

THE DISPATCH

A Service of the Dalhousie Student Union

WHAT'S NEW WITH THE DSU?

— On November 13th and 14th, CKDU will be holding a "Radiothon" in support of the Canadian Diabetes Association. A challenge has been issued to all Societies to participate in this event. Pledges can be made either by donating an outright amount or by raising funds through a Society event. Pledge forms are available at CKDU radio, on the 4th floor of the SUB.

— The Winter Carnival Committee is currently looking for members to help plan, organize, and run Carnival '87. Get out and help make this the best Winter Carnival yet. If interested, a meeting is scheduled for Nov. 12 at 6:30 PM in Room 302 of the SUB. If you cannot attend, or would like more information, contact Scott Matthews in Room 222 of the SUB.

— What is the student demand for increased Daycare on campus? As of Feb. '86, 242 children were on waiting lists for current facilities. An Ad Hoc committee is looking at funding and a questionnaire will be circulated, perhaps through the Registrar's Office with transcripts.

— A guest lecture by Kurt Vonnegut and a screening of "The Rocky Horror Picture Show," both held recently at the SUB, were definite successes.

— Differential Fees are an additional payment levied on international students. In Nova Scotia this year, the fees amounted to roughly \$1700 above and beyond the cost of tuition. First implemented in 1979, they have risen steadily ever since. For additional information, contact Kamleh Nicola in the DSU office (Room 222, SUB).
