Dear Brother

Just a few lines to let you know that I am well and doing very good with my Duties this is Saturday eve and I would give a good bit to be with you all to night I would like to be able to go with you to the Strand and Green Lantern it is a little more lonesome here in the evenings nothing but fellows drinking Beer and playing Ball Ed Lloyd I miss all the good times we once had together I often lie in my tent and think of the Past it just seems like a Dream to me

2

We have a very good bunch of fellows  
in our tent and that makes the time pass  
a little faster I am looking for a letter  
from Home with all Eyes Lloyd & Kenner  
think of joining the Soldiers as long  
as you can keep clear of them believe  
me a soldier don't have an easy life  
takes a long time to get used to it of  
course they use us good and here could  
we be treated better much better than in  
Canada that is in regards to looking  
after them men well now it is time for  
five in California so you are out from  
work yet and it is getting dark here

I will soon be turning in for the night  
 as the saying goes and you will  
 be thinking about going down I am  
 I suppose that you see Miss Studley  
 quite often Miss Shubley also have  
 you been walking with her lately  
 and of course there is Grace & Aggie  
 you will sure have your hands full  
 Lloyd I suppose that you have your  
 new suit by this time don't forget to  
 get your pictures taken you mother  
 and the girls and please don't leave  
 it too long I am smoking the  
 Pipe Lloyd I find that it helps

to pass away the lonesome hour  
and I also think that they are much  
better than Cigarettes Well Brother  
it is getting Dark and I have no  
lights of any kind so will have to  
draw a line be sure and write soon  
and tell me all the news give my love  
to all your ever loving Brother Weldon
