

Franklin

Dear Brother

Sept 21<sup>st</sup>

Use a few lines to let Jan know that  
I am in the same old spot here I am leaving  
here tomorrow morning for a certain place  
to shoot and that will be one weeks spot  
for a change wish that Jan could be  
near to help me make some Bulls Eyes I  
was shooting last week two days and  
did very well We are having lots of rain  
I feel and getting colder every day feel  
rather cool in the morning & don't  
I often feel like being beside a hot warm  
stone I tell you it make a fellow tough  
if we would have been made do this  
in Canada some one would be shot before  
morning I would like to hear Jan & am  
talking and saying just a couple on  
the side Poor old Santos he was a

lucky Bay there are plenty new fellows  
 coming in here now but not one that  
 I know seems so strange I was looking  
 for some one that I knew but no use.  
 Now I am going to send you one of my  
 photos but please do not laugh at my  
 bare bones you would hardly know  
 me with them on that is the Pitts I am  
 almost finished with my Drill about  
 two more weeks and I will be just a  
 little bit glad I will think about you  
 I hope when I take my first shot at  
 Pitts can you see him going heels up  
 How Brother I will love for this time as  
 do not want to make the letter too full I write  
 Lillis to do give my love to all and he  
 will write soon and after you ever loving  
 Brother Weldon me at the Point for  
 Brother
