

Ottawa, March 18, 1910

My dear Ellen,

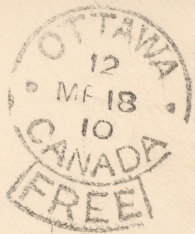

I am delighted
to hear of the great
success of your New
York debut, still more
delighted to hear
that you will give
to your Canadian
friends, the great

pleasure of hearing
you. Lady Darnley
& I will certainly
attend your Ottawa
concert, & we will see
that all our friends
are present. Arrange
with your impresario
to let me show some
time in advance the
date of your concert
here.

Lady Sumner is at the
Hot Springs of Arkansas
at this moment. She
will be back quite in
time for your event,
which she would not
miss, I am sure.

Once more, I
accept my hearty
congratulations.

Yours very sincerely
Wesley Sumner
