JEAN CHRÉTIEN

SEPTEMBER 28

On February 27, 1986 Jean Chrétien shocked the Canadian public when he resigned, ending a 23-year political career. Almost from the time of his resignation rumours have been circulating about his possible return to public life. Will Chrétien ever lead the Federal Liberal Party? It's your opportunity to ask him as he speaks Straight From The Heart.

Editor

Somewhere in your deep subconscious, you may have a vague memory of something known as the Dalhousie DISPATCH. But what is it? Could it have been some kind of news brief, or no, perhaps it was a student project. Nevertheless, you probably only saw it on a few rare occasions.

Fear not ye who seeketh the truth! The DISPATCH is coming to life, and hopefully, it will become, in its new form, a useful and informative guide to student council activities and a spotlight for the numerous clubs and societies that feed Dalhousie's student life.

This year when you pick up our issues, expect to do so for the above reasons. We are not a Mini-Gazette, there will be no Jade Baby or the latest in downtown entertainment, only a clear reflection of what YOUR Dalhousie Student Union council is doing, or not doing for YOU. Keep yourself up-to-date on the issues effecting your education. There will also be regular space available for Dal's clubs and societies to let you know what they are about and how you can get involved throughout the year.

I personally welcome new and returning members of the Dalhousie community and express my hope that the DISPATCH can be a helpful part of your year.

Yours sincerely,

David T. Deveau
Dispatch Editor

President

You will find that the more you know about campus issues, the closer you will feel to the Dalhousie community. The DISPATCH will be publishing all events organized by societies, so pick it up and participate! If you have any questions relating to any aspect of Dalhousie, then drop by the office, room 222 SUB. We will either take care of your concerns or assist you with the person in charge. Remember, the Dalhousie Student Union is you so, "Let's D.U. it!"

Have the greatest year of your life.

Sincerely

Juanita Montalvo
President
Dalhousie Student Union

STUDENTSAVER

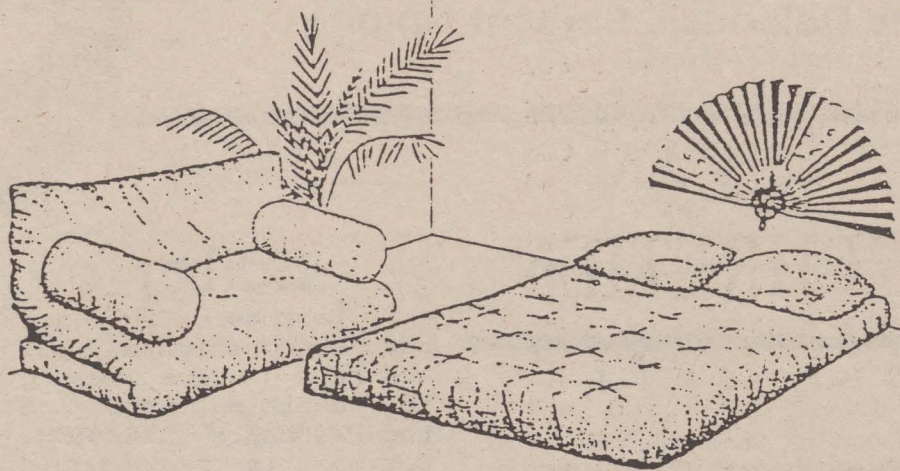

The National Student Discount Program, STUDENTSAVER, offers students discounts on over 6000 products and services in Canada. All of the Canadian discounts are listed in the Studentsaver Discount Guide. These savings are available free to CFS members with their CFS membership/STUDENTSAVER cards.

As a student at Dalhousie, you are a member of the Canadian Federation of Students, CFS. If you haven't already received your STUDENTSAVER card, contact Lara Morris, Vice-President External at the Dalhousie Student Union.

Attention All Societies

Did you know...

Registered societies of the Student Union are entitled to use the University name, solicit funds, use facilities and services of the SUB at specially subsidized rates, and publish free of charge in the DISPATCH.

But...

In order to qualify for these tremendous benefits, all groups must be formally recognized by the Student Union, which involves filing a copy of the group's constitution with the Executive Vice-President along with a list of the officers of

the organization. A list of new officers and any changes to the constitution must be forwarded annually to the Executive Vice-President by October 1.

Questions...

Contact the Dalhousie Student Union Council Office, Room 222 of the SUB or phone

424-2146. Ask for Executive Vice-President, Terry Crawley or Communications Chairperson, Julie Lewis. They are two people you should come to know.

Also available is the Societies Handbook, a must for campus group.

Get registered, get it together, and get rolling!

The Dalhousie art Gallery and the African Worlds Program Committee cordially invite you and your friends to attend the opening reception for the exhibitions

Visual Variations; African Sculpture
from the Justin and Elisabeth Lang Collection

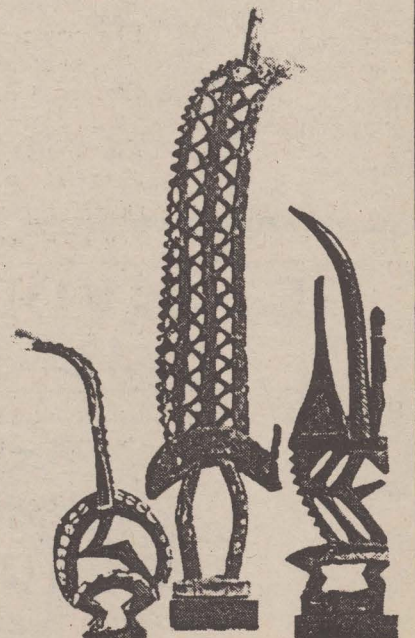

and

African Art from Private Collections

on

Thursday, 8 September at 8 p.m.

Maxine Tynes, poet
and member of the Dalhousie University Board of Governors
will deliver the opening remarks.

Student Council And You

The business of the Student Union is conducted by a Council made up of 40 members. Every student is represented by one or more representatives of their faculty, elected within their faculty in the spring. As well, students who live in residence and international students also elect their own representatives because they are uniquely affected by certain university policies and therefore need special representation.

Also on the Council are the student representatives elected to the Senate and Board of Governors.

The Council is steered by a President and Executive Vice-President who are elected in a campus-wide election in the spring. The President and Vice-President are assisted by an executive which is appointed by Council and includes a Treasurer, a Vice-president(Academic), a Vice-President(External), and a Community Affairs Coordinator.

The following people, who can be contacted in the Student Union Office, make up this year's student council:
