Dear Dr. Raddall:

Thank you for your letter of March 2nd. It is indeed welcome news that you will be able to do the article for the next issue of the Mersey Quarterly. Though the deadline is May 1st, we can certainly give you a couple of extra weeks should you need it.

We came across this sketch in our files and felt that it might be of interest to you. It was drawn by the Mill Artist, Harry Farncombe, and was used to illustrate a talk which you gave at the Twenty-fifth Anniversary dinner and which was published in the Thirty-fifth Anniversary issue of the Quarterly.

Yours sincerely,

C. L. A. Clarke  
Editor - Mersey Quarterly
