Sir:

It is my third attempt. It cannot hurt. You need not return the story if you cannot use it. Just let me know. It is a rather timely story, but I wrote it quite a while before the current explosions.

For your information, I am also enclosing an excerpt from a recent letter from John Irving.

With all good wishes,

Sincerely yours

Elisabeth Mann Borgese

Sir/Madam,

Enclosed please find a story I just finished. Actually I wrote it in German, and then rewrote it in English, but I think it works.

In Germany, this story will be included in a new volume of short stories of mine, to be published by Memoria Verlag in Koeln, for Christmas 2000.

I would of course be delighted if you could use it -- if not, you need not return it; just throw it away.

I am also enclosing a short c.v

With all good wishes,

Elisabeth Mann Borgese
