My dear Mr. Raddall:

I have added another copy of your "Roger Sudden" and I trust you will not think this too great an imposition upon your good nature. I believe Mr. Merkel has already written you about the two. The third is to be a gift to the library in the Queen Elizabeth High School, where daughter, Ruth, is now a student. I shall leave the matter of inscription in this case entirely up to you. I know the students will be thrilled to have an autographed book on their shelves, especially considering that the author is a Nova Scotian.

With many thanks and with every good wish for your success with future novels.

Very sincerely,

*Margorie Major*
