

DALHOUSIE UNIVERSITY

1982

Pharos 1982

Dalhousie University
Halifax, Nova Scotia

President and Vice-Chancellor

DALHOUSIE UNIVERSITY
HALIFAX, N.S.
B3H 4H6

PRESIDENT AND VICE-CHANCELLOR

To the Class of 1982

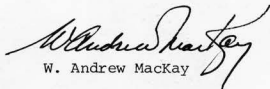

For all of my colleagues at Dalhousie, your friends, teachers and staff, I extend best wishes in the years ahead.

I trust your lives will be richer for the friendships made and the understanding gleaned through your years in the University. While in the immediate future career opportunities for some graduates may appear fewer than seemed likely when they began university studies, others in earlier years faced the same or greater uncertainties and they have made the world a better place through their own diligence and service.

You join an illustrious company of former graduates living across Canada and beyond who have made the name of Dalhousie known and respected wherever they have gone. Their long list of accomplishments will be augmented by you who leave the University this year.

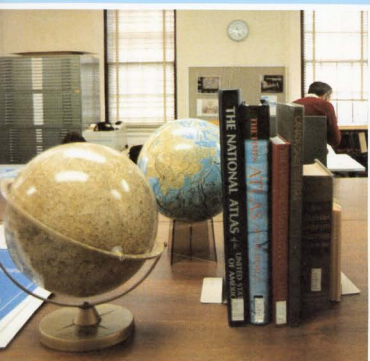

I hope that your years at Dalhousie have been as rewarding to you as my own student days were to me, and that you will have occasion to recall with fondness your friends, and "the College by the Sea".

Yours sincerely,

W. Andrew MacKay

Our Heritage

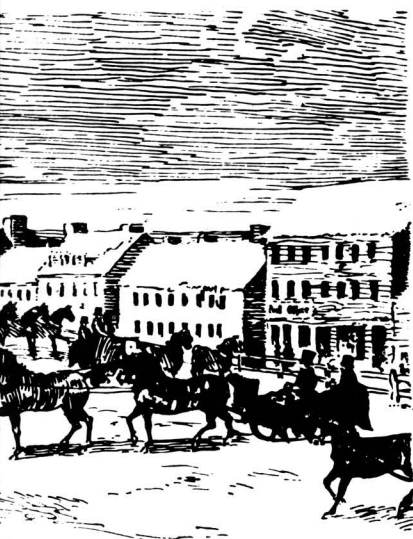

Meeting of the Tandem Club Outside the Original Dalhousie College. (Now Halifax City Hall).

"Before I proceed with this ceremony, I think it necessary to state to you, gentlemen, the object and intention of this important work; I think it necessary to do this because I have never yet made any public declaration of the nature of the institution I am here planning among you, and because I know that some part of the public imagine that it is intended to oppose the college already established at Windsor. This College of Halifax is founded for the instruction of youth in the higher Classics and in all Philosophical studies; it is formed in imitation of the University of Edinburgh; its doors will be open to all who profess the Christian religion; to the youth of His Majesty's North American Colonies, to strangers residing here, to gentlemen of the military as well as the learned professions, to all, in short, who may be disposed to devote a small part of their time to study. It does not oppose the King's College at Windsor, because it is well known that college does not admit any students unless they subscribe to the tests required by the Established Church of England, and these tests exclude the great proportion of youth in this province. It is therefore particularly intended

for those who are excluded from Windsor. It is founded upon the principles of religious toleration secured to you by the laws, and upon that paternal protection which the King of England extends to all his subjects. It is under His Majesty's most gracious approbation of this institution that I meet you here today, and as his humble representative I lay this cornerstone of the building. I here perform an act which appears to me to promise incalculable advantages to this country; and if my name as Governor of this Province, can be associated with your future well-being, it is upon the foundation of this college that every blessing may flow over your country; in a few months hence it may dispense those blessings to you whom I now address; may it continue to dispense them to the latest ages! Let no jealousy disturb its peace; no lukewarm indifference check its growth! Protect it in its first years, and it will abundantly repay your care!"

Address of George Ramsay
Cornerstone Laying
May 22, 1820

IN THE YEAR OF OUR LORD-1820

Commanding the 62nd REGIMENT and the Field Officers of His
Majesty's FORCES in this GARRISON &c. &c.

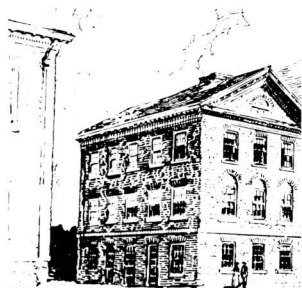

John George Duke Esq. Grand Master of the Grand
Wardens, Officers & Brethren of the Respective Lodges
of Freemasons in Halifax, MAY 22nd

FACSIMILE OF THE BRASS ON THE CORNER STONE OF
THE ORIGINAL DALHOUSIE COLLEGE.

In 1917 George Ramsay, ninth Earl of Dalhousie and Governor of Nova Scotia, determined to found a college that would be open to any student regardless of class or creed. Although Nova Scotia boasted a college at Windsor, the exam required effectively excluded large segments of the population. The funds used to begin construction were the customs duties acquired by the British during their occupation of Castine in 1814. The original site of the college was the Grand Parade where the Halifax City Hall now stands.

The buildings were ready for occupation in 1823, however the college still had many unsolved problems. Not only had the professors not been chosen, but the early supporters of the college were apprehensive, believing King's College was sufficient. As a result, the college served as a community centre from 1829 to 1838. Two attempts to amalgamate the two colleges failed. Eventually the college came into its own opening its doors in 1838.

Dalhousie offered only three chairs on opening: Classical Languages, Mathematics and Natural Philosophy. The first class consisted of only twelve students. Courses lasted four years; tuition was between \$6 and \$24.

Rev. John Forest D.D.
Third President, 1885-1911

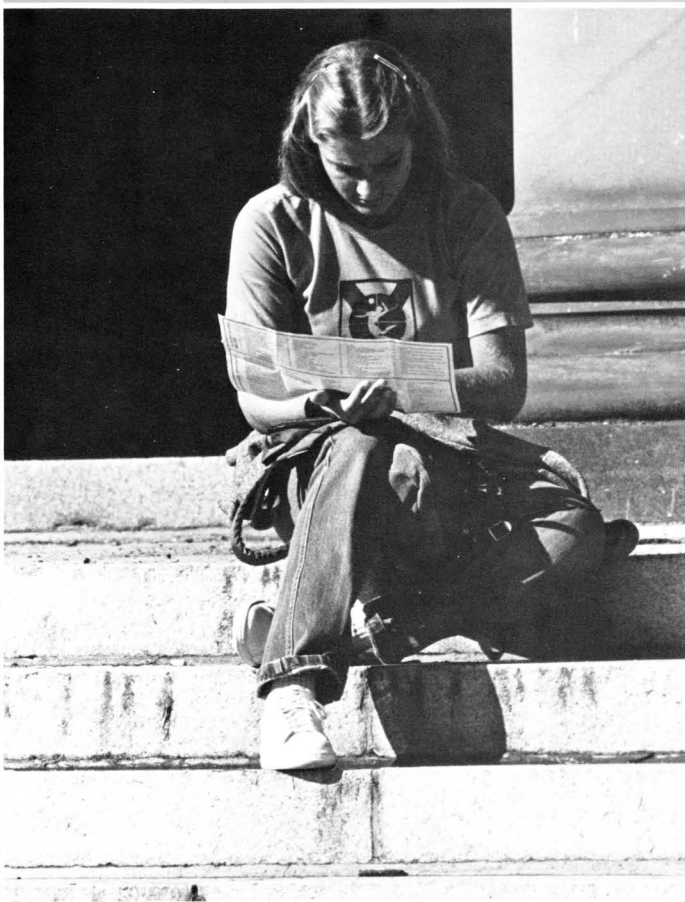

In 1885, Dr. John Forest succeeded President Ross. Together with George Munroe, Forest founded five new chairs: Physics, History and Political Economy, English Literature, Law and Philosophy. Munroe donated \$350,000 to erect new buildings and attract new staff. The generosity shown has been repaid with the declaration of Munroe Day. In 1886, the College moved to Carleton Street, and later in 1912, the college purchased the Studley Estate. Here, the Science Building and the MacDonald Memorial Library were built (see above). Studley Campus now houses the major administration offices of Dalhousie University.

Between 1920 and 1930, the women's residence and the Law Building were completed. During the 1930's, the Gym and the Medical-Dental Library were built. The 50's saw the construction of the A & A Building and the Memorial Rink. (In 1978, the Memorial Rink burned to the ground.) The fall of 1969 saw the opening of the Student Union Building (complete with a live tiger)!

New Rink Nears Completion

Dalhousie students have been without a rink on campus since fire destroyed the "old" rink on May 13, 1978. The "new" rink started to take its shape in the winter of 1981-82, with completion and opening planned for the following summer.

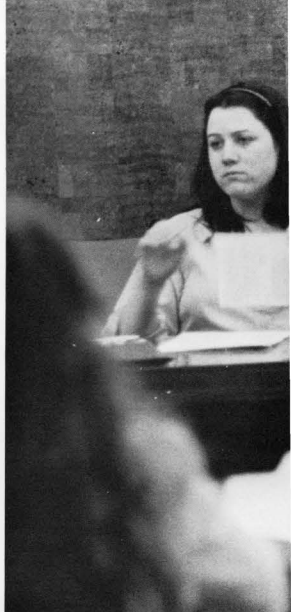

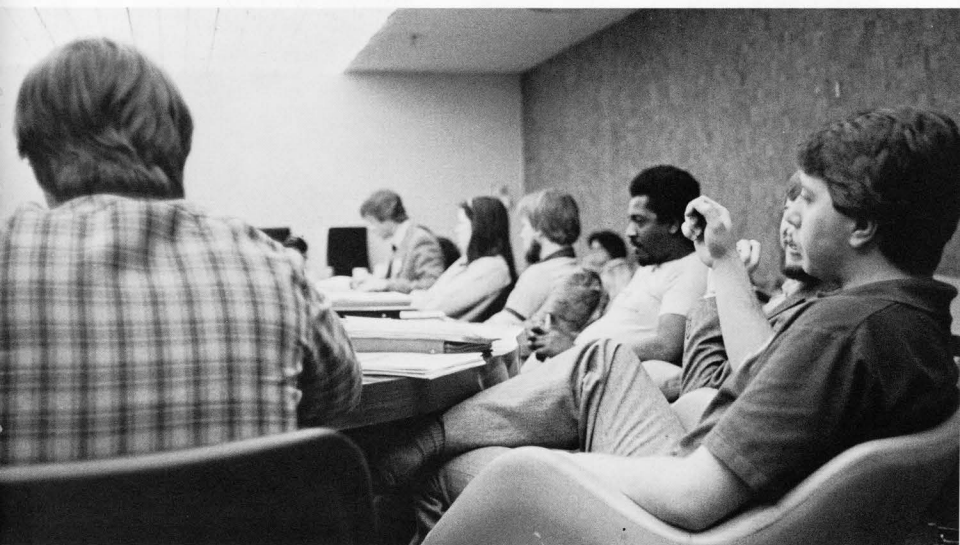

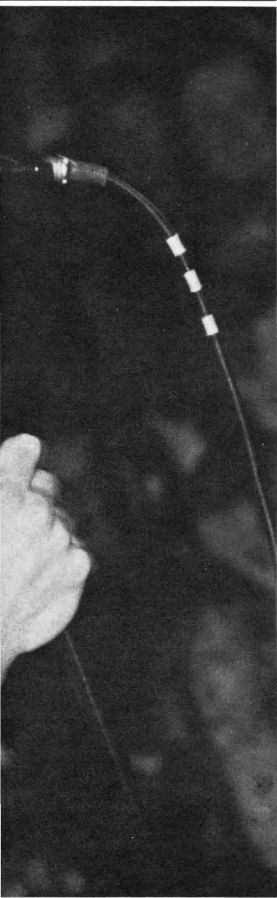

Student Council

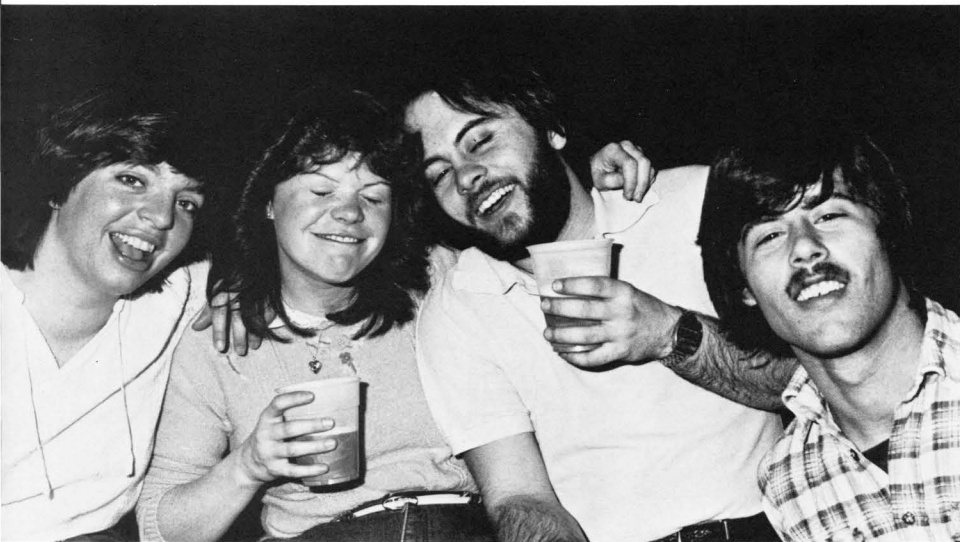

Activities

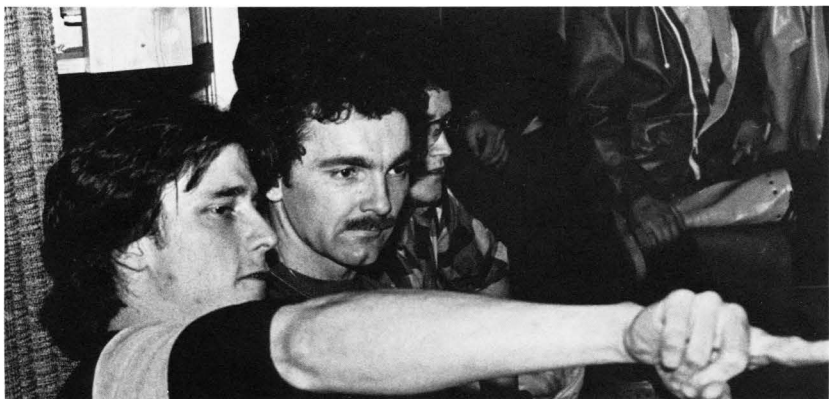

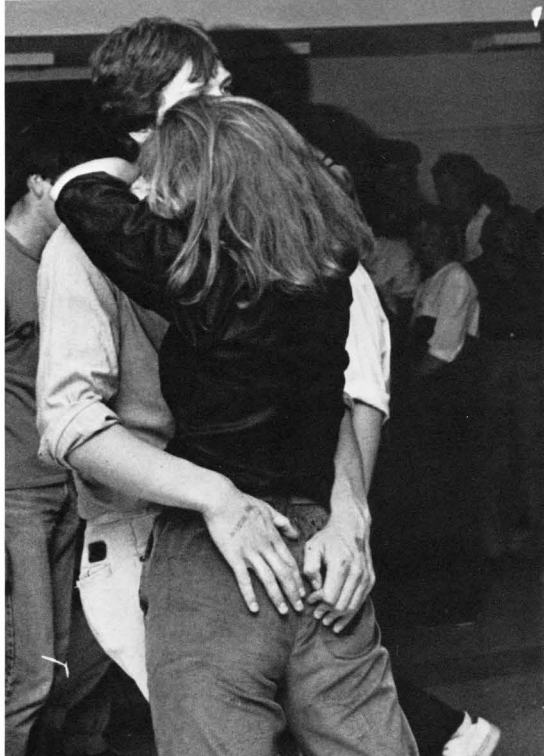

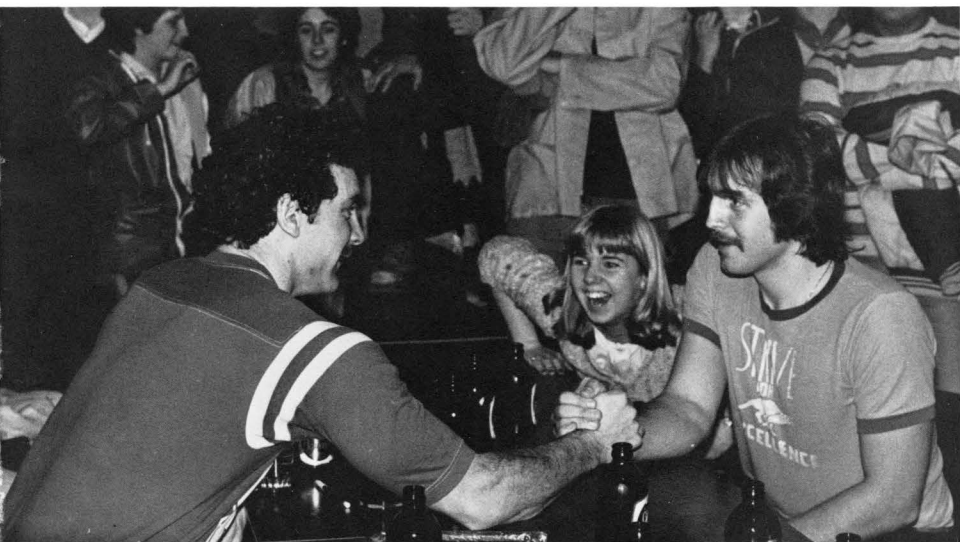

Winter Carnival

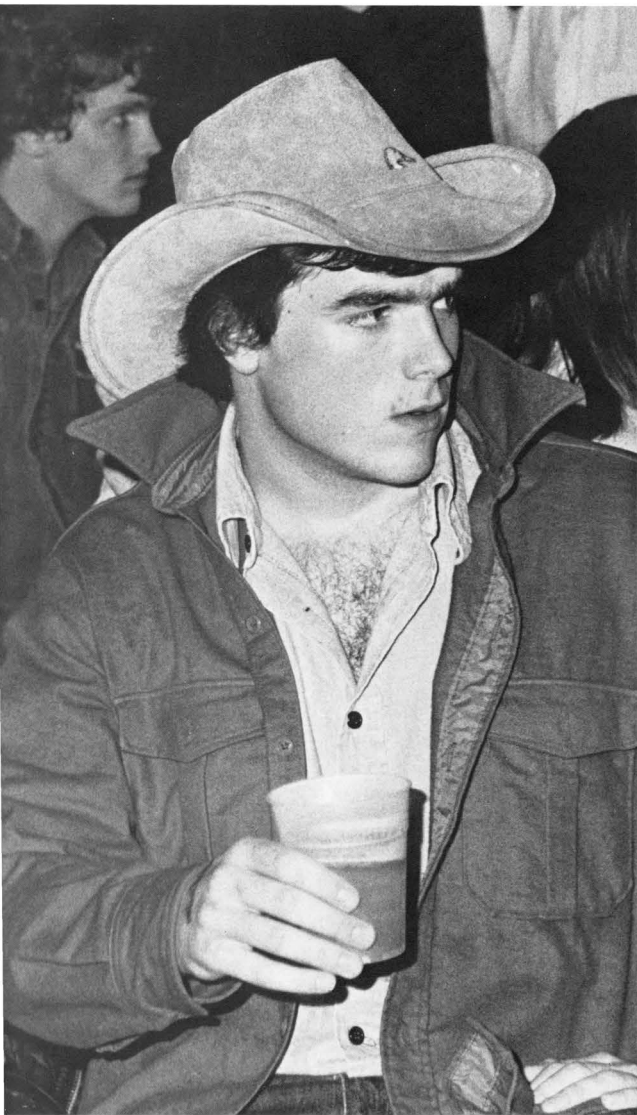

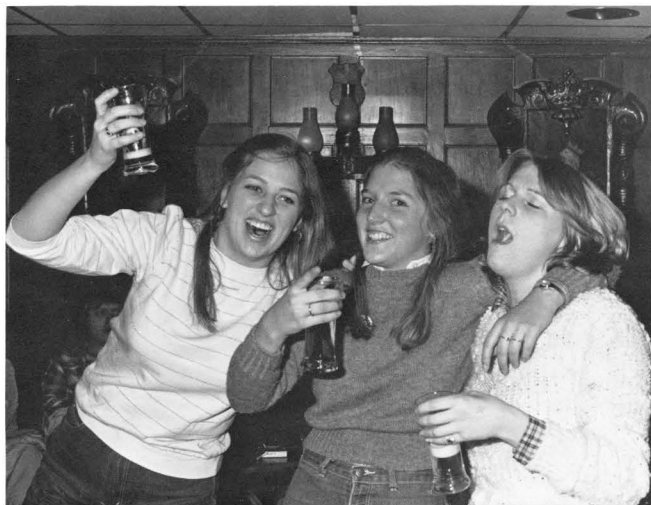

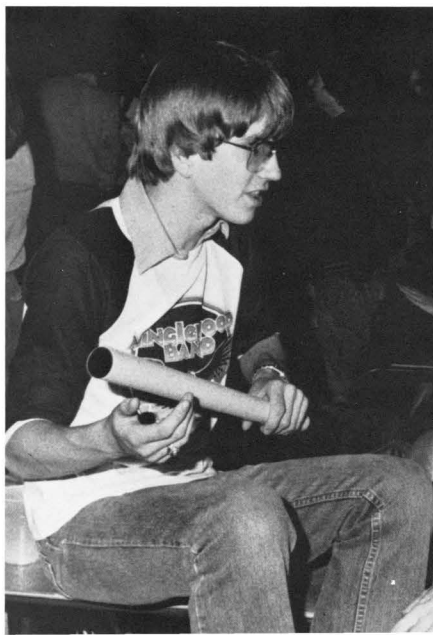

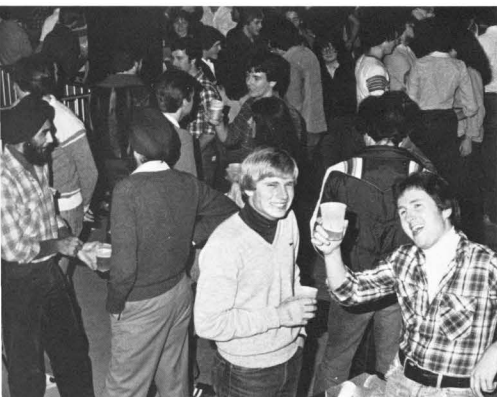

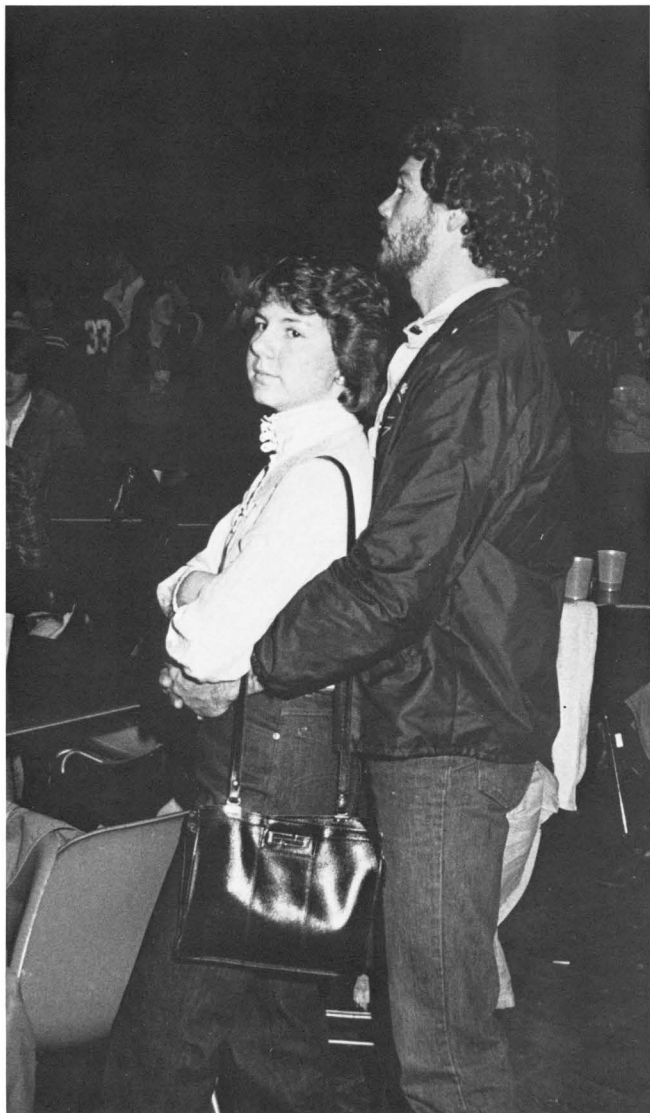

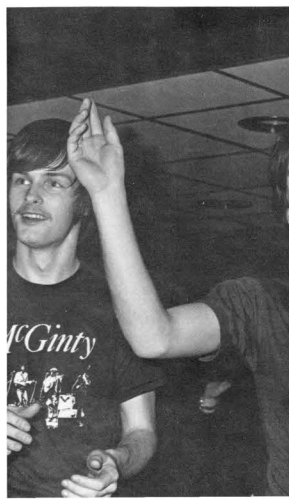

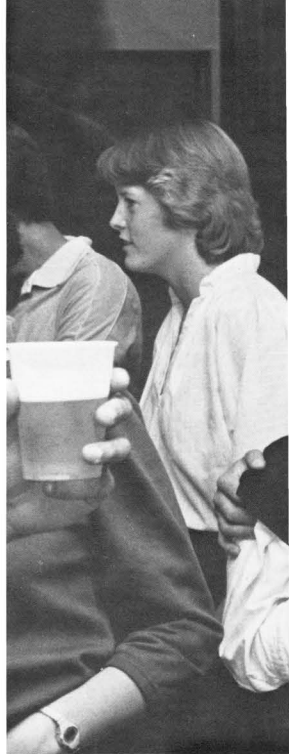

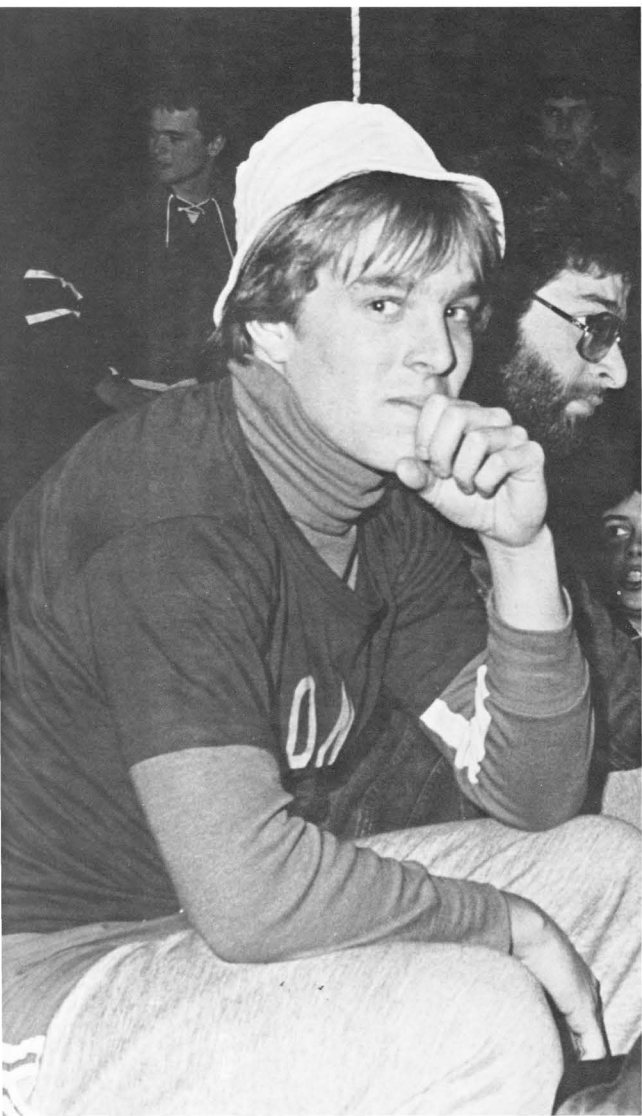

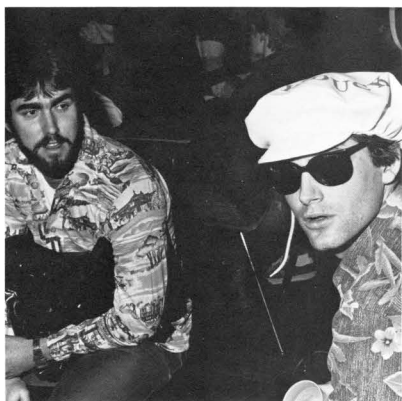

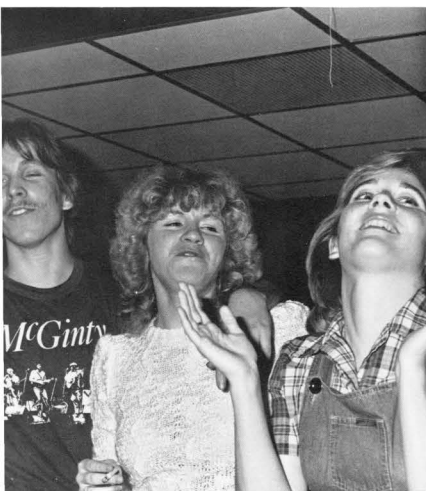

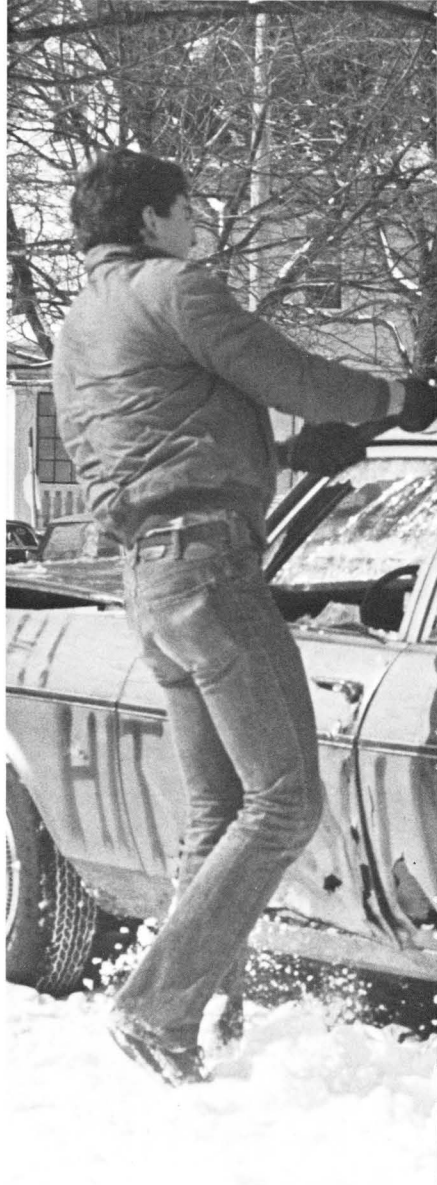

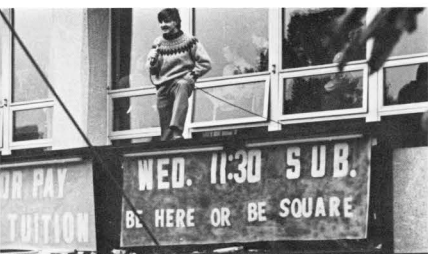

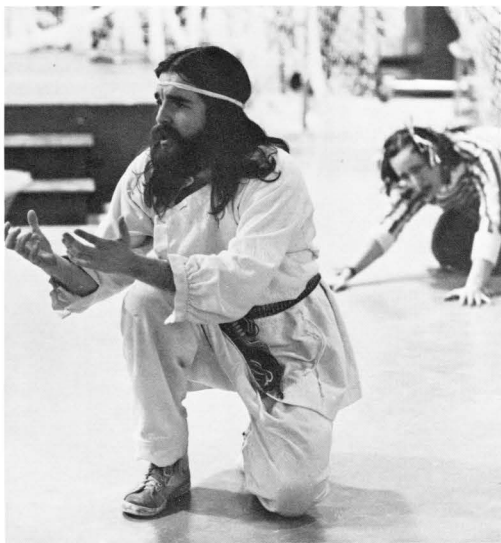

Protest March

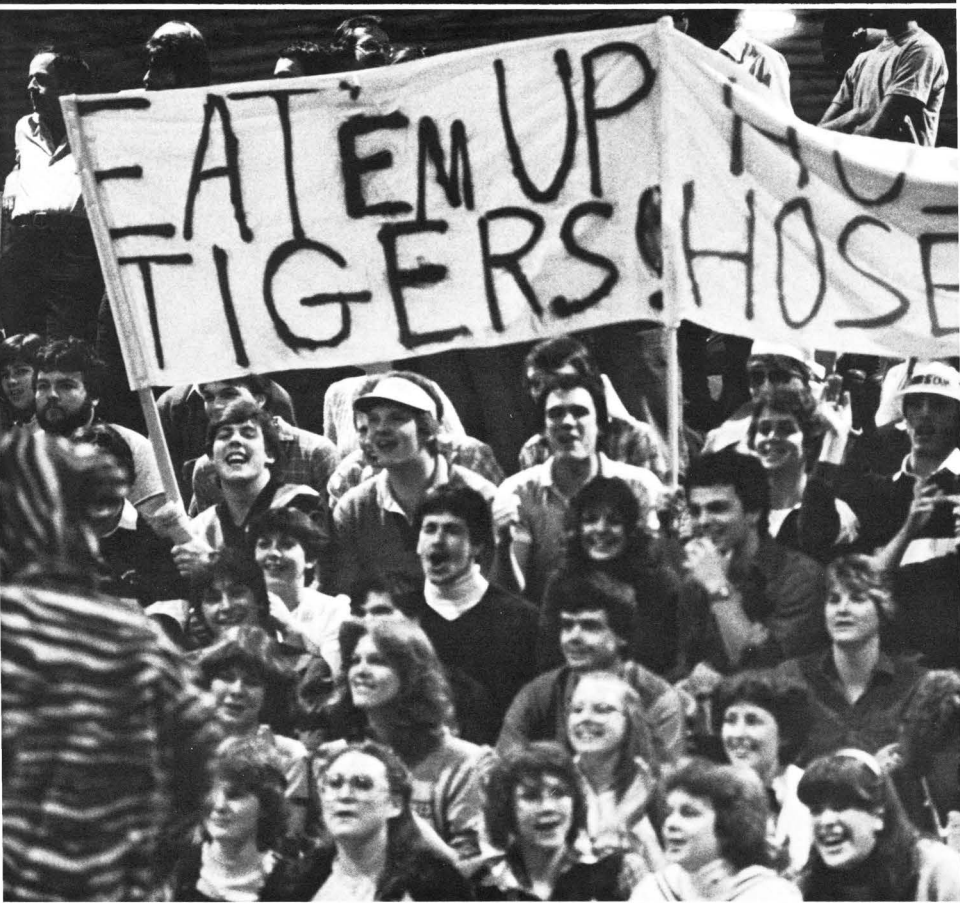

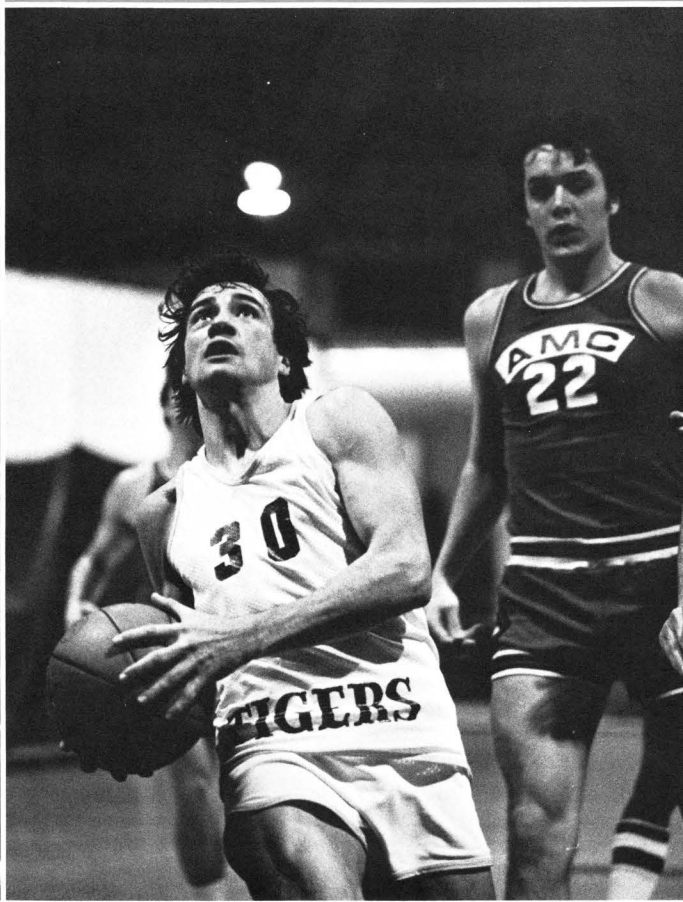

Godspell

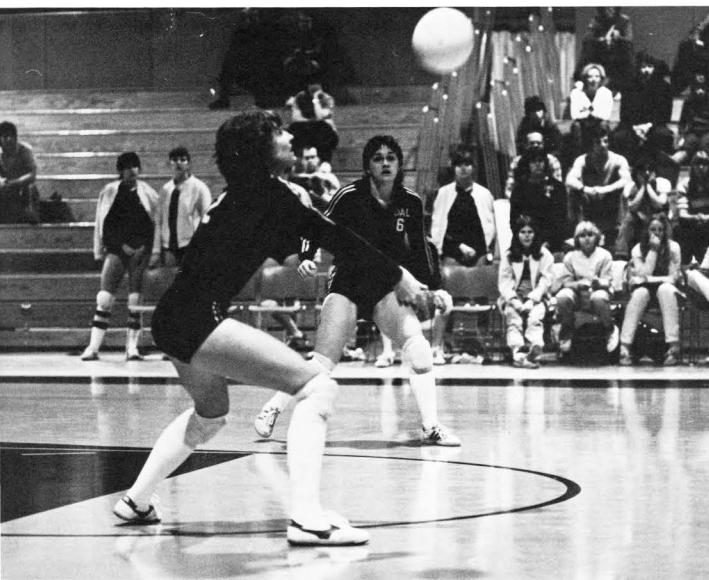

The McInnes Room was transformed into a big city backlot as Mount St. Vincent's production of "Godspell" played to a sellout audience in March. Dalhousie student, Glenn Walton, played the gentle master, backed up by an enthusiastic cast of Mount and Dal students.

Sports

CIAU Champions

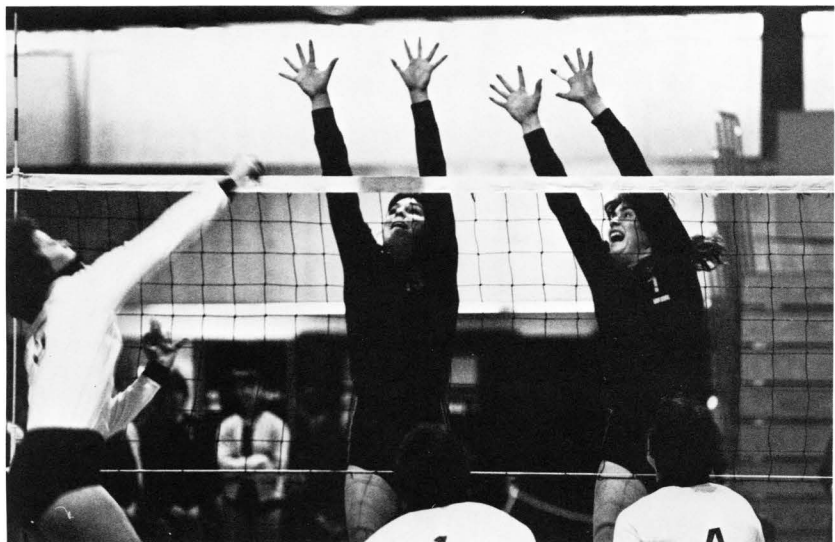

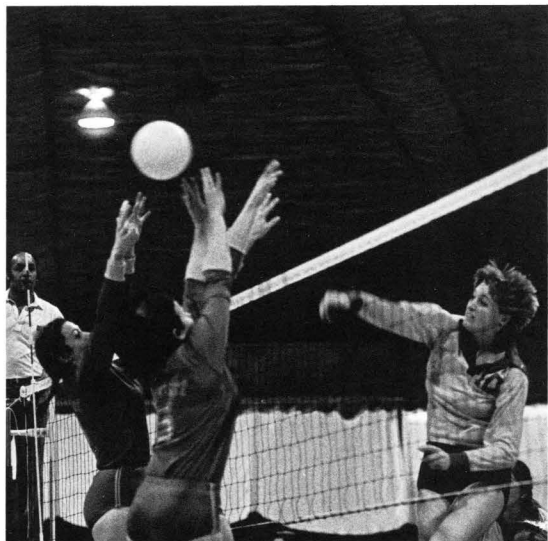

Excitement filled the air at Dalplex March 13 as the Women's Volleyball Tigers won Dalhousie's first CIAU championship in any sport 1976 (field hockey) and first national title in volleyball.

Led by Canada's Outstanding Female Player, Karin Maessen and All-Canadian Karen Fraser, the Tigers won the first two games of the final match with Calgary 15-8 and 16-14.

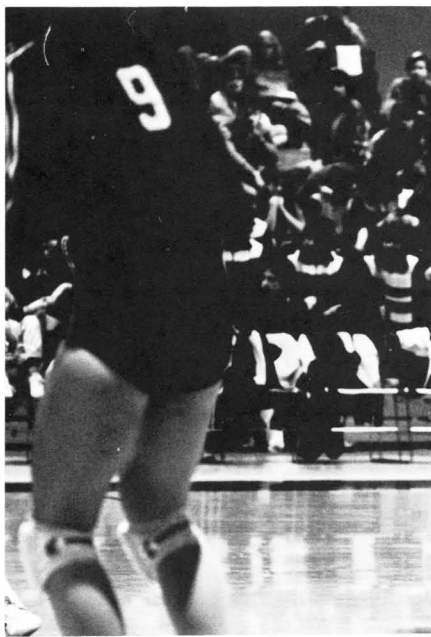

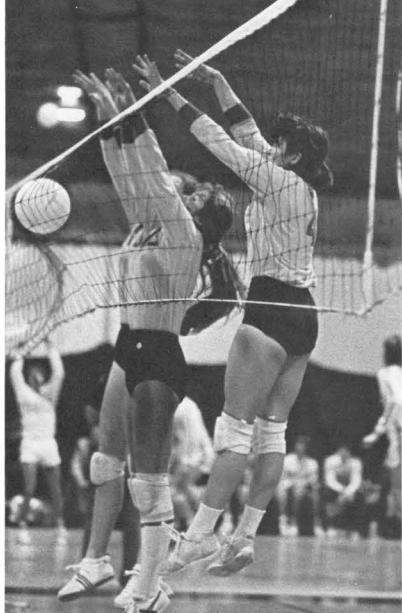

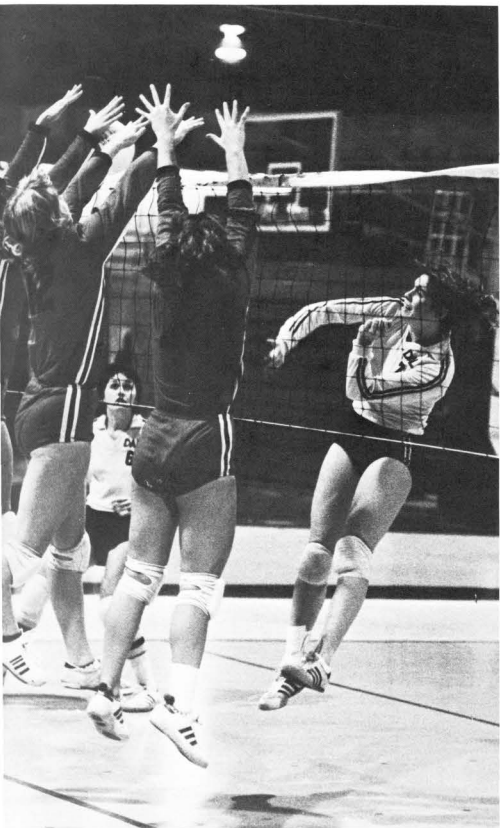

The Dinnies roared back for 15-5 and 15-8 wins to force the fifth and deciding game.

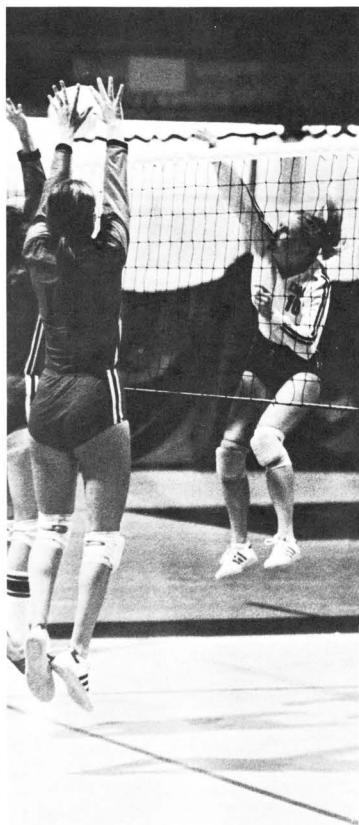

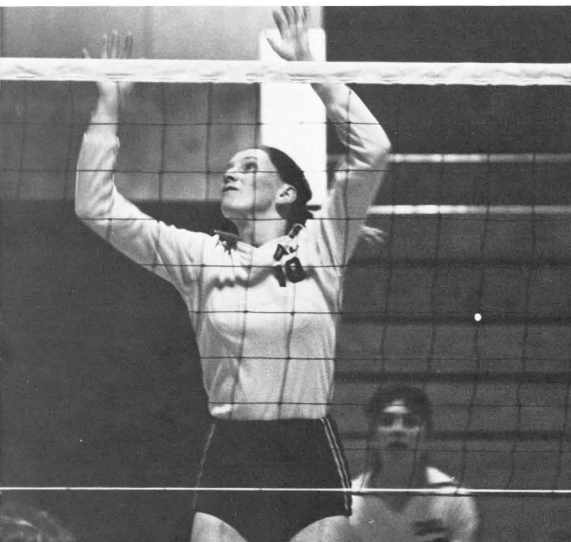

Taking a 7-1 lead, the Tigers appeared to have an easy win but Calgary come back to trail 9-5. Again Dal opened it to 13-5 but Calgary came back once more to 13-11. Then the Tigers dug in and gained the needed two points for the win.

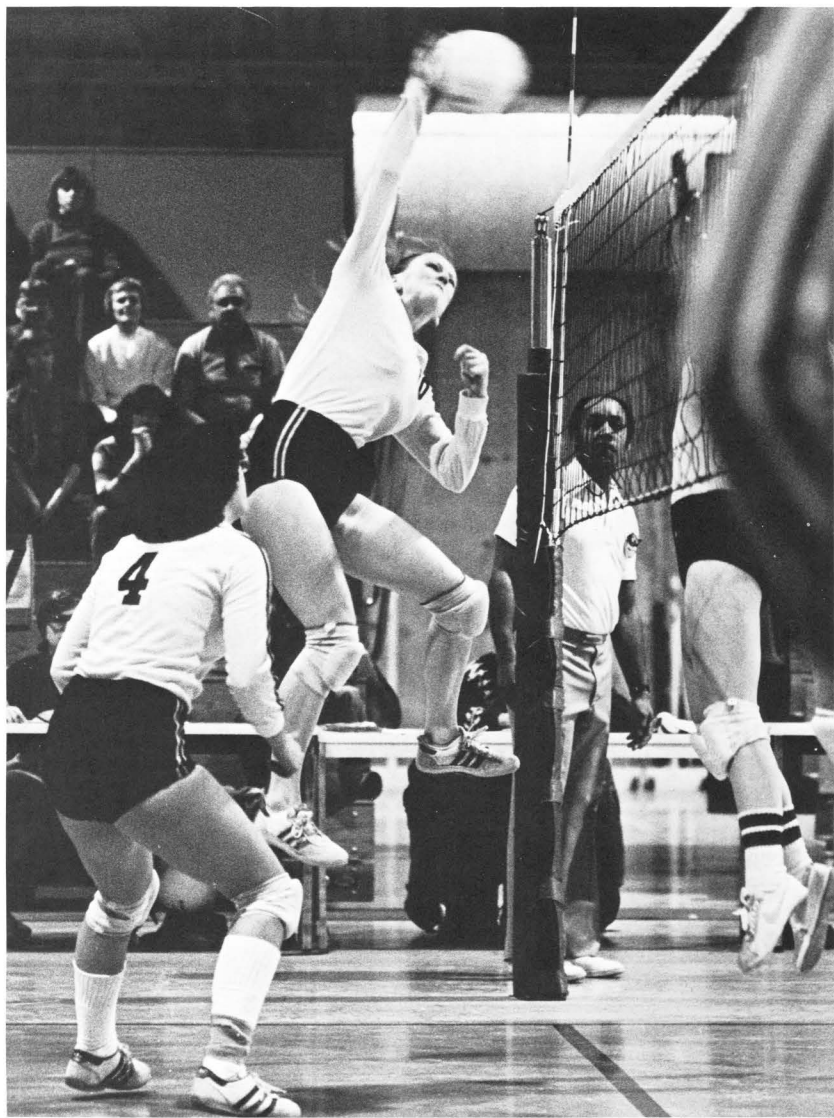

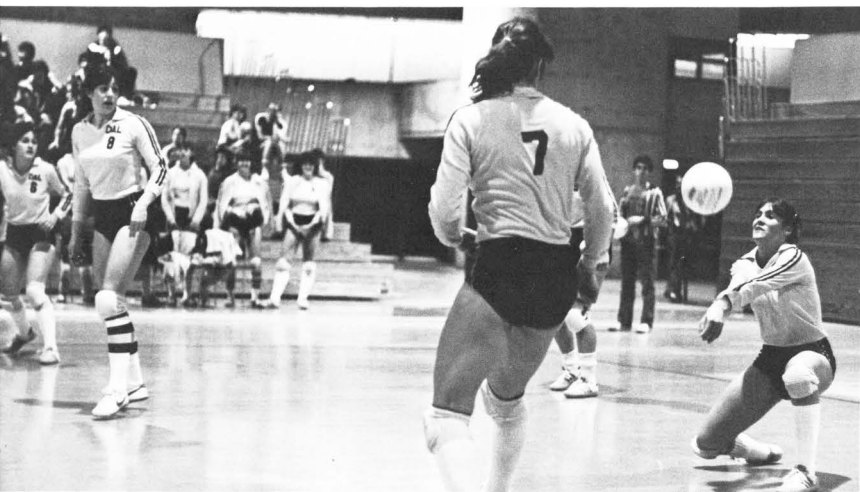

The women's volleyball team received a number of individual awards in addition to the CIAU team championship.

Lois MacGregor won her third straight AUSA Coach of the Year Award. Karin Maessen was named Most Valuable Player for the second consecutive season while Karen Fraser was again named to the League All-Star team. Maessen was also AUSA Tournament Most Valuable Player.

At CIAU time, there was more silverware. Maessen was chosen the Outstanding Female Player of the Year and was named 1st team All-Canadian. Fraser was second team All-Canadian. In the tournament, Fraser and Maessen were all-stars with Maessen named Most Valuable Player of the tourney.

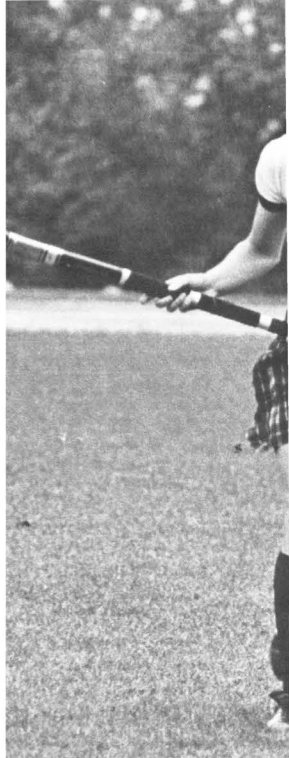

Tigers Triumphant

The Tigers won the league championship with an 11-1 record, recording seven shutouts along the way. In the AUAA playoffs, Dal disposed of Mount Allison and UNB by identical 2-0 scores. At the CIAU's, Dal was 0-5.

Lori Anne Moore led the team in scoring with fourteen goals followed by Carolyn Merritt with eight and Sharon Andrews with five.

Goaltender Brenda Ogilvie, along with Moore and Merritt were selected to the league All-Star team.

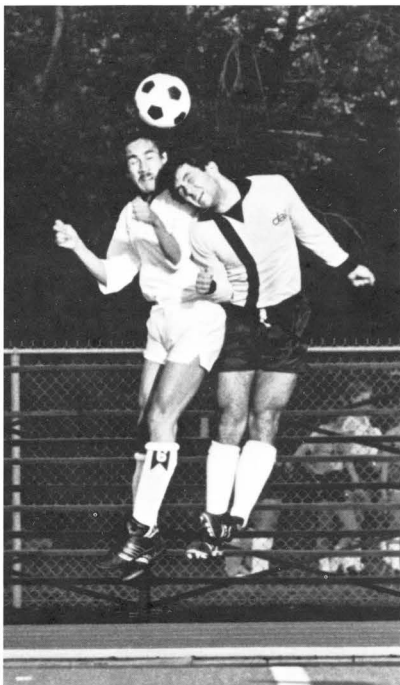

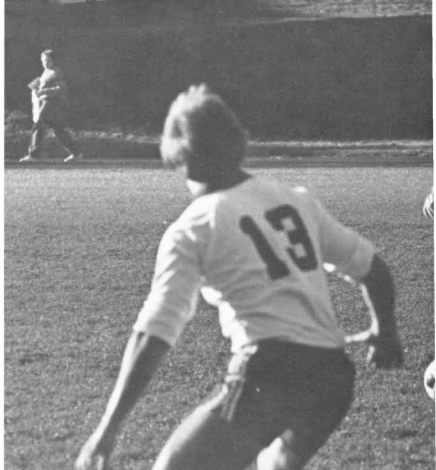

Soccer

The Tigers finished 3-4-2 in the AUAA, taking second place in the East. Graham Jones led the way with seven goals, including four in one game. The Tigers won three and tied two of their first seven games, before dropping two close games to the league champion St. Mary's Huskies.

The Tigers lost 4-3 to UNB in a double overtime shootout for the league semi-final.

Goalkeeper Neil Blanche, forward Graham Jones, and midfielder Ed Kinley were named to the All-AUAA team.

Undefeated in Regular Season Play

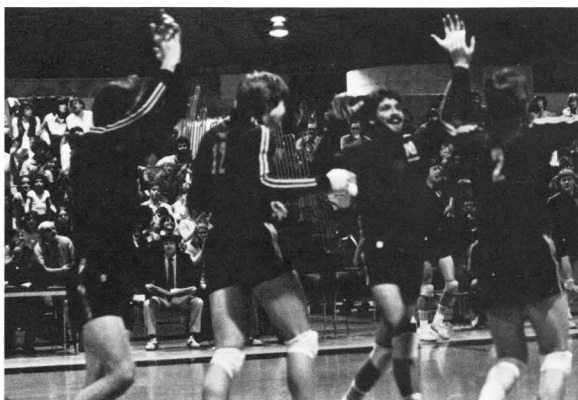

The Tigers rolled through the AUAA undefeated for the second season in a row and won the AUAA title for the third straight time in easy fashion. The CIAU's at Dalplex proved a great showcase for Al Scott's club. They won three matches, more than at either of the last two national title hunts.

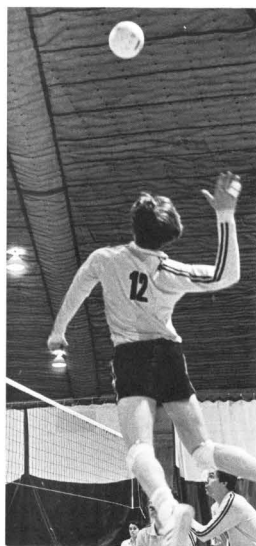

The Dal Classic was a highlight for the Tigers. A silver medal finish was completed against Penn State, third ranked team in the NCAA.

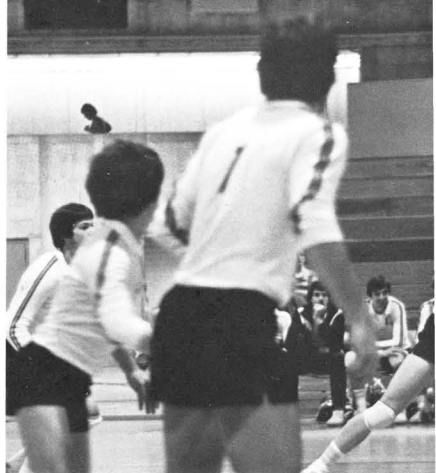

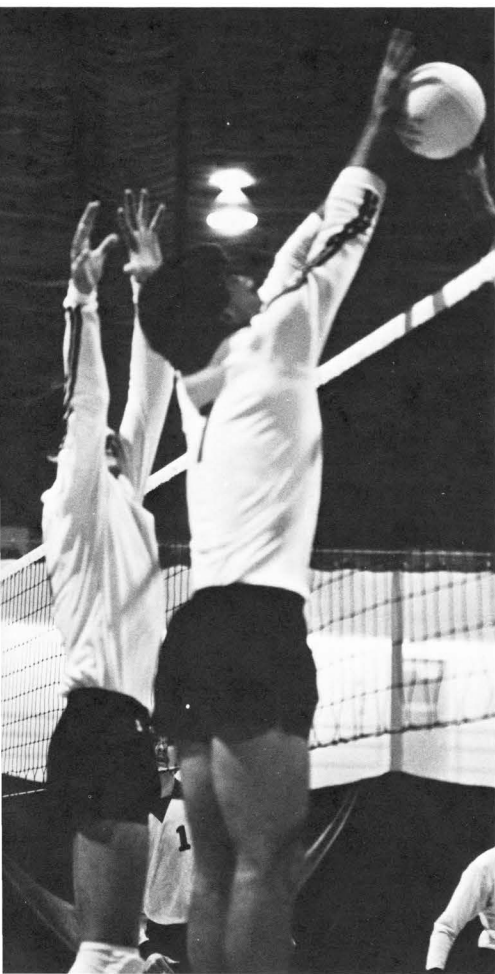

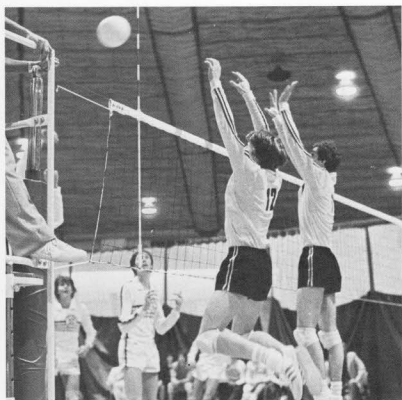

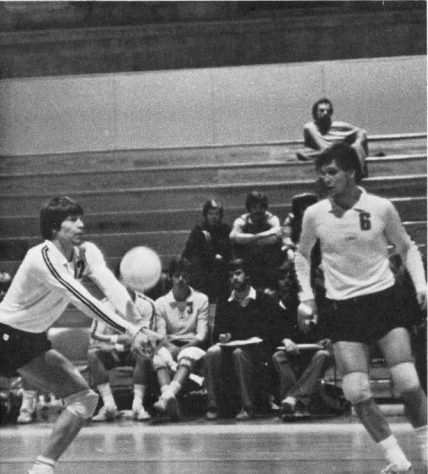

Rod Walsh was the Most Valuable Player of the AUAA, Phil Perrin, Bernie Derible and Jamie Fraser were league All-Stars. Scott was AUAA Coach of the Year for the third straight season.

At the CIAU's, Walsh was named first team All-Canadian, Perrin second team while Perrin and Walsh made the tourney All-Star team.

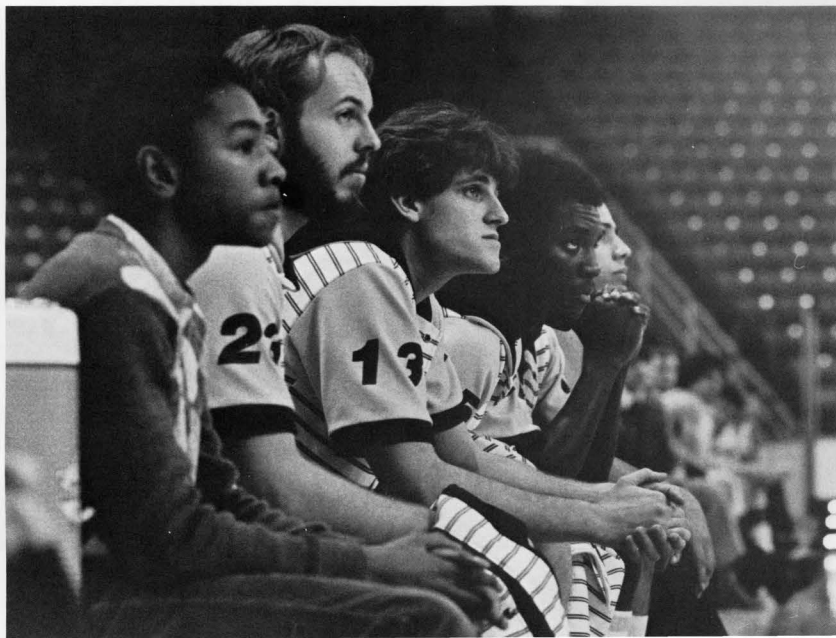

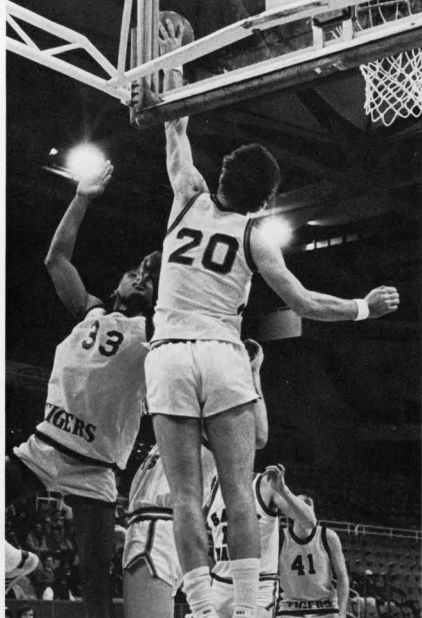

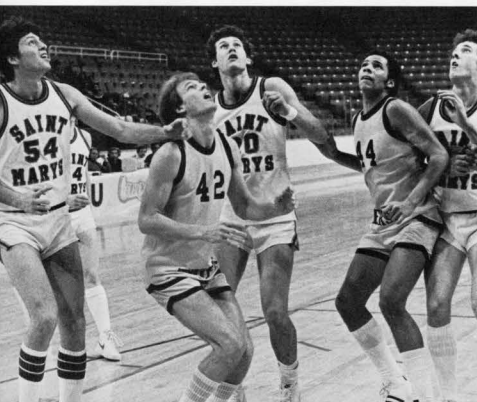

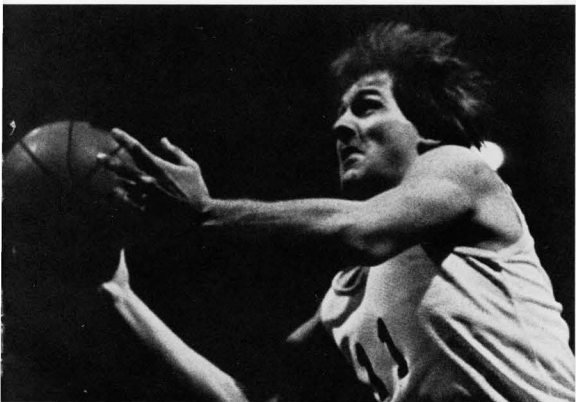

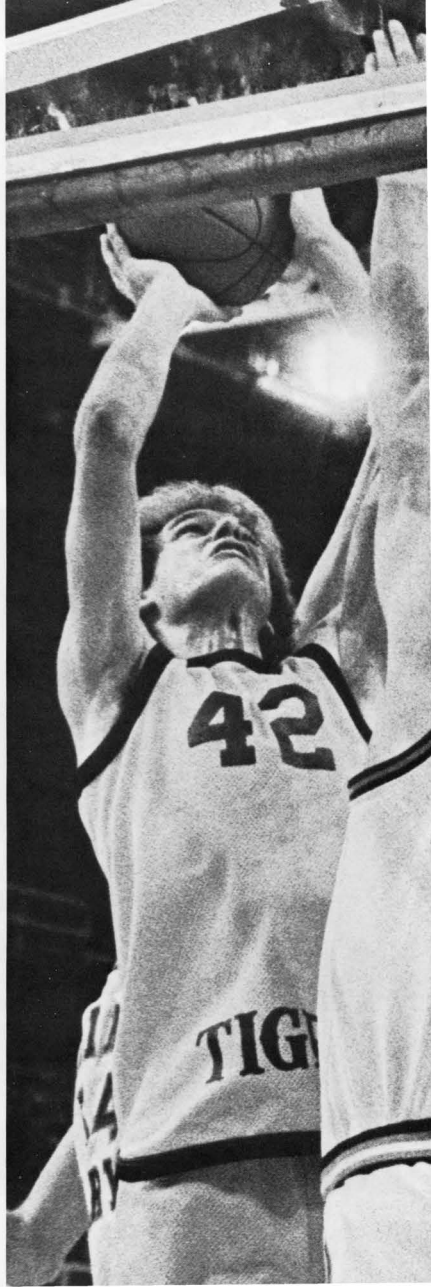

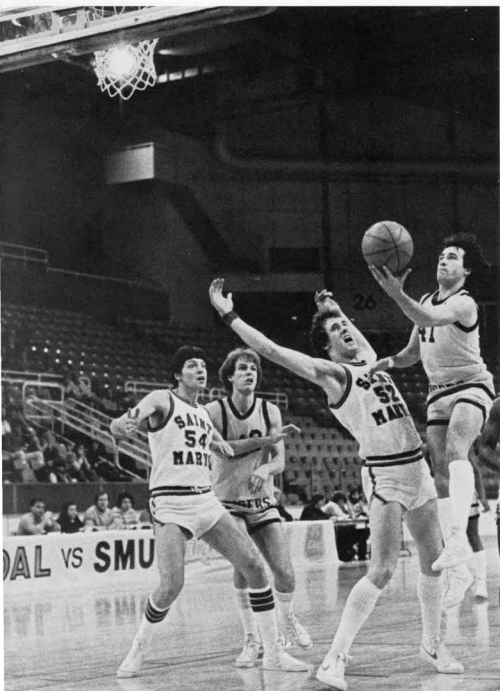

Men's Basketball

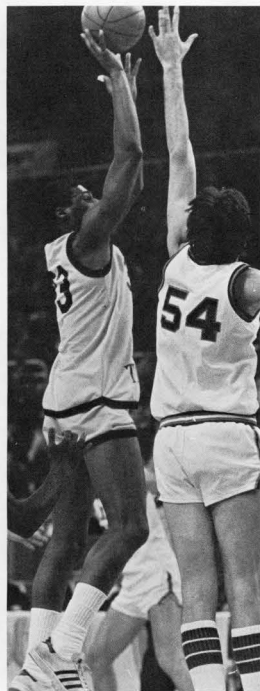

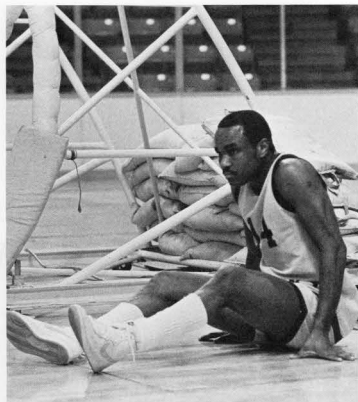

Turnaround Year

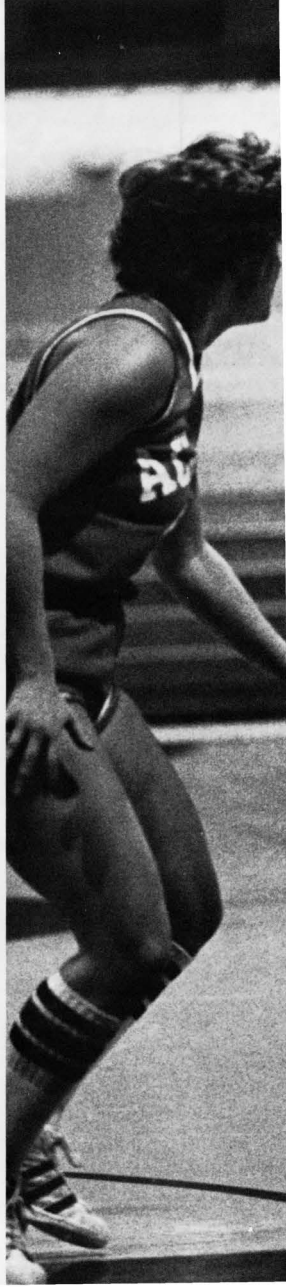

It was a turnaround year for the Tigers, turning a 2-16 record of 1980-81 into a 10-8 mark this season. Doc Ryan built a big front line and quick guards. Highlights include the first win over Acadia since Dec. 2, 1969, the first win over St. F.X. since Jan. 20, 1976 and a barnburning 90-89 loss to Saint Mary's that could have been a win. For the first time since 1976, the Tigers made the playoffs in the AUA.

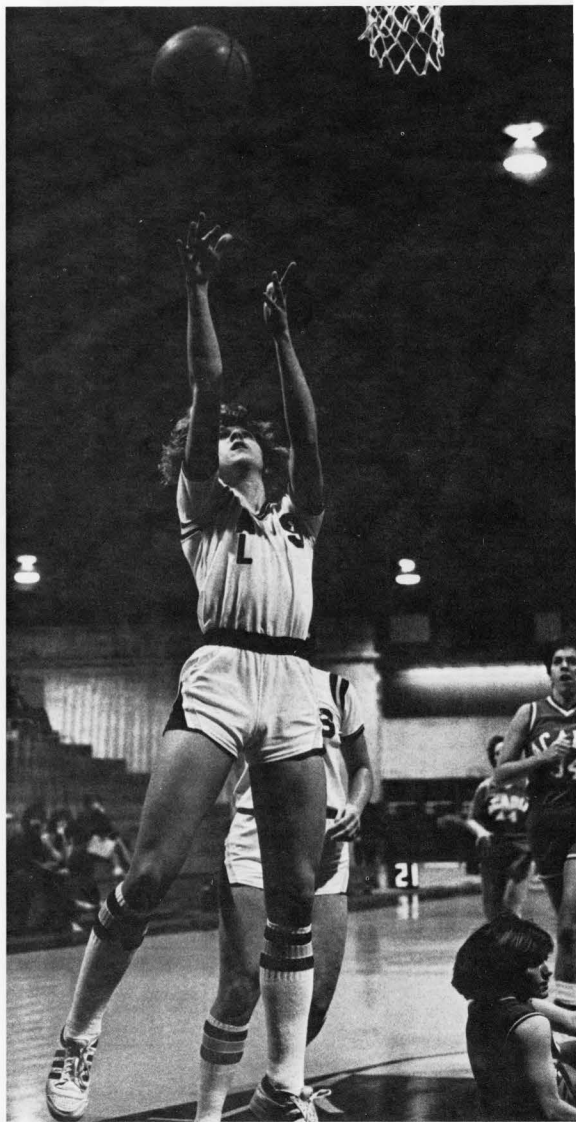

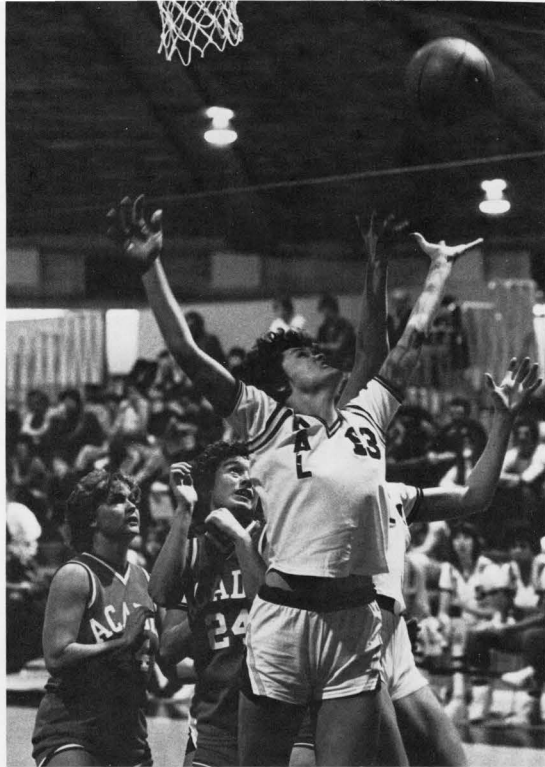

Winning Season

The Tigers were 13-1 in league play and extended their regular season streak to 47, dating back to 1979, before losing Feb. 6 to UNB. A playoff sweep led to the CIAU's and a fourth place finish. Anna Pendergast was named AUAA MVP, Natalie Vukovich and Moira Pennycook were AUAA All-Stars and Coach Carolyn Savoy was AUAA's Coach of the Year. Vukovich was named an All-Star at the CIAU Tournament.

Tigers on Ice

The Tigers won the Kelly Division with a 17-6-3 record, beating all comers except Moncton (four losses) Acadia and UNB. Local rival Saint Mary's fell three times in four starts (tie in the other).

The Tigers showed outstanding punch, scoring eight or more goals on 10 occasions. In 13 games, the Tiger defense held the AUAA opposition to three goals or less.

DAL finished second to Moncton in the International Cup, an Invitational Tournament held in Montreal. They beat McGill, UQTR and Saint Laurent College on the way to the final.

DAL took three of four games on a trip to Northern Arizona University and United States International University of San Diego. They also won all seven preseason exhibitions.

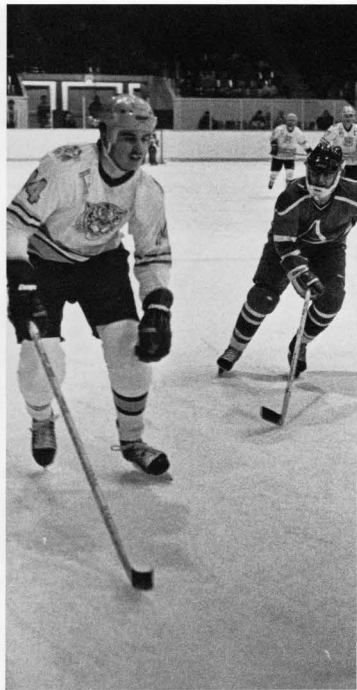

Brian Gualazzi scored 37 goals to set a new AUAA single season goal scoring record. He had 59 points for second place in Kelly Division scoring. He holds the all time Tiger goal record (90) and all time points scoring record (157).

Gualazzi, Ken Johnston and John Kibyuk were named AUAA All-Stars with Ken Bickerton and Louis Lavoie.

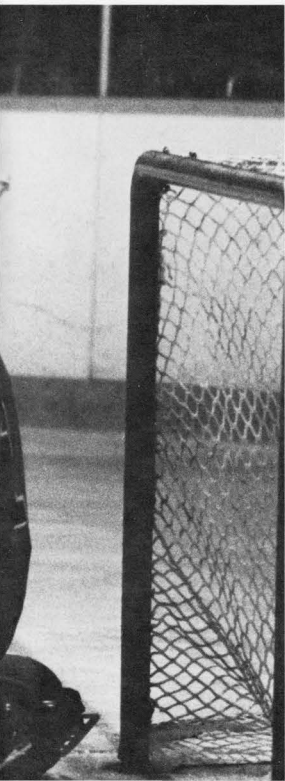

Gualazzi and Johnston were named All-Canadian.

For the second year in a row, Peter Esdale was selected AUAA Coach of the Year.

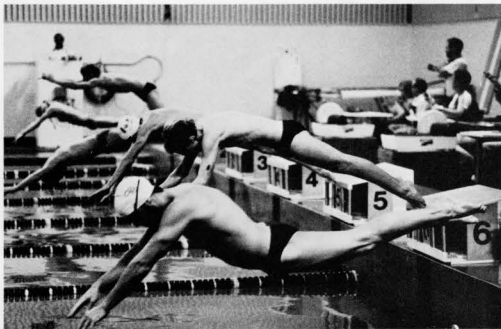

**ALHOUSIE
SWIMMING**

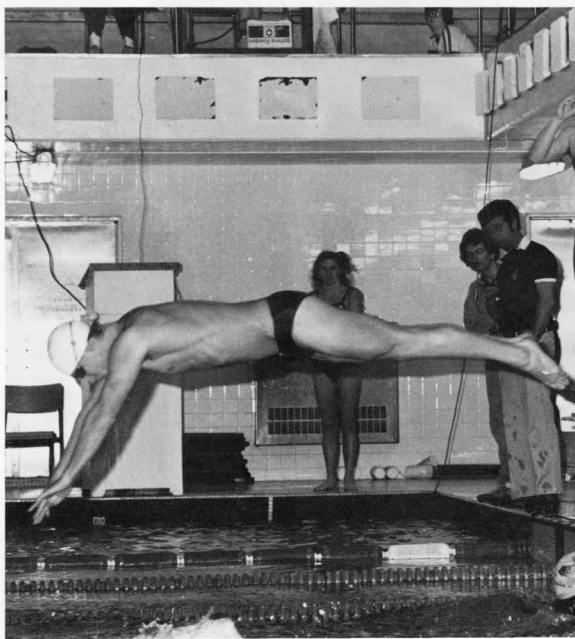

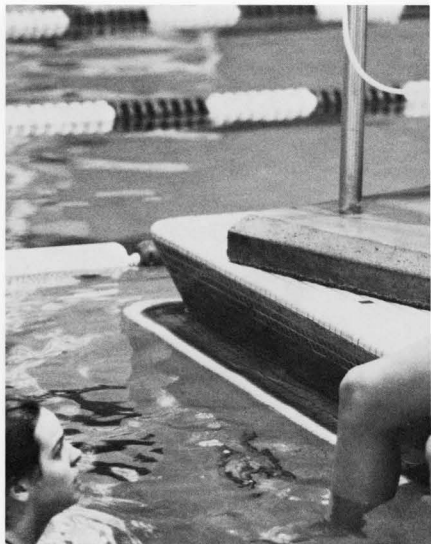

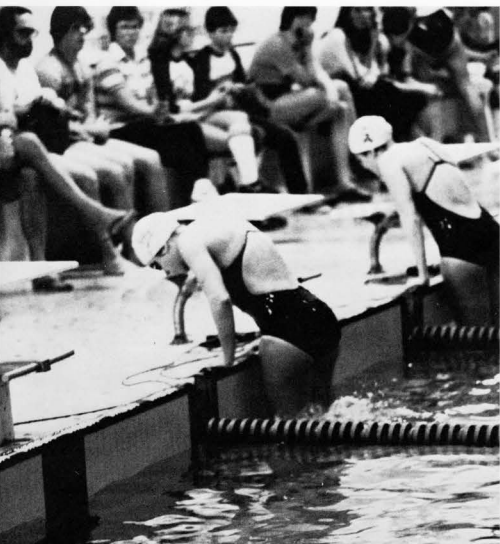

Swimming

Coach David Fry took his swimmers to the CIAU's after a successful AUSA season. The women Tigers won eight consecutive dual meets and two invitationals before cruising through the AUSA's. The men were 6-2 in dual meets and won one invitational of two entered while taking the AUSA's.

The women's AUSA win was their second in a row while the men regained the title they lost by 1/2 point last year. Sixteen swimmers (seven women, nine men) qualified for CIAU's.

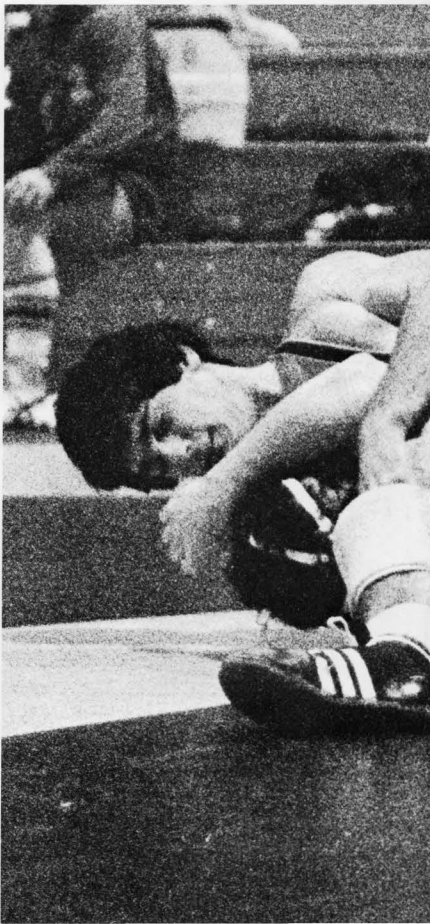

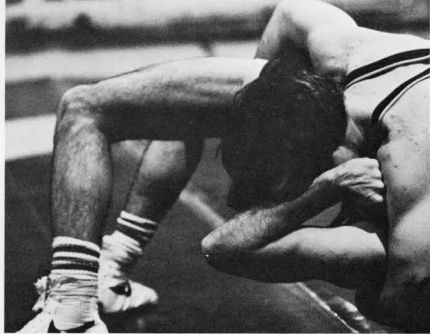

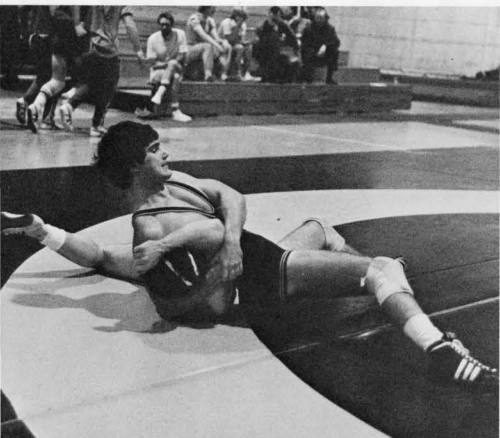

At the CIAU's, the women finished fourth and the men eighth for an overall fifth place finish.

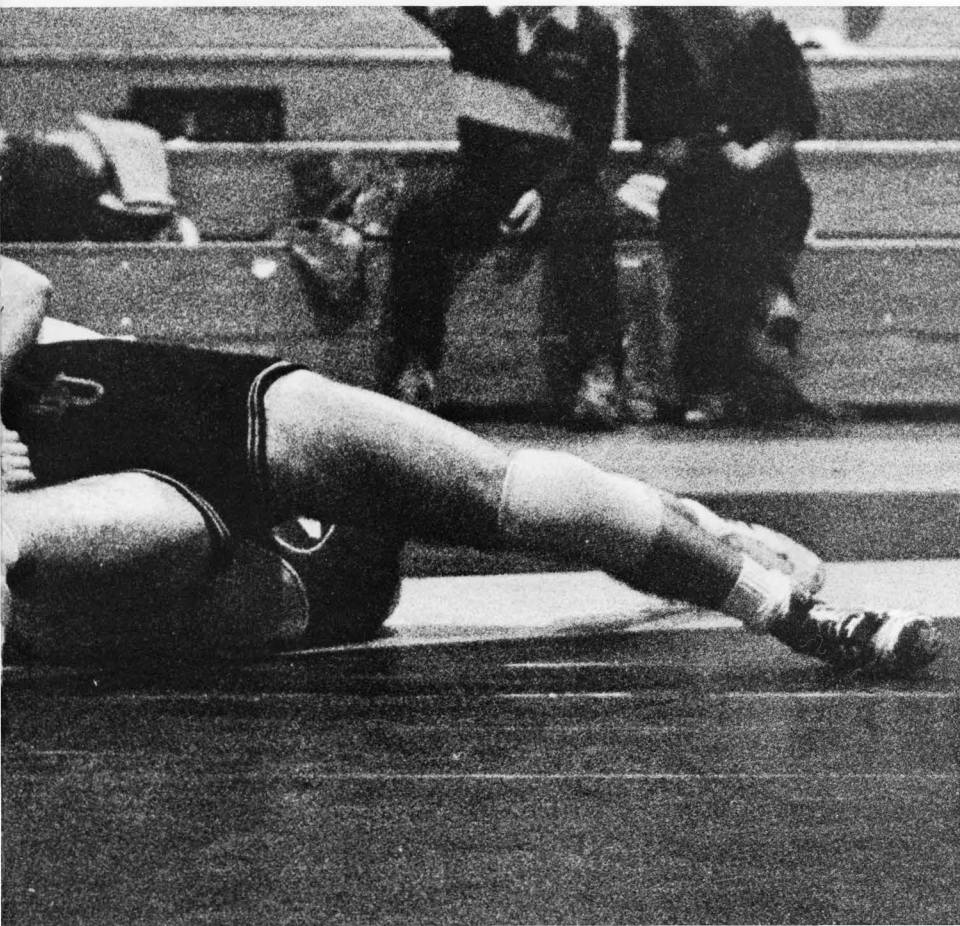

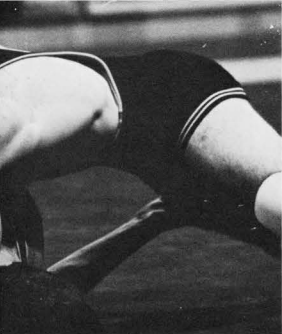

Wrestling

The Tigers were winless in six meets but Coach Greg Wilson saw some wrestlers do extremely well. Mike Clory was a gold medalist at the Mount Allison Invitational and took a silver medal at the AUAA's. Blaise Landry and Mark Baccardax, both veterans, also performed well over the season. Baccardax took a silver at the AUAA and Myles O'Toole won a bronze.

Gymnastics

The Tigers won two invitationals, took a second and finished third at the AUAA's. Steve Banks was the key man all season for Jim Hoyle's team. Banks was second at the Dalhousie Invitational, won the Moncton event, was second at both UNB and the AUAA. He was 20th at the CIAU's and took a 12th on parallel bars.

Cross-Country

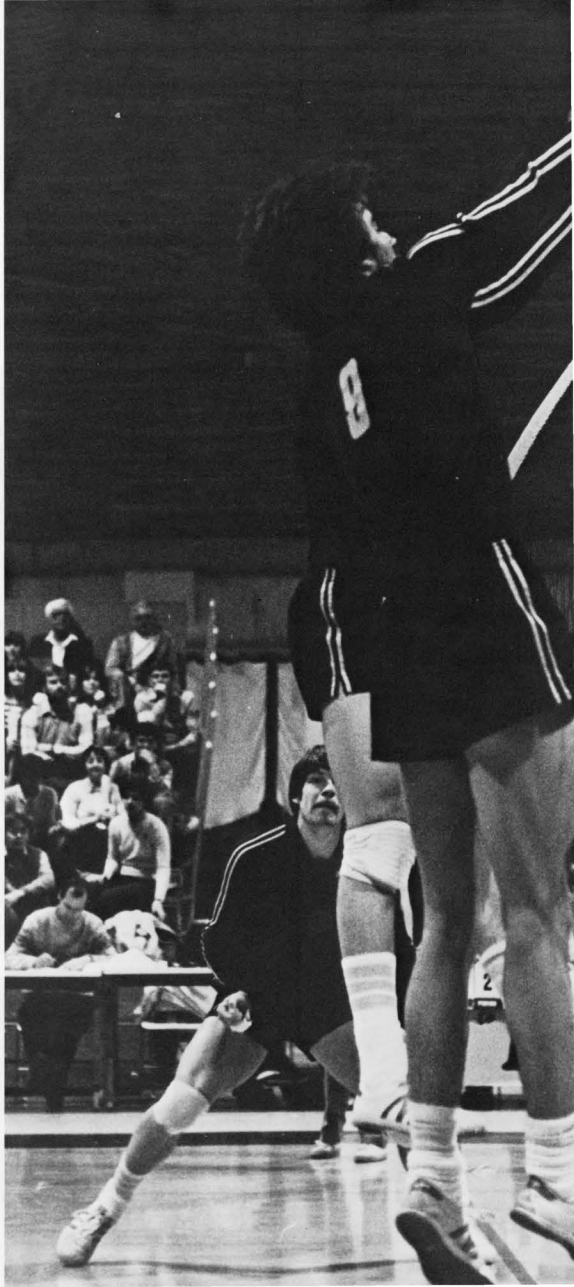

Coach Al Yarr took a young women's team and guided it to a win at the Fernand Grenier Road Race in Quebec City. The Tigers finished third at the women's AUAA and fourth at the men's AUAA. Leslie Longley and Mike Armitage were key runners on the team. The team competed in five meets during the season, finishing third at University of New Brunswick.

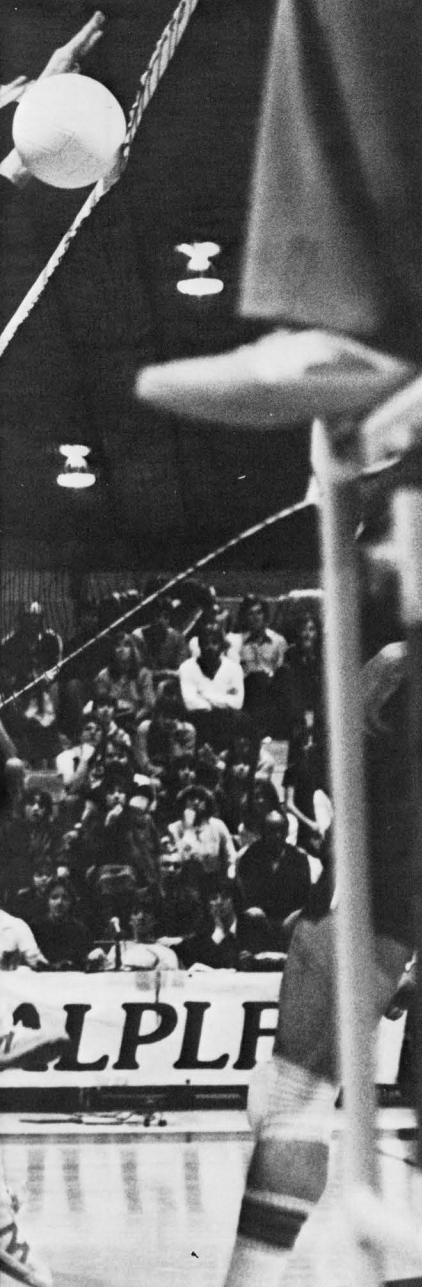

Track and Field

The season brought several highlights. Gordon Tynes won three medals at the AUAA's. He won gold in long jump and triple jump and silver in the 60 metre dash. Tim Wrigley took gold in high jump, silver in long jump and silver in triple jump.

Wrigley went on to win a silver at the CIAU's in high jump and Tynes took a long jump bronze.

Krisann Crowell led the women at the AUAA's with silvers in 60 metre dash and long jump.

RENTAL CENTRE

3607 KEMPT ROAD

NEED IT? RENT IT!...and Save!

These days, it's smart to rent what you need to do hundreds of things — like painting, stripping woodwork, cleaning carpets, pruning trees, entertaining, exercising or even making a household move.

TOOLS & EQUIPMENT DEPT.

A Final Word

Here it is! Hope you like it.

Pharos '82 has been prepared especially for you by the people listed on the opposite page. If you enjoy this book, their efforts have been well rewarded.

Yearbooks age very well. After you've read Pharos '82, store it in a safe place, away from tiny fingers and spilled coffee. Let it sit undisturbed for a period of time so the memories can incubate. Then carefully blow away the dust, sit in your favorite chair, and relive your days at Dalhousie. Like a fine wine, the memories will get better with time.
