TWO CONVOCATIONS HELD

SIR JAMES DUNN DAY CELEBRATED

by Don Grant

Sir James Dunn believed that the development opportunities of the century lay not in the West, as was the popular opinion, but in the East. Lord Beaverbrook told guests at a special convocation for the laying of the cornerstone of the Sir James Dunn Science Building last Wednesday, that Sir James would use these opportunities, and used them in ample measure.

Dean Weldon, famous dean of the Law School, wrote of student Dunn in February, 1897:

"This certifies that James M. Dunn is a student in the Dalhousie Law school having attended lectures during two years—that so far he has taken the highest rank of the students of his class at the sessional examination, that he has been assistant librarian in the law school during the present year. He will be found to possess excellent ability, and will be, I believe, energetic and faithful in the discharge of duties assigned to him."

Paying tribute to Sir James, Lord Beaverbrook compared him with George Bernard Shaw, both possessing wit and humor, both gay, fun-loving rebels and both loving England—"but refusing to surrender to the English." Sir James never failed to declare himself a good North American; and it was in North America that he built his monument.

Following the Convocation, the symbolic laying of the cornerstone took place. Lady Dunn performed the ceremony, after which the stone was pronounced "well and truly laid" by the building contractor. Some 500 students and alumni witnessed the ceremony.

The festivities of the day were concluded with a formal dance.

The Rt. Hon. C. D. Howe, Chancellor of Dalhousie University, and Mrs. Howe were hosts at one of the most enjoyable balls the campus has experienced. The Sir James Dunn Ball, held in honor of Sir James' birthday, was exceptionally well attended. The impressive list of guests included Lady Dunn, The Rt. Hon. C. D. Howe and Mrs. Howe, President A. E. Kerr and Mrs. Kerr.

Among the highlights of the evening was the presentation to Lady Dunn of a gold "D" (Dalhousie students' highest award). Dave Matheson, president of the Council, gave the presentation speech as Joan Herman, vice-president, made the actual presentation.

Lady Dunn is seen laying the cornerstone of the new Sir James Dunn Science Building following the special convocation on Wednesday, October 29.

Sir James Dunn Foundation Grants Seven Scholarships

President A. E. Kerr announced Saturday afternoon, at the Law School's 75th Anniversary Convocation, the giving of seven \$1,500 scholarships a year to Dalhousie Law School by the Sir James Dunn Foundation. A fund also has been set up by the Foundation to provide for a permanent librarian and cataloguer for the Law library. These gifts represent more than \$1,000,00 in invested interests and it is appropriate that such a gift should be announced on this memorable occasion.

Council Reviews Pepcats, Advertising, Dal Directory

The Council of Students Monday took a close look at the Pepcats organization, the Dal Students' Directory, the 1959 Pharos and the Dalhousie Advertising Bureau, in a meeting filled with detailed committee work.

Dave Fox reported that material for the Directory—soon to be published—has been compiled by Editor Dave Bogart, and that advertising for the publication is near completion. He cited reasons why the Advertising Bureau has been slow getting under way, but added that his heavily-worked staff was now approaching its advertising goal for the year.

Editor Hugh Gorham of Pharos submitted a cover design bearing

the symbolic lighthouse upon a gold background, for the '59 yearbook. Layout of the book will be done by professionals, he stated, and it will be published by May 15.

Springhill contributions from NFCUS organizations all over Canada have been received by Gary Homer, chairman of the Dalhousie organization.

Gregor Murray, head Pepeat, was grilled about the club's activities; he reported megaphones, new skirts,

sweaters and crests for cheerleaders on order. The Council suggested that male cheerleaders be introduced, fraternities be approached to encourage blocks of spirit, the centre reserve section of the football stands be given to students, and that there be more and better pep rallies.

The Council also set up a committee to revise its constitution, as well as a Student Union Building committee to investigate plans for the structure.

Bonnie Murray spoke briefly on the plans of FROS—Friendly Relations with Overseas Students—for the year.

The Council accepted the appointment of Dave Thomas as rink manager; appointed John Stewart to its executive committee, replacing retired Councillor Stu Mackinnon; and expressed a hope that Sunday skating for students will soon be realized.

Seven Honoured By Law School

by Peter Green

A special Convocation in honour of the seventy-fifth anniversary of the founding of the Dalhousie Law School, was held on Saturday afternoon in Room 21, with Chancellor the Rt. Hon. C. D. Howe presiding.

The address of welcome was given by President Kerr, an address which included his electrifying announcement of Sir James Dunn Foundation scholarships to be given to Law students.

Seven honorary Doctors of Law degrees were conferred at the Convocation. Five of those receiving degrees were present—two degrees were conferred "in absentia". Receiving degrees were:

The Hon. C. J. Burchell, who has this year been honored by election as the first honorary President in the history of the Nova Scotia Barrister's Society.

The Hon. Mr. Justice William O. Douglas, who has attained eminence as a teacher of law, world traveller, author and Judge of the Supreme Court of the United States.

Dr. A. L. Goodhart, who was for many years Professor of Jurisprudence at Oxford, and is now Master of University College. Canadians know him as an Editor of the Law Quarterly Review.

Michael Gratton O'Leary, who has been recognized as one of the ten leading Canadian Journalists since Confederation. He is the Dean of Parliamentary Press gallery reporters, and President of the Ottawa Journal organization.

Professor F. R. Scott is an outstanding member of the Faculty of Law of McGill University, where he now holds the MacDonald chair. He was instrumental in the founding of the Association of Canadian Law Teachers.

The two degrees granted "in absentia" were to Judge A. W. Bennett, and Dean J. D. Falconbridge. Judge Bennett was the first person to receive the degree of Bachelor of Laws of Dalhousie University. His name appears first among the graduating class of 1885. He served as Judge of the County Court for Westmoreland County. Dean Falconbridge was Dean of Osgood Hall Law School, from 1824-1948, and is now Dean Emeritus of that school.

The Convocation was addressed by Dr. Scott, who spoke learnedly and penetratingly on "The Function of Lawyers in the Protection of Civil Liberties".

The Students' Health Service has obtained a limited amount of influenza vaccine for the purpose of immunizing Dalhousie students against the malady. The Dalhousie Public Health Clinic will be open to Dalhousie students on Saturday morning, Nov. 8th, from 9 a.m. until 12 noon.

King's and Us

Our university may be unique in Canada, because of our relationship with another college which borders upon ours, yet which is to a great extent a separate and distinct seat of learning. Few Dalhousians today know and understand the connection of the University of King's College with Dalhousie.

What, then, is the history of King's, and whence stems the aura of mystery surrounding its origin upon our campus?

King's College was founded in 1790 at Windsor, Nova Scotia. After 130 years of faithful service, the buildings at Windsor were destroyed by fire in 1920. It was at this time that fate, in the form of the Carnegie Foundation of New York, stepped in. The Corporation, which had done much to further higher education in the United States, wished to aid the weaker colleges in the Maritimes, if in some way it could co-ordinate them. So arose the idea of a federation of universities in the Maritimes; and this scheme of centralized education was to be fulfilled at Halifax.

Accordingly, the Corporation offered King's College a \$600,000 endowment if she would move to Halifax and become associated with Dalhousie. King's officials for a time balked at this, but it soon became apparent that association with Dalhousie was better than slow dissipation at Windsor. Since it was found not practicable to bring other colleges into the scheme at the time, King's agreed to associate with Dalhousie as a step toward the new federation. In 1923, committees from both colleges met and deliberated over clauses of association. These are the basic fundamentals upon which rested the Dalhousie - King's agreement:

- (1) The independence of both colleges in self-administration would be recognized.
- (2) "Duplication of effort" was to be avoided by placing the separate colleges under one institution of learning.
- (3) Dalhousie would grant to King's, for building purposes, a tract of campus land not exceeding five acres.
- (4) That King's would hold and administer all its present funds. King's, on her part of the agreement, would:
 - (1) Instruct in courses in Divinity, and in Arts and Science; but could only grant degrees in Divinity or other course not taught at Dalhousie.
 - (2) Transfer to Dalhousie her library collections, as well as her scientific apparatus and collections.
 - (3) Reserve appointment of instructors in all courses except Divinity for approval by the Dalhousie Board of Governors.

It may be seen that from this agreement King's has gained certain advantages, but she has given up some of her privileges as well. Dalhousie has, from the first, indicated her willingness to go more than half way in the extension of her facilities. This idea of an equitable and fair agreement was applauded then, and we hope it will remain.

If this was the spirit in which the original agreement was drawn up, we approve that spirit. But it is nevertheless probable that over the years various discrepancies in the agreement may have arisen, and certain distortions may have appeared. If it is for this reason, and in this spirit, that the committee recently appointed by the Dalhousie Council of Students undertakes to review aspects of the agreement, we give it our hearty endorsement.

Something in Common

LETTER TO THE EDITOR

Re: Alleged Apathy

Physics Department,
Science Building,
Dalhousie University
October 28, 1958.

Editor-in-Chief
The Dalhousie Gazette,
Dalhousie University.

Dear Miss Bell:
re: alleged apathy, etc.
A certain farmer conditioned his pigs to come to food upon his pounding a hollow log. All went well, until a group of woodpeckers moved into a nearby woodlot. In the resulting melee the pigs died of exertion. What began as a practical improvement became complete waste.

Similarly (well, almost) many of our students are interested in adding to the vigor of our campus life with positive suggestions. They shouldn't have to wear themselves out perusing the specific complaints of a few thwarted "disturbers." I am here alluding to the nausea contributed by "Individuals" and "Disgusted."

In answer, may I remark that if "Individualist" wishes to hoist himself out of the haze of apathy and conformity, suppose he begin by providing himself with the honest individuality of a name! If "Disgusted" desires attention, perhaps he, too, might stand up to be seen.

As for their desire for some "angry young men," I hope that they realize that most of the bloody upheavals in the present world are being conducted and supported by just such types. As citizens of a nation which has won independence and respect by personal achievement, united effort and cultural maturity, rather than hot-headed nationalism, "Individualist" and "Disgusted" should realize that these same "angry young men" would be much happier and come closer to their goals if they would open their eyes, close their mouths and become "busy young men". If it is "busy young men" that they seek, I refer them to the department of Chemistry, Dentistry, Engineering, Law, Mathematics, Medicine and Physics. When a beaver slaps his tail, there is usually a reason for the noise.

Please accept my compliments on a fine publication, I remain,

Optimistically yours,
Normal Paul Patterson.

Editorial Comment

Anything New?

Reprinted from The McGill Daily

We heard once of an eccentric journalist who insisted that the word "news" was a plural noun and should be treated as such. It was his custom to saunter into a newsroom and demand of the staff, "Are there any news?"

We ask ourselves that question often. We wander into committee meetings, we listen to speeches, we watch football games. But few news do we find.

After scouring the campus in search of a germinal seed, a promise of change, some dark iconoclast to tear away the veil, we find only hesitant spokesmen, people studying, and quiet couples, talking over coffee. In headlines like "Founder's Day Observed", and "SEC Prunes Budget, we record the march of time.

It's laziness, of course. We're like the drunk who looked for his money under the streetlight—not because he'd dropped it there, but because it was the only place he could see. So we report meetings, announcements, results—not because they're vital or significant, but because they're tangible and easy to report.

Perhaps those are the news of this era—that people work hard and have fun and live their lives without benefit of goldfish swallowing and noisy proclamations. And we say their opinion is good. But while news like these might foreshadow a saner, happier future, they make for awfully dull reading in the present.

So wearily we plod back to our office, to watch our index finger poking out the unpretentious word for Wednesday morning:
Not a damn new!

Student Union Building Investigation Under Way

The Dalhousie Council of Students has set up a committee to study the feasibility of building a Students' Union Building on the campus. Its duties will lie in continuing the work of last year's committee, which presented an extensive report in February. The committee will also make a survey of the students on the campus, to learn what they might recommend for such a building.

Of the questions discussed by the committee, the most important will be financing. The Council has set up a \$15,000 fund for a permanent Union Building, but this is just a small start. The committee will continue to confer with the University as to the means of financing, the architectural design and location of the building and the amount of council contributions. One suggestion at present is that the building be located between the Studley and Forrest campi.

It has been suggested that the old Men's Residence be used as a temporary Union Building. If this were the case a decision would have to be taken as to the use of the building, its financing and the essential functions it would perform. Last year's committee reported that if this building were to be used, only a bare minimum should be invested in it, so that more money could be set aside for a permanent Union Building.

Actors Prepare For Connolly Shield

More plays are being entered this year in the Connolly Shield Competition than have been for the past five years. The competitor's purpose is primarily to promote the development of young actors and actresses, who have been unable, either through time or circumstances, to enter the main dramatic presentation of the year. At present, ten plays are on the agenda, and Julia Gosling, DGDS President, hopes that still more will be performed.

On November 17, 18, 19, plays from King's, Education, the Junior class, Delta Gamma, Law, Arts and Science, Pi Beta Phi, and three entries from DGDS will be presented. Although an adjudicator has not yet been chosen, an announcement concerning one is expected shortly.

The adjudication will be made and the winners announced on the last night of the competition, although the awards will not be presented until Munro Day. In previous years, since the plays were performed after Christmas, the announcement of the winners was not made until Munro Day.

Last year five plays were presented, the winners being:

- Best Play—Education
- Best Actress—Carol Clarke
- Best Actor—Paul Rouleau

There are still some entries for the plays that have not yet been received. Julia Gosling has requested that these be given to her as soon as possible, in order that plans for the program may be made.

BELL AND REBIN TO MCGILL CONFERENCE

The second McGill Conference on World Affairs, a meet which last year proved a great success, will be held this year from November 12th to 15th.

Two noted Dalhousians—one of them an exchange student from Saskatchewan—will represent our University: Judy Bell and Norm Rebin have been chosen by a faculty-student committee.

The subject of this year's conference will be Canada's Relations with the United States. The opening address of the conference will be delivered by Professor Edgar McInnes, President of the Canadian Institute of International Affairs.

During the mornings and afternoons of Thursday and Friday, November 13 and 14, the student delegates, from Canadian and American universities, will meet in round table discussion groups, to consider the subject of the conference in its political, economic, military and cultural aspects.

The Honorable Frank M. Coffin, a member of the House of Representatives of the United States, will deliver the closing address of the conference.

Upon their return, the Dalhousie delegates will organize and head a Foreign Affairs Club on the campus, which promises to be a very interesting venture.

EXPORT "A"
 FILTER TIP
CIGARETTES

Around the Campus

Classes will not meet on Remembrance Day, Tuesday, November 11.

The Students' Health Service has a limited amount of influenza vaccine which will be used to immunize Dalhousie students without charge on a "first come, first served" basis on Saturday morning, November 8, from 9 a.m. until 12 noon at the Students' Health Service Rooms, Dalhousie Public Health Clinic.

All interested students are invited to attend the Moot Court trial of the issue John Diefenbaker Bentley versus The W. E. Goodfellow Corporation before their Lordships McQuarrie, C.J., Wiggs, J., and Sigsworth, J. The opposing senior Counsel will be those leading legal lights, Murray Fraser, Q.C. and Bud Kimball, Q.C. Also participating will be junior counsel Dave Matheson, Stu McInness and Paul Creaghan. The time of the trial is 2:30 p.m. in Room 44, Arts and Administration Building, on the 5th of November.

If prospective graduates wish to have their own biographies written by themselves or a friend, Pharos editor Hugh Gorham asks that these be turned into the Pharos Office by November 23. The biographies should contain name, hometown, degree to be conferred, schools previously attended, sports participation while at Dal, activities on and off campus, future intentions, personal characteristics. They should be as brief as possible (not more than 60 words). Prospective graduates are urged to turn in these biographies as soon as possible so that a decision may be reached on which biographies the Pharos staff will have to write.

The Rink Canteen will be operated this year by Butsy O'Brien with the help of Pi Beta Phi Fraternity.

Don't forget to give blood. Remember the times: Wednesday and Thursday from 11:30 a.m. to 2:30; Wednesday and Thursday from 4:30 to 5:30 and on Wednesday only from 7 to 8 p.m.

The 1958 edition of "Higher Education in the United Kingdom" is now available to students. This book contains general information on scholarships, cost of study and residence, admission requirements, and addresses of universities in the United Kingdom. Copies may be obtained by sending \$1.00 to The Association of Universities of the British Commonwealth, 36, Gordon Square, London, W.C. 1, England.

On Thursday, Friday and Saturday, November 6, 7 and 8, the Dalhousie Glee and Dramatic Society will present "The Hidden River" in the gym.

The Shirreff Hall Formal will be held on Thursday, November 13.

The American College Poetry Society has announced that an anthology of outstanding poetry composed by students in American and Canadian colleges and universities is being prepared for publication this winter. Dal students are invited to contribute original work to Alan C. Fox, Executive Secretary, American College Poetry Society, Box 24463, Los Angeles 24, California. All entries must be post-marked on or before midnight, December 21, 1958, to be considered.

The Queen Elizabeth High School Auditorium will be the scene of a premiere performance of "Four to Go" by G. D. H. Hatfield. The production is being presented by the Q.E.H. Dramatic Society on Thursday and Friday, November 6 and 7. Curtain time will be 8:15 p.m.

DALHOUSIE GLEE AND DRAMATIC SOCIETY PRESENTS

THE HIDDEN RIVER

In The Dalhousie Gym
November 6, 7, and 8

Hard at It— Members of an industrious stage crew are in the finishing stages of preparing for "The Hidden River". They are, left to right, Libby McKean, Laurie Lind, David Bissett and Fred Dobson. —Photo by Thomas.

Break for Notes— Members taking leading roles in the production are looking over their parts between acts. They are left to right, John Chambers, Penelope Stanbury, Gail MacLaughlin, Norm Rebin, Ken Clark, and Julia Gosling. —Photo by Thomas.

PLAYERS AND PLOT

All the mystery and excitement of a former war district situated on the banks of the Loire River, France, is to be re-enacted by the members of the Dalhousie Glee and Dramatic Society in their first production of the year, "THE HIDDEN RIVER" playing in the Dalhousie Gymnasium, on November 6, 7, and 8.

"The Hidden River," a play by Ruth and Augustus Goetz, is based on a novel written by Storm Jameson. The plot is built around guilt feelings of a family stemming from the betrayal of one of its members. The play opened on Broadway in January 1957.

The mystery drama is under the direction of Julia Gosling, a Senior Arts student, President of the DGDS, and former director of such Dalhousie productions as, "The Admirable Crichton," "The Man Who Came to Dinner," "The Dalhousie Reviews," and assistant director for "Finian's Rainbow."

CAST: Members of the cast form a good cross section of the campus, with most faculties being represented. The lead role of Jean Monnerie is portrayed by Don Aitken, third year Med student, who last year thrilled audiences with his characterizations of the stately butler, in "The Admirable Crichton," and Finian, in "Finian's Rainbow." Jean's uncle, Daniel Monnerie, is played by John Chambers, a third year Arts student. Daniel Monnerie has been sentenced to five years in prison for collaborating with the enemy during the Second World War.

Francis Monnerie, Jean's youngest brother, is engaged to Elizabeth Regnier, the adopted daughter of Marie Regnier. Marie was brought to the Monnerie home to be a substitute mother for Jean and Francis.

The law faculty is represented by our NFCUS exchange student, Norm Rebin, who portrays the

character of Francis Monnerie. Norm hails from the University of Saskatchewan and is welcomed as new talent to the Dalhousie stage.

Elizabeth Regnier is played by Penelope Stanbury, an Arts student who has been active in the dramatic field before, having taken part in various French plays in Switzerland.

Marie Regnier's character is portrayed by the Director, Julia Gosling, whose acting ability and talent are well known to Dalhousians.

Ken Clark, who comes to us with the experience of the Queen Elizabeth High School dramatic society behind him plays the role of a young English intelligence officer, Adam, who having been sheltered by the Monnerie family during the resistance movement, pays a return visit.

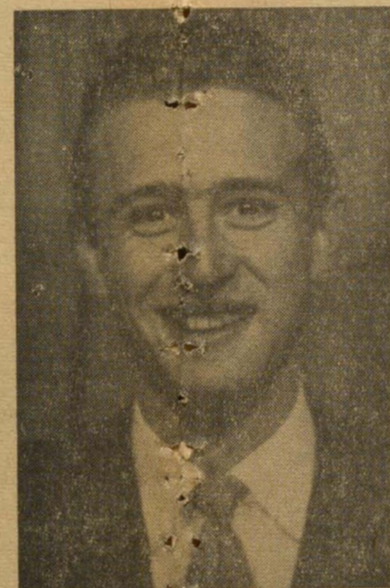

Father Baussau is played by Leon Cole, Doctor Montalti by Mitch Levine, and Amalie by Margaret Robbins.

The part of Otto von Kettler, Daniel's old friend, who comes to life in one of his dreams as he recalls the happy hours spent with him, is acted by Otto Haenlein.

The stage crew, under the direction of Forbes Langstroth is busy preparing the sets for the play. Others who are heading groups working for the success of the play are: Property, Marilyn Medjuck; Costumes, Patty Armstrong; Make-Up, Elliot Sutherland; Programs, Wayne Smith; Box-Office, Don Morse, Bill Dickson and Rick Quigley and Assistant Stage Manager and Prompter, Gail MacLaughlin.

Advice Is Given— John Chambers, (Daniel) who plays the uncle of Norm (Francis) and Penelope (Elizabeth) is giving the two advice on their future marriage plans.

DAL TEAMS MARITIME CHAMPS

DAL SPORTS

MARITIME CHAMPS. Pictured above are the Maritime Intercollegiate Soccer champions, the Dalhousie University Tigers. Shown are (top row from the left) Mervyn Creighton (mgr.) Alroy Chow, Cleveland Mullins, Gerry Gonsalves, Edward Johnson, Harold Brogan, Bruce Willis (mgr.); bottom row) Cyril White, Al High, Lionel Mitchell, DeWitt Dargie, 'Louie' Anthony, Richard Kemp, and Hugh Fraser.

DAL DEFEATS UNB 3-1 WIN MARITIME CROWN

by HUGH FRASER

The Dalhousie Tigers are undefeated Maritime Intercollegiate soccer champions. After being out of the league for five seasons, the Tigers rejoined last year and were only defeated once, that being a heartbreaking loss to Mount A in the last year's final. Saturday, they climaxed a drive that started for the championship three years ago by defeating U.N.B. 3-1 in Fredericton. The game was an excellent exhibition of soccer, and was a far-cry from the game with St. F.X. the previous week.

The game was played on a muddy and cold field, but this did not hamper the style of play of the Tigers, as this was their best performance of the year. It had to be. For U.N.B. were the best team they have yet faced.

There was no scoring in the first half, and Dal was hard pressed as U.N.B. came close on several occasions, but they had difficulty in finding the net and many of their shots went over the net.

From the outset of the second period, the Tigers controlled most of the play. At the 17-minute mark, Gerry Gonzales, playing a good game for Dal moved in close from the right wing and let go a shot that caught the upper right hand corner of the net for a 1-0 lead. This gave the Tigers re-newed vigor, and within seven minutes they had scored twice more, with Cyril White and Roger Leach netting the goals. U.N.B. fought back hard, but were unable to get through the Tiger defence. They scored their only goal

with eight minutes left, when they were granted a free kick which hit the top of the goal post, but Forestel came in from the left and pushed it past Mel Toung to make it 3-1.

Toung, playing his first season in the nets, had only three goals scored on him all year. He did not have a chance on any one of them as none were scored from scrimmage. He, thus filled a gap in the Tiger defense, when Bob MacLeod graduated last year and left Dal without a regular goalie. For the Tigers up-front, it was Cyril White, Al High and Gerry Gonzales who turned in an excellent game, as did Wally Turnbull at half back.

Congratulations are to be extended to coach Dewitt Dargie, who has brought to Dal the first major sports championship since the Tigers won the Purdy Cup in '54. At the start of the year, with only four regulars back, it was questionable as to whether they would repeat their previous performance, but that issue was decided yesterday.

Acadia Defeat JV's 31-18

In a well-played game at Acadia last Saturday, the Varsity Axemen carved out a 31-18 victory over Dalhousie's Junior Varsity Football team. The Valley crew led 13-0 at half time and the two teams battled on even terms, each scoring three times in the finale.

In the first half Dal's passing attack was effective but the backfield could not break through the stout Acadia line.

Minutes after the second half opened, John "Scrapper" MacIntosh went over for the first Dalhousie J.V. touchdown in three years. Acadia retaliated with two of their own to bring the score to 25-6, but Rick Quigley scampered around right end for a forty-five yard TD play, set up by two 20-yard completions to Jamie Muir. Kerr then scored his second touchdown for Acadia and Frank Henson went over from the fifteen for the Studley dozen, to round off the scoring at 31-18.

Despite the nippy weather, Dal's aerial attack was extremely good, but the backfield, torn by three injuries, did not appear as strong as in previous outings. Coach Dave Bryson's charges are looking better in each succeeding game and by the season's end several will have developed into Varsity material.

Interest Focused On Basketball

With winter just around the corner, interest will soon be focused on the coming basketball season. Coach Merv Shaw had his first look at the 58-59 aggregation yesterday.

Back from last year's squad will be Bill White, Ted Wickwire, Cam Smith, Nick Weatherston, Lorne Fisher and Al Murray, who played two years ago.

Some promising material has appeared from the freshman class. Four members of the 1958 Canadian Juvenile Champions, Queen Elizabeth High — Dave Woodworth, Robert Cunningham, Warren Nickeron and Michael Noble plan to try out for the Varsity squad.

The first intercollegiate contest will be at Saint Mary's on Nov. 29.

DAL GIRLS WIN TITLE; TIE MOUNT ALLISON 1-1

Dal Tigresses roared to their first Intercollegiate Ground Hockey title in five years, as they tied Mount Allison Mounties 1-1 in Sackville, on Saturday. This tie gave Dal a total of 9 points for the season, one more than the second place Mounties.

The spirited Dal eleven started off well, using their strong offensive line to control the play for the all-important first few minutes of the game. At the seven-minute mark of the opening stanza, Lorraine Lawrence belted a shot in the direction of the Mount A. goal. In their excitement, three of the Mounties' defence managed to put the ball in their own goal. This was Dal's only goal.

Shortly after, Mount A got organized and took control of the play up to the end of the game. Near the end of the first half the Mounties missed a very close one: A hard shot hit the Dal goalie's pads, bounced up in the air and landed square on the goal line behind the goalie. Dal's fullback, Karen Price, managed to clear the ball, and save the day.

The second half saw the Mounties fighting very hard for the championship. Controlling the play all the way, they took advantage of several penalty corners and finally Ann Clowser found the mark, with an angle shot to the corner. The score standing at 1-1, both teams put on an extra spurt of energy. Mount A. threatened on a breakaway but were unable

to put the ball in the net. Time and time again their offensive line swarmed in on the Dal defence, but to no avail, and as the final whistle blew, the score remained 1-1.

Several injuries resulted from the rough play, which usually accompanies such keen competition. Dal full-back, Jean Bremner, was forced to leave the field in the middle of the second half, with a leg injury resulting from a great deal of slashing in front of the Dal net. Centre half, Heather MacIntosh, also received a slashed ankle but managed to finish the game. On the Mount A side, starry centre-forward "Abbie" suffered an arm injury, when she tripped on a stick, while running after the ball.

Dal travels to Acadia this afternoon to play the final game of the season. The outcome of this game will not affect the standings of the league. An Acadia win would boost their point total to 7 points, still one short of Mount A and two short of Dal; a Dal win would merely increase Dal's point margin.

Congratulations to the Dal team, on their supremacy in Maritime Intercollegiate Ground Hockey competition.

CAREER OPPORTUNITIES

The Proctor & Gamble Co. of Canada Ltd. will have employment opportunities for graduating students in the following fields.

- | | |
|-------------------|-------------|
| BUYING | ADVERTISING |
| SALES | FINANCE |
| OFFICE MANAGEMENT | TRAFFIC |

A carefully supervised program enables our trainees to learn on the job and advance quickly to responsible positions. All executive positions are filled from within the Company, thus a steady supply of talented young men is needed to fill such positions created by constant expansion.

Interviews will be held for students graduating in Commerce, Arts, Science and Law on

TUESDAY, NOVEMBER 18, 1958

Law Dominates Interfac Maintains League Lead

by Mike Kirby

Last Tuesday, Law clinched first place in the Touch Football League with their 26-6 victory over the Engineers. In the only other contest played the week of the 20th, Arts and Science moved into third spot in the standings by handing Meds a 19-1 set-back.

Early in the first quarter, an Engineer fumble on a punt by Mel Young, set up Law's opening touchdown. Only three plays later Conrad gathered in a short pass to put Law ahead 6-0. Young then made the convert good.

The Engineers bounced right back and near the end of the opening frame Pete Wilson scored on a wide running play. This was the first time Law had been scored on this season. However, this was the end as far as the "Shackmen" were concerned, and Law took over from then on. They added another seven points on a second quarter touchdown and convert by Young, and closed out the scoring with touchdowns by Theakston and Conrad in the second half. Neither of these touchdowns were converted.

The big stars of the game were Young and Conrad for the Lawyers while Wilson, with his excellent punting, was the hero for the Engineers.

The Lawers continued their wick-ed pace in the touch football lea-

gue last Thursday afternoon when they edged the Arts and Science squad 8-6. This was the first time that the Lawyers really had to dig for their victory. The only other game which the Lawyers were scored upon was when they trimmed the Engineers 26-6.

HOCKEY SQUADS BEGIN SEASON

Coach DeWitt Dargie has opened the 1958 intercollegiate hockey season at an early date as far as the Dalhousie Tigers are concerned. Coach Dargie has been holding practise drills since last week.

Several of last year's stars have not returned to the fold, therefore it is imperative that some new faces are added to the '58-'59 squad. Anyone interested in trying out for the Varsity or Junior Varsity squads should attend the following practises.

Monday—7:00 to 9:00; Tuesday—6:00 to 8:00; Thursday—6:00 to 8:00 and as yet the Saturday time is undecided.

At least 20 players have made appearances at the tryouts but coach Dargie has made it apparent that several new players are needed to complete the roster.

King's Star Prepares to Move

ON THE MOVE—Diminutive University of King's ground hockey forward, Susan Bell, is being attacked from the rear by two Dalhousie defenders, Taffy Jones (left) and Marg Sinclair (second from left). The action took place on the King's grounds Tuesday the 21st when Dal overpowered UKC 4-0. Shown in the background is Mary Archibald, of King's, and Bobbie Wood of Dal. (Photo by Thomas)

Bobby Wood Stars; Dal Shutout King's

By COLLETTE YOUNG

Bobbie Wood, scoring five out of seven goals, sparked the fighting Dalhousie ground hockey team to two shutout victories over win-less University of King's College. Wood, who played several years for the powerful Edgehill ground hockey eleven, has been heading the Tabbies in the statistical race since the beginning of the season. Scoring three out of four goals in the first contest, she terminated her scoring spree with King's by adding a pair of tallies in the second encounter.

The first game saw the Dal eleven whip the hard-working King's girls 4-0. The Tabbies jumped to an early 2-0 lead on goals scored by Judy Jackson and Bobbie Wood. In the second half Bobbie Wood added two more goals to the register, while King's were unable to move the play from their own end.

Two days later Dal registered a second shut-out over King's. Again Bobbie Wood led the scoring with two goals while Ethelda Brown added another to make the score 3-0.

These two wins gave Dal undisputed possession of first place in the League. Dal has now won four games in as many starts. All of these games have been shut-outs, having defeated Mount Allison 1-0, and Acadia 3-0.

More Ground Hockey

Dal defeated Edgehill girls three times in exhibition ground hockey games last week.

The Intermediates began things with a 4-0 victory. Helen Horne and Diane Sperry each tallied twice for Dal. The Varsity team then defeated Edgehill senior squad by a 6-2 count, with Linda Rood and Bobbie Wood sharing the scoring honors. Both of these games were played at Edgehill.

A third game, played at Dal, gave the Tabbies a 3-0 victory. Again Linda Rood and Bobbie Wood tallied for Dal, with Ruth Ann Irving accounting for the other goal.

Three Teams Tied For League Lead

Last Monday night in the DGAC interclass volleyball tournament the Sophs and the Juniors moved into a first place tie with the Freshettes. The Juniors defeated the Seniors 24-7, and the Sophs downed the Frosh 30-15, to give four points to each of the three first place teams. Points are awarded as follows: win, 2 points; tie, 1 point.

Several other sports were also enjoyed during the evening. As usual there was a good turnout of badminton players, while others tried their hand at archery and trampoline exercises.

Gosh frosh!

how'd you catch on so quick? Catch on to the fact that Coca-Cola is the hep drink on campus, I mean. Always drink it, you say? Well—how about dropping over to the dorm and downing a sparkling Coke or two with the boys. The man who's for Coke is the man for us.

Hillel Sponsors Synagogue Tour

A general meeting of the Hillel group was held Wednesday evening, October 29, in the Arts Building. The main outcome of the meeting was the decision to form a Study Group under the guidance of Hillel advisor, Rabbi Dobrinsky, of Adath Israel synagogue. The Group will meet weekly, on Wednesday nights, to discuss matters related to this central theme—What It Means To Be A Jew In The Modern World. Also, because of the enthusiasm shown, the group will concern itself with learning conversational Hebrew.

Since many Dal students have expressed interest and curiosity concerning the new Adath Israel Synagogue on Coburg and Oxford it was decided that Hillel should sponsor a reception and tour through the synagogue—this should be of great benefit to all who attend, for besides providing an opportunity to inspect a Jewish place of worship, the architecture of the building is, in itself, quite unique, having been proclaimed as one of the foremost examples of modern religious architecture.

The proposed reception and tour will take place Sunday afternoon, November 16; reception at 2 p.m., and tour beginning promptly at 3. A general invitation is extended to all Dalhousie students to attend.

WUSC Speaker Visits Dalhousie

Patrick Deigh, a student from Sierra Leone, will visit the Dalhousie campus this week as guest of the WUSC Committee.

Mr. Deigh is touring the universities of eastern Canada to interpret the life of African university students to their Canadian counterparts.

He will address a joint meeting of Dalhousie, King's and Saint Mary's students at Shirreff Hall Wednesday evening at 8:15 p.m. Following the meeting, refreshments will be served and any interested students are invited to meet Mr. Deigh informally.

Dal Newman Club Varies Program

Newman Club, the organization for Roman Catholics on the Dal-Tech campus, is well into its 1958-59 season. To date, the membership includes almost 100, with nearly double that number turning out for its varied intellectual, spiritual and social program on Saturday nights.

"The Life and Work of Pius XII" by Rev. Owen Sharkey head the list of lectures. On October 19, there was an interesting film on Mental Health. The following Sunday, Monsignor Duffy spoke on "The Christian Moral Law", and on Nov. 2, Archbishop Berry gave a lecture on "The Pope as the Exponent of Christian Moral Law".

On Sunday, Nov. 9, the topic will be "The Teaching Authority of the Bishops."

Through the year, the Club will sponsor monthly Communion Breakfasts with Mass at the Holy Heart Seminary and breakfast afterwards at Newman Hall. A yearly event is the Mission, which is to be held this year at the Sacred Heart Convent on Nov. 13, 14, 15 and 16.

Sodales Interfaculty Debate Schedule

All those scheduled for Monday will be held at one o'clock at the West Common Room of the Men's Residence.

Those scheduled for Thursday will be held at 12:30 in the Moot Court Room. Everyone is invited to attend and listen. Those in Law who may still be interested in competing please contact Norm Rebin—phone 3-9774. This schedule is subject to revision if conflicts arise.

	November 6	
Daniel MacLennan	vs	P. J. Curran
Joe MacDonald	vs	T. B. Davis
	November 10	
Lew Matheson	vs	Dick Jones
A. F. Coady	vs	Bob Hebb
	November 13	
O. F. MacDonald	vs	G. D. Walker
Roger Holtein	vs	J. Leaf
	November 17	
Gloria Read	vs	Murray Fraser
Shirley Ramey	vs	—Unknown—
	November 20	
Dave Rieche	vs	Engineers
E. E. Campbell	vs	Nurses
	November 24	
Carl Mayo	vs	Graduate Students
Roy Wellman	vs	
	November 27	
Wendel Futton	vs	
Dave Hilton	vs	

All speeches are to be five minutes in duration, with one three-minute rebuttal from each side. Topics and respective sides to the resolutions are solely the responsibility of the competing students involved.

Le Cercle Francais Elects Officers

A small but enthusiastic crowd was in attendance at the first meeting of the Cercle Francais held on Monday, October 27 at 8 o'clock. An election was held and the following officers were elected:

President—Robert Ryan
Vice-President—Marc Foisy

Secty-Treas.—Heather Williams
Plans for the year were discussed and it was decided to follow much the same program as last year—monthly meetings ending with a Soiree Francaise in February or in March. Marc Foisy, a new student from Montreal, is interested in starting a class in conversational French if enough are interested. Following the business meeting refreshments were served. Professor Chavy completed the evening by showing two French films.

Bell employment representatives will be on campus to interview

on Friday
November 14th
