Dear Mrs Faddall

I have just finished reading "Footsteps
on Old Floors" and am so keen about
it I should like to mention it Tuesday
evening at 6:20 on C5CH-TV (Channels 5 or 10
in Liverpool).

The "Herbert Fuller" and "Mary
Celeste" I knew in part, though that
made the reading of your accounts
of them certainly no less interesting;
"Grey Owl", especially his army career,
and Jim Charles' secret gold in the
Tusket, could not be more interesting.

I am so taken with the whole
book that I thought to send you this
forewarning that it is going to be
praised Tuesday at 6:20!

Yours sincerely

Edmund Morris
