Dear Mr. Raddall,

Enclosed please find the four photographs taken at C.B.C. Studio you requested. These prints are .75c each.

If you care to do a little "horse trading" I shall be delighted to receive an autographed copy of one of your books for the prints.

I must confess, due to lack of time, ~~XXXXXXXXXX~~, I have not read any of your books, so any one of them will be most acceptable.

Yours truly

Roy Tidman
