Dear Mr. Raddall:-

Your serial, Roger Sudden, published in "Adventure" is a book that I would like to have for my library. The terrific amount of research work that you must have gone thru with to collect your material certainly deserves a permanent place on the book shelf instead of being buried in the back numbers.

If it is not asking too much, should you arrange for publication in book form, I would appreciate your entering my order for a copy or letting me know where I can secure one.

Mr. Harve Stein did a very wonderful job in his illustrations which I trust will appear in your book.

Since Nova Scotia is the original home of the Colpitts I am especially interested in historical novels laid in Eastern Canada. Possibly the data you have collected appears in others than Roger Sudden: if so please let me have the titles and name of the Publisher.

Thanking you and with best wishes for continued success in portraying the actors and scenes of Eastern Canada in the old days, I am,

Sincerely yours,

*Jas. V. Colpitts*
