Mrs. John Roberts

Waterford

Mr. Drinwiddie the Gentleman who delivers
you this, is a very particular friend of mine -
he means to continue sometime in Waterford
& as I know you can assist him - I beg leave
to recommend him to your notice -

Mr. Drinwiddie's Merit should entitle him to
every Countenance. I am sure he will give
much Satisfaction to his Hearers - & any favor
he receives shall be thankfully remembered

by your affectionate friend
