## COVER

The new Dalhousie Rink. The model photo shows the rink situated between LeMarchant Street and the playing field, the old rink site. The main entrance will be off LeMarchant Street. The rink is due to open in the spring of 1982. For the rink story see page 4, Jullian Beveridge Photo.

## Dalhousie Alumni Association Award for Teaching Excellence

Nominations are now being accepted for the **Alumni Award of Teaching Excellence**, presented to a Dalhousie professor who best displays the qualities of a knowledgeable, concerned and dedicated teacher.

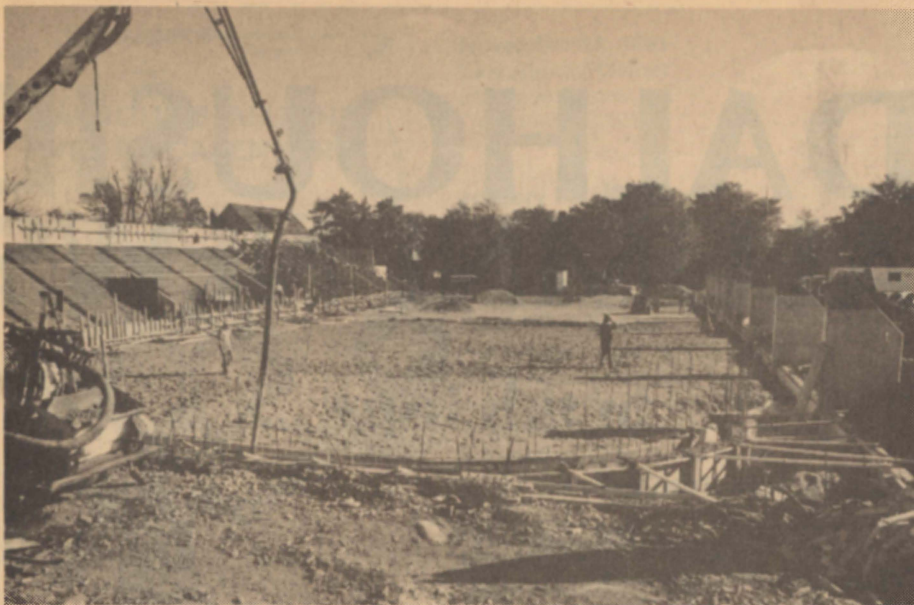

### You are invited to:

1. Nominate your candidate
2. Present the names of four other people who support your nomination.
3. Provide your reasons for making the nomination.

**Deadline for nominations 15 February 1982**

For further information contact the Alumni Office.

The workers are busy pouring concrete as the bleachers (left) and walls of the new rink start to take shape. Construction is on schedule and the opening is scheduled for the spring of 1982. (Beveridge Photo)

## 1978 Rink razed; 1982 Rink raised

by Joel Jacobson, B.Com. '63,  
Community Relations Manager, Dalplex

It was mid-evening Friday May 12, 1978. The flames licked skyward as the venerable Dalhousie Rink, erected in 1949 in memory of the Dalhousie students, faculty and staff who gave their lives for their country in World War II, was quickly decimated by fire.

All that was left on Saturday morning, as Dalhousie alumni, faculty, staff and students and South End community people gathered for a look, was a mass of twisted, smoldering steel.

THE RINK was gone.

It has taken four long years, but the NEW RINK is soon to be completed. In March 1982, should all go well, the rink will be ready for occupancy.

**Ken Bellemare, Director of Athletics**, recalls the fateful night. "I was attending the Physical Education and Recreational Students banquet and dance and had just left the Student Union Building. Someone told me the rink was on fire and I hustled right over. I could see the flames through the windows and within minutes, the flames were coming through the roof. It was an awesome yet mesmerizing sight."

Bellemare continued, "Our biggest concern was the embers going to the Phys Ed Building (Arts Annex). Staff was called to remove valuable papers and books to the Faculty Club. We checked the Old Gym and saw flames licking at the windows of the offices. It was amazing that the door

between the gym and the rink was charred on the rink side but the paint still remained on the gym side because the firemen continually sprayed it with water. It was the last bastion of defense in saving the Old Gym." With the old rink gone, first thoughts were replacement. **Jim Sykes, University Planner**, was on hand the night of the fire. "During the time of the fire, I stood with people talking about the relocation of the Rink. Dalplex was under construction and we were debating whether the rink would be best situated in the Dalplex parking lot, nearer the SUB or in the old location."

After much study and soul-searching, the old location was decided as the best spot. Sykes was not thrilled because he felt field expansion would be cramped. There were proposals that the rink be built where the Arts Annex is located and down the bank toward the field. Dalplex parking lot, of course, was suggested but was felt unsuitable because of the difficulties in placing the athletic complex originally.

Finally the decision was made to place it in the old location with a different look. Design work was begun. **Dr. Henry Hicks**, President of Dalhousie at the time, had visited University of Maine at Orono and was impressed with its rink design. Daniel Tully and Associates, designers of that structure, were called from their Cambridge, Mass. office and prepared drawings of a Dalhousie Rink proposal.

Burt Barteaux, the architect who had labored so long with Dalplex, was hired to work with Tully and their joint venture began.

There have been the usual building problems — budgets, starting delays — but since construction started in May 1981, the project has been on schedule and the Rink is due for opening in late spring 1982. The Dalhousie Tigers hockey club will make its first appearance in Fall 1982 but the Rink will get considerable use in late spring and summer.

**Ted Brown, Chairman of the Building and Grounds Committee** of the Board of Governors of the University, sees many uses of the new facility. "It is a sorely needed recreational facility. It will be used for varsity play also for interfac hockey and broomball, student, faculty and staff skating, and for public skating. There will be rental time available as well. The rink will get the same heavy use the old one did."

Brown is excited about the look of the Rink. "It will face on LeMarchant Street instead of South as previously. The roof design is unique. It is a series of 32 hyperbolic paraboloid wood shells on laminated wood beams. It is a combination of structure and aesthetics."

According to Sykes, who has seen many, "It is one of the best rinks in which I have ever been."

There are many economies being shown in the new rink. The changing rooms will be located in the Old Gym, as the two buildings will be connected. There will be no insulation and there will be dehumidification but not air conditioning. However, the concrete floor will be heated so exams may be written in the rink during the winter. Other exterior finishes and interior finishes have been cut back because of budget restrictions.

"The Rink will cost about \$2.2 million," says Sykes. "Of that amount, one million dollars is coming from insurance, 80% of the balance is supplied from government funding (provincial) and the University is responsible for the remainder (about \$250,000)."

There will be seating for about 1500 spectators, which is a disappointment to many university people who feel a winning hockey team will draw many more than that. However, the Forum and Metro Centre are there with larger capacities for major games.

One Dalhousie alumnus is heavily involved with the construction. **Peter Corkum of H.W. Corkum Limited** is construction manager. Peter played football and hockey for Dal in the late '50's and early '60's. He has worked closely with Tully and Barteaux to bring the building in on time. It looks like he will hit the target.

## Women's Division

by Marie Dee, Lic.Mus. '49,

A luncheon was held at Shirreff Hall on Saturday, September 26, 1981. The purpose of this luncheon was to present the prizes and scholarships to candidates chosen as winners.

During the luncheon Dr. Donna Curry addressed the alumnae and reminded them of the Women's Alumnae Night to be held on October 17, 1981 at Dalplex. She encouraged alumnae to come and participate in swimming, tennis, squash or any game.

Mrs. Muriel Duxbury, Honorary President, of the division spoke and thanked the Women's Alumnae for her appointment as Honorary President.

Jamie McLeod, the Chairman of the Raffle Committee, spoke about the Coffee Party and Sale and the raffle (a weekend for two at Old Orchard Inn) which is to raise money for Women's Division scholarships and prizes.

Louise Calder represented the Junior League in explaining their project called "Extra Support for Parents" which is a volunteer program based at the Grace Maternity Hospital. The purpose of this program is to provide support for several categories of new mothers: family new to the area; single parent - multi problem case; and the miscellaneous category who just need help adjusting to the new situation. There is a training session for this program and those interested may call the Grace Maternity Hospital to establish contact.

**Shirreff Hall** - Shirreff Hall and its gracious Victorian Lounge is being used more and more for specialized functions. These functions also involve the use of silver services and candlesticks. At present there are two silver services at Shirreff Hall which are pressed into use with great regularity. If any member of the Alumni has a silver service or candlesticks which they are wondering what to do with, they would certainly be appreciated by the University if they were donated to the Hall. If anyone is in a position to do this, please contact Miss Christine Irvine, Dean of Women, Shirreff Hall. (424-2577)

**Dr. Enid MacLeod, Chairwoman of the Women's Division Scholarship Committee, awarded prizes to (left to right): Jo-Anne Matheson, \$200 bursary; Brenda Beagan, \$750 entrance scholarship and Louise Harrington, \$750 entrance scholarship. (Castle Photo). Other prize winners were Susan Rubin, Commerce Medal; Blanche Vienneau, French Medal; Evangella Moutoulas, English Medal and Lynn Davis, 1980 English Medal.**

## Dalhousie joins Mindpower campaign

by Roselle Green, B.A. '59, M.A. '63, D.P.A. '73,

That's the Canadian theme of a North American campaign launched in October to focus public attention on the contribution higher education makes to society and to encourage public commitment to education.

The mindpower campaign has been organized by the Council for Advancement and Support of Education (CASE), a professional organization of people working in external relations in universities and colleges in the U.S., Canada and overseas.

The campaign will involve at least 1,000 institutions throughout North America, and it will be the first time that Canadian institutions have joined together to mount a national campaign for higher education.

There will be a national media campaign, using television, radio and print advertising, promoting the Canada's Energy is Mindpower theme.

At the University of Toronto, for example, the mindpower theme is being tied in with up-coming events - an alumni homecoming, a humanities media tour and anniversary celebrations.

Departments at Dalhousie are being encouraged to use the mindpower campaign theme for their seminars, conferences, forums and special events. The Information Office has offered to assist in any activities departments wish to undertake.

The Canadian campaign will culminate with an international higher education day celebration in July when the CASE assembly meets in Toronto.

Make  
higher education  
your priority.

**CANADA'S  
ENERGY IS  
MINDPOWER**

(Rink continued from page 4)

Bellemare, who has been under pressure from all sides for ice time through his Athletics and Recreation Services Department, will be happy to see the doors open. "It is exciting to know we'll have our own facility again. The makeshift arrangement of finding ice wherever we could has been tough on everyone — from varsity to intramural — and has eliminated recreational skating. Our hockey team

has done well in the four years we've been without the facility and, in fact, we finished first in the Conference in our first year without our own rink. But it will mean added spirit on campus as the students find it easier to get to our own rink and will bring back many alumni because it will be the DALHOUSIE rink."

Brown estimated the building may come in about \$200,000 over budget but feels

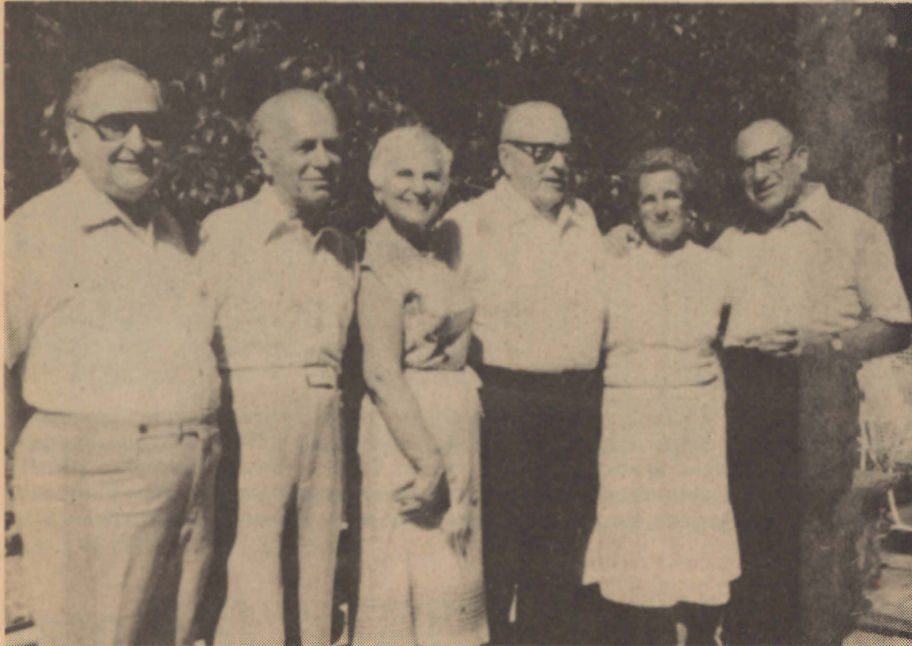

the money can be raised somewhere. "We cut as much as we could and wouldn't permit the reduction of size of the building any further. We did that at Dalplex and it was a mistake. We'll build in the space we want and finish it later if necessary."

It will soon be mid-evening in March 1982. The lights will be glowing, the hiss of skates will be heard over the clean white ice, and the Dalhousie Rink will again be in operation.

## New York

by Doris Marshall Harris, D.D.S. '56,

Dalhousie alumni shown enjoying the sunshine during the New York Club's annual summer reunion are (left to right): Dr. Irvin Deutsch, B.Sc. '34, M.D.C.M. '38, Dr. Harold Davis, M.D.C.M. '37, Mrs. Deutsch, Mr. J. Ralph MacLean, Arts '25, Mrs. Rosenberg and Dr. Sam Rosenberg, M.D.C.M. '38. (Harris Photo)

Shown at the Moncton meeting are (left to right): Reuben Cohen, B.A. '42, LL.B. '44; Lori Abbass, B.A. '80; John Bird, Commerce '80; Burnette Milton, Dip.Teach.I '58; Jennie Grant, B.A. '17; Sudy Clark, B.A. '65, B.Ed. '67 and President W. Andrew MacKay. (Dayton Photo)

On a lovely summer Saturday, June 27th, the Dalhousie Club of New York held its annual summer reunion in Old Greenwich, Connecticut. Honorary President Dr. Ross McLeod, B.A., '19, LL.D. '76, and Mrs. McLeod hosted the reunion at their home.

There were 26 guests, plus children and grandchildren who, along with the friendly dog of the McLeod household, had an active and exuberant time in the pool.

Among the guests attending were: Dr. Larry Ballet from Albany, N.Y., **Dr. Sam Rosenberg, M.D.C.M. '38**, and Mrs. Rosenberg, formerly of New York and now from Florida, **Dr. Harold Davis, M.D.C.M. '37**, and Mrs. Davis from Bergenfield, New Jersey, **Dr. Joan Casey, B.A. '48, M.Sc. '61, M.D. '66**, of New York and **Dr. Mary MacKay, M.D. '60** and her sister Catherine MacKay of Nyack, New York.

During the reunion two birthdays were celebrated and best wishes were expressed to **Dr. Anna Laing, M.D.C.M. '22**, and hostess Mrs. Ross McLeod.

Members of the Club are asked to note that the Annual Dinner and Meeting will be held November 14, 1981 at the Inwood Manor in Teaneck, New Jersey. Dr. W. Andrew MacKay, President of Dalhousie University and Mrs. MacKay will attend.

At the end of the enjoyable day, thanks were extended to Club President, Dr. Dorothy Saffron, B.A. '40, M.D.C.M. '57, and Secretary-Treasurer J. Ralph MacLean, Esq., Arts '25, who helped organize the event.

## Moncton

An excellent turnout of alumni gathered at the Beaver Curling Club on October 27 in Moncton to meet and greet President W. Andrew MacKay and Mrs. MacKay. It was the first alumni gathering in that area in over 10 years.

Local organizer **Mrs. Irving Milton (Burnette Orechia, Diploma in Teaching '58)** welcomed the alumni and other special guests Alumni President Dr. Donna Curry, Alumni Vice-President Dr. Chester B. Stewart, Director of Alumni Affairs Bruce Irwin and Assistant Director Colleen Khat-tar-Ernest.

**Reuben Cohen, B.A. '42, LL.B. '44**, introduced Dr. MacKay, who addressed the gathering bringing greetings from the University and bringing alumni up to date on University affairs. Alumni President Dr. Donna Curry also addressed the group.

The association film "There Stands Dalhousie" was shown to an enthusiastic audience. It was the film's premiere showing in the area.

## Third Leadership Conference

Over 40 societies registered for the third annual Leadership Conference held on Saturday October 24 in the Student Union Building.

Leaders from various student societies had the opportunity to attend sessions on Finance, Promotion, S.U.B. Operations as well as three new sessions, Ombudsman, Student Federation Information and Sports/Entertainment.

The keynote address was given by G. E. C. "Ted" Brown, Dalhousie Dip. Eng. 1962, Dalhousie B. Sc. 1962, N. S. Technical College, B. Arch. '67, past president of the Alumni Association and currently a member of the Board of Governors. Ted emphasized to the students how "character building" their student days are and how important their involvement in student activity is, "...after you have been out of university for a number of years you forget a great deal of the courses you have taken, but you have learned a way of thinking and of dealing with problems and solving problems;" In closing the students were encouraged to become involved and take that involvement seriously as they, as well as those they represent, will benefit from it now and down the road.

## Success = Dal Athletics

by Joel Jacobson, B.Com. '63,  
Community Relations Manager, Dalplex

"Success" is a seven letter word that only a few can claim to describe their accomplishments. Dalhousie Tigers are fortunate to have many members of the coaching staff who can use the word with regularity to draw attention to what they have done.

Take **Nancy Tokaryk**, the field hockey coach. Only three Eastern Division titles in her three years coaching at Dal. One trip to the CIAU's; one AUAA title and a record of unqualified success — 31-1-2 in league competition as of late October 1981.

**Terry MacDonald**, soccer coach, won an AUAA championship as a sabbatical replacement in 1969, took the Tigers to a 6-0-4 record last season and is contending for the league title this year.

**Carolyn Savoy**, women's basketball coach, has taken her Tigers to the CIAU final in 1980, has won 63 and lost but nine regular season AUAA title, two undefeated seasons — quite a record. — quite a record.

**Lols MacGregor**, women's volleyball coach, a proven winner with the enviable record of a couple of AUAA titles and many local league championships at the head of the Tigers, continues to build the game at Dal.

**Al Scott**, now in his third year with the Tigers as men's volleyball coach, is seeking his third consecutive AUAA title and third straight trip to the CIAU's. Success — you bet.

(continued on page 8)

**Peter Esdale**, head man of Tiger hockey, came from a winning program at Alberta and has continued the tradition here. A successful season in 1980-81 finishing second in the AUAA to national champion Moncton, has blossomed into what should be a super season in 1981-82.

**Doc Ryan**, is on the threshold of success with the men's basketball team. The Tigers are ready to get back into playoff contention in the AUAA and after that? Who knows?

**David Fry** starts his first year as swim coach replacing sabbatically absent Nigel Kemp who painted a dramatic picture of success at Dal. Fry inherits a strong team and should contend for AUAA and CIAU honors.

Add **Al Yarr** (track and cross country) and **Greg Wilson** (wrestling) two men who have strong reputations as coach (Yarr) and athlete (Wilson) and the Tiger picture is indeed a bright one.

"Success" — a word that is almost synonymous with Dalhousie athletics.

## Library Alumni welcome new students

by **Cyndi Murphy, B.A. '78, M.L.S. '80,**

The Associated Alumni of the Dalhousie School of Library Services held a wine and cheese reception on September 11 in the Arts Centre, welcoming the new students to library school. An annual event,

held during the school's week of orientation, the reception provides an opportunity for students, both new and returning, faculty and alumni to meet and chat informally. Guests of honour at this year's reception were Dr. Donna Curry, President of the Dalhousie University Alumni Board of Directors and Mr. Bruce Irwin, Director of Alumni Affairs.

## Elderhostel at Dalhousie

Elderhostel is an exciting new programme that last summer was offered at 450 universities - including Dalhousie - in Canada and the U.S. In 1982 for a set price of \$150, persons over 60 years of age may attend a week-long, in-residence, university-level educational and social programme. No pre-requisites or examinations are required - only curiosity and enthusiasm. Senior Dalhousie alumni and their friends will find **Elderhostel** an intriguing and social development.
