PERMANENT MISSION OF THE STATE OF KUWAIT TO THE UNITED NATIONS

235 EAST 42nd STREET • NEW YORK, N. Y. 10017

March 8, 1974

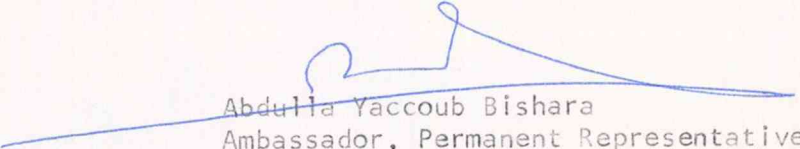

Dear Mrs. Borgese,

I was away when your letter of 30 January 1974 reached the office. I find it difficult to suggest that the proposed date for the seminar be revised in light of the recent developments in the United Nations.

A special session of the General Assembly is already scheduled for the 9th of April. All Missions are preparing for it, and I advise that the date of the Conference be deferred until May.

Good luck and best wishes.

Sincerely yours,

Abdulla Yaccoub Bishara
