY"

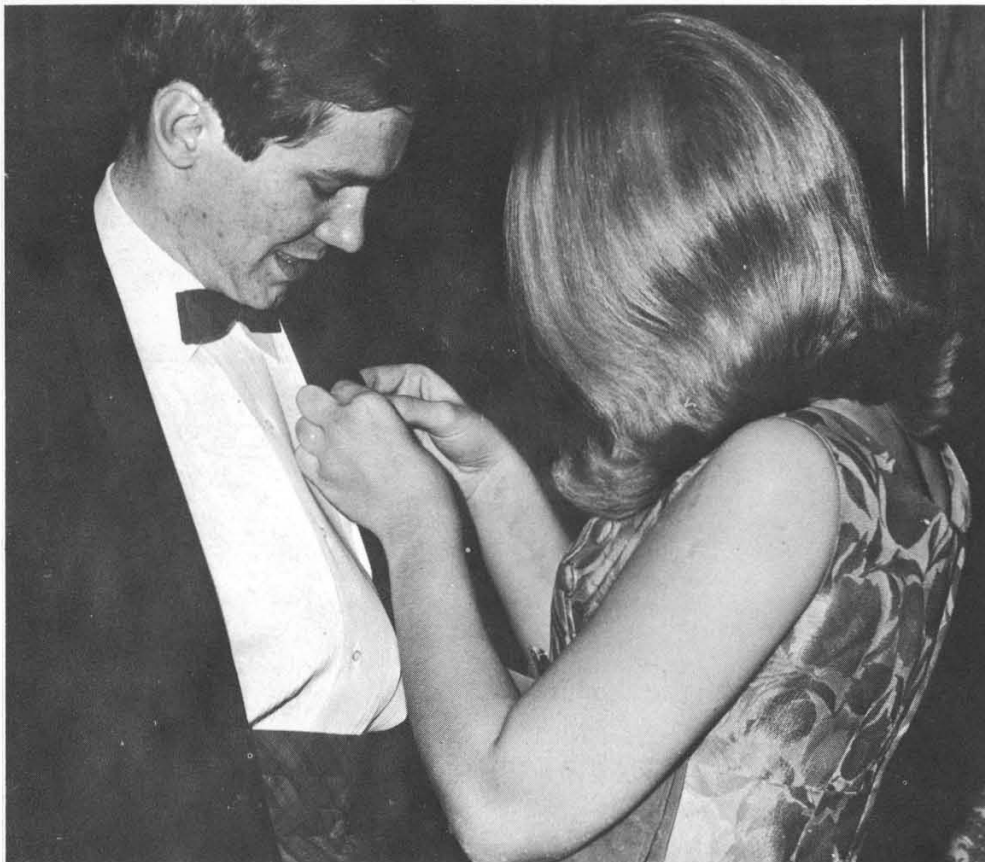

Anton Chekov's one-act comedy "An Anniversary" was presented by the students of Russian in the King's College gym on March 15.

The director of the play, Mrs. Irene Coffin, Assistant professor of Russian said that the play served both to entertain and to teach, for what better way is there to learn a language than to speak it.

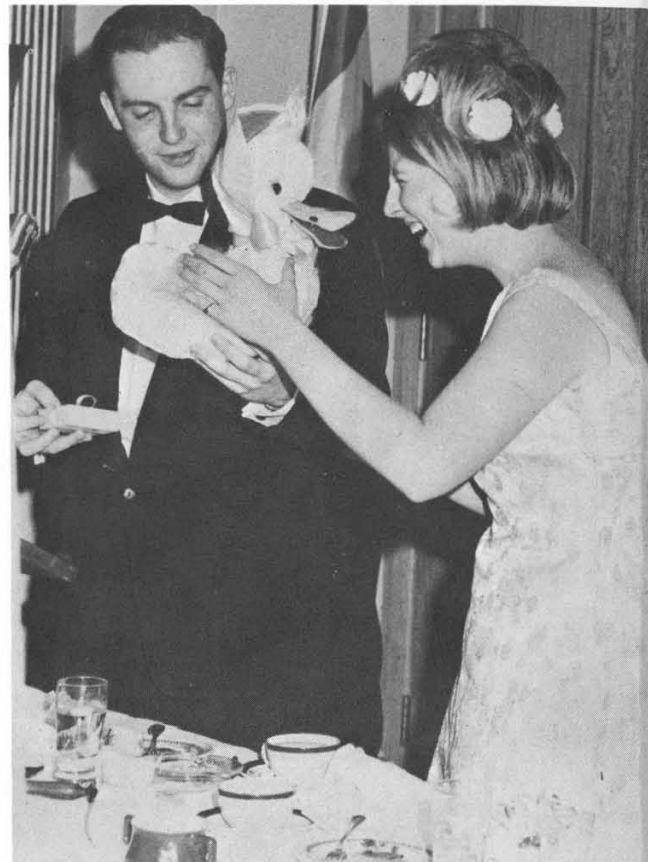

In the scene from the play on the left hand side are David Keenan and Valerie Thomas while in the upper right hand picture are David Keenan, Wendy Stott and Rick Langler.

Completed in 1902, "An Anniversary" was first presented in St. Petersburg in 1903. When attacked for writing "fair-ground nonsense" Chekov replied, "Now what could be better than a jolly vaudeville, so funny that the audience burst all but their buttons from laughing."

Malcolm Honour Award Joseph MacDonald

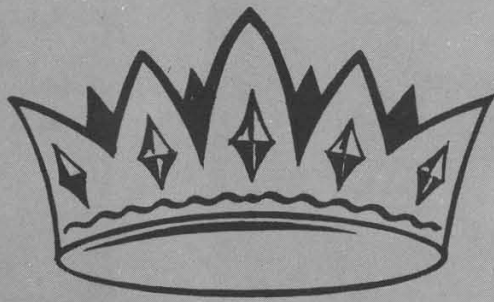

The MALCOLM HONOUR AWARD is the order of merit at Dalhousie, formed by the students to recognize such attributes of character in students in their graduating year as James Malcolm possessed.

The standards demanded are high, making the group of recipients a small one. The Malcolm Honour Award gives by its small gold key, concrete recognition that the person so honoured has consciously or unconsciously set the welfare of the institution before the welfare of self and has often trod the harder rather than the easier path. Each year the entire graduating class is considered with care by a committee and from this body, representing so many diverse activities and achievements, there are chosen some who, it is believed, have given substantial evidence of this devotion to their fellow students, and some measure of this spirit of self-recognition.

CONVOCAATION

In the name of the Senate, Mr. President,
I ask you to confer the degree of
upon

The graduation exercises climaxed many years of hard study and one full week of pleasure for the graduating students which included a Baccalaureate service at King's, a dance at the Jubilee Boat Club, and an evening at Hubbards.

The graduation Ball the night of the exercises was extremely successful, and in fact there was a greater attendance than was expected.

SPORTS

ATHLETIC DEPARTMENT

KENNETH GOWIE (Athletic Director)

ALAN YARR

CAROL ARNOLD

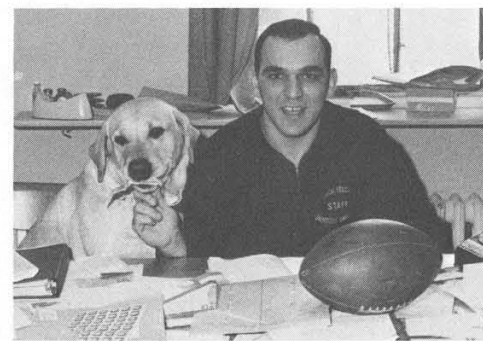

GERRY WALFORD

The program of the Department of Athletics and Physical Education is continuing to expand. There has been a definite improvement in the facilities and further improvements are in the offering. The staff has been expanded with the addition of Mrs. K. Bisakowski and Mr. Gerald Walford to provide qualified coaching for additional sports. A service program for all first year students was re-instituted this fall with wide participation. The scope and quality of the inter-faculty program has shown through the greater participation and keener competition by students of all faculties. As yet we have not been able to get the combination to winning in football but all other teams have shown improved records.

Through all phases of the program students at Dalhousie have had an opportunity for robust physical recreation activities in a warm social setting. Those who have participated regularly have benefited immediately and for the future have stored many experiences which will be recalled within the future. To those who will be returning to Dalhousie may I extend a cordial invitation to you to take part in this aspect of university life; for those who are leaving may I, on behalf of the entire staff wish you every success.

Yours sincerely,
K.D. Gowie, Director

DENNIS SELDER

D.A.A.C.

D. Harrigan, Ed Doe, J. Hines, J. Lovett, E. Krantz, D. Pheeny, Coach Selder, B. Raine, J. Richardson.

The purpose of D.G.A.C. is to provide recreational opportunities for all women students at Dalhousie. This year participation in D.G.A.C. doubled over the previous year. Building on last year's successful schedule of activities four new ones were added: softball, a gymnastics club, a figure skating club which provided a kick-line for winter carnival and ice hockey. Law participated as a group, for the first time this year entering and winning the basketball tournament.

With the intramural program well established the D.G.A.C. was able to concern itself with some of the matters affecting varsity athletics. The D.G.A.C. was instrumental in having athletics included in the Student Council Award System and helped provide publicity and timers, scorers and linesmen for the inter-collegiate volleyball tournament which Dal hosted. A D.G.A.C. representative served on the committee investigating the organization of athletic committees which proposed a University Committee on Athletics.

The greatest problem facing the D.G.A.C. is still to acquaint everyone with the nature and purpose of this programme. The decentralized nature of our campus makes this very difficult. However, last fall the blanket publicity given the introduction to the football team produced five hundred people at that event.

The enthusiasm and hard work of this year's executive led to a striking increase in participation and made possible a broadening of the range of D.G.A.C. activities.

This year was one of change for the Inter-fac programme at Dalhousie. Mainly due to the work of Mr. Dennis Selder, the major sports of football, hockey and basketball were introduced this year with two leagues. League I was to permit those who had no vast experience in sports a chance to participate. League II on the other hand, was organized to allow those of Varsity calibre, but ineligible for Varsity sports to meet the kind of competition that they would enjoy. It seemed to work fairly well, participation increased as well as the calibre of sports.

The more minor athletics were also carried out with some enthusiasm, at least by certain faculties. Here a special word of praise is offered to the Law faculty, who tried just about every event this year, and won the Inter-Faculty trophy.

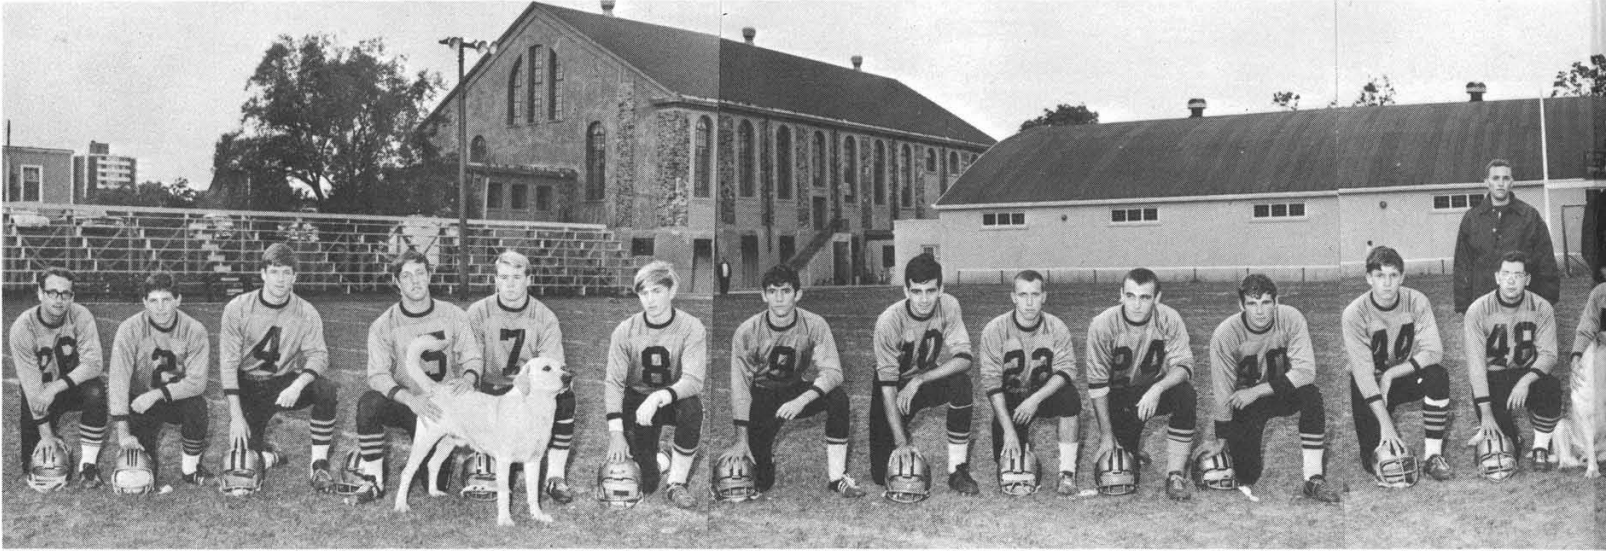

All in all it was a good year. A special word of thanks is extended to Mr. Selder who for the past few years has worked behind the scenes and lent many a helpful suggestion and word of comfort to the executive. Mr. Selder is leaving this year and is going to further his education. Best of luck to him and a warm thank you from D.A.A.C.

D.G.A.C.

Wins In

This year's edition of the Tigers was comprised of sixteen Canadians and fourteen Americans of which there were twelve returnees. The offensive and defensive teams each had six starting rookies. Under the watchful eye of coach J.T. Rutigliano, the team reached its peak when it rolled for six hundred and twenty yards against Mount Allison in its final game.

Although the Black and Gold did not strike terror into the hearts of the opponents, they did manage to brighten the lives of their supporters with their occasional broken field running and spirited although at times ineffective brisk tackling.

Admittedly at times they were vastly outplayed, their courage and stamina will be remembered in the annals of Dalhousie Football History.

- Every ball player on this year's team was injured at least once
- Dal. had at least one pass intercepted and one fumble in every game
- Dal's. starting offensive line averaged 194 lbs. while the defensive line averaged 204 lbs.

DALHOUSIE SOCCER YEAR 1965

The 1965 edition of the Dalhousie soccer team was described by Jerry Walford as being the best yet. With a strong nucleus from last year's team plus the addition of some talented rookies Dalhousie came within one goal of winning the championship.

Coach Walford, without trying to make excuses, said that if it hadn't been for injuries to key players we might have won the championships. This was evident in the final game against S.M.U. (who won the championship) when our team outplayed our cross city rivals and yet had to settle for a one-one tie because the Dal players, slowed by injuries, missed at least three scoring opportunities.

One characteristic of this year's team was that it had no stars. Its success can be solely attributed to team work and practice.

Although this was only Dal.'s second year in local rugby wars, the season was very successful. Competing in a 6 team league, the N.S.R.F.U., Dal. played teams from Greenwood, Stadacona, Shearwater, Halifax, and the Sixth Submarine Squadron compiling an admirable 5-7 won - lost mark. The highlight of the year, however, came with the Maritime Rugby Tournament including teams from the local league and the representatives from a New Brunswick senior league. Dal. entered the tourney as definite underdogs but emerged as Maritime Champions.

Dalhousie then played in the MacTier Cup match at Wanderers Grounds, emblematic of Eastern-Canadian rugby supremacy, but fell victims to a powerful blend of experience and ability from the Town of Mount Royal Rugby Club. The score was a disheartening 33-3.

In only two years experience however, the Tigers did exceedingly well.

Maritime Champs...

Varsity Golf

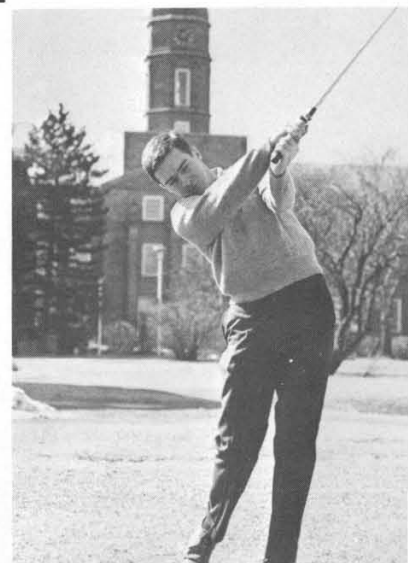

D. Nelson, T. Craig, P. MacLean, A. Dunlop.

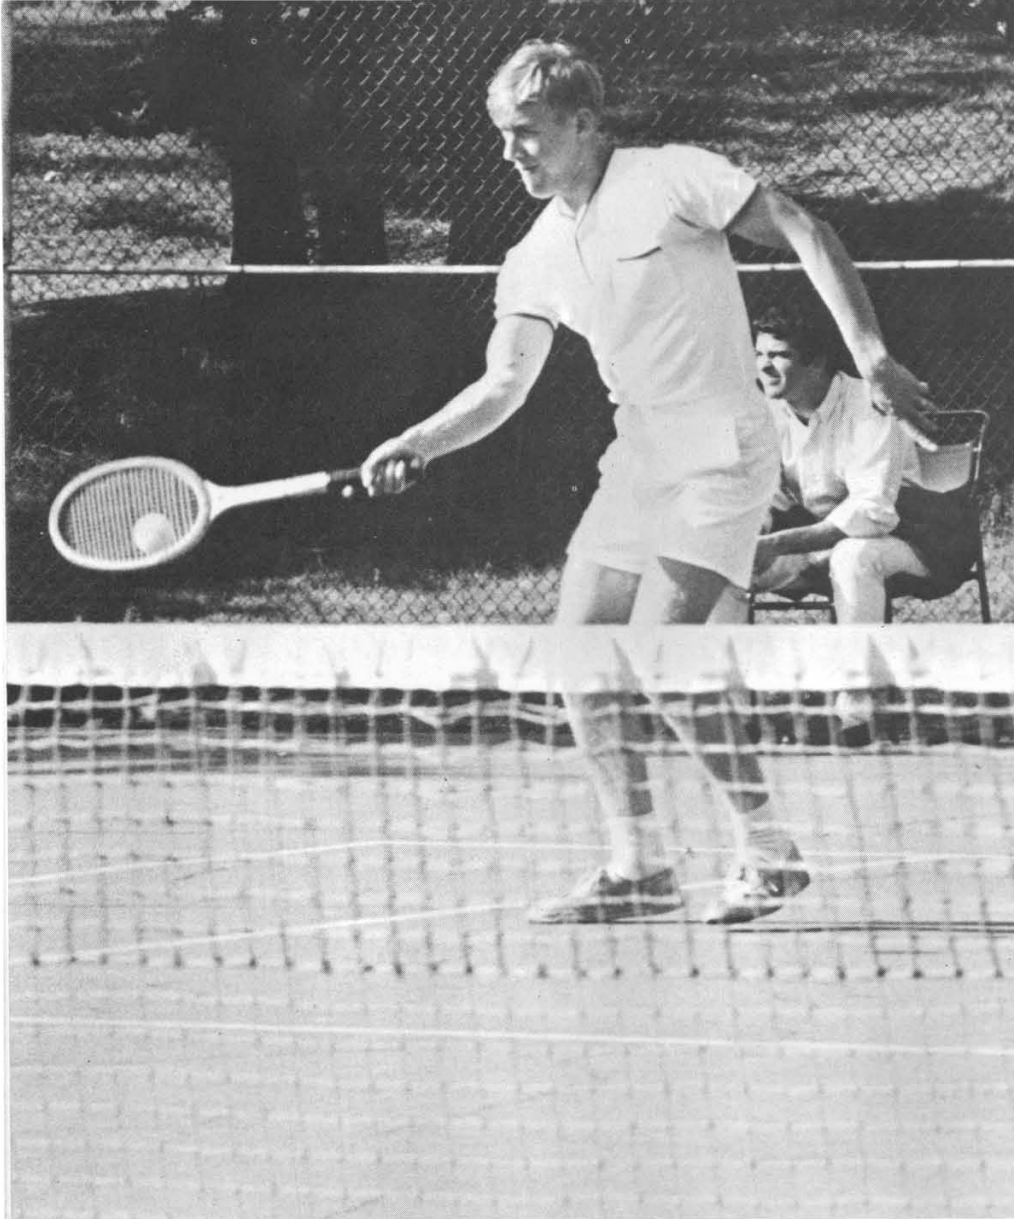

Paul MacLean by pacing the Dal squad with a 77 on an extremely wet and slow course caused from a heavy overnight rain enabled Dalhousie to place third in the annual Maritime Inter-Collegiate golf tournament played on Monday, October 4th. The boys had nothing but praise for the organizer of the tournament, Mr. Angus MacFarlane of Mt. Allison University.

FINAL SCORES

U.N.B.	318
Mt. A.	321
Dal.	327
St. F.X.	344
St. Dunstan's	363

Varsity Tennis

The lack of attendance was noticeable in the 1965 - '66 edition of the tennis team. Two individuals, Barry Bishop and Paul MacLean cut down the odds against Dal. in the Inter-Collegiate Tournament and although they could play in only the doubles competition, they managed to place Dal-housie third in the meet.

Varsity Skiing

This year's entry in the Maritime Inter-Collegiate Ski Meet consisted of five enthusiastic tigers; Skip Jamieson, Bill Powers, Butch MacIntosh, Rick Petley-Jones, and Bob Daigle.

Unfortunately the Dal team did not fare well in the three competitions: Cross-country, Downhill, and Slalom.

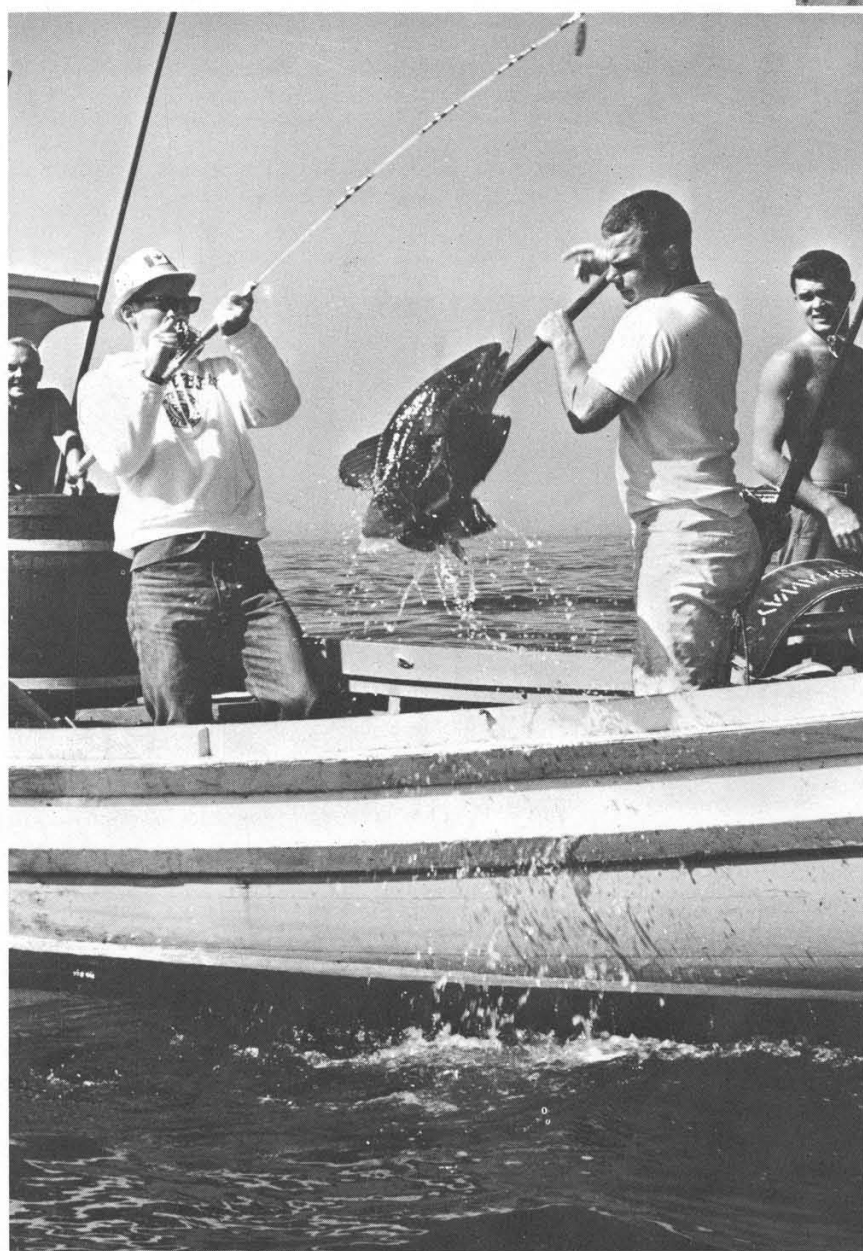

STANDINGS:

U.N.B.	287.3
St. F.X.	252.2
Dal.	172.6

Varsity Fishing

TOP ROW: G. Hatch, J. Lowman, G. McMichael.
BOTTOM ROW: Coach Selder, P. Spencer, J. Cox.

For the second consecutive year, Canada gained possession of the R.J. Schafer International Trophy in the 10th Annual Inter-collegiate Game Fish Seminar and Fishing Match which was held Sept. 24 at Wedgeport. The trophy is awarded each year for top points in the three day tourney.

St. Francis Xavier University won the Hulman Cup emblematic of the top team in the match while Ted Wagner of the University of Western Ontario was awarded the Crandall Trophy for the largest fish caught (25 lb. Cod).

The Dalhousie Team which finished ninth in the standing, chased several tuna during the match but failed to hook a bluefin.

Sponsored by Yale University and the Province of Nova Scotia, the seminar this year brought together 10 colleges from the U.S. and Canada as well as a guest team representing several Japanese Universities.

Varsity Hockey

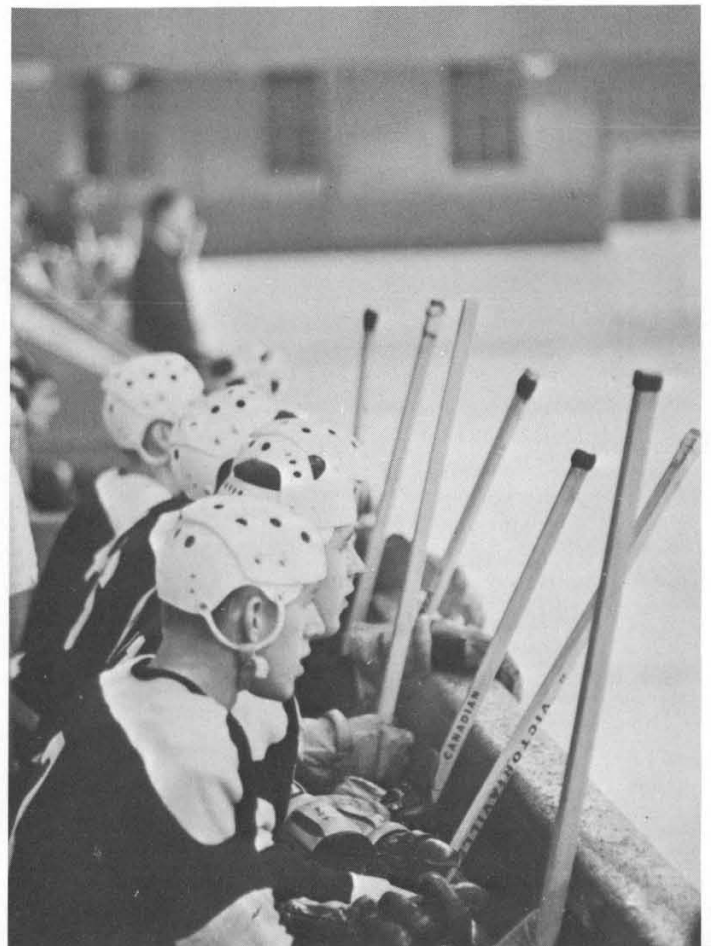

TOP ROW: D. Selder, D. McClymont, N. Kanigsberg, I. MacPherson, R. Smyth, I. Oultan, K. Sullivan, D. Craig, J. Plant, B. Colman, J. Walford.
BOTTOM ROW: P. MacLean, B. Ling, R. Steniewicz, D. McMaster, B. Stanish, D. Nelson.

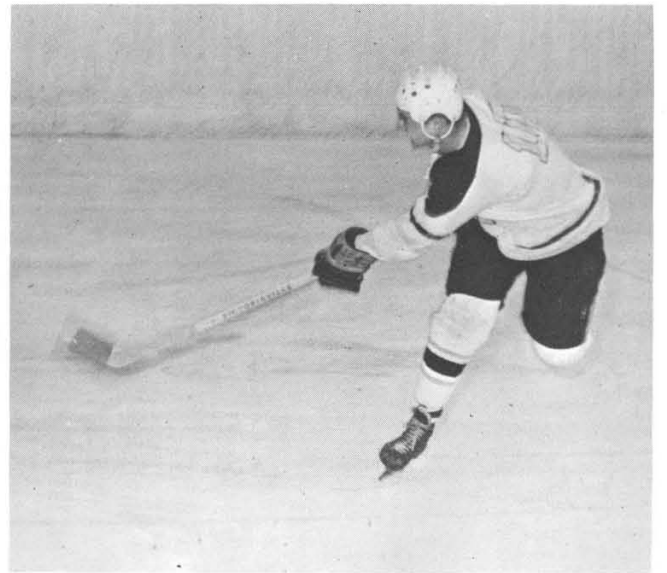

MISSING: J. Bell, T. Cooper, J. McKeigan, D. Quakenbush, W. Sutherland, P. Stoddard, D. Drmaj, J. Hyndman, B. Colavechia.

The hockey tigers went through a disappointing season for their fans and followers. In their exhibition contests the Tigers showed that they might be a team to reckon with in the MIHC but a serious injury to Pete Stoddard in the second game against the Eastern Olympic Hockey Club seemed to take some of the starch out of the squad. In their league games prior to Xmas they were able to win only one of their four contests.

After the Christmas break things were improving until a rash of minor injuries hit the squad which forced Coach Selder to make some line changes. After Winter Carnival, with the players recovering from their injuries, the Tigers began to play in the manner that most people had expected of them. Beginning with the X-men, the Tigers played impressive hockey as they split their last four games.

Varsity

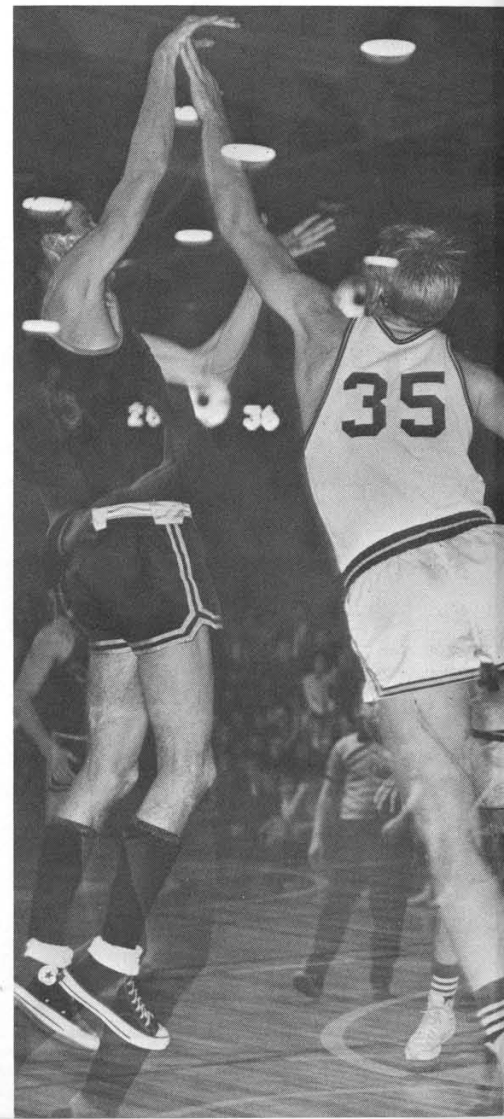

E. Durnford, D. MacDonald, A. Shaw, D. Taylor, K. White, T. Beattie, B. Reynolds, I. Cohen, G. Hughes, L. Archibald.

College spirit, an item so easily forgotten when a student joins the ranks of undergrads at Dalhousie, sneaked onto the campus during the past year's basketball season. A team, riddled with injuries managed to accomplish many firsts. On February 1 we had a victory over S.M.U., the first in six years. Later we defeated the team from St. F.X. 73-72 in one of the most thrilling games of the year. Riding on an unbeaten streak, the team drew a sell-out crowd for the tilt against the National Champions, Acadia. Finally, Dalhousie ended up in second place in one of the toughest basketball leagues in the country.

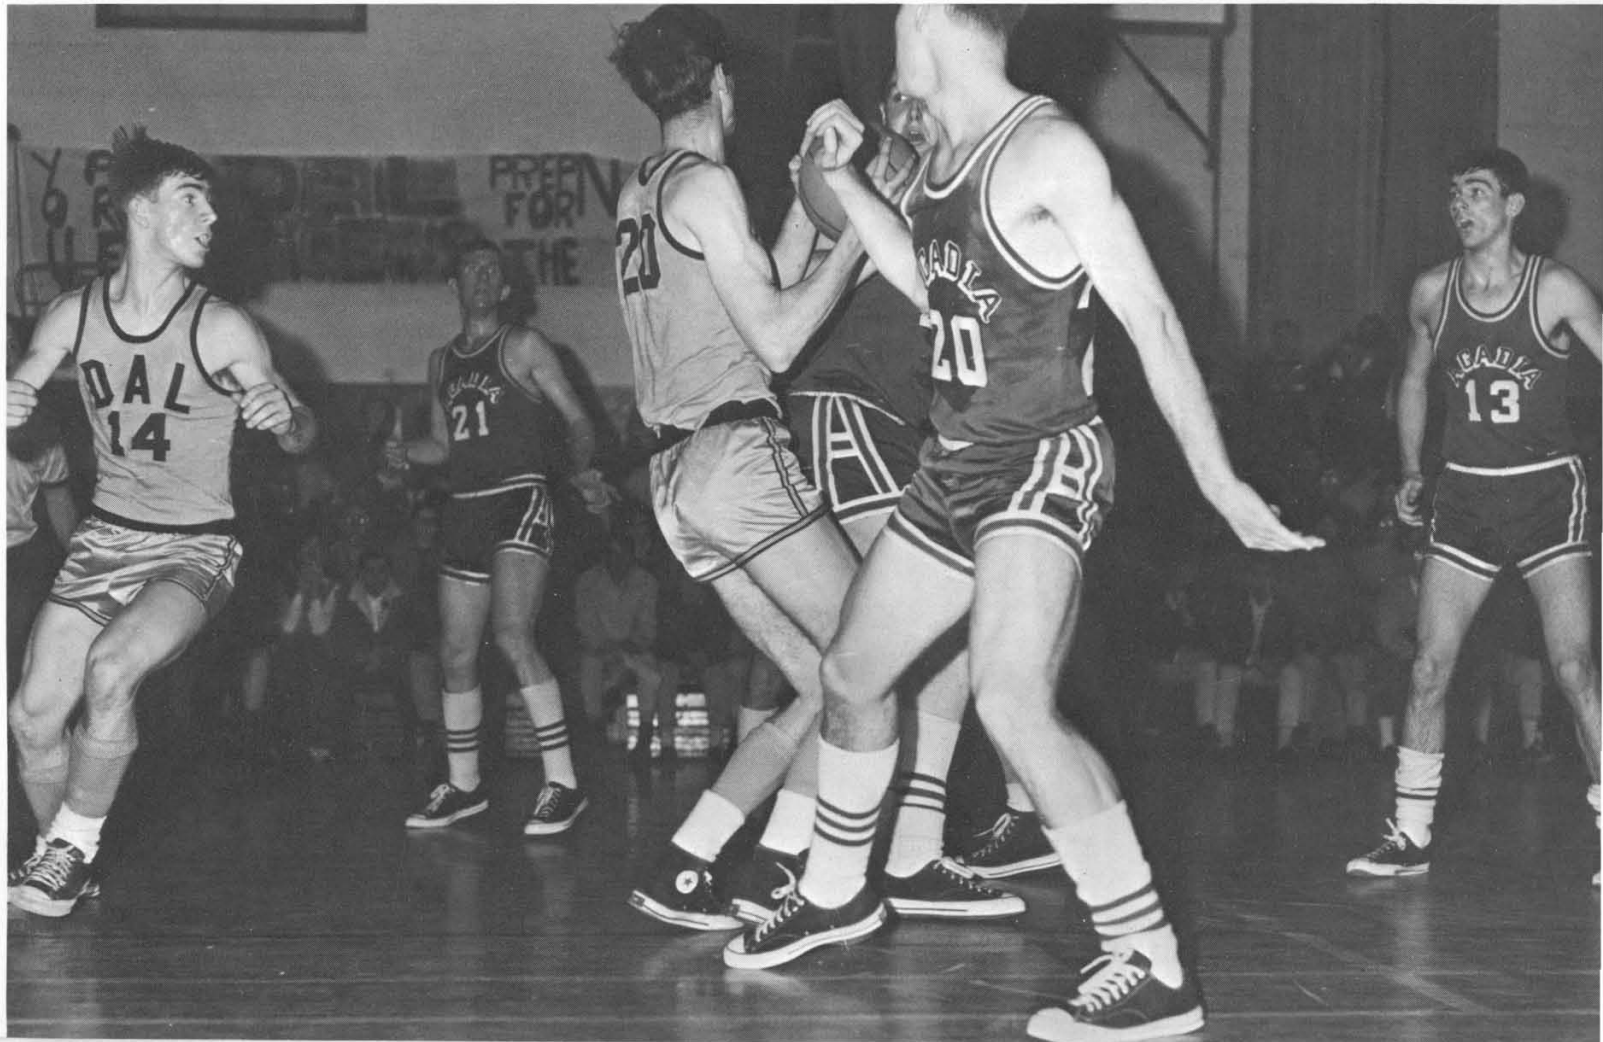

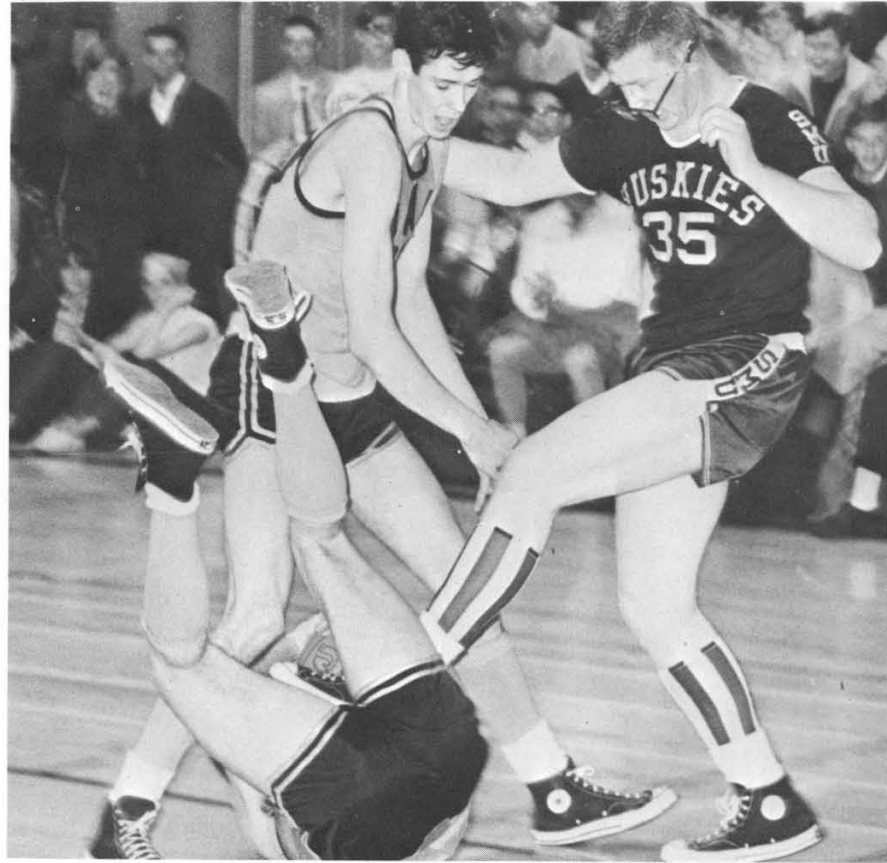

Although the team did lose five games, some extremely close, the Dalhousian pride in it was the main sportingnote to evolve from this athletic year.

Varsity Swimming

Members of the Swim Team: K. Benson, S. Etienne, L. Hare, P. Keith, V. Tatam, G. Woodbury, I. Bruce, E. Doe, R. McGrail, G. MacMichael, R. McInnes, W. Brymer, L. Kirby, J. Finley, G. Nichols, G. Blois, J. Mabee, R. Murray.

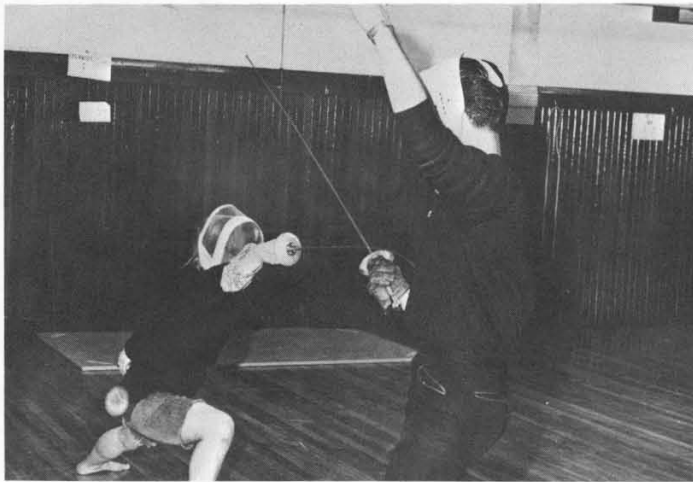

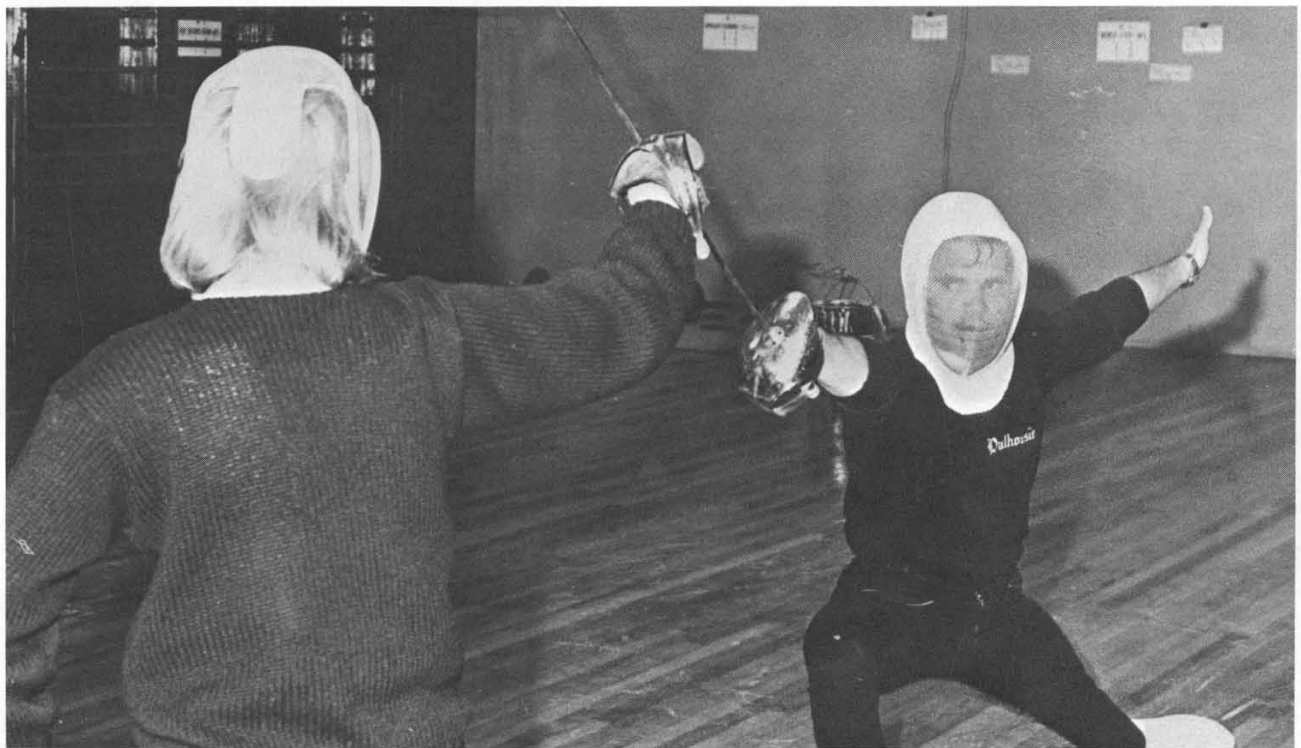

The Flying D.U.S.T.'ers placed four members on the Maritime entry in the Canadian Inter-collegiate championship swimming competition. Gord MacMichael, Rob McGrail, Lee Kirby, and Rob Murray each won berths on the team by finishing either first or second in their events in the Maritime Championship held on February 26th at Sackville.

Teamwise, Dal did not fare well. The men's team placed third of four behind U.N.B., Mt. A. and ahead of Acadia. The girls finished fourth.

In an earlier meet against Acadia on November 19th, Dal. was defeated by a score of 110 - 95.

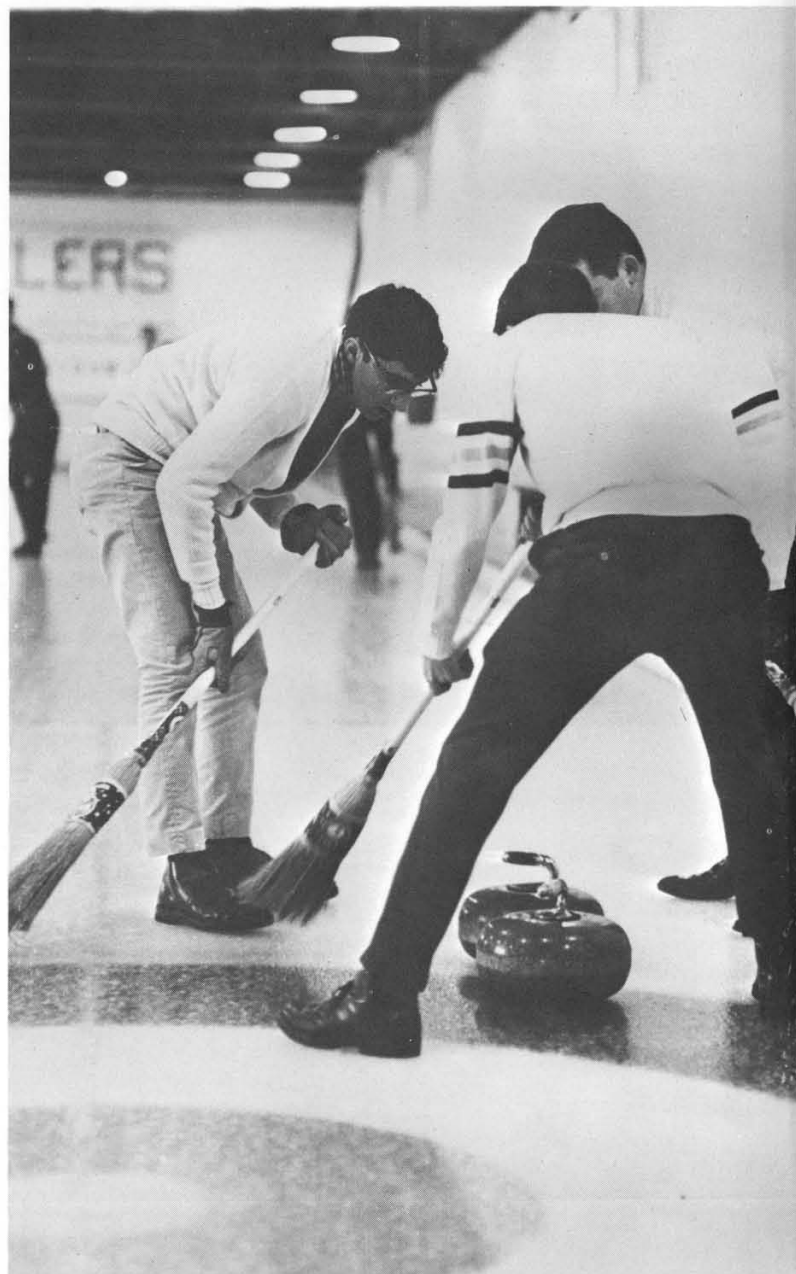

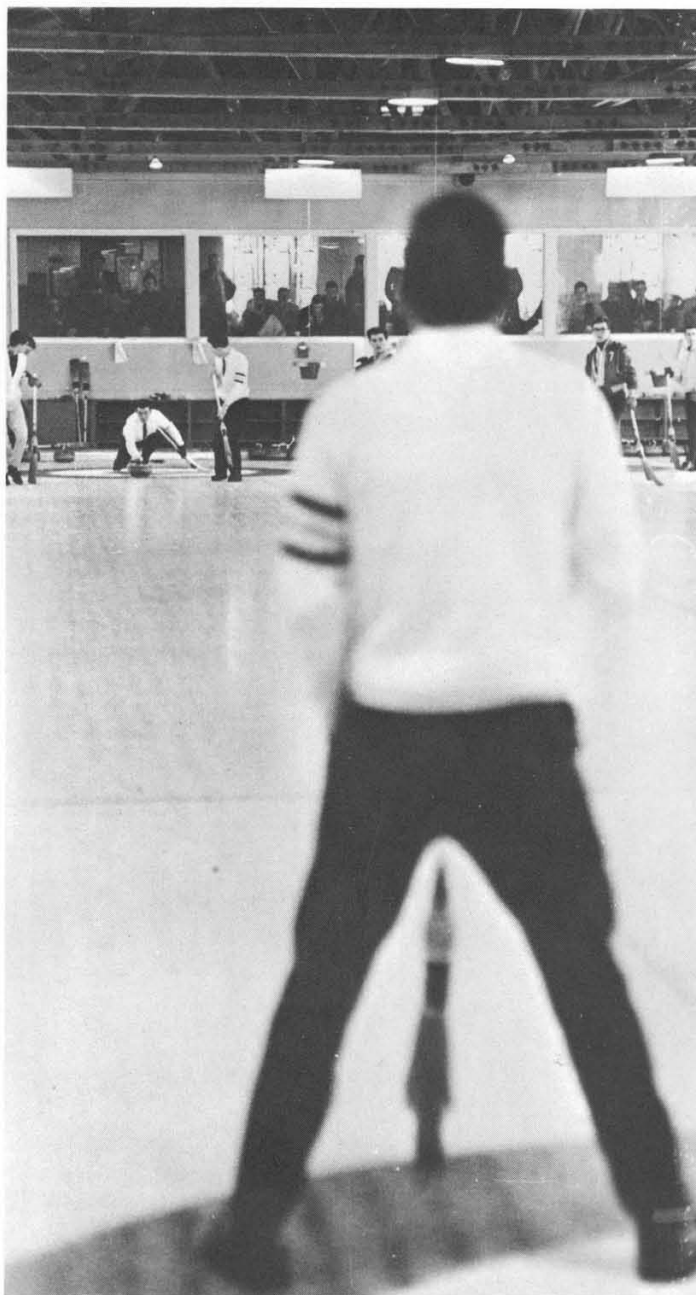

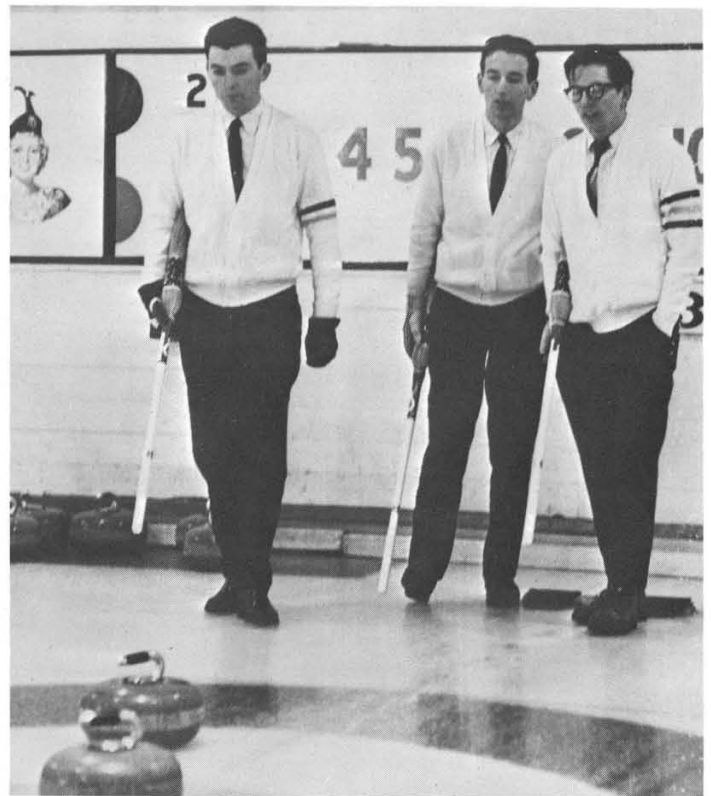

F e n c i n g

This year Dalhousie saw the initiation of the Fencing Club under the direction of Prof. Dawson of the English department. The main purpose of the organization was to illustrate the basics of the romantic sport and methods of defence to those students participating in the D.G.D.S. production of Julius Caesar.

Curling

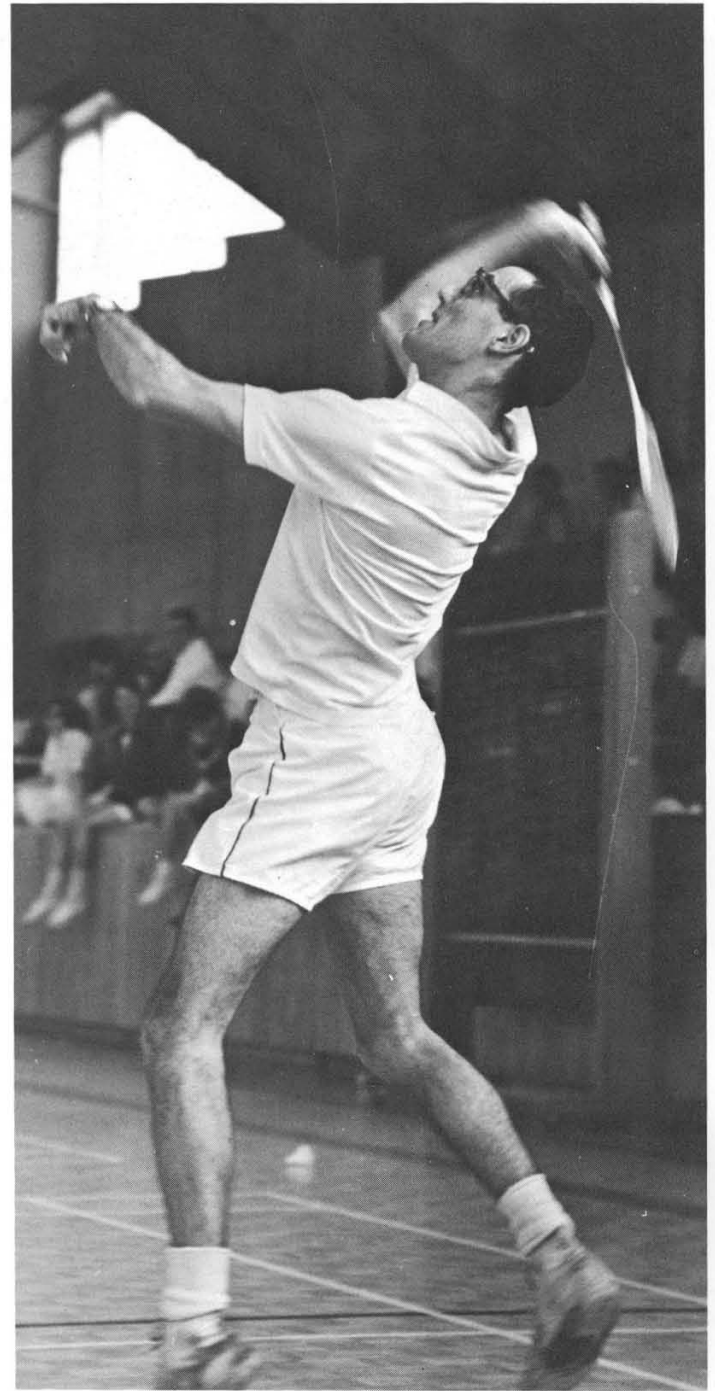

The small amount of student participation caused the Athletic Department to withhold financial support from the Dalhousie Curling club this year. However, after Christmas, the students organized seven inter-faculty teams on their own. These teams played a round robin bonspiel to decide a winning team to represent Dalhousie at the Maritime play-downs. The teams were very closely matched and it was a hard fought battle for first place. Competition was especially keen between the Commerce team skipped by Ken Langille and the Pine Hill team skipped by Bob Keeger. The Pine Hill team eventually won out, after two exciting games. The foursome travelled to the Maritime Invitational at Acadia where they placed second and later at Mount Allison where they tied for third place in the Maritime Inter-collegiate play-downs.

Varsity Badminton

TOP ROW: J. MacNeill, D. Dickie, M. Muhammed, Khoo Teng Lek, S. Ali.
 BOTTOM ROW: G. Donovan, K. Quinlan, M. Quinlan, J. Thornton.

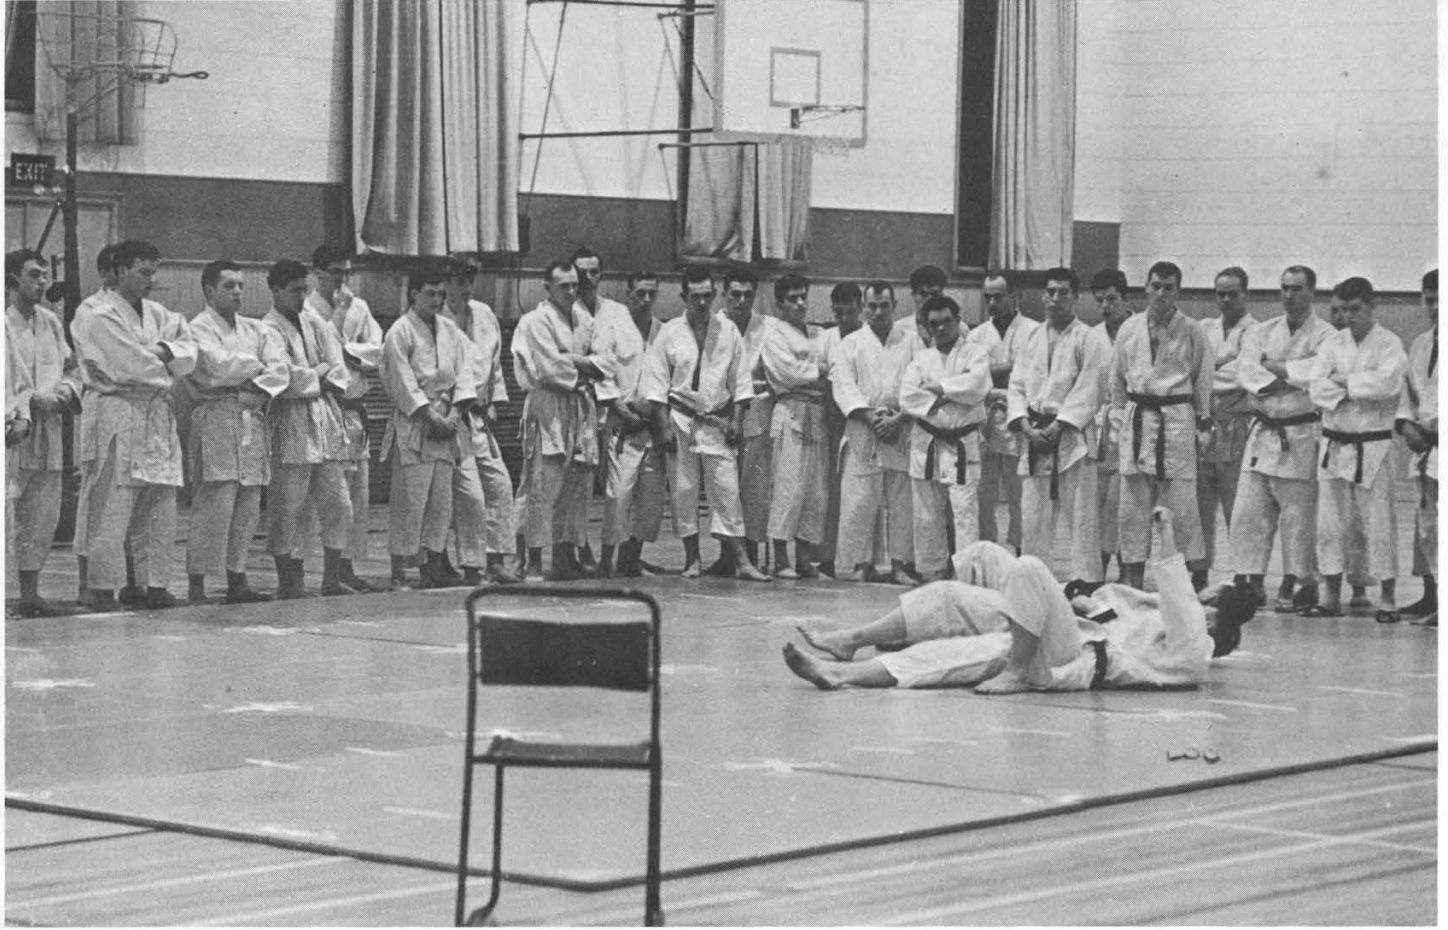

The Dalhousie Badminton Club had a very successful year with a total membership of approximately 60 players. A keen interest and participation by all members was shown throughout the year. Two club matches were held, one before Xmas and the other in February. Both proved to be very successful.

The 1966 Inter-collegiate Badminton Tournament was held at Nova Scotia Technical College. We made a good showing, winning the Men's Singles, Mixed Doubles and Ladies' Doubles, and runner-up in the Ladies' Singles. The participants were:

	LADIES	MEN	MIXED
Singles	J. Thornton	Khoo Teng Lek	S. Ali
Doubles	- P. Quinlan K. Quinlan	D. Dickie J. MacNeill	G. Donovan

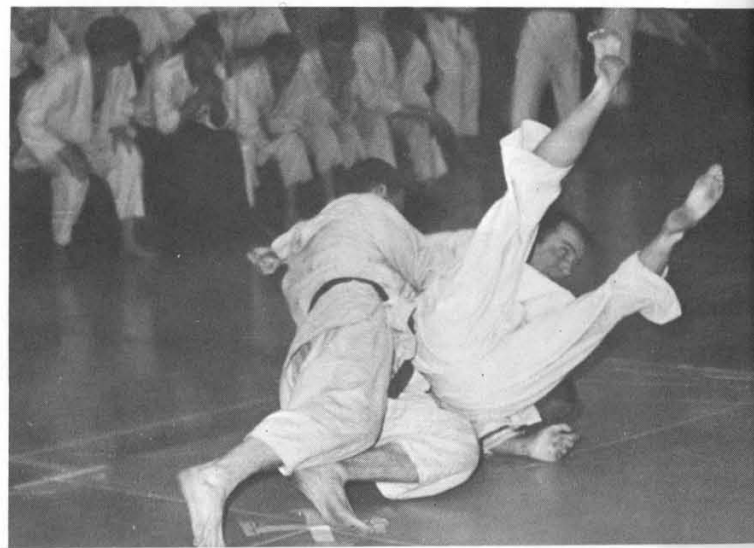

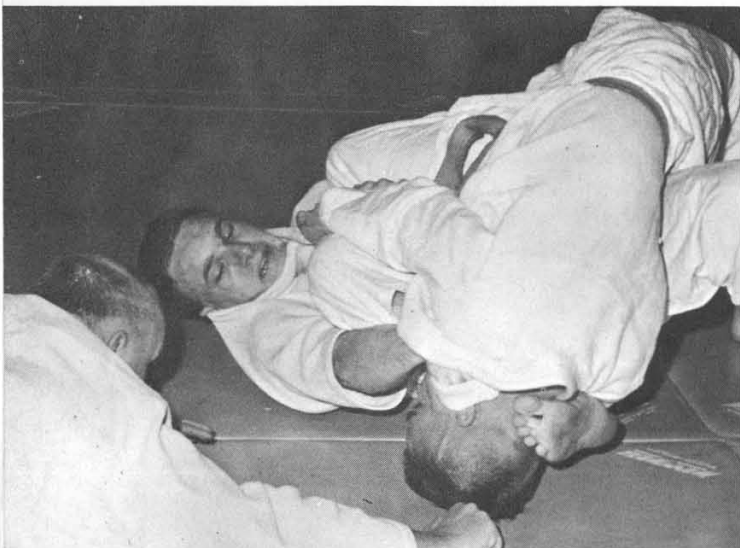

The prospects for next year look extremely encouraging with many of our former players returning.

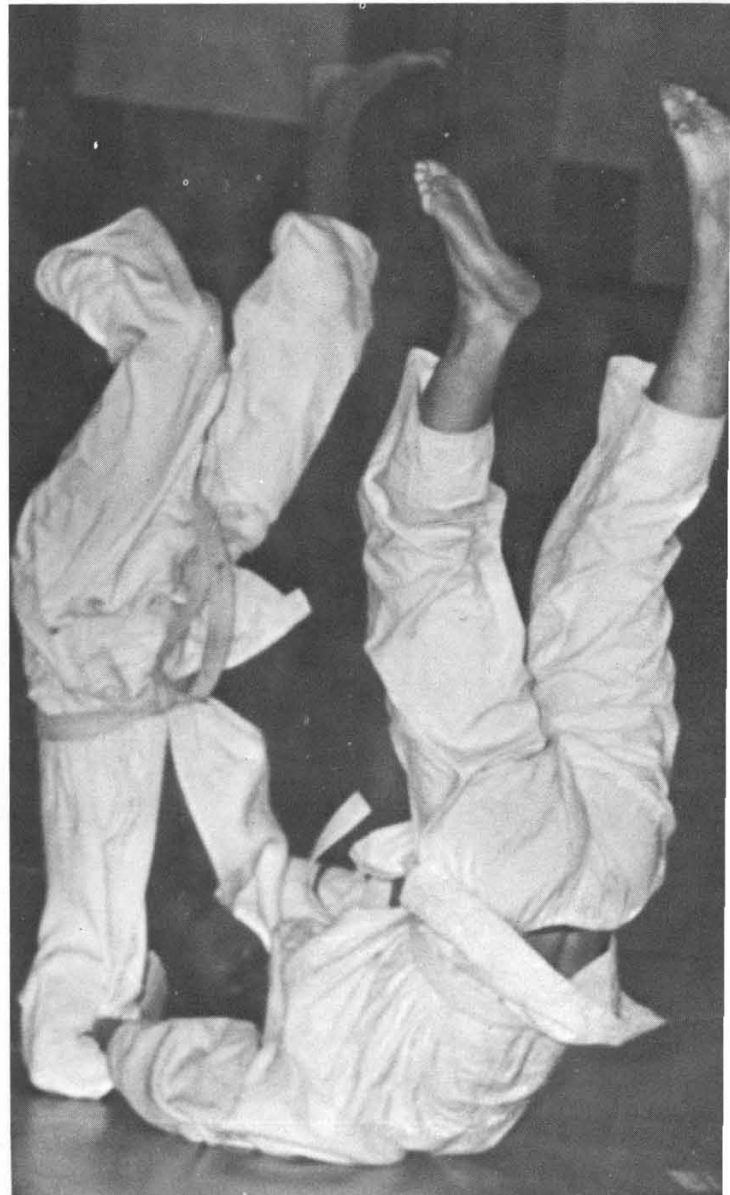

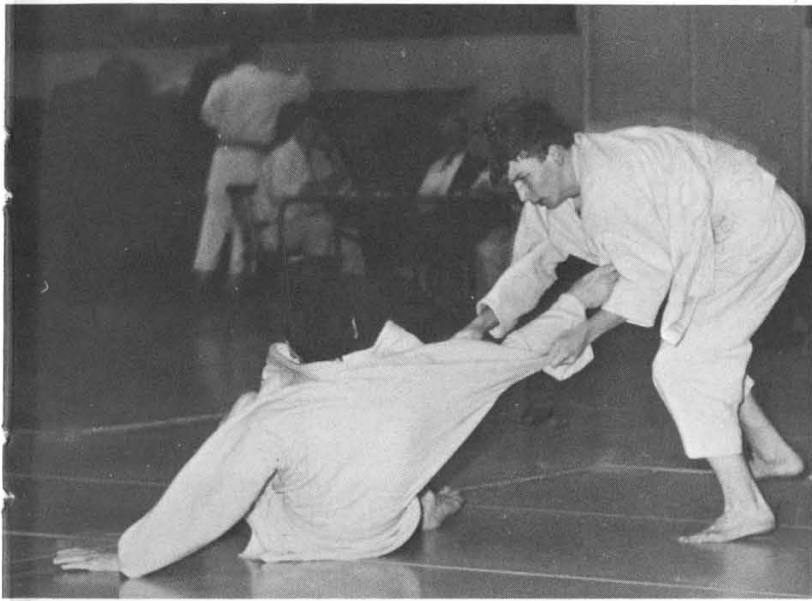

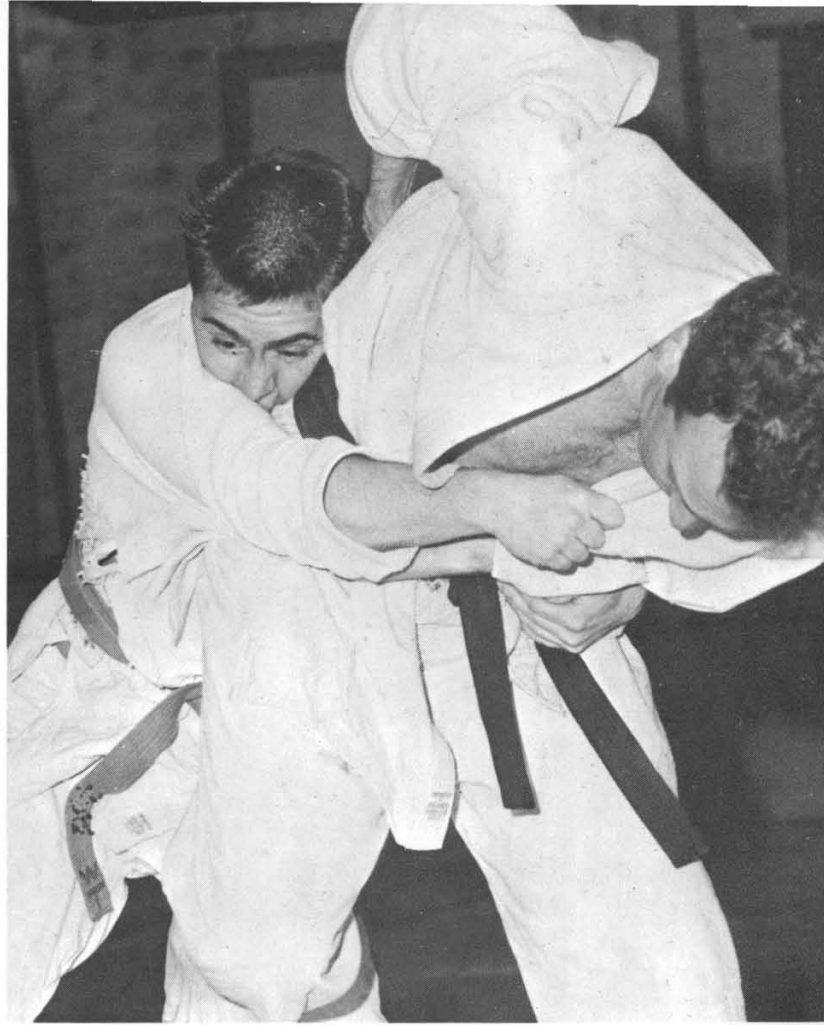

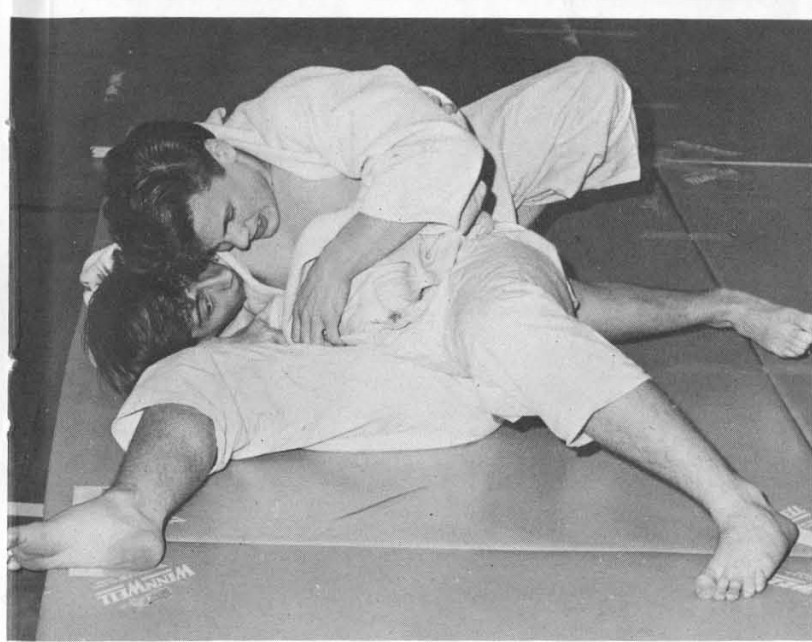

Judo Club Tournament

Judo, one of the less recognized competitive sports at Dalhousie, has shown a remarkable expansion this year. It is the fourth year for Judo here, and the membership has just about doubled.

Contrary to popular belief, Judo is not for the purpose of self-defence but is solely a competitive sport having rules and regulations much like any other sport. Part of this sport is tournaments and this year Dal. hosted an open invitational belt division tournament on March 4th. Dalhousie Club members made an excellent showing, winning two divisions and receiving many promotions. As a result of the match, the club received two new black belts, John Micallef and Eric Corkum. The success of the club has been largely due to the excellent instruction of Dr. Allan Swanzy, a former Dal. student and a third degree black belt. Instead of this year's regular Tuesday night practices, there will probably be two per week next year.

D

THE "D" CLUB

This year, for the first time, a "D" Club was formed at Dalhousie University. Membership includes all girls who are past winners of athletic letters and who are still at university. Although there are only thirteen club members, a vast increase is expected within the next few years as more girls receive "D" awards.

The main functions of the club are to serve as an advisory board to DGAC and to act as ushers, timers and hostesses for important sports events. With hopes of added membership, a varied programme should be planned, such as speakers and films which would deal with some aspects of sports.

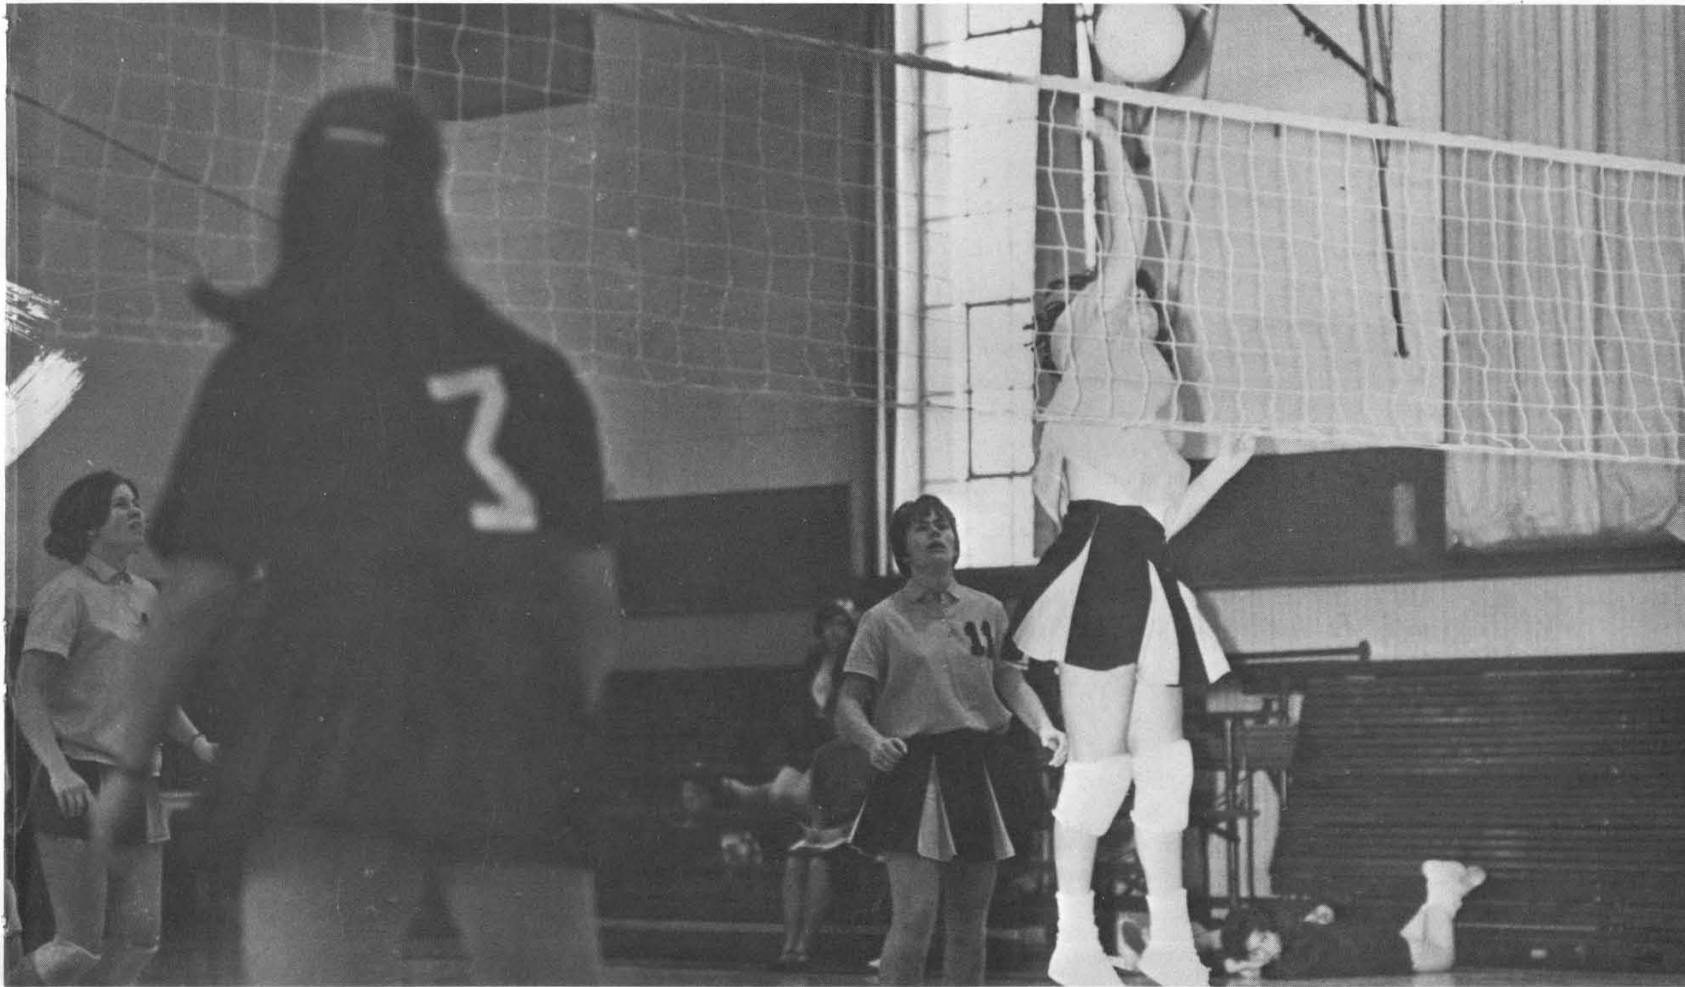

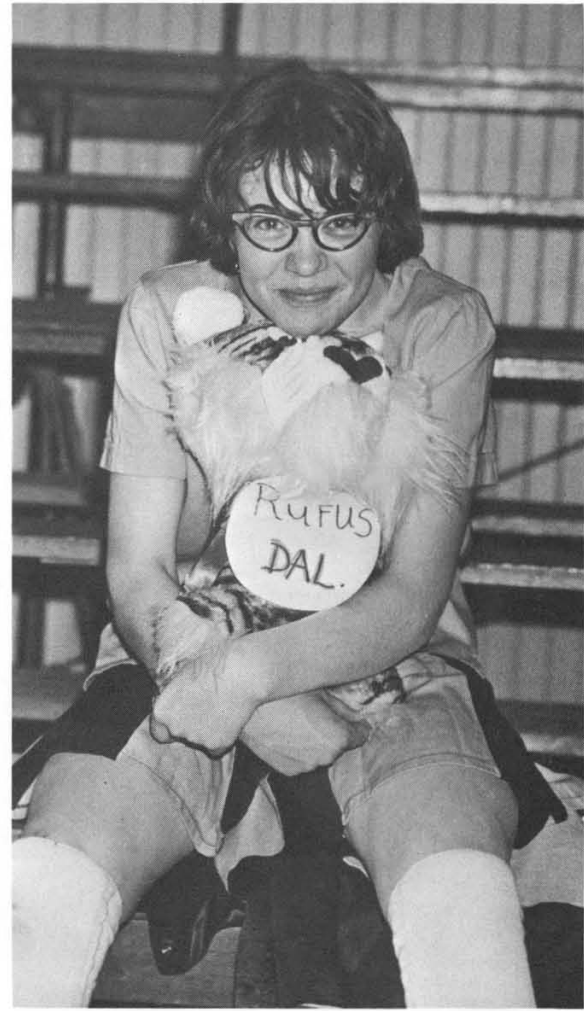

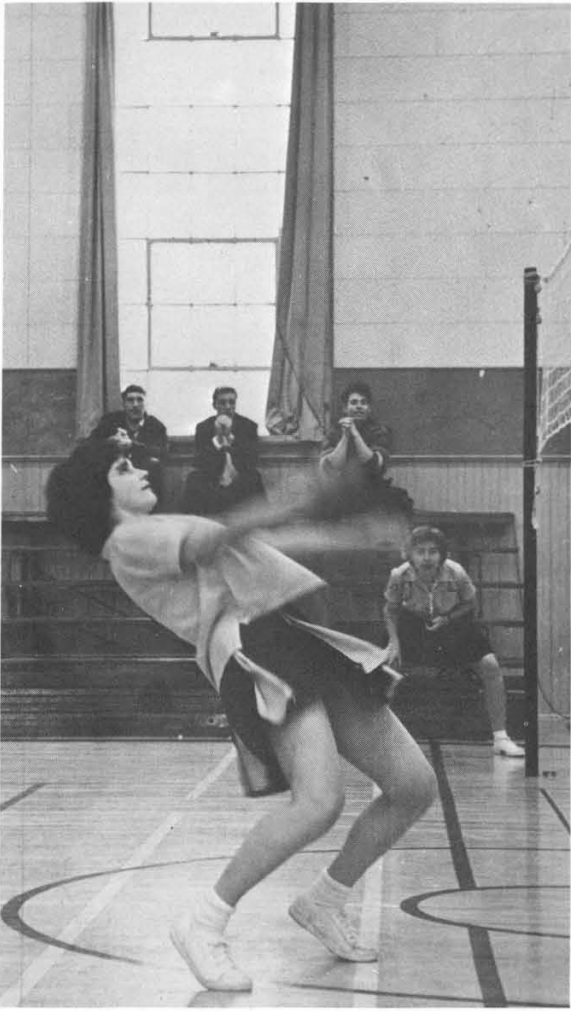

The "D" Club is one that has great potential as a university athletic organization.

VARSITY VOLLEYBALL

WOMEN'S VARSITY VOLLEYBALL TEAM

Three exhibition matches were played, one with Mount Allison, one with Acadia and one with King's in October and November. Dalhousie hosted the M.W.I.A.A.W. Volleyball tournament on November 26 and 27 and eight teams competed for the championship. Unfortunately, U.N.B. won the tournament.

The teams consisted of five rookies with only three returnees from the teams of previous years. Freshettes, Peggy Westerman, Gloria Gould, and Linda Bayers all showed a great deal of potential, with a promise of better standings for the Dalhousie team in the future. Judy Bulpin was a very capable captain and played consistently well throughout the season. Jody Long also deserves mention for her abilities as manager, and for being probably the team's most avid supporter. We hope Jody's enthusiasm will spread to the other students in this university to insure victories in future years.

BACK ROW: S. Skiffington, M. Muir, J. Ridgeway, A. Bromley, V. Murray, C. MacLean, B. Colp, B. Clayton.
 FRONT ROW: S. Fyfe, C. Dunsworth, F. Hurley, H. MacKinnon, S. Parker, J. Perry.
 MISSING: Z. Mohammed.

MARITIME INTER-COLLEGIATE CHAMPIONS

The field hockey team had an undefeated season, playing ten games with a record of eight wins and two ties giving us eighteen points to take the league championship. The combination of seven returnees from last year's team, several able newcomers, along with the excellent coaching of Mrs. MacLean were the factors which put Dalhousie at the top of the league.

OPPOSITION		DAL.

Hockey

Varsity

TOP ROW: Dorothee Josehans, Brenda Johnson, Margi Muir, Judy Aucoin, Judy Rotherham, Carol Henderson, Carol MacLean (coach).
BOTTOM ROW: Karen English, Kathy MacIntosh, Elizabeth Morris, Barb McGinn, Johanna Aucoin, Jane Cushing (manager).

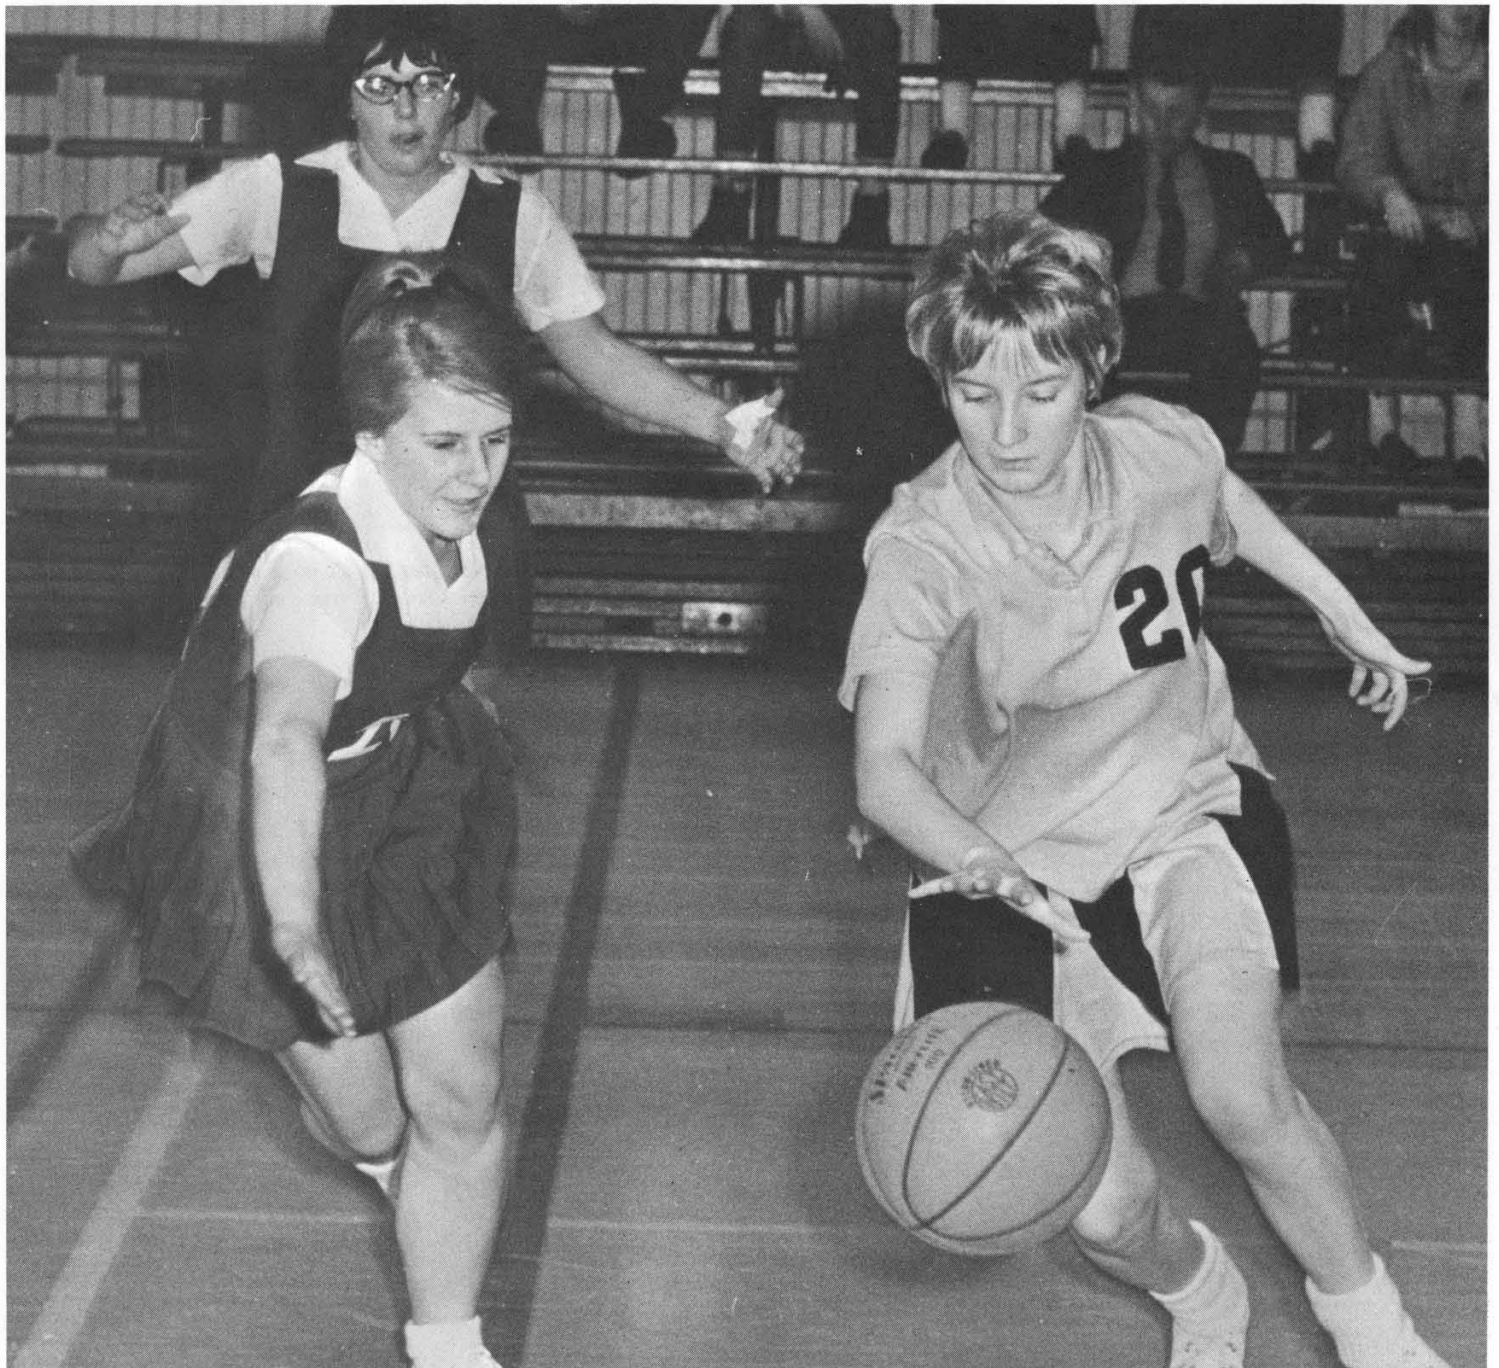

Basketball

The 1965-66 season proved a profitable one for the girls' varsity basketball team. After a closely fought season, the Tigerettes finished second in the league standings. As there were few returnees from last year, the team underwent a major build-up, and coach MacLean should be congratulated for doing such a successful job. Although at least four of the team members are leaving, hopes remain high for further success in the coming year.

STANDINGS

	WINS	LOSSES
U.N.B.	8	0

Mt. St. Bernard	3	5
Mt. Allison	3	5
Acadia	1	7

Junior Varsity Basketball

TOP ROW: C. Shaw, B. Farquharson, G. Gould, J. Bulpin, B. Campbell, L. Bayers, K. Bizakowski, coach.
BOTTOM ROW: K. Ellis, L. Reynolds, T. Weatherston, E. Morris, J. Jefferson, L. McLellan, P. Westerman.

The team competed in an invitational tournament at the Nova Scotia Teachers' College in Truro and defeated the N.S.T.C. "B" team but lost to a strong Moncton team on Feb. 5th. The final tournament was held at Mount Allison, March 4th and 5th and Dalhousie's junior varsity basketball team played two very good games which they split, loosing to U.N.B. 30-19 and defeating King's 21-14.

The team proved to be a strong one which nearly upset the champion U.N.B. team. Three ex-varsity players, Cathy Shaw, Brenda Campbell, Lin McLellan and former J.V. guard Trinda Lee Weatherston contributed greatly to the strength of the team. Many of the girls showed good potential and should provide strength to the women's Varsity Basketball team next season.

Men's Residences

Dal. Men's Residence Council

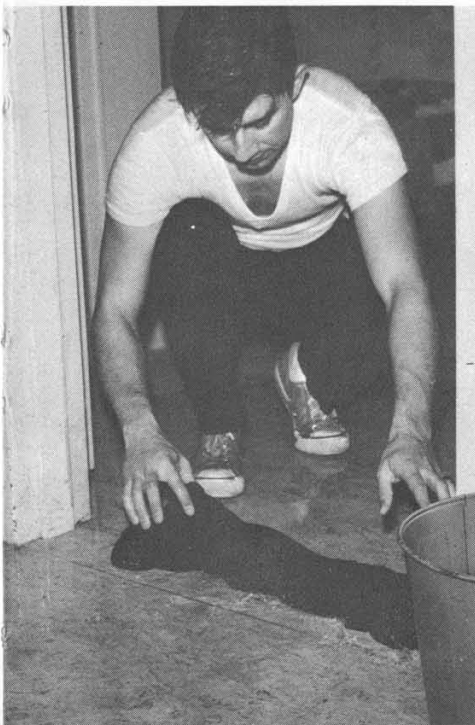

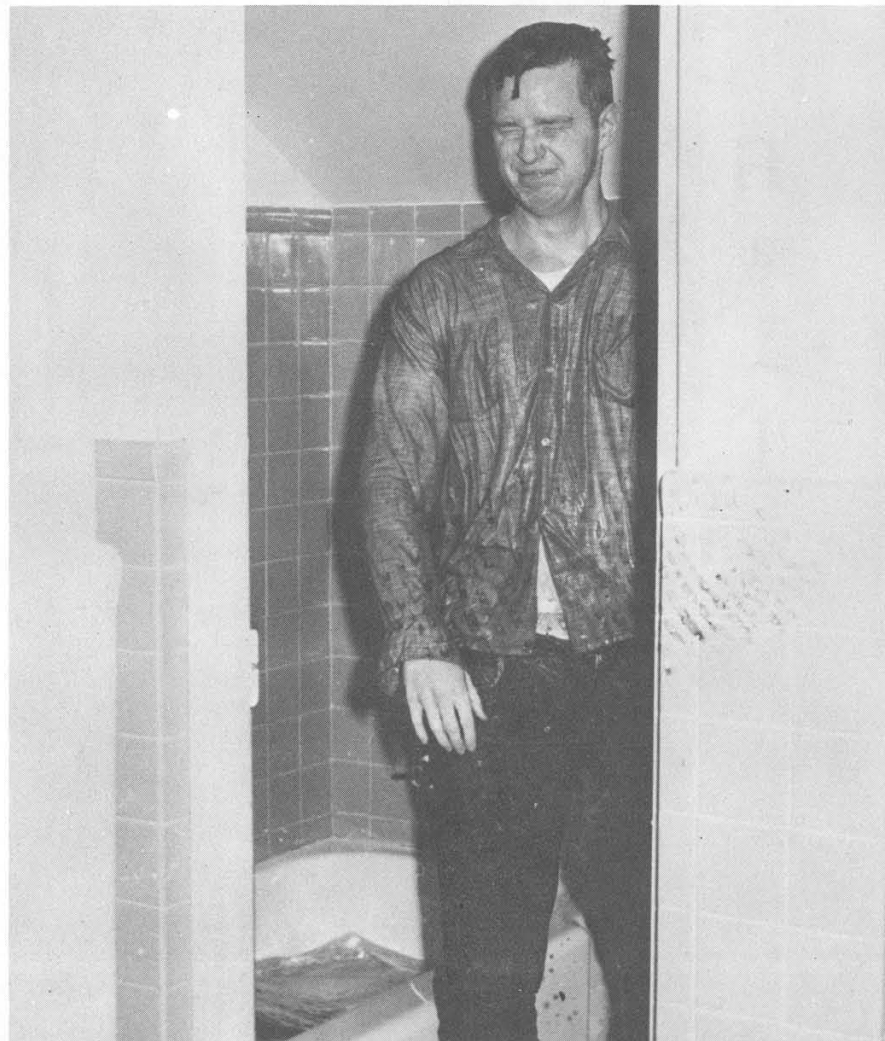

The Dal. Men's Residence on campus, and the Pine Hill Divinity Hall are two residences established for the safe keeping and social training for those students from outside the Halifax - Dartmouth area. They give the undergraduate an excellent opportunity to meet new people and express new ideas.

The residences also offer good character building for the student as he willingly and regularly helps others to rearrange their rooms and scrub floors. Frequently the students are instilled with an overabundance of goodness and even wash down the floors of other levels.

Cleanliness is the word in a residence where so many have to live together. There are times however when the occasional student fails to have a bath, and his floor-mates politely and kindly give him hints that he should.

The Shirreff Hall House Committee is the executive of the Shirreff Hall self-governing association. With representatives from each class, it provides an important link between the Dean and the residents.

This year, members of the committee were active in establishing co-educational dining with the Mens' Residence and a food committee was formed as a liaison between the chef and students. Also, the residents helped to organize the Winter Carnival Ball.

The traditional Hall Formal held on November 19, the Christmas Charity Project, the Hall Christmas Banquet and Party, and the Shirreff Hall Open House in the spring were all very successful. At the annual Senior Banquet, Nancy MacDonald officially ended her term of office with best wishes to the new president, Carole Holland, for 1966-67.

Nancy MacDonald, the Hall's "distinguished" President.

Delta Gamma

Sandy Lesyk, Paddy Thomas, Joan Faulkner, Brenda Blaikie.
MISSING: Cathy Benson, Carol Beal.

Delta Gamma stands for Dalhousie Girls, and is the organization responsible for Sadie Hawkins Week and the Blood Drive primarily, as well as sponsoring other activities where girls from the Hall and those from the city may get to know each other.

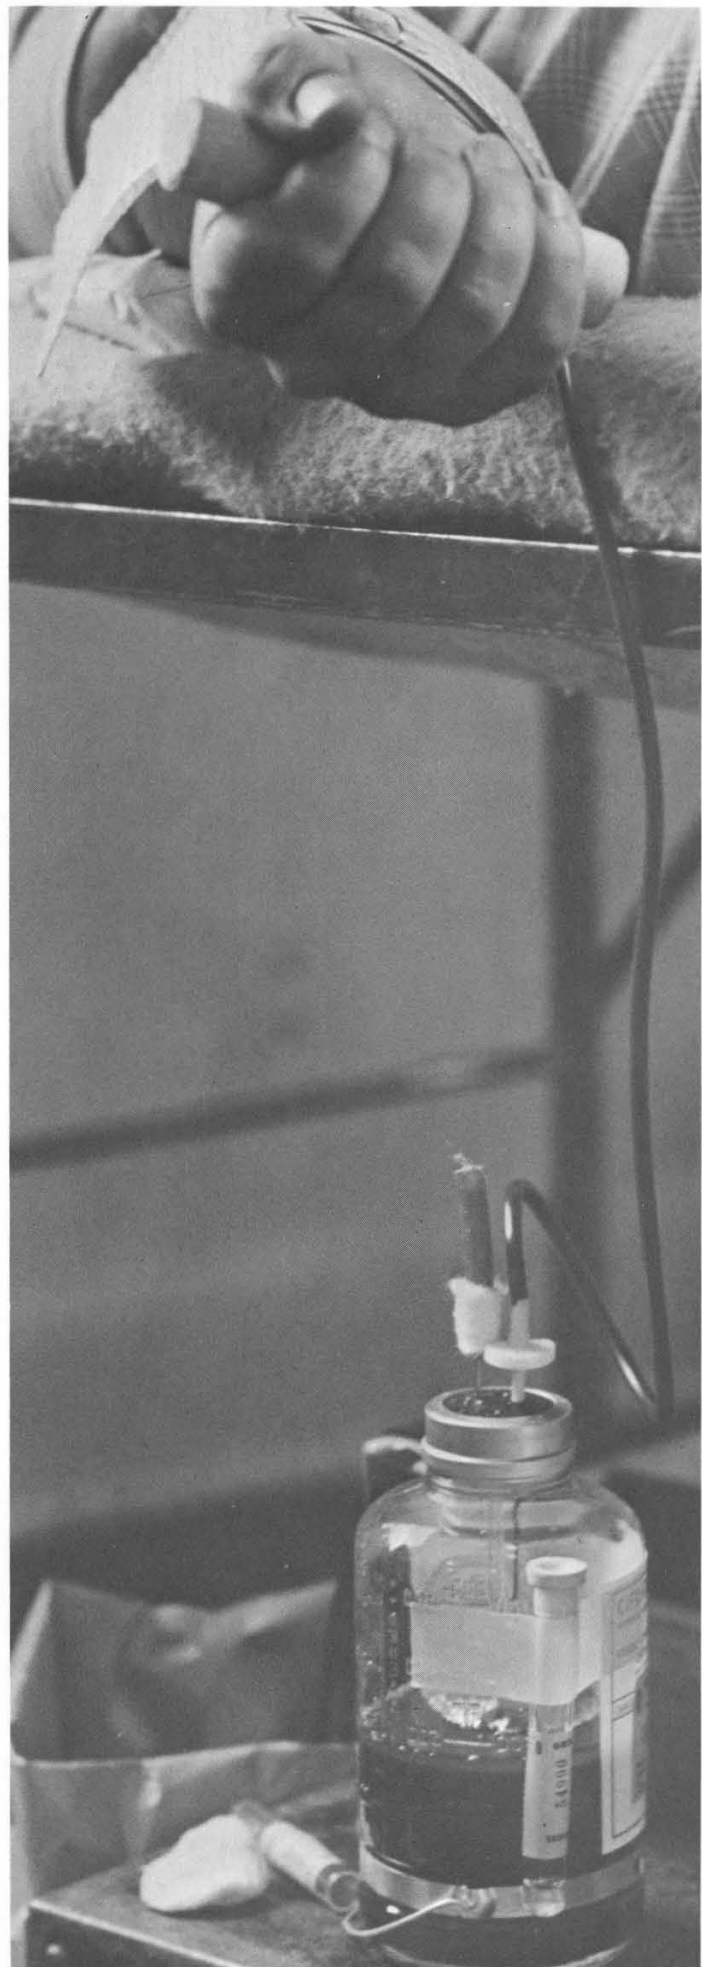

This year we had Sadie Hawkins week in Oct. and it was a great success with the slave auction and the Sadie Hawkins Dance as the highlights.

Before S.H. week we had a debate versus a team of boys on 'Resolved it is a man's world' (We lost).

We had a coffee party in January at the Hall at which about 200 girls who had never been inside its hallowed walls, got a chance to see where the Hall girls hide.

We placed second in the Connolly Shield competition for the second year.

Blood Drive was the best Dalhousie has ever had thanks to a few brave souls who ventured forth.

The Blood Drive

Public Relations

Margaret Kemp, Bob Daley, Maureen Kennedy, Gordie Campbell, Liz Allport.

This year, the position of Campus Co-ordinator, Publicity Chairman, and the newly created position of Editor of the Dal-O-Gram, were combined under the title of Public Relations Department. The purpose of this union was to co-ordinate the activities of the various organizations, and improve the publicity facilities on and off campus.

The action was taken on an experimental basis, to discover whether centralization would solve some of the mammoth communication problems created by the physical structure of the campus, and the increasing size of the student body.

The co-operation given by the student organizations was of great assistance, and their realization of the problems involved was certainly appreciated. Although problems did occur with regularity, there were only three major conflicts during the year — all unavoidable.

It is hoped that as the experiment continues, fewer and fewer problems and mistakes will occur, and that students are properly informed at all times.

LIZ ALLPORT

Campus Co-ordinator

The campus co-ordinator's purpose is to arrange and co-ordinate student activities and dances in conjunction with the administration and the various campus organizations.

The lack of available space, again this year made it impossible for a number of clubs to hold a Friday night dance. However, the constitution of the council priority list made decisions regarding dances considerably easier.

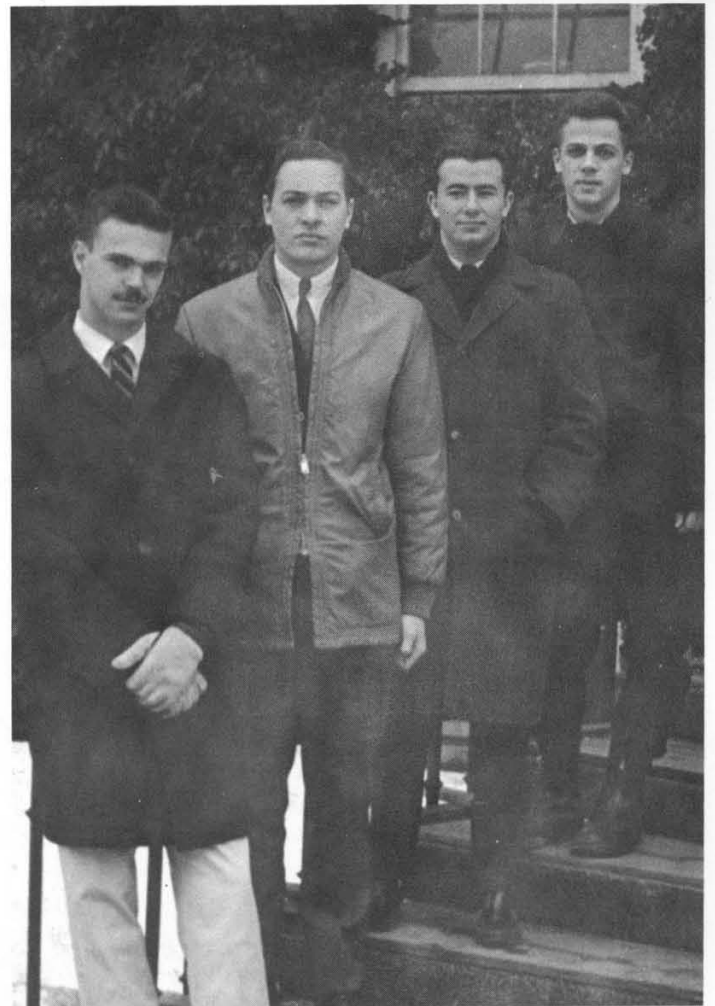

In general the students and the administration were very co-operative in their efforts to assist the campus co-ordinator.

Peter Johnson, Mike Puttock, Don Stevens, Bruce Preeper.

Second Hand Book Store

The Second-Hand Bookstore has been operated on the Dalhousie Campus for a number of years and during the past three, by the Dal students. The store has hopefully saved Dalhousie students thousands of dollars by purchasing second-hand books and reselling them at cut rates to new students. The book-store has come a long way. The first year the center of our operations was in the band room under the gymnasium, and because buyers were greeted with background music on occasions, it did hamper operations somewhat. Later years, thanks to Mr. Gowie, the book-store was in the rink canteen which turned out to be ideal. Thanks to the support of the students in 1965 the turnover in business was estimated at \$3,500 dollars.

Many thanks also go out to the students council and the Gazette of past years for their support and to the unfortunate freshettes who were called upon to sweep the floors during initiation weeks. The five clerks, sometimes referred to as the "Five Profiteers," have enjoyed providing this service for Dalhousie, not only in the money students have saved in an age of rising book prices, but in the hundreds of fine people we have come to know. Next year our regular bookstore here on campus will provide this service and we sincerely wish it the best in helping the students of the future.

John Emery, Susan Blackmore, Bob Creighton.

A.I.E.S.E.C.

An International Association of Economics and Commerce Student, A.I.E.S.E.C. is a world-wide organization that encourages economic exchanges between countries by finding jobs in foreign countries for interested students.

This year, Bob Creighton and Arnold Budovitch hope to go to Europe for the summer, and two European students will come to Nova Scotia. Future plans include a larger number of students being sent to foreign countries in the coming years.

TOP ROW: Johnathan Wilde, Brenda Yazer.
 BOTTOM ROW: Winsome Smith, Margie Muggah, Ann Marie Girroir.

W.U.S.

The World University Service has, as its objectives, the promotion of international solidarity and understanding between universities throughout the world by means of distribution of material to those students in need of such assistance, the mutual sharing of knowledge, and the bringing together of students and professors from various countries of the world in an effort to establish this spirit of international oneness.

This past year was not what one might call successful, as it was virtually impossible to regenerate WUS activities after nine years of stagnation. However, Treasure Van visited the campus and brought the biggest financial returns in its Halifax history. The international seminar to be held in Turkey will be attended by Mr. J. Wilde from Dalhousie. A book drive was held the last two weeks in April, the proceeds of which will be used to set up and maintain University libraries in Africa, Asia and Latin America.

MISSING: M. MacDonald, P. Bagnall, M. Scott, G. Whitman, G. Fraser, K. Knowled, D. Inglis.

The D.M.J. is the official journal published four times yearly by the Dalhousie Medical Society, and its history dates back to the 1930's.

The purpose of the journal is to publish articles of current interest to the Medical Profession. Major articles originate from Professors, Postgraduates and Undergraduates. The distribution presently is to Maritime Physicians, Interns, Residents, Medical Students, Canadian and American Medical Schools and to the advertisers. Although this present circulation is 2200, it is our aim this year to include Medical Alumni the world over. The staff is composed of 47 Medical Students in the first four years of Medicine, plus three faculty advisors.

Dalhousie Psychology Club

TOP ROW: M. Hunter, S. Smith, L. Colwell.
BOTTOM ROW: D. Unwin, B. Levy, J. Wright.

The Dalhousie Psychology Club, formed in 1964, attempts to unite in common interest, those undergraduates wishing to learn more about psychology and related disciplines. This year a membership of approximately one hundred students was gathered during registration week.

Throughout the year the program offered interesting lecturers speaking on topics from the fields of clinical and social psychology, pharmacology and psychiatry. Informal coffee parties opened the floor to discussion on alcoholism, and clinical versus experimental psychology.

Perhaps the highlights of this year were tours to the Truro Training School for retarded children and the Nova Scotia Hospital. After a guided tour of the institution, students were given the opportunity to question staff members.

It is the hope of this year's executive that the Psych Club will grow in membership and activity so that the campus as a whole may benefit from the program it presents.

Hillel

During the past year, the B'nai B'rith Hillel Foundation of Dalhousie enjoyed the most success of any of its more recent years. This success was greatly due to the energetic guidance of Rabbi Deitcher, our counsellor. In keeping with the purpose of Hillel – to bring together its members in a cultural and social atmosphere – the programmes consisted mainly of films and discussions based on topics of current interest; supper meetings, featuring such absorbing speakers as Dr. Kaplan of the Medical School, and Dr. Aitcheson of the Political Science department; and entertainers such as the Topsiders. For the first time, two delegates were sent to the national conference held at Sainte Agathe. In order to raise funds in aide of the School for the Blind, "The Diary of Anne Frank" was screened. The season was closed with the arousal of the idea of Hillel House.

Ira Abraham, Marlene Goldfarb, Joel Kirsh.

TOP ROW: Dave Connors, Paul Petit.
BOTTOM ROW: Mary Bach, Jane Buckley.

Newman Club

To provide contact with fellow Catholic students on an intellectual, social, and spiritual level is the raison d'être of the Newman Club.

The activities of the first term were officially opened with a Mass at the Holy Heart Seminary which asked God's blessing on the academic work of all the students during the coming year. An interesting discussion took place in November in which the students questioned – "Are Catholics reluctant to be recognized for their faith?" The social activities included sing-alongs, square dancing, a Christmas party for children, skating at Pine Hill Pond, and a special Valentine's Day dance.

Changing times and an interest in the ecumenical spirit gave rise to an evening talk by Bishop James Hayes. Evidence of an ecumenical togetherness was evident as members of the Canterbury Club joined that evening in listening to the bishop.

During the year, most members of Newman have been aware of the pleasant, congenial friendship of the club's chaplain, Father Gordon MacLean, and would like, in closing, to express their gratitude to him for it.

Dal. Kings Canterbury Club

P. Fitch, D. Shipton, M. MacLean.
MISSING: W. MacDonald, J. Mercer.

This year the organization has been stirred by a new feeling of interest. Through its many discussions, it endeavoured to gain a new understanding of people, and various aspects of life. Its members attempted to answer many questions, and while they have not found any set answers through their discussions they have achieved a better understanding of the basic issues.

Some of the topics covered were: 'The New Morality,' 'Who Am I?', 'Christianity Today,' and 'Why Go To Church?' The first topic was carried on through several meetings with Dr. Paul Cudmore, Dr. Doris Hirsch and Rev. Don Trivett as guest speakers. Other speakers throughout the year were Prof. B. Aston, Rev. Ron Harris, Dr. Corston, and Rev. Prof. Reeve. Several exchange visits were held with the Newman Club, which were interesting and enjoyable.

The Canterbury Club also sponsored the benefit performance of the D.G.D.S. production, 'The Mikado.' Four delegates, Don Shipton, Wayne MacDonald, Glen Kent, and Pauline Fitch went to the Canterbury Conference at Mt. A. in February.

I.V.C.F.

Inter-Varsity Christian Fellowship is a student organization which is interdenominational in character, and seeks to investigate the claims of Jesus Christ and to consider the challenge of today's college and university students.

This year its ranks were more than doubled and the growth has been steady.

The programmes included bi-monthly supper meetings which were tremendously successful, bible studies and various social activities.

Prime Minister Gordon Hunter

Liberals

The Dalhousie University Liberal Club, besides winning a ministry election and managing to maintain its position of control in the 1966 Model Parliament under Prime Minister Gordon Hunter, was actively concerned with the practical problems which beset university students. The Liberals held seminars which dealt with such topics as Medicare and the thorny problem of university fees. As well, they attempted to remove the misfortune of student apathy from the Model Parliament and to bring the importance of student politics to the fore.

Showing their recognition of the advantages to be gained from knowledgeable counsel, the Liberals brought M.P. John Hunter from Montreal to address their club. As well, they helped prepare for the Prime Minister's rally at the Forum during the fall, and welcomed Mr. Pearson on his arrival in Halifax.

The increased spirit and interest shown by the Dal Liberal Club this year was amply rewarded when, at the Student Liberals' Convention, held in Ottawa in February, the club was named the best Liberal Club for the Atlantic region. Thus 1965-66 has been a successful and gratifying year for the Dal Liberals.

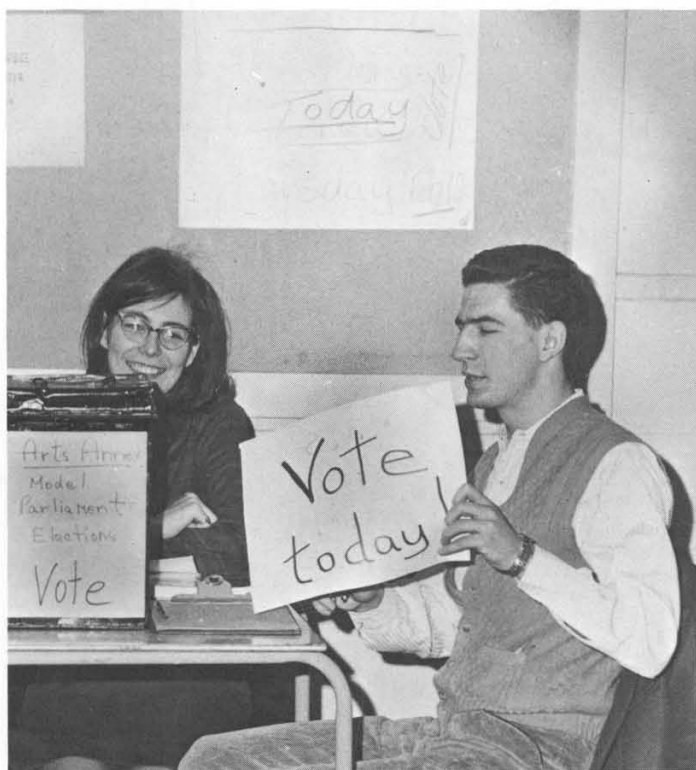

Gwyn Phillips, (President), Ted Danielson, Pat Thorpe, Irwin Lampert.

Model Parliament

TOP ROW: Margaret Douglas.
MIDDLE ROW: Les Barkhouse, John Pirrie, Christine McLeave.
BOTTOM ROW: Carol Beal, Judy Tulloch, Jacquie Greaves, Paddy Thomas.

Progressive Conservative Club

The Progressive Conservative Club has enjoyed a successful year. A number of speakers presented talks to the club during the year, among whom were Walter Goodfellow, the national president of the Young Progressive Conservatives, and the two members of Parliament for the Halifax - Dartmouth riding, Robert McLeave and J. Michael Forrestall. Some members of the club took an active interest in the Federal Election, attending organizational meetings and rallies, and generally assisting the candidates.

Although the Model Parliament election was this year won by the Liberals, the P.C.'s formed the official opposition party. The Model Parliament provided valuable experience to all who participated, and it is hoped that in future years more students will attend the sessions.

The highlight of the year was the national convention of the P.C.S.F. held in Ottawa in early February. At this time resolutions were passed concerning Viet Nam, education, and economic policy.

In all, the Progressive Conservative Club has had a profitable year and its members hope that the club will continue to grow in the future.

West Indian Society

West Indian Society Executive

As usual, the academic year 1965-66 has been a fairly active and successful year for the West Indian Community at Dalhousie. The year started off with two members attending a conference on West Indian affairs in Montreal. Mr. Edward Batoosingh, the president, attended this conference as the representative of the student council, whilst Mr. Ken James went as the representative for the West Indian Society.

Another highlight of the year was the West Indian night, sponsored by the I.S.A. This program was designed to portray some of the songs, music, and dances that are part of the tradition and culture of the West Indies. The program's success was illustrated by the fact that a local T.V. station taped a large segment of it for rebroadcast on their network.

At the annual International Soirée, the West Indian Society again played a major part in the preparation of local dishes and providing music and some of the talent presented on this occasion.

Four dances sponsored by the society, and held off campus, were great successes and served to round off the year's activity.

International Students' Association

BACK ROW: Ojwang Kombudo, Meng Hee Tan, Hollis Whitehead, Ivan Ho, Kee Saik Cheah.
FRONT ROW: Leslie Tracy, Barb Dexter, Marg Kemp.

The I.S.A. began its work during the summer of '65, corresponding with the new students expected to arrive from overseas in September, and preparing an orientation to welcome them to Halifax. Once the 1965-66 year had begun, however, "action" was the keynote. A function was held every second Friday, and plenty of variety kept the rapidly expanding membership interested. Three cultural evenings, presented by the National Societies, drew large audiences, as did the "International Folk Songs" and "International Film Festival." I.S.A. members were also involved in a wide variety of outside activities. T.V. programmes, visits to schools, and participation in the new Community Project were notable "firsts." Highlight of the year, of course was the "International Soiree." The success of this event last year made everyone eager to attend and tickets were sold out so far in advance that black market profits boomed. And it lived up to expectations, with exotic foods, foot-tapping music, and floorshows from around the world. A fitting climax to a highly successful year.

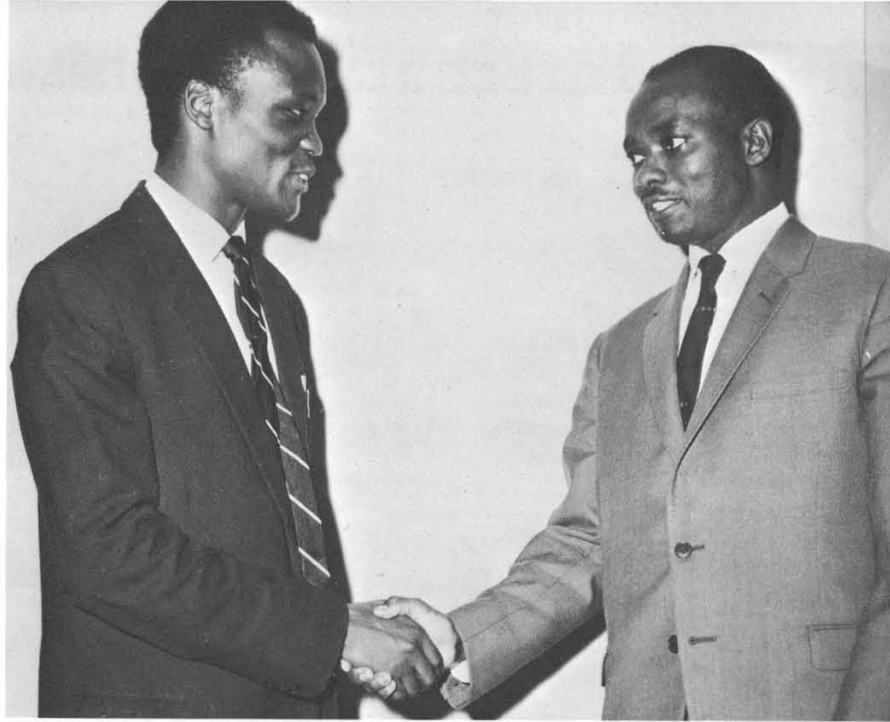

African Students' Association

It is the policy of the African Students' Association to emphasize programmes which foster the understanding of current problems facing Africa. For this reason, the programmes this year consisted mainly of topical discussions.

The Association held a panel discussion over the Zimbabwe (Rhodesia) problem to which the public was invited. The African students, after much discussion among themselves, sent, on behalf of the Association, telegrams to various African leaders asking them to do all they could to help the people of Zimbabwe liquidate the white minority racist clique now ruling them.

The Association was again fortunate this year to have the Kenya Ambassador to the U.S. and the U.N. participate in the annual African Freedom Day programme. The ambassador reviewed problems facing Africa and told the African students to prepare for a long uphill struggle against economic ills in the continent, and against colonial powers that are still subduing the African people.

A meeting of African students from St. F.X., U.N.B., Acadia, St. Mary's, and Mount St. Vincent was sponsored by the Association. This meeting decided to form a committee to co-ordinate the activities of the African Students in the Maritime Provinces.

Ojwang K'Ombudo (President), Ambassador Burudi Nabwera.

A.A. Alami, A.W. Labi, E.J. Essien.

Chinese Students' Association

This is a constitutional society comprising about eighty members. Its chief aim is to bring together the members who come from countries such as Hong Kong, Taiwan, Malaysia, West Indies, Philippines, Burma and Canada. This is achieved by the various social functions carried on over the academic year.

The activities of the Society commenced with the Welcoming Party during the Initiation Week. This was followed by a buffet-meeting. A "sports day" was arranged during which members played at badminton, table-tennis, basketball and volleyball. A banquet was held to celebrate the Chinese New Year with all the Halifax Chinese Students. The Society presented a Chinese New Year Television Program on the CBC Gazette.

In conjunction with the ISA, the Chinese Society presented a cultural program "China Night," and also participated in the International Folksinging and the Soiree.

A yearbook depicting the events of the Society and the literary talent of the members in Chinese and English languages was published.

FRONT ROW: Diana Yue, Lucy Chieng.
BACK ROW: Robert Liu, Brian Hoo, J.L. Yeoh, Robert Hui.

Film Society

Trevor Ifill, John Wright, Janet Golding, Joan Berry, Keith Stratton, Mangal Talwar.

There was no summer series in 1965. The films shown in the winter series were: Yosimbo (Japan), World of APU (India), Wild Strawberries (Sweden), Pleasure Dome (U.S.A.), and other shorts such as Bringing Up Baby (U.S.A.), Strike (U.S.S.R.), Louisiana Story (U.S.A.), Citizen Kane (U.S.A.), and Aparajito (India). A summer series is planned for 1966.

In November a constitution was drawn up and a new executive

elected. The society wishes to thank the English Department for the use of the Drama Workshop, the professors who joined the discussions, Dal-O-Gram and the Information bureau, Mr. and Mrs. Stoker, the Staff of the Dunn Building, the Education Department and Eric Wessman and Tony Simpson, all of whom made the Film Society a success this year.

Patrick Ryall, Joslyn Williams, Paul Niedermayer.

Sodales

This year Sodales was not exactly overwhelmed by volunteers rushing forward to debate. In fact, the press gang was soon scouring the halls for bashful orators. Where were those bravadoes ready to join battle using the sharp thrust and cut of their rapier wits in Dalhousie's defence? Fortunately, brave champions stepped forth, girded themselves for battle, and set off for foreign lands, St. Thomas and Acadia, whence they returned Triumphant!

During this past year, Sodales organized girls' debating, having the pleasure of entertaining Mount Saint Bernard at Dal, while our fair damsels visited St. Dunstons.

Sodales also organized a most successful Model Parliament which, lacking the necessary scandals, was not quite as entertaining as the one at Ottawa.

Circle K Executive

Circle K is a new organization on the campus. It was chartered on November 20, 1965, and has a current membership of sixteen students. It is a service club for male university students, its aim being to serve the student, the campus, and the community by working at projects appropriate to these aims.

Currently, Circle K has been active on campus in seeking student eye pledges for the Eye Bank of Canada; sponsoring cloak rooms at the Winter Carnival; selling bars on campus for project

money; and granting book scholarships to freshman students. The club also assists students at the school for the blind.

The club holds business and luncheon meetings throughout the year. Any student interested in service work is welcome to participate in this national organization. Circle K not only provides others with works of service, but is able to provide members with experience in organizational work and executive training at the same time.

Dave Huestis, Don Gladwin, Dave Harrigan.

Dalhousie Travel Bureau

This year, the Students' Council authorized the Commerce Society to operate the Travel Bureau in co-operation with I.H. Mathers, Travel Agents. The idea of the bureau was to provide reduced air fares to major cities at Christmas time for the students.

Reduced fares are available where group plans exist and a sufficient number of bookings can be made. Savings up to 30% can be realized with absolutely no extra cost to students over the Air Canada reduced fare. Fortunately, the weather man cooperated, and all flights left on schedule, for a very successful year for the Dalhousie Travel Bureau.

Biology Club

This was the second year of existence for the Biology Club. The group consists of interested students who started off the year with a very successful field trip to McNab's Island. Another adventure followed to the Fisheries station in Halifax. As the weather grew too cold for field trips, various graduate students chatted with the club about their particular interests and experiences — Ken MacKay talked of his recent CUSO stay in Ghana, Don Gordon viewed slides of the Biological Station at Bermuda, and Derick Davies shared his experiences with the International Student Association. It was discussed that the Biology Club develop into a group interested in nature conservation in the Province of Nova Scotia. Such groups are already in existence in British Universities, and are very active in protecting the natural resources against the onslaught of industrial projects.

Doug Robinson, Kai-Mai Pold, Sifford Pearre, Jo Aldous, Pat Nelson, Peter Eaton.

Pre-Medical Society

Dave Walker, Gordon MacMichael, Carmen Stone, Louise Ireland.

This was perhaps the most financially successful year for the Pre-Med Society due to this year's Society dance. Participation was definitely greater prior to Xmas: one suspects certain films are the drawing card. There were also many fine speakers whose sincere desire to pass on knowledge and assistance was greatly appreciated. Gratitude also goes to the people who have helped the members at the various hospitals, particularly the V.C. emergency ward.

This year, the club tried to arouse interest in students to visit patients at the Children's Hospital, where they could provide some nursing assistance and learn something about hospital procedure. The members hope that next year this will become more of a reality.

Chemical Institute of Canada

The Dalhousie Student Chapter of the Chemical Institute of Canada is designed to promote student interest in chemistry. Its aim is to make the various aspects of chemistry.

The 1965-66 session was marked by an increased interest and participation on the part of more members. Among the highlights of the year's activities were demonstrations of glass-blowing and gas chromatography and lectures on Forensic chemistry, catalytic cracking, and the work of an industrial chemist. A tour of the Imperial Oil refinery and two lively parties rounded out a very successful year.

Nancy Longard, Tony Pitts, Mike Smith, Walter Miles, Mary Castell, John Smith.

Ron Petitpas, Mike Milner, Jim Miller.

Dawson Geology Club

In its thirty-third year of activity, the Dawson Geology Club continued in its usual rock-hacking manner. Besides participating in the Atlantic Universities Geological Conference held in Newfoundland, the club members went on excursions to the Pugwash Salt Mine, Joggins fossil cliffs, Parsboro shore, Miller's Cove, the Thorburn Colliery and a local brewery.

During the winter evenings, talks were given on Structure in the Alps and Canadian Shield, Geology and Engineering in Malaya, A world Oceanographic Cruise, Speleology in Nova Scotia, Oceanography in Hudson Bay, and Volcanic Rocks in the Yellowstone Plateau.

U.N.T.D.
R.O.T.P.
C.O.T.C.

University Naval Training Division

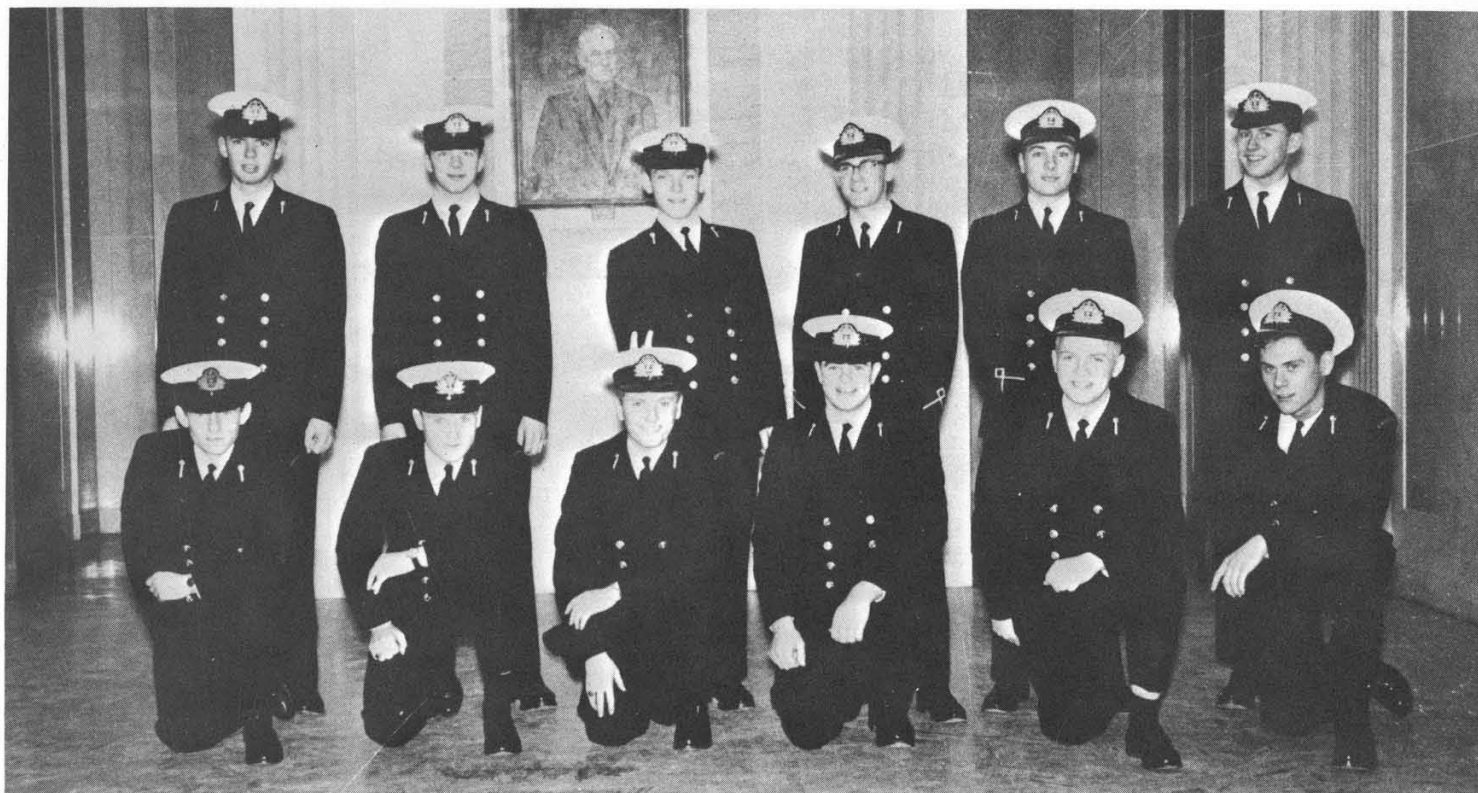

Regular Officer Training Plan

The Cadet Winter Training Schedule of the University Naval Training Division and Regular Officers Training Plan commenced in September this year. It saw the induction of thirteen first year U.N.T.D. and five R.O.T.P. Cadets from the mass applicants from Dalhousie, King's and St. Mary's Universities.

Again this year the C.O.T.C. and U.R.T.P. Cadets joined the U.N.T.D. Cadets at H.M.C.S. Scotian for integrated training. This phase, which lasted from October to February, included

several guest lecturers and inspections by regular officers.

The sharing of the Naval Cadets' mess with the other services gave occasion for several stags, both organized and impromptu, which served to encourage the spirit of friendly rivalry. In October, a very successful "Blind Date Party" was held. This set the pace for several more mixed parties throughout the year. The highlight, of course, was the annual Tri-Service Ball, hosted by the U.R.T.P. at Anderson Square.

Canadian Officers' Training Corp

The training programme of C.O.T.C. is divided into two phases; theoretical and practical. The former is conducted during the academic year, surveying such subjects as Introduction to the Army, Organization and Administration, Minor Tactics, National Survival, and Nuclear Warfare. The practical phase is conducted during the summer vacation at Corps Schools where cadets are

guaranteed a minimum of sixteen weeks employment. The training consists of detailed study of General Military subjects during the first stage, subjects special to corps during the second stage, and "in job" training with regular Army units in Canada and Germany during the third stage.

Photography

The dark room boys have been in the past known for a characteristic seemingly impossible for them, and that is being camera shy. However, the yearbook staff has managed to discover two pictures of these hardy individuals who risk black eyes and law suits to take shots for the Gazette and the Yearbook. The hard workers in the lab. were made up of just three, Bob Brown, Don Russell and Marty Dolan.

Don Russell at the Student March

Marty Dolan at his best.

STUDENTS

ARSOC activities of 1965-66 were highlighted by the origination of discotheque at Dalhousie in November. The ARSOC A-Go-Go, which was held at the Citadel Inn, drew the largest crowd in the society's history. The theme of the ball was pop art and it was at this time that the society crowned Caryl Hogg as their Queen.

The Arts Faculty was very active this year in inter-faculty sports and its crowning moment was its victory in football. All inter-fac sports were well represented by the enthusiastic Artsmen.

ARSOC's cultural activities included the sponsoring of poetry reading on the steps of the Arts and Administration building.

The executive, presided over by Robbie MacKeigan hopes for continued success and enthusiasm for the coming year.

H.B.S. COOKE

WRIGHT, JILL MacLEAN: Kentville, N.S.

Scholarship: Entrance.

Activities: Psychology Club; Gazette.

YABLON, JACOB SANDER: Halifax, N.S.

Activities: Business Manager-Dal Gazette.

The latest figures of undergraduate enrolment in Commerce among the Atlantic Region universities show Dalhousie having the largest enrolment and the greatest percentage of increase. The increase in enrolment has been quite notable being thirty-one percent as contrasted with an increase of ten percent in the case of two other universities, a decrease of nine percent, of five percent, and of one percent respectively for the other universities.

In addition to its day programme of courses leading to a degree, the Department operates an evening lecture programme for young men who are working and who are anxious to obtain a diploma of a professional association. Courses are offered in Accounting, Auditing, Commercial and Industrial Legislation, Economics, and Banking. The number of students enrolled in these courses totals 390.

Up to ten years ago, there were no scholarships specifically designated for Commerce students. Since that time, business firms and private persons have established twelve scholarships and prizes for award to Commerce students in various years of their course. Apart from the financial help they provide, the scholarships are eagerly sought because of the prestige attached to them by prospective employers.

R.S. CUMMING, B.A., M.A., Head of Commerce

Derek Brown, Dave Heustis, Gerry Smith, Barb McGinn, Dave Harrigan, Bob Roy, Don Gladwin.

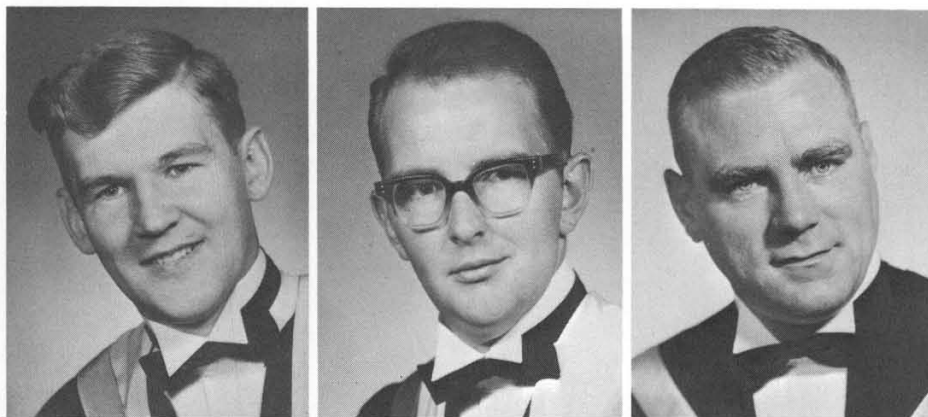

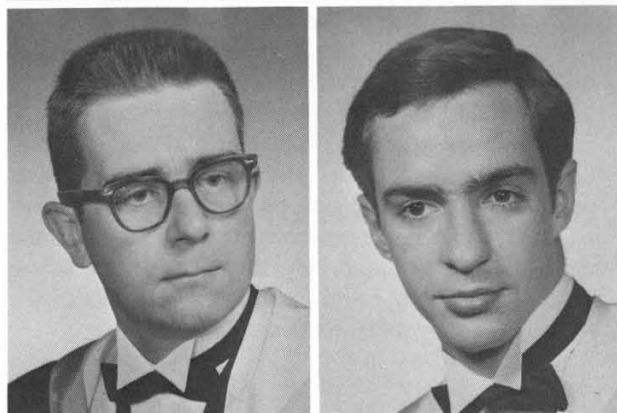

Commerce Honours

BROWN, DEREK: Bedford, N.S.

YOUNG, JOHN ALFRED: Dartmouth, N.S.

Activities: D.G.D.S.; Winter Carnival; Commerce Co.; Students' Council.

The Dalhousie Dental Society is organized for the furtherance of the common interests of Dental students. This year the society has once again enjoyed an active year, which began with a highly successful Orientation Week Program. This weeks activities included tours of the dental and medical schools, a tea party with the faculty members, an annual stag, a mixed party and a boating trip to McNabs Island. They are still looking for two first year students who were reportedly left behind on the island.

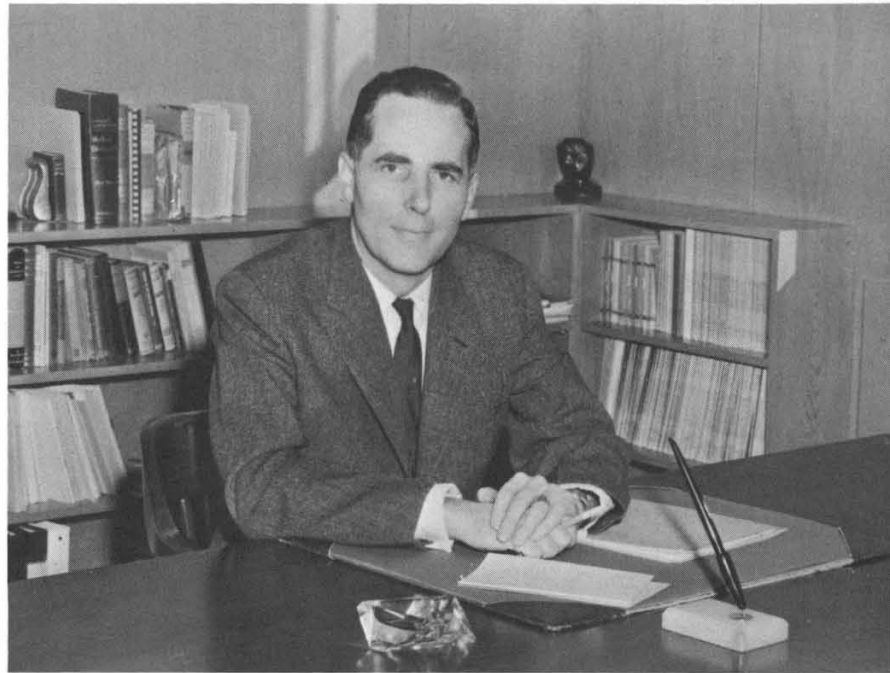

In October the society sponsored the Dent-A-Go-Go which was a terrific success. The Annual Dental Ball held in December was a smashing success. The third year class constructed a 7 foot high plaster tooth which Dean McLean won in a raffle. The highlight of the evening was the crowning of Barbara Goldfarb as the Dental Queen.

The Dental school implemented another first this year for professional schools with the adopting of distinctive dental blazers and crests for the society.

In the realm of sports, Dentistry once again held their own placing high in the standings in both inter-fac football and hockey and second in the "Little 500."

In March interested students from universities across the Maritimes were invited to attend Pre-Dent Night. During the evening they were conducted on tours of the dental school and observed demonstrations of theoretical as well as clinical material put on by the students.

The year was climaxed with the Annual Dental Awards Banquet held in honor of the graduating class.

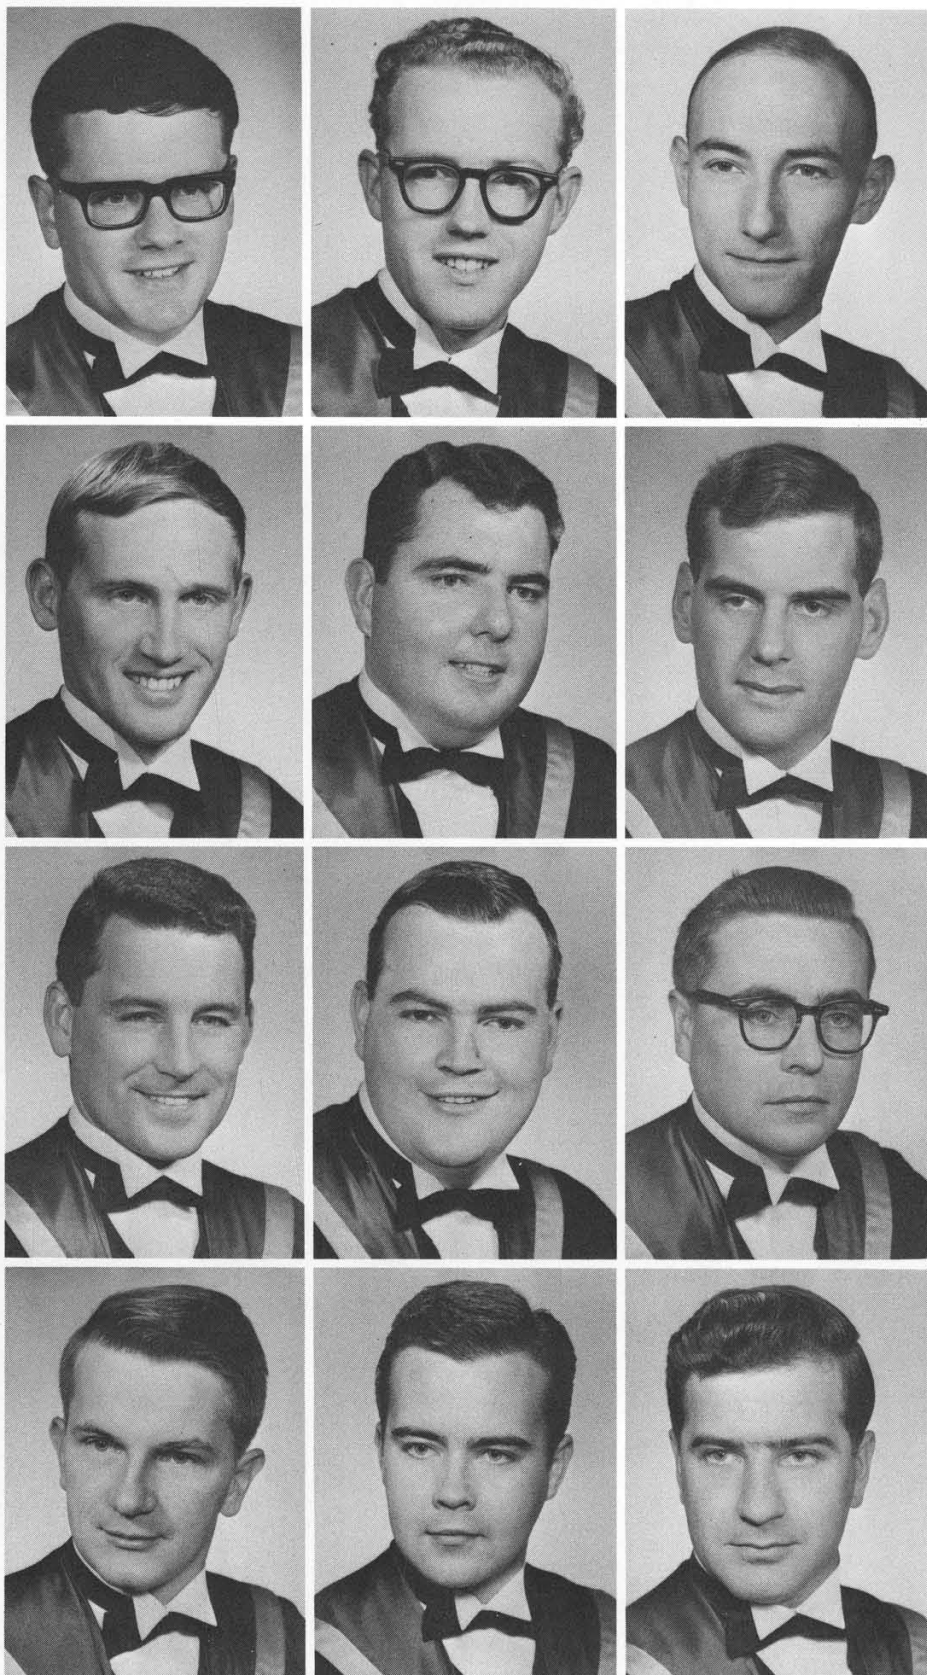

J.D. MACLEAN, D.D.S., F.I.C.D., F.A.C.D., Dean of Dentistry

STANDING: Don Feeney, Paul Creighton, Elliot Atkinson, Brom Hait, Bob Sexton.

SEATED: Brock Rondeau (President).

 Book Award; Dr. W.H.H. Beckwith Prize.
 Activities: Dent. Society; Handbook; Class Rep.; Phi Kappa
 Pi.

This year the Education faculty at Dalhousie continued to grow with the 1965-66 class being the largest yet. One of the changes resulting from this expansion took the form of two new prefabricated classroom buildings which now ornament Education's corner of the Studley Campus.

The Education Society's major project this year was to form an informal association with the Nova Scotia Teachers' Union. This association is more or less on an experimental basis this year. However, we feel that an important first step has been taken in the right direction. We leave it to next year's class to continue and develop this relationship.

Socially, education has had a good year which began with a social at Sigma Chi early in January. Events snowballed to the Education formal which was held late in February at the Ashburn Golf Club. The Education queen was chosen at this event to represent our faculty in the campus queen contest.

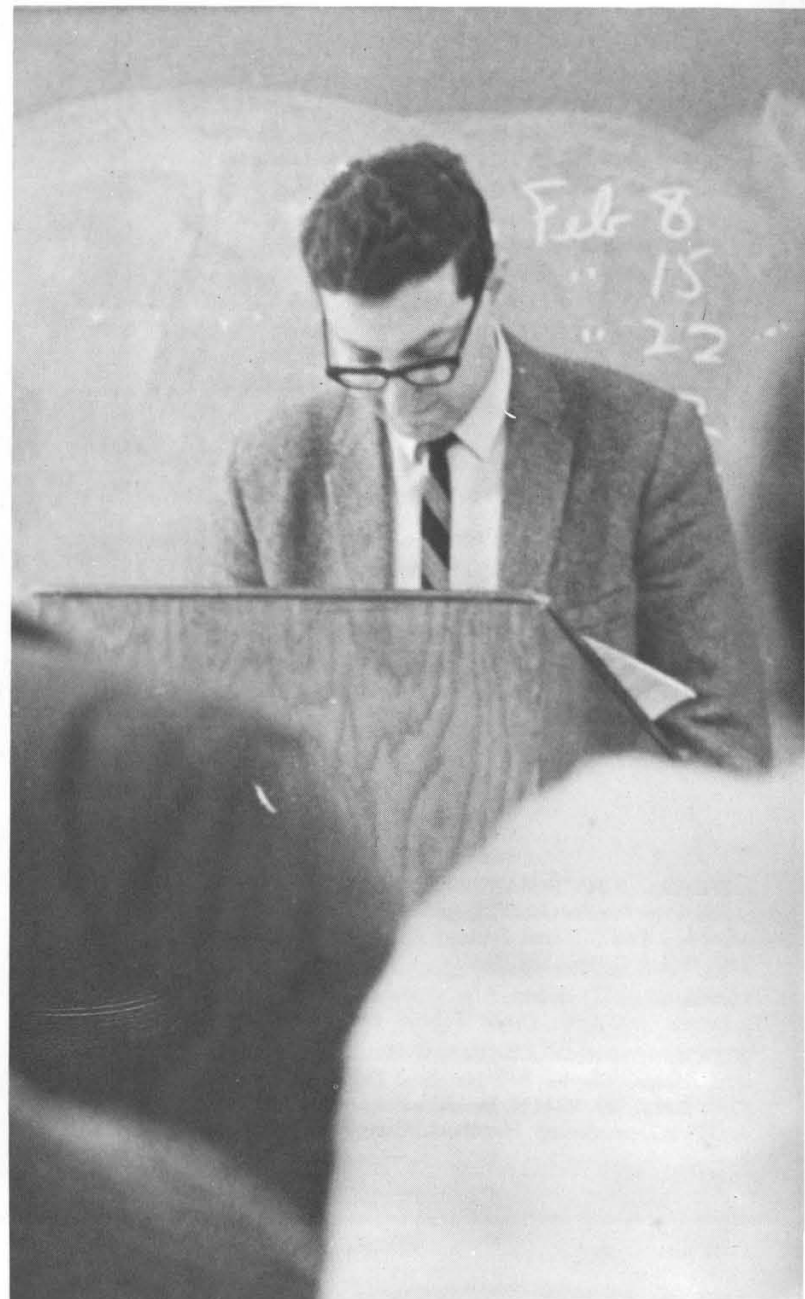

Entries in the Connelly Shield Competition, the Black and Gold Review and in intramural sports among other activities, have kept the active members of the Education Society unexpectedly busy. These events have developed a sense of cohesion among class members which has fulfilled the basic aim of this year's Education Society.

Engineering

K.F. MARGINSON,
B.E., N.S.T.C., M.E.I.C., P.Eng.,
Acting Head of Engineering

Under the capable leadership of Colin Wobschall, President, the Dalhousie Engineering Society has arrived at the end of another successful year.

Outstanding among the year's activities was the annual ball, held at the Lord Nelson Hotel, during which the lovely Miss Sharon Brookbank was crowned Engineering Queen.

Other leading activities of the year included the traditional theft of the Dalhousie Gazette, for which we were fined twenty dollars by the Student Council. Unfortunately, the infamous Hayloft Jamboree was "snowed out," however, all who attended did not regret coming . . . all seventy of them!

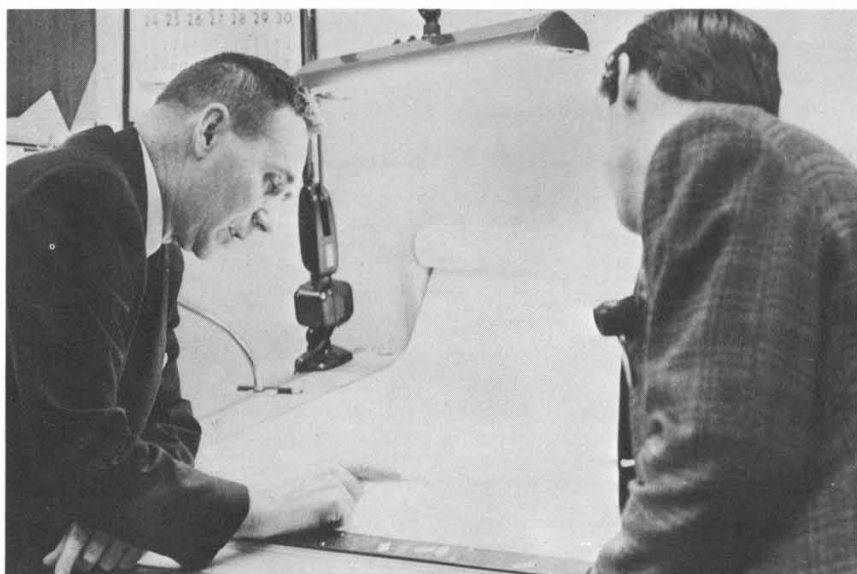

Although the Engineers could not find justice on the playing fields of Dal, they did on the ice rink at Acadia. In the annual action-packed, spirited game with the Valley Engineers, the Tigers were victorious.

Events for the year ended with the Annual Banquet and the presentation of the departmental prizes and Society "E" awards, in recognition of outstanding achievement.

WAINES, LESLIE ANNE: Winnipeg, Manitoba.
 WILSON, Linda LORRAINE: Victoria, B.C.
 WRIGHT, ALEXANDRA MARY: Burlington, Ontario.
 Activity: Alpha Gamma Delta-Activities Chairman.

Nursing

The Nursing Society is an organization for all members of the nursing faculty whose purpose is to bring together all groups of students within the faculty on a basis of professional, intellectual, and social interests.

Monthly meetings provided guest speakers who covered a wide range of interests in discussions of topics such as travel, the negro situation and Communism. The meetings were followed by coffee at the Nursing Society House.

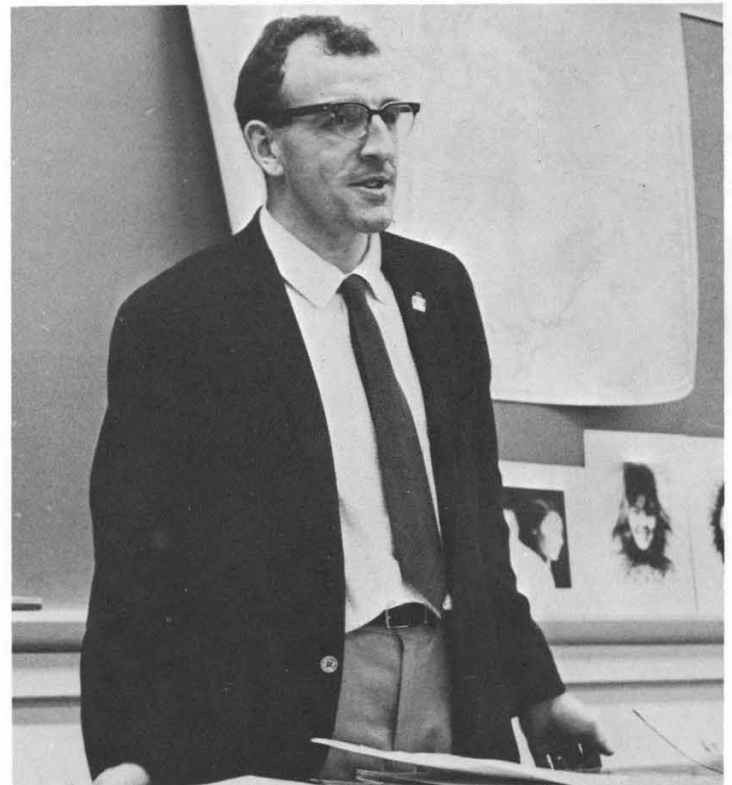

This year, the society participated in D.G.A.C. tournaments and organized its own curling league. Our contribution to the Winter Carnival Snow Sculpture contest was Snoopy and his doghouse, from Peanuts. A demonstration consisting of posters showing various aspects of the profession was also displaying in room 420 during the open house of the Chemistry Annex for the Dalhousie Alumni. The highlight of our social year was the annual ball, held at the Lord Nelson Hotel, with Japanese Garden as the theme. During the ball, our queen for the year, 1966, Miss Beverly Brownlee was crowned.

Physiotherapy

The Dalhousie Physiotherapy Society officially became a recognized society a year ago and established itself as an active organization by winning the Dal. Blood Drive trophy for having the highest percentage of member participation.

Its active members numbered thirty-two with fourteen honorary members, a seven member executive, and the society's advisor.

The academic year began with an initiation week for the sixteen new members, which included such energy-consuming activities as the washing of a statue with toothbrushes and the racing around Citadel Hill. The highlight of the year took the form of a Bon Voyage banquet at the French Casino for a departing staff member. In addition to athletic activities such as participation in D.G.A.C. and inter-faculty competition, the society has also been active socially.

During the remainder of the year the Society has taken part in the Blood Drive, a Fudge Sale, and a final closing banquet.

Law

The Law School started the 1965-66 session with its first social success of the year held at Hubbards Shore Club. In keeping with tradition, the Poor Man's Law Ball continued to be one of the top social highlights of the year. The dance was held at the Jubilee Boat Club with entertainment provided by the "Presidents." In February, Diane Daly was crowned Law Queen at the Law Ball held at the Lord Nelson Hotel. The addition of the long-awaited Law House on Seymour Street provided a "haven of rest and solitude" for the extremely studious and overworked lawyers. However, on the weekends the law students assumed a change of pace and the Law House became the scene of the best parties on campus.

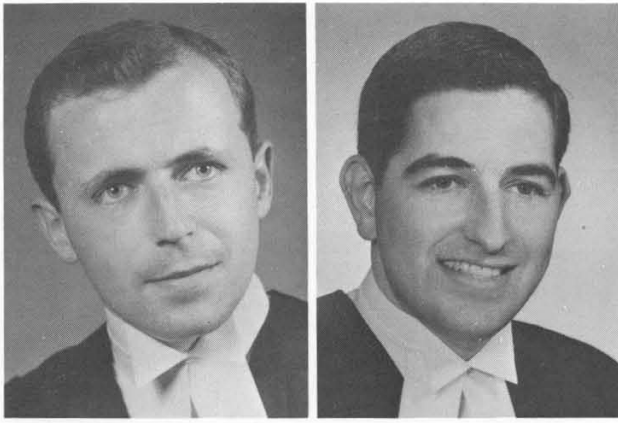

The second exchange weekend with U.N.B. law students was held again in January at Fredericton. This affair proved to be even more successful than last year.

C.B. STEWART,
B.Sc., M.D., C.M., M.P.H., Dr. P.H., F.A.P.H.A.,
F.R.C.P. (C.),
Dean of Medicine

"Those are the hospitals, there is a human body, and these are your medical texts. Your task is to become intimately familiar with all three."

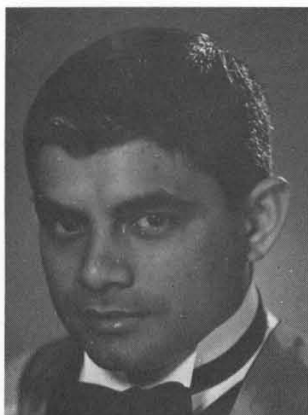

From the initiation program in September, the aim of the Dalhousie Medical Student's Society has been to organize and occasionally distract his now narrowed vision:

In this we have succeeded to a moderate degree both professionally and socially. Ties were renewed with the National Association at a conference in Kingston, Ont. Professional programs ranged for 'Chiropractic' and 'Across Russia' to 'Malpractice.' Also there were critiques on the 'Internship Program' and the 'Need for Medicare in Canada.'

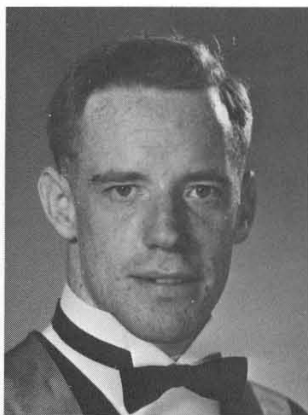

The social program generated even more enthusiasm. The 'Champagne Carrousel' Medical Ball was voted the social event of the year. The Med-Law Debate also gained many supporters.

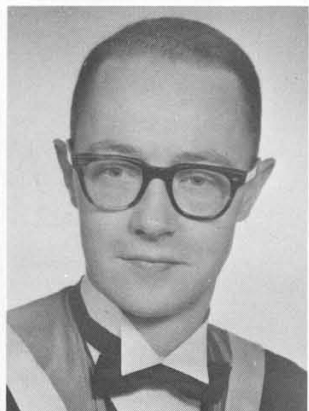

Medicine

 Omega Alpha Honour Medical Society.

Pharmacy

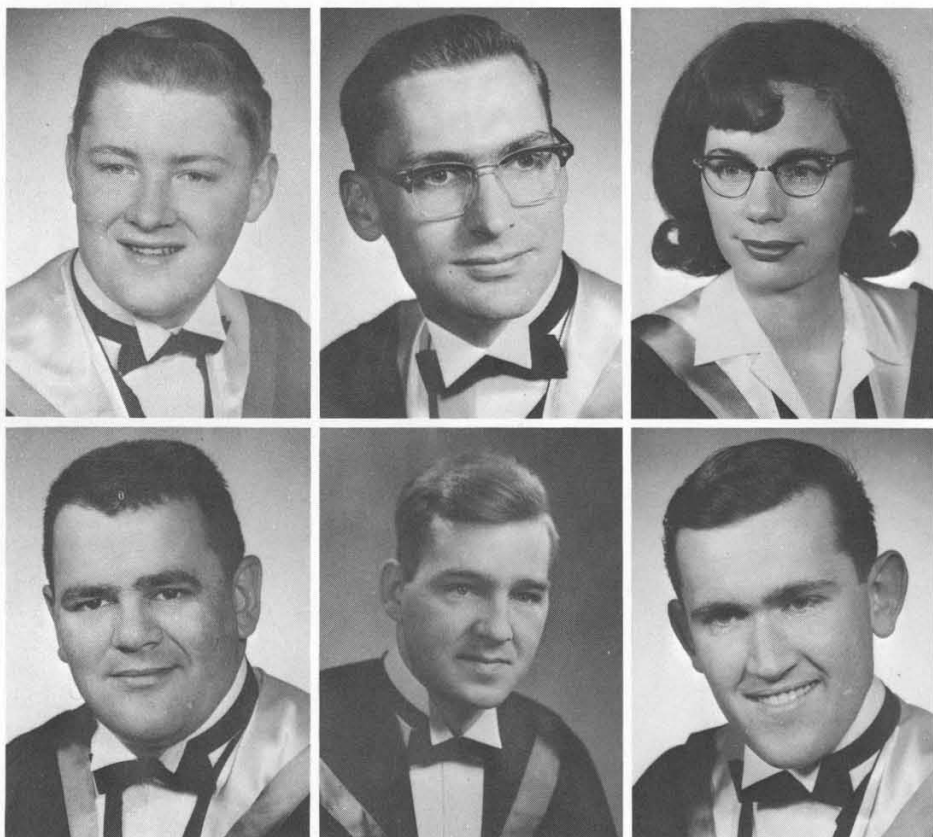

B. Mazur, J. MacLeod, J. Smith, K. Hume.

The Pharmacy Society started off the year with an enthusiastic welcome for the Freshman class. In the fall the social life started with some dances. Later in the spring, the Pharmacy Queen was crowned at the Annual Pharmacy Ball.

The new executive was introduced at the Banquet for the Graduating Class which climaxed the year.

The Pharmacy Society was active in various inter-faculty sports and activities and held spirited general meetings throughout the year.

BREAU, PETER ROBERT: Moncton, N.B.

ERNST, LESLIE: Blockhouse, N.S.

Scholarships: Burroughs and Wellcome Scholarship.

Activities: Hockey; Baseball; Soccer.

FREEMAN, KATHLEEN: Harbour Grace, Nfld.

Activities: Pharmacy; Society; Biology Club; Bowling; Student Council.

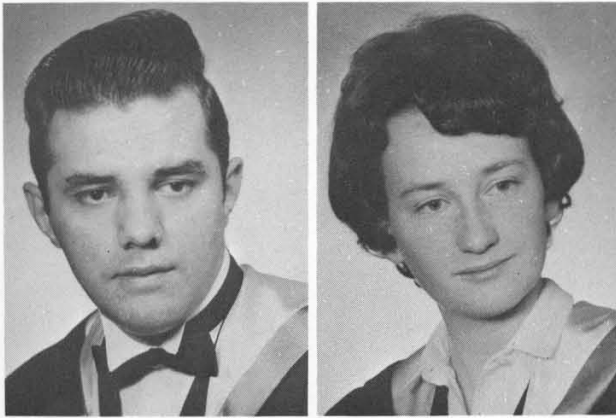

GALLANT, JOSEPH ALLISON: North Rustico, P.E.I.

HEBERT, PETER: Saint John, N.B.

HUME, KENNETH STANLEY: Moncton, N.B.

Activity: Pharmacy Society-President.

Pharmacy

 Scholarship: Entrance.
 Activity: Pharmacy Society.

TUCKER, JOHN FLOYD: Tatamagouche, N.S.

TUNG, AMY WEIYING: Hong Kong.
 Activities: Pharmacy Society; Chinese Student Society; Music.

Science

The past year is viewed by the executive of the Science Society with mixed feelings. Although several new ideas were tried successfully and the sports programs went very well, the interest of Dal's 800-odd scientists seemed to be at a low level.

The year was begun with a splash party which, although it dampened spirits considerably, was enjoyed by all who attended. The ball, held in late October, did not disappoint the executive with any lack of the usual administrative chaos. The band was great during intermission, and those who attended politely concurred that it was really a ball.

A significant milestone was passed this year with a distinct lack of the usual bickering between the Society and the C.I.C. The Undergrad Physics Society was strongly supported this year (five executive members were physicists) and peacefealers were extended to the biologists with little result. In spite of rumours of exclamation, the disputes between the two campuses remained merely brush-fire conflicts.

The men's sports program carried on the two-year tradition of success under physicists, with Science finishing in second place. The participation in girl's sports increased n-fold, as Science finished second in women's sports as well.

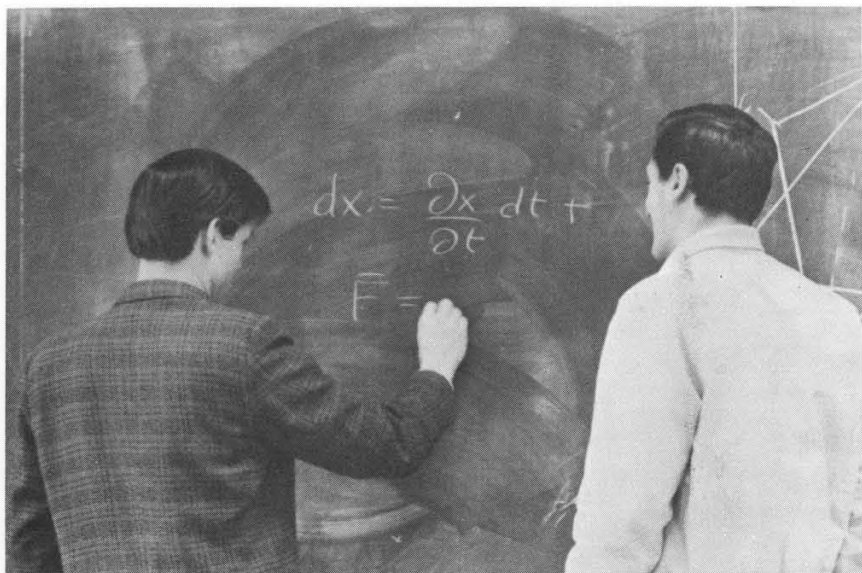

Two displays of space hardware, from NASA and DRB, were sponsored by the Society to round out the year. Much interest was stimulated, to the great satisfaction of those executive members who originated the brilliant idea. With a fat wallet and a fresh executive, the Society looks forward to a slightly more prosperous year in the 1966-67 session.

H.B.S. COOKE
M.A., D.S.C., F.R.S.S., A.F.R.,
Dean of Arts and Science.

MANUEL, RUTH ANNE: Dartmouth, N.S.
 Scholarships: Entrance; University; Imperial Oil Award.
 Activities: Alpha Gamma Delta; Student Council.

RYALL, PATRICK JACK COMPTON: Saint John, N.B.
 Scholarships: International Nickel; Math Congress.
 Activities: Pres. Science Soc.; Sec.-Treas. Sodales; Editor
 Science Mag.; Debating; Res. Council; Editor Res. Paper.

SIMPSON, DAVID WILLIAM: Halifax, N.S.
 Scholarships: Entrance; University; John J. Jordan.
 Activities: Treas. Science Soc.; Student Council Rep.; Open
 House; Culture Act. Comm.

SMITH, MICHAEL EDWARD: Dartmouth, N.S.
 Scholarships: Entrance; J. Douglas Vair; E.W. Todd; Belle
 Crowe; University.
 Activities: Secretary; President of C.I.C.; Open House.

THOMAS, VALERIE ANNE: Dartmouth, N.S.
 Scholarships: Elizabeth McKenna; Rose Stewart Smith;
 University.

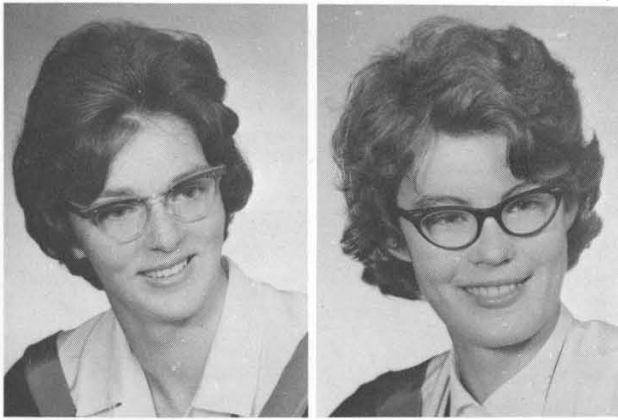

TOM, JACK: Toronto, Ontario.
 Scholarships: University; Annette S. Hill Bursary Fund.
 Activities: D.C.S.S.; I.S.A.

WONNACOTT, JAMES BRIAN: Charlottetown, P.E.I.
 Scholarships: University; W.J. Watson Bursary.
 Activities: Dal. Film Society.

Science

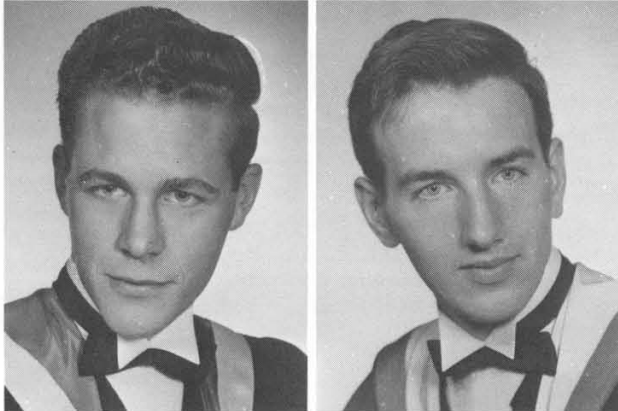

ABRAMS, JOSHUA (JOE): Fredericton, N.B.
 BACKUSKY, WAYNE JOHN: Winnipeg, Manitoba.
 Activities: R.C.A.V.; R.O.T.P.; Phi Delta Theta; J.V. Foot-
 ball.
 BAHADOORSINGH, GANESH: Port-of-Spain, Trinidad.
 Activities: Beta Theta Pi; Cricket.

BALLEM, EVELYN ELIZABETH: Charlottetown, P.E.I.
Activities: Swimming; Skating.

BARNARD, DOROTHY RUTH: Dartmouth, N.S.
Activities: Biology Club; Pre-Med. Soc.; Carnival.

BOWES, DAVID CARLETON: Halifax, N.S.

BROWN, ROBERT FINLEY: Wood Island, P.E.I.

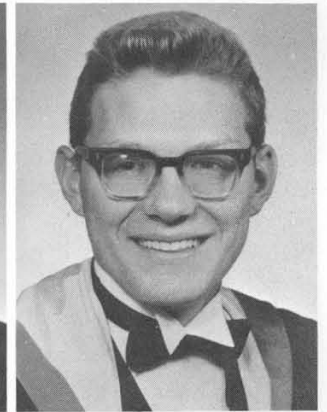

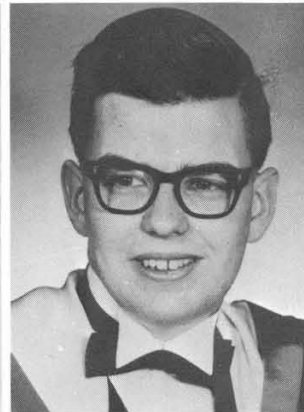

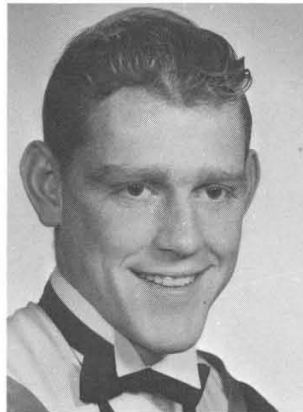

BUCKLEY, RONALD: Bridgetown, N.S.
Activities: Phi Kappa Pi; Soccer; Basketball.

CHATTERTON, PETER DAVID: Halifax, N.S.

CHRISTIE, WILLIAM MICHAEL HARVEY:
Dartmouth, N.S.

Scholarships: Entrance; University.

Activities: Bridge; Badminton.

CONNORS, DAVID ERIC: Moncton, N.B.
Scholarships: Entrance; University; R.O.T.P.

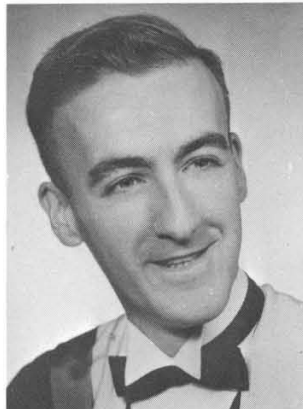

Activity: Newman Club.

CONNOR, SUSAN ELEANOR: Halifax, N.S.

Activities: Dal Ski Club; Alpha Gamma Delta; Golf; Sailing.

COUREY, JEFFREY JOSEPH: Montreal, Quebec.

Activities: Sigma Chi; Varsity Football.

CRAIG, ANTHONY LUKE: Dartmouth, N.S.

Activities: Golf; Zeta Psi-Sec. Little 500; Football.

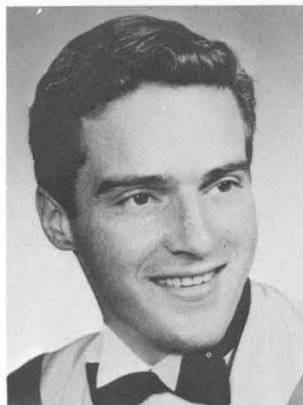

CREED, ROBERT MORRISON: St. Catharines, Ontario.

Activities: Dawson Geology Club; C.I.C. Club.

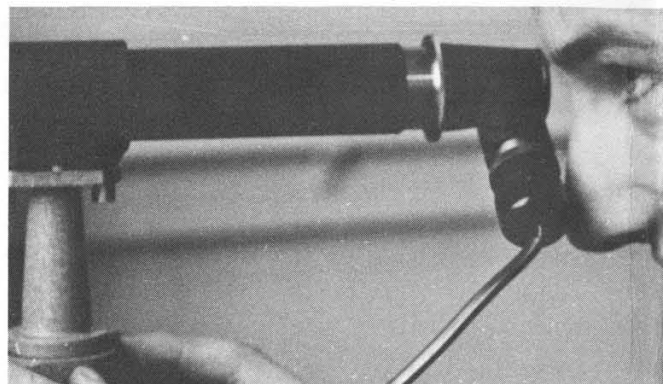

CUSHING, ELIZABETH JANE: Saint John, N.B.

Scholarship: University.

Activities: D.G.A.C.; Pres. D.G.A.C.; Basketball-Mgr.; Varsity Volleyball.

Science

DAUPHINEE, KENNETH ROSS: Halifax, N.S.
Scholarships: Sir Joseph A. Chisholm; H.W.M.H.S. University.

Activities: Biology Club; Pre-Med. Soc.

DAWSON, KENNETH GEORGE: London, England.

Scholarship: Entrance.

Activities: Sigma Chi; Varsity Football.

EIN, ARNOLD LOUIS: Glace Bay, N.S.

Scholarships: Entrance; University.

Activities: Pre-Med.; Hillel.

ENGLISH, DAVID WILLIAM: Quebec, P.Q.

Activities: Dal. Pep-Cats (Pres.); Guitar; Folksinging.

EPSTEIN, MAURRY H.: Saint John, N.B.

FALLON, DOUGLAS JOSEPH: Quincy, Mass.

FINGARD, DAVID HOLLETT: Dartmouth, N.S.

Scholarship: University.

Activity: Sigma Chi.

FINLEY, GWENDOLYN CAROL: Oxford, N.S.

Scholarships: University; Khaki; University.

Activities: Skiing.

FLOOD, CHRISTOPHER ALISON: Ottawa, Ontario.

Activities: Sigma Chi-House Manager; Football; J.V. Hockey.

GRAY, RUTH YVONNE: Truro, N.S.

Scholarships: I.O.D.E.; University; I.B.M.-T.J. Watson Memorial Bursary.

Activities: Horseback Riding; Swimming.

GREENWOOD, JUDITH ANN: Halifax, N.S.

Scholarships: Entrance; University.

Activities: Pi Beta Phi; Field Hockey.

HAND, THOMAS GORDON: Halifax, N.S.

Scholarship: Entrance.

Activities: Sigma Chi; Skiing.

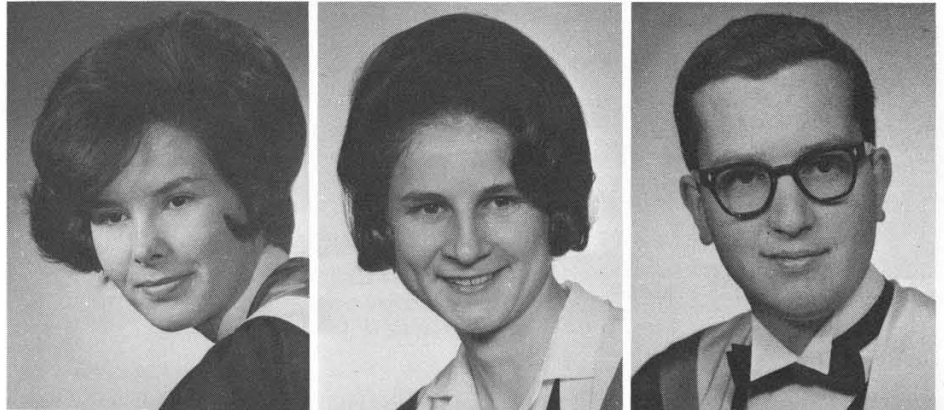

Science

HARRISON, WENDY LAWRENCE: Halifax, N.S.
 Scholarship: Entrance.
 Activities: Science Society; D.G.A.C.; Basketball; Cheerleading.

HAYES, VONDA MARLENE: Head of Millstream, N.B.
 Scholarship: Entrance.
 Activities: Pre-Medical Society; Inter-Varsity Christian Fellowship.

HEARTZ, RODERICK ARTHUR: Bedford, N.S.

HENDERSON, MARGARET CAROLE: Vancouver, B.C.
 Scholarships: C.U.S.; University.
 Activities: J.V. Basketball-Coach; C.U.S.; Winter Carnival Committee-Vice Chairman; Basketball.

HERSCHORN, NANCY LYNNE: Halifax, N.S.
 Scholarships: Entrance; University.
 Activities: Hillel; Science Society.

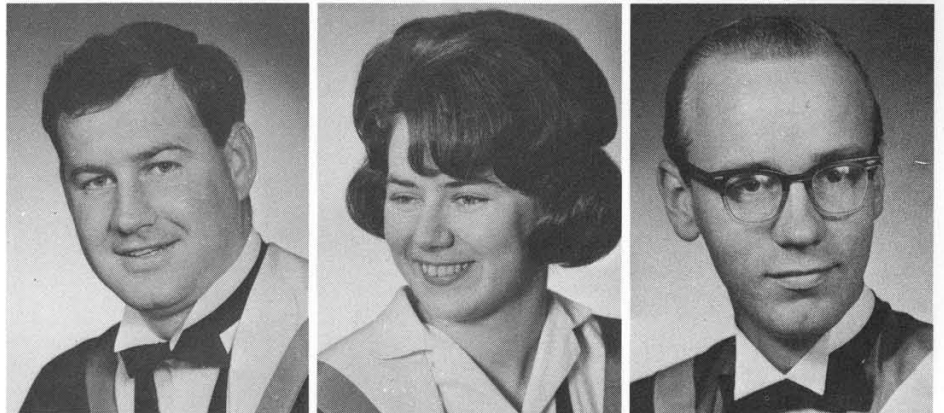

KIESER, ROBERT: Wurzburg, Germany.

KNOWLES, JAMIE GORDON: Toronto, Ontario.
 Activity: Biology Club.

LAMBERT, CAROLYN LUCILLE: Halifax, N.S.
 Scholarship: Entrance.
 Activities: D.G.D.S.; Winter Carnival; Publicity Dept.; Homecoming Weekend.

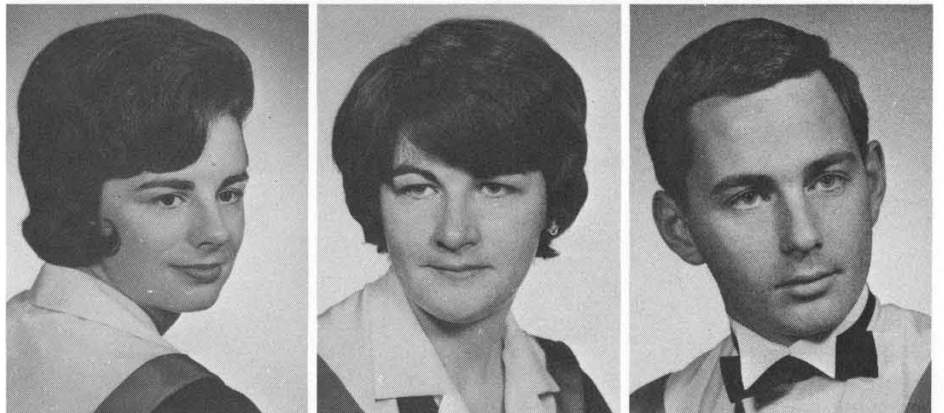

LIIVA, REIN: Herring Cove, N.S.
 Scholarship: Entrance.

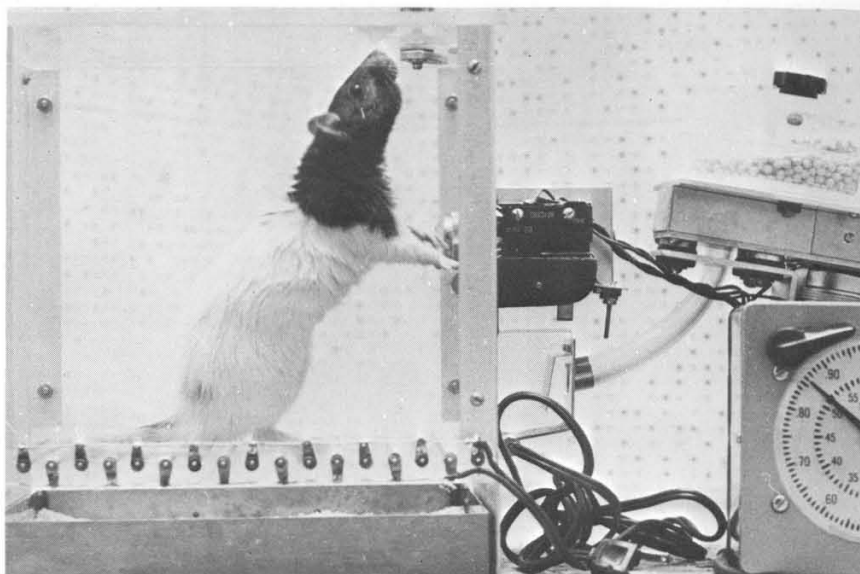

LOHNES, DIANNE PAULETTE: Lunenburg, N.S.
 Scholarship: General Motors.
 Activity: Shirreff Hall House Committee-Vice President.

LONERGAN, BERNADETTE GERTRUDE MARY:
 Digby, N.S.
 Scholarship: University.

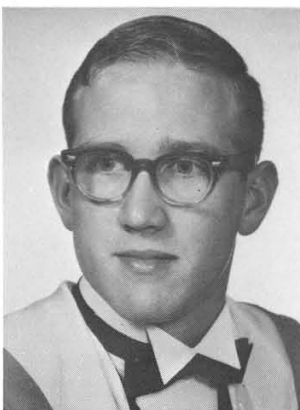

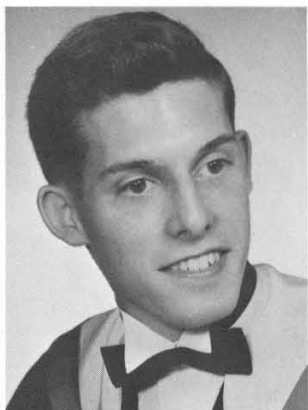

LONGARD, ARTHUR ALFRED: Halifax, N.S.

Science

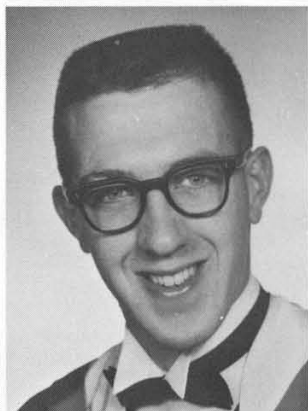

LONGARD, NANCY EDITH: Halifax, N.S.
Scholarship: Entrance.
Activities: Chemical Institute of Science; Field Hockey.

MCCORMICK, CARMEN GORDON:
Annapolis Royal, N.S.
Activity: J.V. Basketball.

MCCULLOCH, MICHAEL GRAHAM: New Glasgow, N.S.
Activities: Circle (K); Dal.; Mens' Res. Council-Vice President.

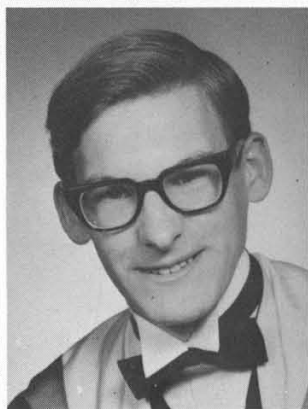

MACINNIS, WILLIAM ALEXANDER: Amherst, N.S.
Scholarship: Entrance.
Activities: Phi Kappa Pi; Track & Field.

MACLEOD, WILLIAM FREDERICK: Dartmouth, N.S.
Scholarship: R.O.T.P.
Activity: Zeta Psi Fraternity.

MACMICHAEL, GORDON KEITH: Halifax, N.S.
Scholarships: Math Congress; Entrance; University.
Activities: Dal. Chorale Society; Pre-Med. Society; Track & Field; Swimming; Inter-Collegiate; Fishing Match.

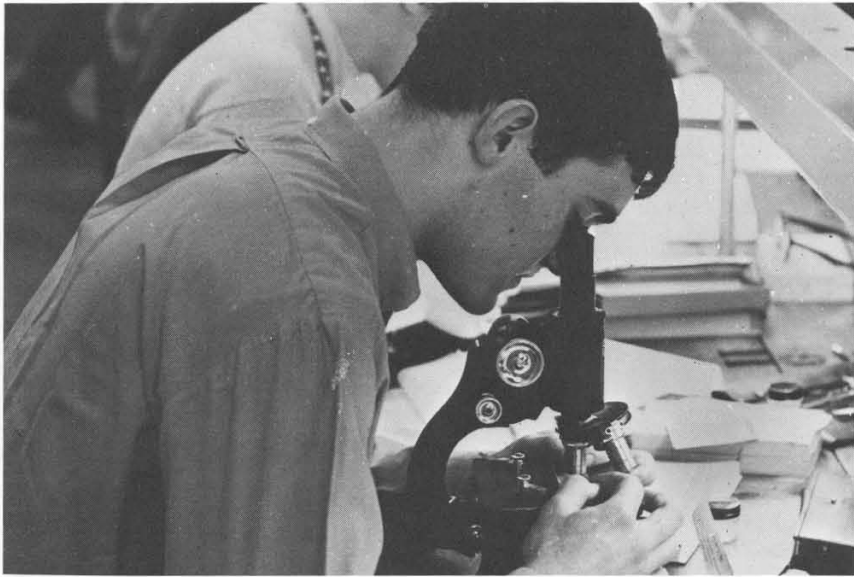

MACMILLAN, CAROL MAY: Charlottetown, P.E.I.

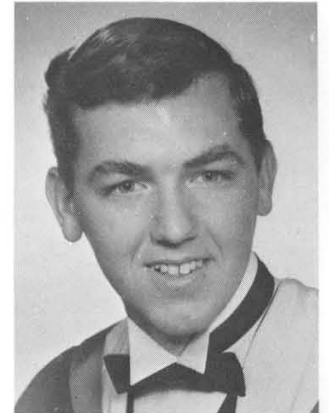

MAHABIR, RAMAN: San Fernando, Trinidad.
Activity: Soccer.

MILES, WALTER FRANCIS: Sydney, N.S.
Scholarships: Entrance; Math Congress; University; Belle Crowe; Bursary.
Activity: C.I.C.

MONTGOMERY, DONALD BRUCE: Kensington, P.E.I.

Science

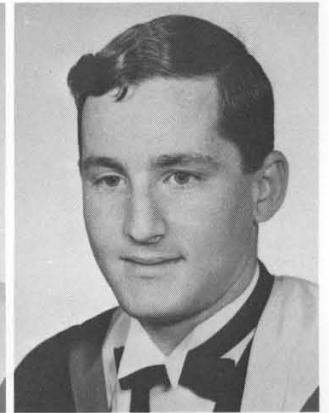

OHEARN, BRUCE MICHAEL: Dartmouth, N.S.
Activities: Sigma Chi.

PACKER, WARD REID: Thorold, Ontario.
Scholarship: University.
Activity: Phi Kappa Pi.

PETTIPAS, JOSEPH ELZEARD RONALD: Pictou, N.S.
Activity: Dawson Geological Club.

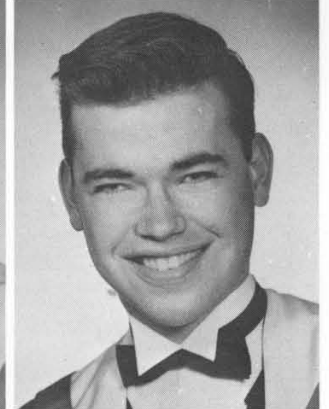

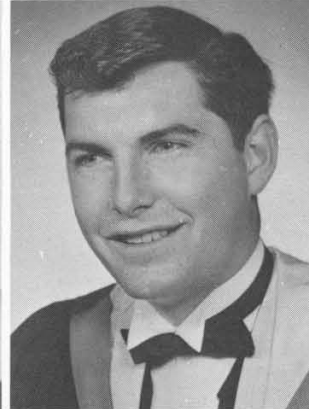

SCHNEIDER, MORTON: Jersey City, N.J., U.S.A.
Scholarship: University.
Activities: Tau Epsilon Phi; Dal Gazette.

SHUM, GERALD TAI-CHEONG: Hong Kong.
Activities: Dal. Chinese Students' Society; Soccer.

TAYLOR, ALAN CECIL: Charlottetown, P.E.I.
Activities: Residence Hockey; 4-H Club.

TRENHOLM, ARTHUR DONALD: Sydney, N.S.
Scholarship: Entrance.
Activities: Tennis; Badminton.

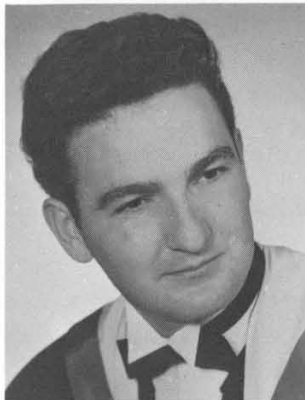

WAUGH, DONALD LLOYD: Wilmot Valley, P.E.I.

WHISTON, DAVID HERBERT: Hanover, Ontario.
Scholarship: University.

Activities: Film Society; Inter-fac Football; Volleyball; Basketball.

YUE, DIANA MADELEINE SOPHIE CHOI PING:
Hong Kong.
Activity: D.C.S.S.

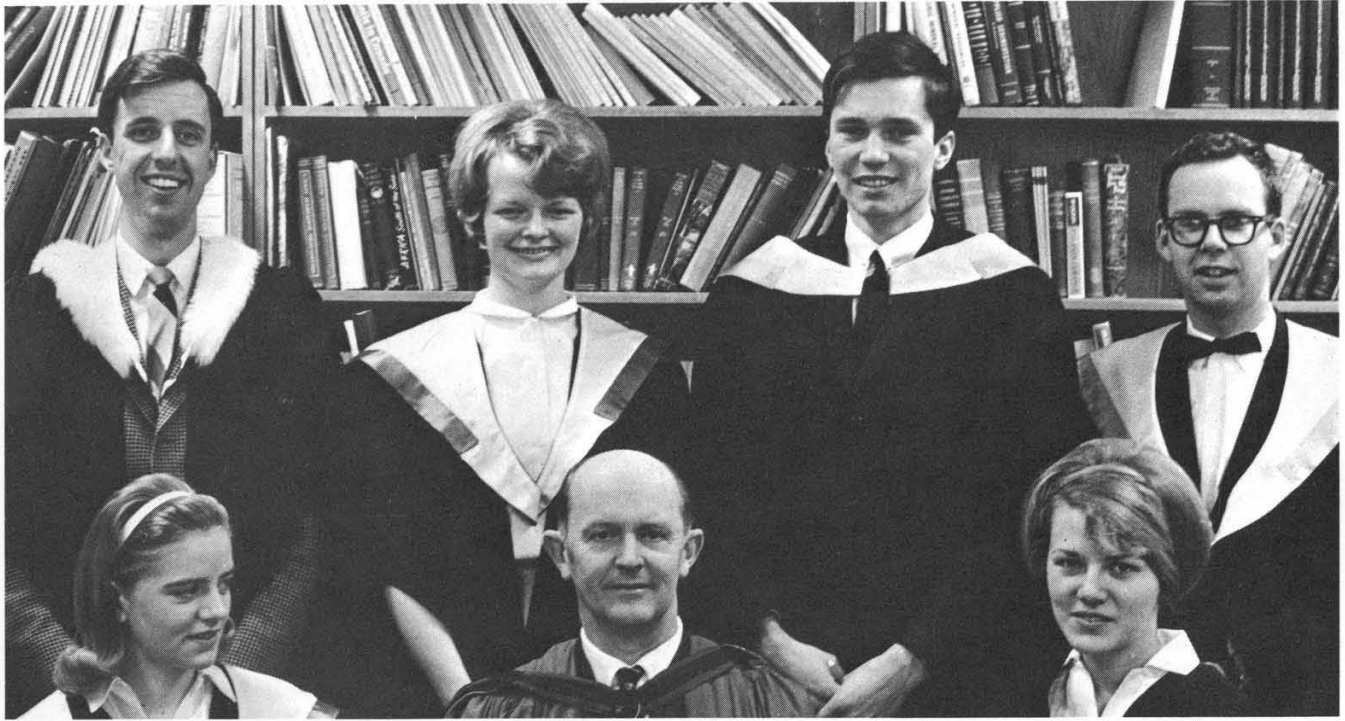

ACHIEVEMENTS

Governor General's Gold Medal Winner, Ernest Grundke...

1966 Life Executive

TOP ROW: Bob Daley, Carole Henderson, Gary Hurst, (Pres.), Joe MacDonald, (Valedictorian).
BOTTOM ROW: Ruth Manuel, Dean H.D.S. Cooke, Anne Rungas.

Governor General's Gold Medal winner, Ernst Grundke talks with Miss Valerie Black and Professor Guptill.

Achievements

Bachelor of Arts

Daphne Armstrong	First Class Honours in English
Valerie Joan Black	Honours in French
Ian Gordon Chambers	First Class Honours and the University Medal in English
John William Clevand	Honours in English
Marius Constantyn Felderhof	Honours in Philosophy
Pauline Joan Field	Honours in Modern Languages
Martin Elliot Frank	Honours in History
Vincent Paul Gray	Honours in History
Jacqueline Diane Greaves	Honours in English
Annette Marie Hayward	First Class and French Government Medal in Modern Languages
Raymond Bing Keshwar	Honours in Political Science
Betty Ann Levy	First Class Honours and University Medal in Psychology
Malcolm Randolph Murchison McFarlane	Honours in Political Science
James of Dunmore Macpherson (King's)	First Class Honours in English
John Howard Oxley	Honours in Philosophy
Donna Amy Kayes Unwin	Honours in Psychology
Frank Eric Christianson (King's)	First Class Honours and the University Medal in Biology
Brian Cunnit	Honour

Faculty of Law

University Medal in Law	Michael Francis O'Dea, B.A. (Ottawa)
Sir James Dunn Scholarships in Law (1965-66)	
(1st yr.)	Patrick James Furlong, B.A. (St. Mary's) Joseph Gerald Godsoe, B.Sc. (Tor.), B.A. (Oxon.) James Douglas MacEachern, B.A. (St. F.X.)
(2nd yr.)	Robert William Kerr, B.A. (U.N.B.)
(3rd yr.)	Peter James Dey, B.Sc. (Queen's) Thomas Wayne Ferris, B.A. (Sask.) John Grant Myers, B.Com.
Nova Scotia Barristers' Society Scholarships	
(Highest Average 1st yr. Law) (Awarded in June, 1965) . .	Leo Denis Barry, B.Sc., B.A. (M.U.N.) Robert William Kerr, B.A. (U.N.B.)
Nova Scotia Barristers' Society Scholarship	
(Highest Average 2nd yr. Law) (Awarded in June, 1965) . .	John Grant Myers, B.Com.
Carswell Prize	
(Highest Average 3rd. yr. Law)	Peter James Dey, B.Sc. (Queen's)

Achievements

Bachelor of Science

Frank Eric Christianson (King's)	First Class Honours and the University Medal in Biology
Brian Cunniff	Honours in Physics
Ernst Walter Grundke	First Class Honours and the University Medal in Physics
Dorothee Josenhans	Honours in Biology
David Gordon Keenan	First Class Honours in Physics
Dianne Paulette Lohnes	The Avery Prize (Highest Pass Graduate)
James Arthur MacDougall	Honours in Mathematics
Ronald Finlay MacNab	Honours in Physics
Ruth Anne Manuel	Honours in Physics
Walter Francis Miles	Honours in Chemistry
Patrick Jack Compton Ryall	Honours in Physics
David William Simpson	Honours in Physics
Gaye Gerald Sims	Honours in Chemistry
Michael Edward Smith	First Class Honours and the University Medal in Chemistry
Valerie Ann Thomas	First Class Honours and the Sir William Young Gold Medal in Mathematics
Jack Tom	Honours in Physics
James Brian Wonnocott	Honours in Biology

Bachelor of Commerce

John William Graham	First Class Honours and the University Medal in Commerce
Douglas Howard Lemon	Honours in Commerce
James Kent MacKay	First Class Honours in Commerce
Joseph Albert Robert Ray	Honours in Commerce

Achievements

Faculty of Medicine

- Faculty of Medicine Entrance Scholarships (1965-66) Muriel Florence Smith, M.Sc.
Frederick Richard Todd, B.Sc.
Peter Dale Lightfoot, B.A.
Roland Thomas Peddle, B.Sc. (M.U.N.)
Terrance Francis Higgins, B.Sc. (St. Mary's)
Gerald Lloyd Sparkes
John William MacDonald, B.Sc.
- James A. Wardrope Entrance Scholarship. William David Stanish
- University Scholarships: (1st. yr. Medicine)
(Awarded in June, 1965) Meng Hee Tan, B.Sc.
Elizabeth Jean Gibson, B.Sc.
Alexander Grant Cameron
Ronald Leonard Samuels, B.Sc. (U.N.B.)
Deborah Ann MacKay, B.Sc. (U.N.B.)
Jonathan Morris Rubins, B.A. (Brown)
Robert Asa Tingley, B.Sc. (U.N.B.)
- University Scholarships: (2nd. yr. Medicine)
(Awarded in June, 1965) Allan David Cohen, B.Sc.
Judith Ann Chown, B.Sc. (Mt. A.)
James Robert Jackson, B.Sc.
Donald Fraser MacQuarrie
William Hutcheon Lenco
Catherine Anne McCracken
Marlene Matthews Scott, B.A., B.Ed., B.Sc.
Winston Spencer Parkhill
William Rodney Stevenson, B.Sc. (M.U.N.), M.A.
- The Charles E. Frosst Bursary and Bronze Medal
(3rd. yr. Medicine) (Awarded in June, 1965). Austin Cecil Walkes, B.A.
- University Scholarships: (3rd. yr. Medicine)
(Awarded in June, 1965) Clarence Herman Felderhof, B.Sc.
Eldon Raymond Smith
Paige Leroy Smenau
Jean-Pierre Huberman, B.S. (Stanford)
Roy Emil Englund
Gerald Arthur Power
William Wrixon, B.Sc. (M.U.N.)
- Dr. Clara Olding Prize (4th. yr. Medicine) Clarence Herman Felderhof, B.Sc.
- Ross Stewart Smith Memorial Fellowship in Medical
Research. Joan Iris Casey, B.A., M.Sc.

Nursing

- Lenta G. Hall Memorial Award in Nursing Michael Joseph Hewitt, R.N.

Physiotherapy

- Canadian Physiotherapy Association Prize (Best
all around student) Holly Louise Gates

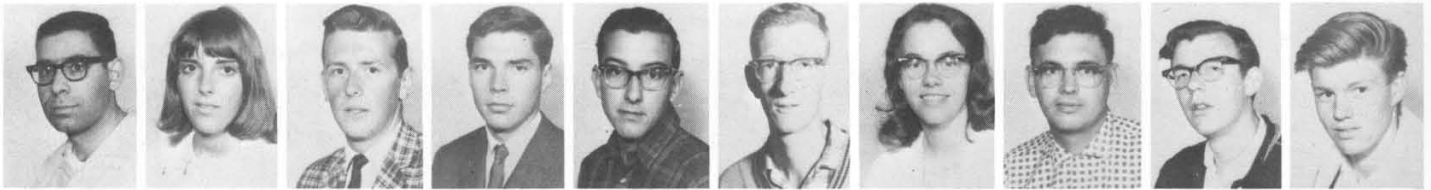

Achievements

Faculty of Dentistry

Charles Bell Memorial Prizes (1st. yr. Dentistry) (Awarded in June, 1965)1st Not Awarded 2nd Robert Richards Bissett
Charles Bell Memorial Prizes (2nd. yr. Dentistry) (Awarded in June, 1965)1st John Cecil Rooney 2nd Robert Wayne Ernst
Dr. F.A. Godsbe Award.Gerald Murray Sears
Dr. W.H.H. Beckwith Prize (Operative Dentistry) (3rd. yr. Dentistry).Maurice Kwong Way Wong
International College of Dentists (Canadian Section) Scholarship (3rd. yr. Dentistry)Brock Holden Martin Rondeau
Nova Scotia Dental Association Prizes.1st Gerald Murray Sears 2nd Roland Gilbert Canning, B.Sc.
American Academy of Periodontology – General Electric Awards.Donald James Armstrong Edward John Hannigan Brock Holden Martin Rondeau Gerald Murray Sears Maurice Kwong Way Wong
Dr. Frank Woodbury Memorial Prizes: Highest Standing in Class.	John Alec Cox, B.A. (U.N.B.)
Second Highest Standing in Class.Gerald Murray Sears
Highest Standing in Clinical PracticeEdward John Hannigan Gerald Murray Sears

Pharmacy

The Donald R. MacLeod Prize (1st. yr. Pharmacy).	Judy Sharon Whitehouse
The Upjohn Company of Canada Scholarship.	Judy Sharon Whitehouse
Canadian Foundation for the Advancement of Pharmacy Scholarship (1st. yr. Pharmacy).Robert Kenneth Matheson
F.R. Clayden Prize (1st. yr. Pharmacy).Lucinda Gillies
The Burroughs Wellcome Scholarship (2nd yr. Pharmacy)Charles Brian Tuttle
The Mallinckrodt Chemical Works Limited PrizeDouglas Arthur Keith
The Charles E. Frosst Scholarship (3rd. yr. Pharmacy).Donald Verner Moore
Canadian Pharmaceutical Association PrizeDonald Verner Moore
Canadian Foundation for the Advancement of Pharmacy Scholarships (3rd. yr. Pharmacy).William Ronald Richards
Merck Sharp and Dohme AwardWilliam Howard Ross
The National Drug and Chemical Company Gold MedalLeslie Richard Ernst
Bristol Laboratories of Canada Limited Award (4th. yr. Pharmacy)Kenneth Stanley Hume
Frank Wyeth Horner Medal (4th. yr. Pharmacy).Kenneth Stanley Hume

MARITIME CEMENT INVESTS \$14,000,000 in the future of NOVA SCOTIA

Annual Productive Capacity of New Plant: 5,600,000 Bags

Where there is growth, there is construction: and today, that means concrete construction. Now, with this most modern Maritime Cement Company Plant at Brookfield, N.S., there is a new, assured supply of high quality "Maritime" Cement available to aid and sustain the vibrant economy of Nova Scotia. This large industrial complex was built in association with Industrial Estates Limited. Many applications of concrete construction are featured in the new Plant. Cast-in-place, prestressed and precast concrete, exposed aggregate, concrete masonry and concrete paving are among the many forms in which this most versatile of construction materials has been used.

Following modern industrial process trends, the complete manufacturing operation from raw materials to cement storage is regulated from a central control room. Latest design X-Ray equipment is used for chemical analysis and control to assure a consistent high quality product.

Now in full production, the new plant is making its contribution to the economic and industrial growth of Nova Scotia.

CAREER OPPORTUNITIES EXIST
FOR
UNIVERSITY GRADUATES AND UNDERGRADUATES
IN THE
CANADIAN FORCES

Graduates between 17 and 35 years of age, with degrees in Arts, Science, Engineering, Commerce, Business Administration, or Education are invited to investigate the career opportunities as a commissioned officer in the Canadian Forces. Careers commensurate with degrees are available in all branches. Graduates able to meet requirements may also train for a career in aviation as an Aircrew Officer.

STARTING SALARY – Married: \$6132.00 Single: \$5232.00

Undergraduates between 17 and 24 years of age, who meet the requirements may apply for university subsidization under the terms of the Regular Officer Training Plan.

HAVE YOU CONSIDERED A CAREER IN THE FOOD INDUSTRY?

A student in Physical Ed.,
Reclines in a hospital bed;
From the parallel bars,
He fell, and saw stars,
Now he's studying
space flight instead.

*Penny-wise and dollar-wise,
The student who would like to rise,
Will use this saving stratagem—
A bit each week in the B of M!*

New Low Cost Enhanced Protection

A basic amount of insurance plus an additional amount—all permanent cash value insurance. It's a new concept in rate-making which gives you more for a smaller initial outlay. Ask for details.

WHEN YOU'RE HIT -
IT'S TOO LATE TO SEE THE RED LIGHT.

When the exams are on it's not much use to cram. You only fool yourself when you do . . . it's too late then.

When you apply for a job and your knowledge is shaky and your skills minimal, it's a bit late to think of the wasted hours.

Better heed the danger signals now - while there's still time.
