ARE NERVOUS BREAK-DOWNS STARTING TO SET IN BECAUSE OF **EXAMS?**

The exam registry is a service of the Student Union which began last year. To ease some worry, go to room 222 of the SUB and ask at the Inquiring Desk if you could see the exam that's troubling you. *Don't forget your Student I.D.* You can then copy the old exam to help you study for the upcoming one in December.

This is a student run and student supported program so if you have old exams, it would be greatly appreciated if you brought them into room 222 of the S.U.B. (Remember the "golden rule") The friendly secretary will copy your exam to put on file and you can keep the original to pass on from year to year. Please help this needed service!!
