Mr. Thomas Raddall,
Quebec, N.S.

Dear Mr. Raddall: -

A few days ago while reading a report on some speech of yours about The Bluenose, and its memory being perpetuated, by coin etc. I wondered if you knew Canada has immortalized the Bluenose by issuing a 50¢ stamp in 1928-29. This really is a beautiful stamp, and recognized as such by philately. You know if this fact is of any use to you, but I did feel you might want to know of the above.

kindest personal regards to yourself.

Yours sincerely,
Russell C. Zinck.
