Subject: Proposal

Dear Mr. President:

First of all I want to thank you for the great honour you bestowed on me. It was very exciting indeed to have the opportunity of discussing such an important subject in so solemn a setting. I only hope you were not too disappointed by what I had to say.

Please also convey my warmest thanks to Mrs. Soares. The luncheon was absolutely splendid, and I deeply appreciated that she took all the time and trouble to come to Porto for the evening, considering her busy schedule.

Now I would like to follow up with the suggestion I made to you during our luncheon: to hold our next conference, Pacem in Maribus XIX, in Lisbon next year, in connection with your High-Level meeting on the oceans. I have already prepared a proposal which Mario Ruivo will submit to you.

With my heart-felt thanks again, and my fervent wishes for your success which is important not only for Portugal but for the world,

Yours sincerely,

Elisabeth Mann Borgese
