March 1980

Dr. W. Andrew MacKay

MacKay named president

by Derek Mann

Dr. W. Andrew MacKay, vice-president of Dalhousie University since 1974, will succeed Dr. Henry D. Hicks as president of the university in September.

The announcement of Dr. MacKay's appointment was made January 8 by Donald McInnes, QC, chairman of the Board of Governors.

Mr. McInnes said the appointment of Dr. MacKay had been recommended by the presidential selection committee, which consisted of three members of the Board of Governors, three members of the Senate of Dalhousie, and a representative of the Student Union.

Dr. MacKay will assume the presidency on Sept. 1.

Mr. McInnes said that the selection committee had considered many outstanding candidates among the 90 nominations and applications for the presidency. Four candidates had been placed on a short list and they had been interviewed by the committee and by individuals and representative groups at the university.

"I am delighted that Andrew MacKay has been selected. His Dalhousie experience over the past 22 years as a teacher and administrator, and his intimate knowledge of all facets of the university cannot help but be valuable assets to him and to the university," said Mr. McInnes.

"In addition, his modest demeanor, his calmness and his patience are great attributes which, in a university as large and diverse as Dalhousie, will no doubt serve him and the university extremely well."

Now 50, Professor William Andrew MacKay was born in Halifax and received his early education there and in Ottawa. He was graduated from Dalhousie with his BA (1950), his LLB (1953) and his LLM (1954). In 1960 he won a Ford Foundation Fellowship for Law Teachers to study at Harvard University Law School, whence he received his second LLM.

After articling with the Halifax law firm of Stewart, Smith, MacKeen and Covert and being admitted to the Bar of Nova Scotia in 1954, Dr. MacKay

joined the Department of External Affairs in Ottawa as a foreign service officer, a post he held for three years until his return to Dalhousie as a teacher in 1957. He was assistant secretary to the Royal Commission on Canada's Economic Prospects from 1955 to 1957.

Prof. MacKay was appointed an assistant professor of law at Dalhousie in 1957 and rose at two-year intervals to the rank of professor. In 1964 he succeeded the late Dr. Horace E. Read as Dean of the Faculty of Law and Weldon Professor of Law, a position he held until 1969 when he was appointed vice-president (Academic).

When the Office of the President was reorganized in 1974, Prof. MacKay was appointed vice-president of the university, becoming responsible for three faculties (Dentistry, Health Professions and Medicine), external relations and reporting, planning and forecasting services and budgets.

During his years as a student at Dalhousie, Prof. MacKay was quarterback of the varsity football team and also played varsity basketball. The Climo Trophy, for athletic ability, sportsmanship and team spirit, was awarded to him in 1948-49. In 1953 he received the Dalhousie Student Union's highest award, the Malcolm Honour Award, for outstanding student activity on and off campus, and the same year was elected life president of the Class of 1953.

Active in community organizations, Dr. MacKay was president of the Rotary Club of Halifax (1967-68); a director of the Halifax YMCA (1962-65); honorary counsel to the Nova Scotia Division of the Canadian Red Cross Society (1966-68); a member of the board of directors of the 1974 Halifax-Dartmouth United Appeal; a director of the Canadian Studies Foundation (1970-75); a member of the Oil and Gas Committee of Canada (1973-74); a director of the Association of Universities and Colleges of Canada (1975-78); is a trustee of BM-RT Realty Investment Trust (since 1973); chairman of the board of governors of Armbrae Academy (formerly Halifax Ladies' College, since 1977); and is a member of session of St. Andrew's United Church, Halifax.

In 1973, Prof. MacKay became a Queen's Counsel, and in 1976 was awarded an honorary Doctor of Laws degree by Memorial University of Newfoundland.

Dr. MacKay, whose father, the late Dr. R.A. MacKay, was a professor of political science at Dalhousie for many years, is married to the former Alexa Eaton Wright, of Riverside, Nova Scotia. They have one daughter, Margaret.

The date of Dr. MacKay's formal installation as president will be announced later.

Dal frat celebrates 50th anniversary

by Ralph "Kelly" Morton

Dalhousie's first general international fraternity, Nova Scotia Alpha of Phi Delta Theta celebrates its 50th anniversary March 21-23 when many famous sons will be coming home for a unique reunion.

Leading off the parade will be Dr. John Budd (BA'29, MDCM'33, LLD'78) of Cleveland, Ohio, President Emeritus of the American Medical Association who received an Honorary Degree from Dalhousie in 1978. Also on the speakers rostrum will be Dr. F. Ronald Hayes (B.Sc.'26, M.Sc.'27, Ph.D.'29, LLD'65), Honorary President of the fraternity who is an internationally famous oceanographer.

Don Murray, (BA'29), resident musician in the fraternity's first chapter house on South Park Street composed the music for the Half Pint Revue, a smash Glee Club hit of the twenties and has revived the old songs for presentation at the Homecoming Dinner at the Hotel Nova Scotian March 21. They include: Dalhousie Dream Girl, Down Back of Shirreff Hall, the Dalhousie Cheer Song and We Just Came in from Tatamagouche. As you may have guessed, Don hails from Tatamagouche, ancestral home of the musical Murrays and is an uncle of the popular singer, Anne. He is now a retired teacher living in Toronto.

From the fledgling Nova Scotia Alpha have come some continentally famous men in the fields of medicine, law, science, the arts, commerce and government. Time after time, at their Christmas banquet head table in the

present Seymour St. Chapter House have sat the Lieutenant Governor of Nova Scotia, the Premier of Nova Scotia and the Mayor of Halifax.

The active chapter members under chairman Paul MacInnes have been busy for weeks working out a lively three-day program. A reception and registration will be held at the Hotel Nova Scotian the evening of Thursday March 20. The anniversary dinner on Friday will be followed by an old-fashioned singsong and dancing. Alumni meetings will be held Saturday morning when members of 50-year standing will be presented with the Golden Legion Award. Tours of the campus and the city have been arranged for visitors and sporting events have been planned at the new DALPLEX. (con't on page 2)

NOTICE OF ANNUAL MEETING

DATE: Thursday, May 8, 1980
TIME: 8:00 p.m.
PLACE: McInnes Room, Student Union Building

Reception - 6:00 p.m. Dinner - 6:30 p.m.
(Dinner tickets available at the door - \$8)

Representatives of classes '15, '20, '30, '40, '50, '60 and '70 are the special guests of the Alumni Association.

The **Dalhousie Alumni News** is the official publication of the Dalhousie Alumni Association. It is published two times a year as a supplement to the **University News** and in the summer in magazine format. It is produced by the Alumni Office, Dalhousie University, Halifax, N.S. with the assistance of the Information Office.

Tom Kent named Dean of Administrative Studies

The appointment of Tom Kent as Dean of Administrative Studies at Dalhousie University was announced in January by the president, Dr. Henry D. Hicks.

Dr. Hicks said Mr. Kent would assume the Deanship on July 1, succeeding Dr. A. Peter Ruderman, who is taking leave of absence to work in the health administration field with the Department of Health and Welfare in Ottawa.

"I am delighted that a man of Mr. Kent's broad experience in government and industry has agreed to join Dalhousie," said Dr. Hicks.

Mr. Kent, a native of England, obtained his BA, with first-class honours in philosophy, politics and economics, in 1941 from Oxford and his MA in 1950.

Mr. Kent moved to Canada in 1954 to become editor of the Free Press in Winnipeg, a post he held for five years before becoming vice-president of Chemcell Ltd., Montreal, the company then responsible for international operations of Celanese Corporation in Canada, Mexico, Venezuela and Colombia.

From 1961 Mr. Kent worked closely with Opposition Leader Lester B. Pearson and later was Policy Secretary to Mr. Pearson when he became Prime Minister, responsible for the co-ordination of government programming, and director of the special planning secretariat of the Privy Council Office.

In 1966 Mr. Kent was appointed deputy minister of Manpower and Immigration and, from 1968 to 1971, deputy minister of Regional Economic Expansion.

In 1971 he became president and chief executive officer of the Cape Breton Development Corporation, a post he held for six years before becoming president and chief executive officer of Sydney Steel Corporation, a post he left last year.

Mr. Kent has for some time been associated with Dalhousie University; as a member of the Council of the Institute of Public Affairs and a member of the advisory board to the School of Business Administration.

In addition he is president of T.W.K. Associated Consulting Ltd., senior adviser to H.B. Nickerson and Sons Ltd., a member of the board and chairman of the editorial board of the Institute for Research on Public Policy, a director of the Cape Breton Development Corporation, chairman of Cape Breton Lamb Ltd., a member of the board of governors of the Atlantic Provinces Economic Council, a member of the board of the Bell Institute of the College of Cape Breton, and a member of the board of the Atlantic Management Institute.

He was invested as an Officer of the Order of Canada last year.

Faculty News

Dr. Donald Drysdale Betts, professor of physics and former director of the Theoretical Physics Institute at the University of Alberta, has been appointed Dean of the Faculty of Arts and Science at Dalhousie University. The announcement was made by Dr. Henry D. Hicks, President of Dalhousie, in February.

Dr. Betts will assume the Deanship on July 1. He succeeds Dr. James Gray. Dr. Betts holds a BSc. Hon. '50 in physics and a MSc. in experimental physics from Dalhousie. He received his Ph.D. in mathematical physics from McGill University in 1955.

Dr. Kenneth T. Leffek has been reappointed Dean of the Faculty of Graduate Studies for a third term, the president, Dr. Henry D. Hicks, announced in January.

Dr. Leffek, whose new term is for five years, was first appointed Dean in 1972.

Professor Jim Hoyle, head of the undergraduate physical education division, has been appointed manager of the Canadian Canoe-Kayak White-Water Team. The two-year appointment involves sending the National Team to Europe this summer and to the World Championships in 1981, which are to be held in Wales.

Dr. Hugh William Jones has been appointed professor and director of the engineering-physics section of the university's Department of Physics.

Dr. Jones holds a BSc. degree in mathematics and physics and a Ph.D. in electrical engineering, all from London University.

Before joining Dalhousie in January, Dr. Jones was head of the Department of Electrical Engineering and Physical Electronics at Newcastle-Upon-Tyne Polytechnic in England.

Dr. Dwight Nance, formerly at UCLA and recently at the University of Southern Florida in Tampa, has taken an appointment as associate professor of anatomy at Dalhousie.

Dr. Nance's specialty is psychoneuro-endocrinology.

Dr. H.A. Robertson, Dalhousie pharmacologist with the Faculty of Medicine, has received a renewal grant of \$19,750 from the New York-based Guggenheim Foundation to study the neurochemical basis of emotional behavior in animal models.

The Guggenheim Foundation was established in 1929 and its resources are now used to study man's relation to man.

Dal Frat (con't from page 1) An old fashioned beer bash is scheduled for the McInnes Room with an Irish band providing music from 2 to 5 p.m. It will be open house at the fraternity on Sunday when Bringham Phillips and his Phi Boys will provide the entertainment.

The official history of Phi Delta Theta recounts that "1930 was a triumphant Canadian year for the fraternity, for in that year, with the S.S. Eastern Star, cruising through international waters of the Great Lakes," charters were granted to local chapters of Dalhousie and the Universities of Manitoba, Alberta, and British Columbia. McGill and the University of Toronto had obtained their charters previously.

Nova Scotia Alpha of Phi Delta Theta was born as "Corps Dalhousiana", a little group of Halifax Academy lads who had made fast friends with fellow freshmen and sophomores from Pictou, Cape Breton and other wellsprings of Dalhousie. They first met at the lodgings of **Dr. Walter C. "Fat" MacKenzie (B.Sc.'29, MDCM'33, LLD'66)** of Baddeck and **Adam C. Bell (B.Sc.'30, M.Sc.'31)** of New Glasgow, on Carleton Street. MacKenzie became Dean of Medicine, University of Alberta and was honoured by Dalhousie and the American College of Surgeons. Bell became a chemistry executive of Colgate, New Jersey. Both died recently.

Some of the early group included **Kenneth Matheson (BA'30, LLB'33)**, executive of the Fraser Companies, Edmunston, N.B.; **Victor Oland (BA'35)** who became Lieutenant Governor of Nova Scotia; **Alison Cumming (B.Sc.'30)**, retired President of Union Carbide; **Dr. Frederick McLellan (B.Sc.'29, MDCM'33)**, retired New York urologist who is coming from Florida for the reunion; **W. Graham Allen (BA'29)** of the C.B.C.; **Sanford W. "Barney" Archibald (B. Com.'31)**, retired President of Printolith Inc., New York who is Alumni Homecoming

Secretary; **Thomas Sedgewick, Q.C. (BA'29, LLB'31)** of Pictou; **George Robertson, Q.C. (BA'38, LLB'40)** of Halifax; **Alex Bagg (B. Com.'35)** retired Department of Transport official at the Toronto International Airport; **Dr. Hugh Chisholm (MDCM'41)** of Vancouver, B.C.; **Sydney G. Alexander (Dip. Pharm.'29, B.Sc.'31)**, retired pharmaceuticals executive with the Ayerst company who is coming "home" from St. Catharines, Ontario and **Donald A. Mahon (B. Com.'33)**, Halifax stationery entrepreneur.

Nova Scotia Alpha has always had strong representation in the political field. The two major party candidates in the Halifax riding in the February 18 election were ex-Premier **Gerald A. Regan (Lib.)** and **George Cooper (P.C.)**, both Phis. **Walter Fitzgerald, M.L.A.**, Alumni Chairman of the Homecoming is a leading contender for provincial Liberal Party Leadership.

Ralph "Kelly" Morton (BA'29, LLB'31), journalist, presented Dalhousie's petition for a charter to the General Fraternity Conference aboard the S.S. Eastern Star cruising the Great Lakes in 1930, along with petitioners of the three western universities. All petitions were granted, making Phi Delta Theta the largest international fraternity in Canada.

In approving the charter, George Banta Sr., first President of the General Council, told Morton that an attempt had been made 53 years previously to bring Phi Delta Theta to Nova Scotia. He said: "A Scot professor came to us from Dalhousie at a time when we were looking for desirable places to expand. So attached were we all to him that we asked him to go back to Dalhousie and establish a group of Phis. However, at that time it was impossible for him to interest enough to proceed. Now a half century later you New Scotlanders come seeking a charter. It is gladly granted and Nova Scotia Alpha of Phi Delta Theta is established 'ad maiorem gloriam patriae!'"

Learned Societies Conference 1981 gets Director

by Gina Wilkins

Dr. Renata Hedwig Kartsaklis has been named director of the Learned Societies Conference to be held at Dalhousie in May and June of 1981.

Dr. Kartsaklis, who hails from Bremen in the Federal Republic of Germany, comes to Dalhousie from the Neighbourhood Improvement Programs of the City of Halifax, where she acted as co-ordinator. A doctor of philosophy (Vienna), she has a broad range of experience in administrative and organizational roles.

As director of the Learned Societies Conference 1981, Dr. Kartsaklis is responsible for its complete organization, from room reservations to advertising to scheduling. She will be working with a steering committee made up of Dalhousie faculty and will depend mostly on the cooperative spirit of the Dalhousie community for assistance. A work force of about 40 people will be hired for the actual conference dates.

The Learned Societies of Canada is an organization of 110 scholarly and professional societies in the humanities and the social sciences, ranging in type from the traditional to esoteric. Each year, those who are able and interested hold their annual meetings on a single university campus.

The concept of holding all such meetings in one place and in conjunction with each other began in the 1940's, when the Canadian Historical Association and several other societies decided that it would be professionally and economically worthwhile to meet together. Many of the organizations which participate have overlapping memberships, so holding all the meetings in one location means a considerable saving of personal or institutional travel funds.

More than 70 subject or special interest organizations from across Canada are expected to participate in next year's huge academic gathering,

Dr. Renata Hedwig Kartsaklis

drawing in an estimated 6,000 participants from coast to coast. From 1,000 to 2,000 academics could be in Halifax on a given day.

The conference lasts for at least two weeks (duration depends on the number of societies participating), starting in late May.

Some of the organizations expected to take part in the annual meeting include: the Association of Canadian University Teachers of English, the Canadian Meteorological Society, the Society for the Study of Architecture in Canada, the Canadian Association of Latin American Studies, the Canadian Political Science Association, the Canadian Historical Association, the Canadian Theological Society, and many more.

The 1979 Learned Societies meeting was held in Saskatchewan. The 1980 conference will take place in Montreal.

According to Dr. Kartsaklis, her role is not only to draw learned Canadians to the conference, but to introduce them to Nova Scotia as well. "We have so much to offer here," she says, "I want to let people know about it." To this end, she intends to involve not just the Dalhousie community, but the citizens of Halifax and Nova Scotia also.

For further information on the conference, contact Dr. Kartsaklis at 424-7002.

Boston Alumni hold first meeting

After several years of silence, Dalhousie Alumni in the Boston area were given the opportunity to get together for a social evening.

Donald Shaw B.Com. '50, hosted the reception held on January 30 at Alumni Hall, Boston College.

Alumni guests, representing classes from the '30's, '40's, '50's, '60's, '70's and even 1920, had a chance to see the Association film, "There Stands Dalhousie". Prior to and after the film, alumni had time to speak with University President Henry D. Hicks. Association President Joel Jacobson, Director of Alumni Affairs Bruce Irwin and Assistant Director Colleen Khattar.

Plans are now being considered for future Boston meetings.

Pictured above at the Boston meeting are:

Front Row (Left to Right): Dr. Henry D. Hicks and Mrs. Olly Haystead Townsend LM'20.

Second Row (Left to Right): Donald Shaw '50, Mrs. Barbara (Bennett) Chittick, Mr. Stanley Chittick, Dr. Donald Murray MDCM'55, Mrs. Murray.

Third Row (Left to Right): Mrs. Anne (Hirsch) Morrison LLB'39, Dr. Jonathan Morrison MDCM'40, Linda (Magnusson) Henderson BA'67.

Fourth Row (Left to Right): Mary Keaveny BN'76, Joel Jacobson, Richard Henderson LLB'68.

Back Row (Left to Right): Joseph McCarthy BSc.'76 and Bruce Irwin.

(Not in the photo: Deborah Lowe BSc'78, Dr. Howard Lilienfeld MD'72 and Mrs. Lilienfeld.)

ATTENTION

Halifax-Dartmouth Area Alumni

The local area mailing list of the Alumni Association now nears 10,000 alumni. In past years, when the Association was holding a local alumni event, notices could be mailed to everyone at a minimal cost. Today, with our ever increasing numbers and cost of mailing, it is necessary to try to reduce mailing costs.

With that goal in mind, all Halifax-Dartmouth alumni who would like to receive special notices of local events, are requested to complete the coupon below and return it to the Alumni Office, Room 224, Dalhousie Student Union Building, Halifax, Nova Scotia, B3H 4J2.

All alumni will continue to receive the Dalhousie Alumni News.

Colleen Khattar
Editor

I wish to receive mailed notices of special alumni events in the Halifax-Dartmouth area.

Teaching Award

In 1980, the Dalhousie Alumni Association will be presenting its first Award for Teaching Excellence. It is hoped that by making this award, university teaching staff will strive for teaching excellence and thereby improve the quality of student learning.

Nominations for the award were solicited from alumni and students from October to the closing deadline, February 15. The many nominations have been turned over to the Selection Committee to study each nominee and make their selection.

The committee is made up of Chairman, Professor Arthur Foote and two alumni, two members of Senate and three members of Student Council.

The announcement of the winner and the award presentation will take place at the Alumni Association Annual Meeting and Dinner on Thursday, May 8, 1980.

Reunions 1980

The Reunion Program has been finalized and mailed to the members of this year's reunion classes. They are reminded to return their registration forms to the Alumni Office by April 23.

This year's program includes the Annual Meeting, President's Luncheon, Class Dinners, Lobster Party, Campus Tours, Building Tours, free time at DALPLEX and time for renewing old friendships.

Local alumni are strongly encouraged to attend the Annual Meeting and members of the reunion classes are asked to make a special effort to come and meet their classmates.

Reunions are a happy and exciting part of being a university alumnus, let Reunion '80 at Dalhousie prove it.

ELECTIONS 1980

Brian Flemming, Q.C., B.Sc. (St. Mary's), LL.B.'62, LL.M. (University of London), Dip. Int. Law (Hague Academy of International Law). Mr. Flemming has been active in numerous clubs and associations at the international, national and local levels. A former advisor to Prime Minister Trudeau (1976-79), he was recently elected the first president of the Dalhousie Law Alumni Association, founded January, 1980. Mr. Flemming has written and published extensively in the area of law and public policy.

David M. Mann, B.Com.'61, LL.B.'65, LL.M. (University of London), is presently a partner in the Halifax law firm of Cox, Downie, Nunn & Goodfellow. Mr. Mann is a present member of the Dalhousie Alumni Association Board of Directors and Alumni Representative on the Dalhousie Board of Governors. He is also a member of the Board of Governors of the Atlantic Economic Council.

Dr. John H. Quigley B.Sc.'46, M.D.C.M.'51, Dip Am. Bd. Ophth., F.R.C.S.(c) is a practising Ophthalmologist in the Halifax area. Dr. Quigley is a Past-President of the Canadian Ophthalmological Society and the Provincial Medical Board.

Dr. William D. Stanish M.D.'70, F.R.C.S. (c) is a practising Orthopaedic Surgeon in the Halifax area and instructor in the Dalhousie Medical School. A former captain of both the varsity hockey and football teams, Dr. Stanish was the recipient of several prestigious awards while at Dalhousie including the Climo Award, Malcolm Honour Award and the Gold "D" Award. Dr. Stanish is presently a member of the Dalhousie Board of Directors as well as several national and international medical societies and colleges. Dr. Stanish is the author of several articles and presentations.

Mrs. R.M. MacDonald (Marilyn Davies) B.A.'62, M.A.'65, journalist and broadcaster, is the Managing Editor of Atlantic Insight magazine. Mrs. MacDonald is a host interviewer on the C.B.C. T.V.'s Profile series and a commentator on C.B.C. Radio's Information Morning. She is a Past-President of the

Dalhousie Alumni Association and is currently Alumni Representative on the Board of Governors. Mrs. MacDonald is a member of the Board of Directors, Waterfront Development Corporation and a member of the Canadian Research Institute for the Advancement of Women.

Dr. Margaret M. Meagher, O.C., B.A.'32, M.A.'35, LL.D.'70, D.C.L. (h.c.) (St. F.X.U. and St. Mary's), is a retired Canadian Diplomat. Her former postings included: Canadian Ambassador to Israel, Austria and Sweden and Canada's High Commissioner to Cyprus, Kenya and Uganda. She was a former chairman of the Board of Governors of the International Atomic Energy Agency. Dr. Meagher was awarded the Order of Canada and in 1973-74 was appointed "Foreign Service Visitor" to Dalhousie and served in the Department of Political Science.

Mrs. H.D. Anderson (Pam Young) B.N.'69 is a Halifax homemaker and Child Care Worker. She is presently Chairwoman of the Dalhousie Alumni Association Program Committee and a member of the Women's Division executive. Mrs. Anderson is the area chairwoman (Basin Area) for the Salvation Army Red Shield Appeal.

Kenneth H. Campbell B.A.'70, B.Com.'77, an executive accountant with Nesbitt, Thomson and Bongard Inc., Halifax, is Life President of Class 1970. He served as a student representative on the Dalhousie Board of Governors and was active in student union management and programming.

Keith Dexter B.Com.'79, a recent graduate, is Section Manager-Sales for Procter and Gamble Inc. in the Halifax region. Mr. Dexter was instrumental in designing and carrying out an alumni survey done in the Halifax-Dartmouth area in 1979. He presented his documented report to the Board of Directors to help improve alumni programs.

Mrs. J. Duke (Janet Guildford) B.A.'67, Dip. in Atlantic Canada Studies (St. Mary's) is a Halifax homemaker and part-time student. A former radio copywriter and teacher, Mrs. Duke is presently a member of the Tower Road Co-operative Pre-school in Halifax.

Mrs. E.J. Flinn (Colette Young) B.A.'60, is a travel consultant in Halifax. Mrs. Flinn is a former member of the Board of Directors of Abbie Lane Hospital and former Vice-President of the Junior League of Halifax. She is Life Secretary of Class'60 and is presently helping with the program for her class' twentieth reunion.

Dr. John Hyndman M.D.'69, F.R.C.S. (c), is an orthopaedic surgeon at the Izaak Walton Killam Hospital for Children.

Thomas E. Lynch B.A.'67, is employed with J.D. Mack Investments Limited. A former varsity football player, Mr. Lynch is a member of the Canadian Progress Club.

Mrs. M.J. MacPherson (Barbara Carten) B.A.'65, M.S.W. (St. F.X.U.), is a social worker and social planner for the City of Halifax.

Kenneth M. Mounce B.Com.'56, is the Executive Director of the Nova Scotia Housing Commission. A former Student Union President (1957), he is a Governor of the C.P. Charitable Foundation and a Past National President for the Canadian Progress Club.

Douglas W. Quackenbush, B.Com.'69, LL.B.'73, is a partner in the law firm of Cochrane, Quackenbush & Thomson. Mr. Quackenbush is a former Dalhousie varsity hockey and football player.

David B. Ritcey B.A. (Hons.)'63, LL.B.'67 is a lawyer with the firm of McInnes, Cooper & Robertson in Halifax. He is presently the Treasurer of the Dalhousie Alumni Association.

Dr. Chester B. Stewart B.Sc.'36, M.D.C.M.'38, M.P.H., Doctor of P.H. (Johns Hopkins), F.R.C.P. (c), F.A.P.H.A., LL.D.'79, LL.D. (U.P.E.I.), D.Sc. (St. F.X.U.), Order of Canada 1972. Dr. Stewart, Professor Emeritus, is a past Dean of Medicine (1954-71) and Vice-President Health Sciences (1971-76). Dr. Stewart is a Past-President of the Canadian Public Health Association and the Association of Canadian Medical Colleges. Dr. Stewart is a member of numerous other organizations in medicine, education and research.

DALHOUSIE ALUMNI ASSOCIATION

ELECTION BALLOT 1980

Before April 24, 1980, examine the ballot printed below, clearly mark your choices and return your completed ballot to the Alumni and Fund Office, Room 224, Student Union Building, Dalhousie University, Halifax, Nova Scotia, B3H 4J2. Ballots received after April 24 will not be counted.

BOARD OF GOVERNORS 1980-1983	TWO to be elected:	
	(1) Brian N. Flemming, Q.C., LLB'62, LLM'64 (London University), BSC (St. Mary's)	
	(2) David M. Mann, BCom'61, LLB'65, LLM (London University)	
	(3) Dr. John H. Quigley, BSC'46, MD'51	
	(4) Dr. William D. Stanish, MD'70	
	ONE to be elected:	
	(1) Mrs. R. M. MacDonald (Marilyn Davies), BA'62, MA'65	
	(2) Dr. Margaret M. Meagher, QC, BA'32, MA'35, DCL'70, DCL (St. F.X.U. & St. Mary's), LLD'70	
BOARD OF DIRECTORS 1980-1982	SIX to be elected:	
	(1) Mrs. H. D. Anderson (Pamela Young), BN'69	
	(2) Kenneth H. Campbell, BA'70, BCom'77	
	(3) Keith E. Dexter, BCom'79	
	(4) Mrs. J. A. Duke (Janet Guildford), BA'67	
	(5) Mrs. E. J. Flinn (Colette Young), BA'60	
	(6) Dr. John Hyndman, MD'69	
	(7) Thomas E. Lynch, BA'67	
	(8) Mrs. M. J. MacPherson (Barbara Carten), BA'65, MSW (St. F.X.U.)	
	(9) Kenneth M. Mounce, BCom'56	
	(10) Douglas W. Quackenbush, LLB'73, BCom'69	
	(11) David B. Ritcey, BA'63, LLB'67	
	(12) Dr. Chester B. Stewart, BSC'36, MD'38, LLD'79, LLD (U. P.E.I.), DSC (St. F.X.U.), M.P.H. and Doctor of P.H. (Johns Hopkins)	

Message from the Alumni President

Another year is rapidly ending at Dalhousie University. It has been a busy period for the Dalhousie Alumni Association as we have presented several exciting programs for the Alumni, both in the Halifax area and in centres far afield.

In the local area, one of the most exciting times for Dalhousians was the opening of DALPLEX, our new magnificent sport, recreation and physical education complex. While most of us were at Dalhousie as students, we found the facilities inadequate for our needs. How many times were we playing intramural sports late in the nighttime hours because the facility could handle only one sport at a time? How many times did we wish the university had a pool where we could relax after a long day of classes or before a tough evening of study?

The facility is now here. It was opened officially October 19, 1979 and opened for general use by students, faculty, staff, alumni and the general community on December 3, 1979. Hundreds of alumni have used the facilities; hundreds more have toured the building oohing and aahing at its size, its versatility and its usefulness. There have been over 300 memberships to DALPLEX sold to alumni at what DALPLEX personnel have been told are more than reasonable rates.

Alumni in the metro area were given a special opportunity to see and use DALPLEX on February 24 during Alumni Open House at DALPLEX, sponsored by the Association.

Alumni from afar, when you are in Halifax, either at a reunion or on a visit to the old stompin' grounds, make sure you stop at DALPLEX.

There is even more building going on on campus. The new Dentistry building is nearing completion. A new ice arena will soon be under construction. The campus is growing by such leaps and bounds that those alumni who haven't visited the region in the last few years would hardly recognize Dalhousie. The Alumni Board of Directors during the past year. There were for Halifax area Dalhousians such as Intro Dal at which Alumni student oriented programs such as Intro Dal at which Alumni talked to high school students about the benefits of attending Dalhousie.

There was a Student Leadership Conference hosted by the Alumni Association at which leaders of student governments, clubs, societies and associations were enlightened on different areas of administration and guided through many methods of improving their operations.

The Alumni Board, last year, initiated plans for a Teaching Award to a professor deemed worthy of being honoured. This year's Board will present the first, in what we hope will be a long series of teaching awards.

The Program Committee of the Board, organized an Alumni Appreciation Night for alumni at the Dal Tigers hockey game at the Halifax Forum on February 20. The Women's Division was busy with its usually successful Coffee Party and a luncheon.

As President, I visited alumni in Ottawa and in Boston, talking about the university and showing slides of DALPLEX and our film, "There Stands Dalhousie."

The film has been circulated to many alumni branches and always brings nostalgia to the many, many people who see it.

The Alumni Association is YOUR Association. A survey taken last year by the Dalhousie Marketing Department, indicated the need for better communication between the Association and its members. We have tried to improve this during the current year and hopefully have been successful.

We want you to communicate with us. In this edition of the Alumni News, is enclosed a ballot for Board of Directors and for Board of Governors (page 4). Please take a moment to study the ballot and the backgrounds of the candidates. Make your selection, mark the ballot and please mail it to the Alumni Office. The administration of the Association is in your hands.

On Thursday, May 8, the Association will hold its Annual Meeting and Dinner. This is your opportunity to meet the Directors of the Association as well as the many Dalhousie alumni who will be travelling from Canada, the U.S. and Europe for their class reunions.

Sincerely,
Joel Jacobson, BCom. '63

Alumni Appreciation Night

Dr. Peter MacGregor MD'58, Linda (Large) Black BA'70 and Robert Stoddard were three of ten lucky winners at Alumni Appreciation Night, February 20. They won (left to right) a \$25 car rental certificate from Budget Rent-A-Car, dinner at the Newsroom and a one year DALPLEX membership.

The Dalhousie Tigers varsity hockey team moved into first place as they scored a 4 to 2 win over the St. Francis Xavier X-men on February 20. More than 200 alumni were in the Halifax Forum on game night to cheer the team to victory. Hockey tickets were free to all alumni and their families as the Alumni Association hosted their second annual Alumni Appreciation Night.

Doug Quackenbush, LLB'73, an ex-varsity football and hockey player and one of the organizers of the Tiger Club (a group of interested sport alumni), dropped the puck to start the game between Dalhousie and St. F.X.

During the game intermissions, several prizes were drawn for, courtesy of businesses in the area, as well as the university's Athletic Department and Arts Centre.

Following the game, a reception was held in the Blue Line Club for all alumni attending the game.

Alumni Appreciation Night has become one of the most popular events for alumni in the Halifax-Dartmouth area. It gives Dalhousians an opportunity to cheer for their Alma Mater and to get together with fellow alumni and friends.

Listed below are the prizes and the lucky winners:

- Autographed Dal Tigers Hockey Stick—Heather Shute, BPED'77
- Car for a weekend (Citadel Leasing)—Lynn Bryden, BSc'78
- 2 Bill Cosby tickets (Dal Arts Centre)—Leslie Snide
- CIAU Tickets (Athletic Department)—Bradley Davidson
- DALPLEX Membership (DALPLEX)—Robert Stoddard
- \$25 Car Rental Certificate (Budget Rent-A-Car)—Dr. Peter MacGregor, MDCM'58
- Dinner at the Newsroom—Mrs. Barrie Black (Linda Large, BA'70)
- Autographed Dal Tigers Hockey Stick—Nandish Yajnik, BSc.'77, BSc. Hons.'78
- \$50 Travel Certificate (Brooks Travel)—Frank Nightengale, BSc.'74
- 1980-81 Tigers Hockey Pass—Bradley Parsons
- Congratulations to the Tigers and all our winners.

Alumni

Open House at DALPLEX

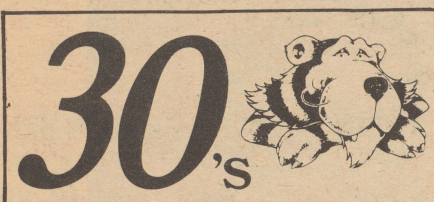

Alumni in the Halifax-Dartmouth area were given a special opportunity to tour and use the facilities of DALPLEX.

Alumni Open House was held on Sunday, February 24 at the new sports facility.

Many alumni and their families passed through the sportsplex's revolving doors to be greeted by members of the Association's Board of Directors and to be taken on tours of the building.

All facilities—pool, field house, courts, weight room, etc., were open for family participation. Special programs were scheduled for the younger family members, giving Mom and Dad time for a fast moving squash or racquetball game.

Memberships are available to alumni and their families at special alumni rates. For more information, please phone 902-424-2152 or write DALPLEX, South Street, Halifax.

'34...**Dr. Freeman K. Stewart**, BA, has been appointed to study and assess adult and continuing education in Nova Scotia.

'35...**Dr. Alice B. Hamilton**, BA, MA'36, was granted the title Professor Emeritus of English by the Senate of the University of Winnipeg in November, 1979.

People

Alumni who attended Dalhousie in the '40's, '50's and '60's, will be saddened to hear of the death in February, of Joseph L. Sweet of Halifax. Mr. Sweet's restaurant, "Joe's", was one of the popular meeting spots for Dalhousie students.
