Dear Tavarisch
 the 7th. Thanks for Gauss of
 address: I note the "Christine"
 only. I was there a few days
 illness again, but it!

Urania The press reports of
 me. Well done! Yes, please
 I should like it.

But what had I
 have at hand. The Halifax paper
 you send has just arrived &
 I find another of my pals
 gone. We had quite a deep
 Giffenian & understanding &
 have the news just this instant.
 So excuse me from writing
 more. Tears flow more readily
 than ink. Please tell Beatrice
 for me.

Affectionately,
 Owen
