Mr Thomas Paddall

Dear Sir;

I read your story
"Full bergo South" and call
it the best bit of reading
I've had of this year. While
I am not a literary critic
I've got a right to say how
it appeals to me.

It was like a beautiful sonata
It made me think of what slumps
they're building down to Charsow
with its wonderful harmony of
horizontal and vertical curves
It enthralled me if transport-
ed me back a hundred and

fifty years ago, or even
or Ipswich or Newburyport?
anyway the locale is not
far from here I'm sure.
That's one of the reasons
why I enjoyed it so well

Sincerely yours

James J. Hegart
