Michael Fernandes
Chairman
Eye Level Gallery
1585 Barrington Street
Halifax

Dear Michael:

As I expect you will be presiding over the first Board Meeting of the Gallery in its new season and with David as its new Director, could you please bring to the attention of all Board Members present the business of the enclosed correspondence.

As I have said to you, I find it intolerable that any Board Members of friends, etc. would believe (from the gallery's application to the Council dated March 29, '82 for the fiscal year July 1, 1982 - June 30, 1983) that I had left the gallery with a deficit of \$4558.00 at the end of the fiscal year, June 30, 1981 and had never notified you, the chairman, John Murchie, the new treasurer or any member of old or new Boards.

I am trusting that you will give this matter the attention and respect it deserves.

Thank you.

Sincerely,

Encls.
